CONSTITUTION AND BY-LAWS

Article 1. This body shall be known as the Buncombe Baptist Association.

Membership

Article 2. (Sec. a). It shall be composed of regularly constituted Baptist Churches in Buncombe County and adjacent territory who shall be represented at its regular or special meetings by duly elected messengers in the following ratio, viz:

(1) Two for the first hundred members or fraction thereof and one for each hundred additional.
(2) All ordained ministers who are members thereof or laboring in connection therewith.

(Sec. b). The Association shall be the sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Provided: The churches so received shall agree and come under the Watch-Care of the Association for a period of one year. It is understood that during this period of probation such church or churches shall be entitled to all the rights and privileges of the Association except that of voting. At the conclusion of this period should no objection be had they then become members in regular standing without further action by the Association.

(Sec. c). The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice or that fails to represent itself either by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d). Any church may withdraw from the Association at its pleasure.

Objects

Article 3. The objects of the Association shall be to devise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially

along the lines recommended and adopted by the Southern Baptist Convention, the State Baptist Convention and the Association itself.

Powers and Prerogatives

Article 4. The Association shall have no power whatever to infringe upon the rights of usefulness of the churches. It may advise or recommend measures of usefulness for their adoption and guidance but cannot bind them in any way. All the churches constituting the Association remain sovereign and independent bodies and unite only that they may more effectually promote the cause of Christ throughout the world.

Duties of the Churches

Article 5. It shall be the duty of each church to appoint so far as practicable their most capable and efficient members as messengers—to insist upon their attendance and to send with them a contribution toward the expenses of the Association, the printing of The Minutes and such other items deemed necessary by the Association. CHRISTIAN LITERATURE by Mrs. F. C. Miller

Bro. Willis Bennett and Bro. Satterfield spoke to report. The report was adopted.

In thinking of Christian literature, the Bible comes first to mind. It is the foremost of all pieces of literature. Christians will certainly place it above all others.

Supplementing our Bibles, our Sunday School Board is now publishing a grand total of 79 periodicals. The Sunday School, the teaching institution of the church, is providing a wide circulation for 54 of these. Eight are for the B.T.U., 13 for Vacation Bible School, and four are general. Quoting from the report of the Sunday School Board to the Southern Baptist Convention, 1941, "All our periodicals are planned, prepared, and published with a view to furnishing a balanced biblical curriculum for the teaching and training work of our churches graded from tiny tots to aged adults."

CHARITY AND CHILDREN is another Baptist publication which has been a product of the Mills Home at Thomasville for 45 years. Increased interest has been shown in this paper and through its enlarged circulation, Baptists of our state have become better acquainted with our orphanage and its work.

THE BIBLICAL RECORDER which was purchased by the Baptist State Convention in 1939, has assumed a somewhat changed policy since that time. The new business manager has insisted that the subscription list be kept upon a strictly paid-in-advance basis, steadfastly refusing to "pad" the list with complimentary or unpaid subscriptions. The list contains now 10,474 subscriptions, every one of which is paid in advance. North Carolina has 454 clubs, of which only five are in the Buncombe Association with 125 subscriptions. The club price is $1.50, and the minimum number of subscriptions at the club rate is five per cent of the reported church membership. The individual price is $2.00.

Our ideal goal is "The 'Recorder' in every North Carolina Baptist home." Nothing less than this will make our Baptist state paper the power for good that it ought to be.

Respectfully submitted,

MRS. F. C. MILLER.

Song, "The Way of the Cross Leads Home."

ORPHANAGE by Mrs. O. L. McGinnis

Mr. J. A. McMillan of the Orphanage spoke to the report. Report was adopted.

The purpose of the Baptist Orphanage of North Carolina is, "to prepare poor and promising orphans for the duties and responsibilities of life." The Orphanage, therefore, is not an institution for the feeble mind-

ed, neither is it a reformatory. It functions in the field where it can be of the greatest service.

The Orphanage operates two homes, The Mills Home at Thomasville, and the Kennedy Home at Kinston. The administration office, with I. G. Greer, General Superintendent, and R. D. Covington, Treasurer, is located at Thomasville. J. C. Hough is Superintendent of the Kennedy Home, Kinston, Route 2.

There are three classes of children now being cared for by the Orphanage: full orphans, half orphans, and victims of desertion of wrecked homes. This service is being rendered through Mother's Aid, boarding homes and the Orphanage proper. In addition to this the Orphanage authorities are rendering a fine service by helping children and parents make adjustments with neighbors and relatives.

In spite of the fact that the government has entered the field of Child welfare in a large way, the demands upon the Orphanage authorities have never been greater. They receive upon an average of forty-five applications every month during the year. No matter how urgent the demands, however, the policy of the Orphanage is not to make special appeals. The average cost of running the Orphanage is approximately $500 a day. Special appeals for other worthy causes may come and special appeals may go, but this constant stream of human need must go on day after day, and year after year until the purpose of Christ through His Church has been fulfilled.

This places upon every Sunday School and Church a Christian responsibility they cannot afford to shun. We pray to our Heavenly Father, "Give us this day our daily bread." The only way He can give the children their daily bread is through us. Let each one of us as a messenger pledge here and now that our Sunday School will help answer this prayer, by giving regularly and systematically to this worthy cause.

Respectfully submitted,
MRS. O. L. McGINNIS.

Two committees were announced by the Moderator as follows:

Time, Place, Preacher Committee:
Bro. J. W. O'Hara.
Bro. J. P. Walsh.
Bro. D. L. Holland.

Reception of churches:
Bro. J. R. Owen.
Bro. R. P. Hamby.
Bro. C. C. Prince.
Bro. E. E. Wheeler.
Bro. J. G. Rhymer.

HOSPITALS by Bro. J. R. Owen

Mr. Smith Hagereman spoke to the report. Report was adopted.

NORTH CAROLINA BAPTIST HOSPITAL. This hospital was established in 1923 for the purpose of providing treatment for the sick of the entire State, especially for those not able to pay a hospital bill. North Carolina Baptists could not be true to the cause of Christ and suffering humanity without making a most earnest effort to relieve the multitudes of sick in our state.

The hospital is crowded to its utmost capacity, and multitudes being turned away. Today at least one half of all who knock at her doors have to be turned away for lack of room. In answer to this urgent need more room had to be provided. Two additions to the building are now under

way. One will provide beds for 50 children. The larger addition will be provided with 150 additional beds. That will make possible the treatment of 10,000 more cases each year. It is worth knowing that the hospital is being provided with the most modern appliances. It is interesting to know too, that the Wake Forest School of Medicine is being established in connection with the hospital. Though a separate institution, and governed by a separate board of directors, this school will add greatly to the value and efficiency of the hospital.

The hospital has a staff of 76 medical and surgical doctors. A specialist for every particular case is at the call of the hospital any minute day or night. These doctors are of the best of the country and are giving much of their time and service to the sick of our hospital—in many cases without money and without price. There are 91 nurses, besides an adequate number of special graduate nurses, at the service of the patients day and night. These are well trained and well organized, and go about their tasks with cheerfulness, kindness and consideration of the sick. This number will necessarily be increased as the work expands in the new buildings.

More than 50,000 patients have been admitted since the opening of the hospital. Of this number 15,500 were mothers who were almost all blessed to return to their 46,000 children. 1,300 preachers, missionaries, and ministerial students were patients in the hospital. 21,000 charity patients have been treated at an estimated cost of $1,956,000.

The hospital does not discriminate against members of other denominations, nor those who do not belong to any denomination. Its doors are open to every hospital case of God's sick and suffering humanity.

The religious atmosphere of the institution is very fine. The hospital has a full-time pastor, Rev. Charles E. Parker, who makes daily visits to the patients, teaches Bible in the Nurses Training School, and ministers in every possible way to the patients and their families as they go and come. The doors of the hospital are open also to the pastors of the city and others to minister in any way they may be able to the patients.

Patients who are not able to pay are provided for almost entirely by offerings from Mother's Day. Many of our churches either do not observe this day or do not remember the hospital in their offerings. This is a loving service that every Baptist church in North Carolina should render. In doing this we may be enabling the hospital to take care of some of our own loved ones and send them back to us, not only well again, but greatly blessed and enriched spiritually.

It is recommended that an earnest effort be made in the Buncombe County Association to enlist all the churches in the observance of the Mother's Day offering for our Baptist Hospital.

J. R. OWEN.

Song, "Near the Cross," which was lead by Bro. Perry Sprinkle, pastor of Craven Street.

Prayer by Bro. W. W. Williams, who is serving with the army as chaplain and he is stationed at Stark's General Hospital at Charleston, S. C.

INTRODUCTORY SERMON by John W. Inzer

Bro. Inzer spoke on the subject of "Business As Usual." The first part of the message was devoted to a general application of our national problems, and the latter part covered the life of the Baptist history from 1916. Bro. Inzer stressed the need for us to rise above business as usual and really undertake a challenging proposition for our Lord and for the Baptist cause.

TUESDAY AFTERNOON

The afternoon session opened with the singing of "Rescue the Perishing."

The devotions were conducted by Bro. C. C. Prince, pastor of Biltmore church.

SUNDAY SCHOOL by Bro. Perry Morgan

Bro. W. S. Johnson and Bro. Morgan spoke to the report. Report was adopted.

Great achievements have been wrought in the field of Sunday School work during the sixty years of organized work in the Buncombe Association. Gains have been made in our state and the Southern Baptist Convention. In the past twenty-five years, Sunday School enrollment in the South has increased from 1,760,802 in 1915 to 3,523,853 in 1939, a gain of 1,763,051, and will, we believe, reach the four million mark in the next two or three years.

The Buncombe Association has made its contribution to these gains. At our last meeting there were 13,464 enrolled in the Sunday Schools of the association. We have hopes that at this meeting the number will be even larger.

The progress made in the last ten years is due, in large measure, to our great Sunday School leader, W. S. Johnson, who has served so faithfully as Associational Superintendent. We owe to him a debt of gratitude of such magnitude for his services so unselfishly given, that it will be difficult for us to pay.

We are also indebted to our State Sunday School Department, led so ably by L. L. Morgan, Raleigh, our State Secretary, and the Sunday School Board of the Southern Baptist Convention for valuable help given us in the promotion of our work.

In these times of world storm and stress, of unsettled business conditions, of breaking into our peaceful social order, and the trend away from church and God, our people in all the churches should lay hold upon the Sunday School as never before as an instrument in their hands to teach the Word of God to all the people, and by every means at our command to win our people to faith in God and his Son, Jesus Christ, our Lord and Saviour.

BAPTIST TRAINING UNION by L. E. Ludlum

Bro. Ludlum spoke to the report. Report was adopted.

The Buncombe Baptist Training Union Association consisting of general officers, departmental leaders, and group leaders, has gone forward for the past year in promoting our training work.

Its work is in cooperation and harmony with our other Baptist organizations and institutions. In accord with a recommendation made at our general association meeting last year, the director was elected by the general association and made a member of the Executive Promotion Committee of the association.

During the past year much emphasis has been put on extension of the work and the part of our curriculum known as the Study Course. A large part of, but not all, of this has been done in central associational meetings. The first week in April an association-wide Study Course was held at the First Baptist Church with about 20 classes and an average attendance of about 350. On April 9 there was a one-day conference held at the First Baptist Church in cooperation with Mr. Brooks, our State Secretary, the purpose of which was to present the Training Union Four-Year program and stimulate the training work.

These general associational meetings were held during the past year. The first of these was at the First Baptist Church on Monday night, August 10, in which the main address was delivered by Rev. H. K. Mostiller of Canton. The other was at Calvary Church, Monday night, March 13 at which Rev. H. M. Hocutt was chief speaker.

The greatest need in this phase of our work is a new union of the wonderful possibility of the Training Union and more folk who will explore the possibilities. May God help us to respond to this great training program.

WOMAN'S MISSIONARY UNION by Mrs. D. L. Holland

Mrs. J. W. Shepherd from New Orleans, La., spoke to the report. Report was adopted.

Our W. M. U. watchword is "Laborers together with God, that thy way may be known upon Earth, and thy salvation among all nations."

Jesus said as my Father hath sent me, even so send I you.

Our W.M.U. believe in going in the name of Jesus, first in person to minister to those in need of salvation to those in need of food and clothing.

Jesus said if we give a cup of cold water in His name we shall not lose our reward.

Second, we believe in going in prayer. We have prayer groups scattered throughout the association: Praying for our missionaries, pastors and all Christian workers.

If we ever needed to pray, it is today.

If we ask anything in His name believing, we shall receive.

Do we believe?

We go with our money to help support those God has called to go into—Asheville, into North Carolina, into America, and into the ends of the earth.

We have W.M.U. work in 37 churches in the association.

16 young people organizations have been organized since last year's report, and 6 W. M. Societies.

We have increased in tithes, Mission Study and personal service.

My chief aim as your Superintendent is to enlist some that they might enlist others in the Army of Christ.

Respectfully submitted
MRS. D. L. HOLLAND.

Song: "Send the Light."

RELIGION IN THE ARMY by Bro. W. W. Williams

Bro. Williams brought a very informational and inspirational message on the religious needs of the men in service. He informed us that Uncle Sam was not forgetting the spiritual needs of the men in service, for the government was making all necessary preparation to meet the spiritual needs and places of worship for the boys. Bro. Williams suggested that the families and churches of the boys in service could encourage the men by writing to them and to the chaplain about the boys. It is our conviction that the army does not have a better chaplain in all the army than it has in W. W. Williams.

OTEEN MISSION by Nane Starnes

Bro. W. E. Wood spoke to the report. Report was adopted.

While the syncopated song of death swells into a maelstrom in a new war, the afternath of a war fought twenty years ago is still with us in the various government hospitals. One of these hospitals is within the territory of our Association. It is indeed a privilege we have of ministering to these seemingly forgotten heroes.

The work of your chaplain consists of visits to the patients themselves, services conducted over a public speaking arrangement in the hospital, writing letters back home to the families, finding homes for the veterans families when they wish to stay near their loved ones for a while, distributing Christian literature, and witnessing for Christ in a very personal way. More than two thousand visits were made last year, many letters were written, and a great amount of literature was distribu'ed.

The work is done among about two hundred and fifty men who have

some Baptist connection. The work is supported by offerings from the churches of the Association, from the State Mission Board, and by friends in the various States.

HISTORIAN'S REPORT by Bro. J. B. Grice

Report was adopted.

Another year has ended for the Buncombe Baptist Association, and as we come to our sixtieth annual session, it is with Thanksgiving to Almighty God for His guiding wisdom and sustaining grace for bringing us to this good hour. Very few, if any, of the founders of the Buncombe Association are still living except in their influence on the lives of succeeding generations. One by one our fathers have been called home and the work of the Buncombe Baptist Association has been committed to our hands. In article three of our constitution we are told why we are organized into an Association in the following words: "The objects of this Association shall be to devise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote, and develop their energies in advancing the Redeemer's Kingdom throughout the earth." How careful we should be to live unselfishly true to these objects!

For the past two or three annual reports your historian has made reference to wars in various parts of the world. At this writing it is estimated that three fourths of the world's population are engaged in a war unequalled in destruction of life and property and never surpassed for cruelty, in the history of the world. The other fourth of the world including our own beloved America is arming itself for this conflict. But so far, this terrible situation has not demoralized the work of our Association, as the reports will indicate.

The Executive and Promotion Committee has held its quarterly meetings according to the schedule. Your Committee on Ordination, examined two young men candidates for the ministry, since our last meeting. Brother Fred Lipe of the Merrimon Avenue Church, and Brother William Moore Hearn of the Weaverville Church; both of whom were ordained by their respective churches. Your committee on Location of New Churches, participated in the organization of a new church in the Starnes Cove section of our county, this summer. This came as the result of the organization of a Sunday School in that section a few months previous and the erection of our Association tent, in which a series of evangelistic meetings were conducted by pastors Starnes, Kirstein and others. This new church was regularly constituted by the adoption of the Missionary Baptist Articles of Faith and the Covenant. The charter membership totaled about thirty, and they adopted the name Starnes Cove Baptist Church. This church is situated in a wholly unoccupied territory so far as our denomination is concerned. They have secured a most desirable lot 300 x 120 on which to erect their building that has been purchased from the Enka Baptist Church, and is to be vacated by the latter on October 1st.

Only a few of our churches have reported additional building and improvements for the past year. The West Asheville Church is now erecting the first unit of their permanent building at a cost of $18,000.00 The Cane Creek Church has built a new auditorium, 36 x 40 feet, at an approximate cost of $3,000.00 Flat Creek, one of the older churches, and the church in which the Buncombe Association was organized, has recently completed a $3,700 pastorium right near the church building. We understand that it consists of eight rooms with all modern conveniences. The Patton Avenue Church has added a new heating plant and spent $845.00 on their building. The Mount Carmel Church has purchased an additional piano and pulpit furniture, also paid off all indebtedness of their church building. They have over an acre of Irish potatoes to harvest this year

as a joint Lord's Acre project. The church has voted to begin immediate construction of a pastorium near their church building. They are also considering a full time pastor. The Beaverdam Church painted the outside of their building and added Sunday School equipment at a cost of about $300.00, also made some miscellaneous repairs with cost them about $75.00 The Craven Street Church dedicated their new house of worship on Easter Sunday, free of debt. They have also spent $171.00 on furnishings for their auditorium. The Deaverview Church reports their debt paid and the dedication of their building. A bell was purchased and a baptistry installed. Plans are now being made to seat the church with pews. Swannanoa completely renovated the pastor's home at a cost of more than $1,100. The Hominy Church closes the year free of debt, except the balance on the pastorium. New Bridge installed a furnace at the cost of $480.00. Reed Memorial Church has painted the pastorium both inside and out, and also report improvements on the church building. Enka's new church house is nearing completion. The grounds are now being grade. Ridgecrest Church has change of pastors. Gilmer Proctor resigned Dec. 1, 1940. W. W. Lawton, Jr., accepted supply pastorate Feb. 16, 1941.

We have had several pastoral changes since our last annual report. I. K. Stafford resigned at Riverside on July 31, 1940, and accepted the pastorate of Bruington Church at Stanley, N. C. He was succeeded at Riverside by Fred G. Womac on December 1st, 1940. This church sponsored the organization of a Boy Scout Troop in November 1940. A. V. Reece closed his pastorate with the Fairview Church at the end of the Associational year, to do such work as is permissable under Ministers Retirement Plan, having reached the age of 65, after a service of 44 years. The Church has elected Lawrence Erwin of Balfour, N. C. as successor to Brother Reece. W. P. Hall resigned the pastorate of Biltmore and accepted work in Anderson County, S. C. Brother Hall was succeeded at Biltmore by C. C. Prince. B. S. Hensley resigned the Big Ivy and Newfound Churches and accepted the pastorate of the Scotts Creek and Jarrett Memorial Churches in Jackson County, N. C. M. L. Kirstein of Biltmore succeeds Brother Hensley at the Newfound Church, but at this time the Big Ivy Church is without a pastor. Guy Marlowe has resigned his work with the Black Mountain Church to accept the pastorate of a church in Birmingham, Ala. J. N. Watson is the newly elected pastor at Black Mountain. T. H. Parris has resigned the Mount Carmel-Macedonia field to become pastor of the Clyde Church at Clyde, N. C. I have been informed at the time of this writing that neither of these churches have elected a successor to Brother Parris. M. H. Kuykendall, having been supply pastor of the Weaverville Church for about two years, gave this work up at the end of the fiscal year in order to devote full time to teaching at Mars Hill College. So far as the historian has been informed the Weaverville Church has not elected a successor to Brother Kendall. Brother J. L. Tillery of Tennessee succeeded Hugh Rymer at the Liberty Church, Brother Rymer having taken the pastorate of Turkey Creek. Wayne W. Williams of Oteen Church was called into service as a Chaplain, gave up his work at Oteen and is now stationed in a government hospital at Charleston, S. C. Wyman E. Wood resigned the pastorate of the Swannanoa Church and succeeded Brother Williams at Oteen. R. P. Hamby of Shelby succeeded Brother Wood as pastor at Swannanoa. Smoot A. Baker resigned the Enka Church to become pastor at Burnsville. Brother John T. Biddle of Franklinton, N. C. became pastor of the Enka Church. G. L. Royster resigned at Hominy and was succeeded by J. W. O'Hara. On April 1st, 1941, W. R. Burrell retired from the pastorate of the Reed Memorial Church, this being the first retirement in the Buncombe Association under the Minister's Retirement Plan of the Southern Baptist Convention. Brother Burrell has his summer residence in Weaverville, N. C. and his winter residence in Florida. H. M. Hocutt of Sylva, N. C., accepted the pastorate of the Reed Me-

morial Church on April 1st, 1941. Lawson Allen, Educational Director of the First Church of Asheville, resigned his work here to accept work in the same capacity in Jacksonville, Florida. Miss Eleanor Wheeler has been elected Assistant Secretary, and Miss Ethel Blackstock Eduactional Director for the summer, at First Church.

We stated in our last annual report that we were facing a war-torn world, and wondering what the outcome would be, and today we face a much worse condition and still wonder as to the outcome. Our churches having to meet today. Sunday movies, baseball and golf were unknown in Buncombe County even twenty-five years ago. Most of the churches of our Association still make their annual evangelistic effort but we seldom hear of a revival. The early church had but one way to overcome the competition and opposition of their day and that was by prayer. So we too, must depend more on the power of God and less on the genius of man, if we make the right kind of history during the present Associational year.

M. A. Huggins made some announcements in which laid a lot of emphasis on the Wake Forest Chapel Fund.

The closing prayer for the day was led by Bro. Ottis J. Hagler, a former pastor and clerk of the Association. Bro. Hagler is in the Lord's work in the state of Florida at present.

WEDNESDAY MORNING, AUG. 13, 1941

The morning session was opened by singing "Stand Up For Jesus."

Devotions were conducted by pastor W. W. Lawton, Jr., of the Ridgecrest Church.

Song: "If Jesus Goes With Me."

The moderator vacated the chair and asked Bro. Perry Sprinkle to preside as the vice-moderator was in a committee meeting.

CHRISTIAN EDUCATION by R. P. Hamby

And he spoke to his report. Report adopted.

Christian education is the cornerstone of our western civilization. Christian education, in America, is older than our great republic. Christian education, is, indeed, part of Christ's great world program. Christian education is education with Christ in the center of the teaching and learning process. Christian education does not hamper the spirit of evangelism and world-wide missions, it fosters them. It gives them words with wings and fleetness of foot to preach the unsearchable riches of Christ. It uplifts and enheartens and does not destroy the morals of our country. With more than a million men in training for the defense of our great democracy what a glorious privilege if we can make them all Christians and Christlike. It is the mighty arm of the Gospel that gives illumination and light. Christian education does not build selfish men; by its very genius it produces self-sacrificing men. Men like Moore to Mars Hill, Waite to Wake Forest, Furman to Furman University, Campbell to Campbell College, Broadus and Boyce to the Southern Seminary and Carroll to Baylor and Southwestern and Boatwright to Richmond College. Christian educat on leads us into the glorious light of the truth as it is revealed in Christ Jesus.

Our Christian schools are the lighthouses of our civilization. The Lord Jesus taught his disciples for three consecutive years and more. The intensity of this three year period has been pronounced by some as equal in time, equivalent in value, and surpassing in content the whole scholastic life of a modern youth who has completed grammar school, high school, college and seminary or university courses. In the order of our American institutions the home was first-born, the Christian school second, the Church

third and the state fourth. Education is still dependent upon one or all of these institutions.

Most of our Baptist schools were born in the pinch of poverty and cradled in the uses of adversity. Someone said, "The soul of education is the education of the soul". This is the true function of Christian education in all our Baptist institutions. Another defined a Christian college as 'Mark Hopkins on one end of a log and his student on the other end', learning the way of life. The significant thing about any institution is not its equipment materially, important as is this, but its atmosphere spiritually. One said, that great institutions are only the lengthening shadows of great men. Christ reared no earthly tempest but his followers fill the world. The world has become one great whispering gallery why not fill it with the life, light and spirit of Jesus Christ? Christ wrote no books but the world is filled with books about him. Personality consecrated to God and dedicated to the highest human welfare and service is Christian education in action. A mural tablet in one of the islands of the South Seas characterizes the noble life of a great missionary thus: "When he came to this island there were no Christians, when he left there were no heatren." We would not decry any good system of State education. We would heartily commend it; but the Christians must go beyond it. Roger W. Babson says: "We grow not by starting where others start, but by starting where others stop." Again he asserts, "The greatest difficulty confronting our young people is that they have the spending power of giants and the earning power of babies." Christian education seeks, finds and applies an adjustment for this unbalanced economic order of life.

Thomas Jefferson, who wrote the Declaration of Independence, said: "If a people expect to be ignorant and free they expect what can never be." Jefferson considered the founding of the University of Virginia the paramount accomplishment and the crowning victory of his whole life. Out of the halls of this institution came one of the most brilliant pioneers of Southern Baptist life and Christian education.

Dr. A. T. Robertson once said, "Our educational system is not opposed to the knowledge of God, but it actually ignores God." Again he said, "We are not in danger of too much education, but education without God is defective education and is the surest possible way to make criminals, men and women without a sense of responsibility, who, like the unjust judge of old, fear not God nor regard man." "Without God there is no recognition of any authority outside of self. There is no obedience to parents or to the state. If parents are not willing to teach their children about Christ and righteousness, about sin and punishment. about law and obedience to law, we may have more intelligent citizens so far as the intellect is concerned, but they will be dangerous citizens, fit material for the Bolshevistic propaganda. "In God we trust" is on our money. Without God our country and our credit will be worthless. Education without God is anarchy."

The late President Few of Duke University said, "We ought to be trying to build a few leaders instead of a great horde of second-raters.' Figures compiled by the Works Progress Administration show conclusively the need of trained workers. A study of occupations of the 6,385,740 persons on relief rolls indicate that most of them are there because they are not trained to do any particular kind of work." (Editorial—Daily Star)

"Baptists have now in the South five types of schools: Theological seminaries, three in number, for the education of the Christian ministry; one training school for women who are being educated for definite Christian service in the home land and, for the foreign fields, 26 colleges and universities; 24 junior colleges; and 11 academies, making a total of 65 schools. Each of these schools has accepted a responsibility in proportion to its resources."

The indebtnedness of our Baptist schools is now only $2,741,590.11 whereas the property values are $41,754,677.98 and endowment $26,938,-723.83 or a combined property and endowment value of $68,693,401.81.

Within a few years it seems entirely possible that all Baptist colleges can be free of debt. With the endowments increasing from year to year the way of the Christian college should be somewhat smoother than in the past." (S. B. C. Minutes Report Ed. Commission, p. 88).

Jesus is designated by Dr. H. H. Horne as "The Master Teacher". Forty five times the title of "Teacher" is applied to Jesus in the four Gospels. Christianity is both a preaching and a teaching religion. It is also a healing religion. It ministers to soul and body. Forty-five times in the New Testament the verb "teach" is used by the evangelists to describe Jesus' conversations and discourses to individuals, his disciples and the masses. Our education must be made Christian. Our religion is primarily 'caught' not 'taught'. One of our local colleges under Christian auspices has for a period of years found and taught more than fifty per cent of its student body among our fine Baptist girls. Our Baptist students outnumber any other group in our state colleges. What a perilous journey for us all if they fail to learn Christ's way of life. Dr. J. B. Gambrell had a quaint way of saying, "One good example is worth a thousand theories." Woodrow Wilson declared: "The Christian College is a lighthouse of civilization." We must teach the way of Christ faithfully to our share of the more than forty-five millions of youth now in our schools in America. Christian education places proper evaluation upon all things material but likewise gives privacy to the spiritual.

The report of the Committee on Committees was read and adopted. Report will be found under Associational Directory.

Bro. Perry Sprinkle surrendered the chair to the vice-moderator, Bro. Wyman Wood.

COOPERATIVE PROGRAM by Bro. L. A. Thomas

Bro. M. A. Huggins and Bro. Bertie Hipps, a Missionary from China, spoke to the report. Report was adopted.

REPORT ON COOPERATIVE PROGRAM

The Cooperative Program continues to grow in favor with Southern Baptists. There are reasons:

The Cooperative Program is **scriptural**; it includes all the causes in the Great Commission and these only. It is **comprehensive** and **unifying**; it saves from littleness, narrowness, and lopsidedness. It is **concrete**; every cause included challenges. We do not give **to** the program, but **through** the program. It is a plan for doing theh best things in the best way.

The Cooperative Program is **democratic** and **Baptistic.** It recognizes the rights and independence of every church and member, it appeals to their minds and hearts. It is **economical**; it seeks to care for all the causes together thus saving expense and not interfering with the regular work and programs of the churches.

The Cooperativev Program is **fair** and **equitable**; it seeks to provide for all causes in proportion to their relative needs. Our state convention determines the percentage each cause shall receive out of cooperative funds contributed in North Carolina.

Recommendations

For the sake of our churches, our people, our causes, and our Lord we recommend:

1. That every church promote continuously Bible study, evangelism, Christian stewardship and missions.
2. That the Every Member Canvass be put on in every church during November and December unless for special reason some other time seems better.
3. That a reasonable distribution of funds be observed between local support and denominational causes (50-50 being considered ideal).
4. That each church help in the realization of "a debtless denomination by 1945" either by providing for it in the budget or by special effort.
5. That all denominational funds be remitted promptly and properly marked each month to General Secretary, M. A. Huggins, Raleigh, N. C.

Respectfully submitted, LeRoy Thomas

The Clerk gave a report on the members of churches sending in letters and the amount of minute fund sent to the association. It was reported that 8 churches had not sent a letter to the Clerk.

Bro. W. S. Johnson made a motion that Bro. McGinnis, Sprinkle, and Grice be appointed by the moderator to secure these eight letters if possible. Motion carried.

MISSIONARY SERMON

The Missionary Sermon was to have been brought by Bro. O. L. McGinnis, but he personally relinquished his time to a returned Missionary from China.

Bro. Wilson Fielder from Cheng Chow Honan, China, brought a very helpful message on the subject, "God's Power the Only Staying Power for the Missionary." He said that this personal knowledge of God's power was the only reason why people in China could sing songs, pray, and carry on worship during air raids on their cities. The Missionaries are staying with the suffering millions on the torn soil of China, and are leading them to know the Lord Jesus Christ.

Closing prayer by Bro. Fielder.

Lunch

WEDNESDAY AFTERNOON

Song, "Take the Name of Jesus With You."

Devotions were conducted by Bro. G. C. Cox in the absence of Bro. J. T. Biddle.

The Committee on Committees recommended that Bro. Willis Bennett be elected as the Biblical Recorded Representative for Buncombe Association. Motion carried.

Mr. Dumont Clark, head of the religious department of the Farmer's Federation, was recognized.

BUNCOMBE BROTHERHOOD by Harry Logan

Bro. C. R. Browning spoke to the report. Report was adopted.

The Association held three regular quarterly meetings and one special meeting. At the October meeting there were about 60 present, at the January meeting about 50 present, at th especial meeting in April about 240 present, and at the July meeting about 45 present.

The principal speakers for the meetings were as follows:

Oct.—Rev. G. C. Cox
Jan.—Mr. Don C. Young
April—Mr. Lawson H. Cooke
July—Mr. Hugh F. Latimer

The following special collections were taken during the year: To help Bro. Maxwell in preparing for Ministry, $10.00; For the United Dry Forces, $4.40; For expenses of special Men's Rally in April, $14.40; total, $28.80.

At the July meeting the following officers were elected: C. R. Browning, Jr., Pres.; H. D. Nix, V. Pres.; M. D. Redmon, Sec-Treas.

Song, "Draw Me Nearer."

Vice-Moderator W. E. Wood presiding.

Bro. H. L. Hollingsworth was asked by the chair to prepare the Obituaries in the absence of Bro. Troy Lunsford, who was to have had the report.

MINISTERIAL REPORT by E. T. Jones

Was not present, so Bro. G. C. Cox, Bro. J. B. Grice, and Bro. Burrell spoke on the subject.

Bro. Burrell, who is the first minister to retire under the retirement plan, spoke on the benefits of the plan and he urged the pastors and churches to enter at once. There is also a sick benefit to the pastor who has to retire because of poor health.

A message on the Lord's Acre Plan which is sponsored by the Farmer's Federation was presented by Bro. M. L. Lewis.

Bro. Lewis gave a splendid message on the benefits of the Lord's Acre Plan for the rural church. It is a good Scriptural Plan for every country church that really wants to follow theh Lord and the Scripture in undertaking great things for the Lord. Should your church be interested write to Rev. Dumont Clark, Asheville, N. C., for information.

TEMPERANCE by C. J. Rice

Bro. M. A. Adams spoke very convincingly on the report. Report was adopted.

"Temperance" is a good word, a fine word; it is a word very frequent-

ly used and, sad to say, very frequently misused; it is misused very often through ignorance and very often with evil intent to furnish a cloak for an evil and destructive habit and for an evil and destructive business. The word "temperance" cannot properly be applied to the use of alcoholic beverages, and when one talks about "true temperance" as promoted by the use of beer and light wines, and talks about beer as a "temperance" drink, he is talking what all reasonably intelligent and reasonably honest people know to be sheer nonsense, growing out of his own ignorance or of his own maliciousness and predicated upon what he supposes to be the ignorance of those to whom he talks.

We have inherited the application of temperance to the use of alcoholic beverage from the time when it was supposed that alcoholic drinks of a low alcoholic content could be used in a temperate manner and that such use not only did not leave any harmful effects but was actually beneficial. This is still the contention of those who indulge in such use of such beverages. But "temperance" properly understood and applied refers to our use of that which is hurtful, or even that which is doubtful, total abstinence should be our rule and guide. It is a misuse of terms to speak of being "temperate" in that which is wrong and evil.

Over and over again, the Word of God reveals the deceitfulness and destruction of intoxicating drinks. As is well known, when the Old Bible was written, even when the New Testament was written, distilled spirits were entirely unknown.

Strong drinks known to people in Bible times was wines, which we are now being told by those advocating the use of liquor is so harmless that we ought to fall in and give it our support. Well, let us see what God's Word says about it:

Wine is a mocker, strong drink is raging; and whosoever is deceived thereby is not wise (Prov. 20:1).

Be not among winebibbers (Prov. 23:20).

Who hath woe? Who hath sorrow? Who hath contentions? Who hath babblings? Who hath wounds without cause? Who hath redness of eyes? They that tarry long at wine; they that go to seek mixed wine. Look not thou upon theh wine when it is red, when it giveth his colour to the cup, when it moveth itself aright. At the last it biteth like a serpent, and stingeth like an adder. (Prov. 23:29-32).

Woe unto them that are mighty to drink wine, and men of strength to mingle strong drink; which justify the wicked for reward, and take away the righteousness of the righteous from him. (Isa. 5:22-23).

Here we have the exhortation not even to look upon the wine, much less to partake of it temperately.

As to our attitude and as to responsibility of government concerning this evil we have this: Woe unto him that giveth his neighbor drink, that putteth thy bottle to him, and mathest him drunken also, that thou mayest look on their nakedness. Thou art filled with shame for glory; drink thou also and let they foreskin be uncovered; the cup of the Lord's right hand shall be turned unto thee, and shameful spewing shall be on they glory (Hab. 2:15-16).

Hence it appears that not only are we warned to abstain from the evil of strong drink, but we are plainly warned against giving our neighbour drink or encouraging him to drink. Total abstinence is good and should be practiced by every one of us, but in this as in other things we are our brother's keeper and shall be held responsible for him to the extent of our influence over him and power to help him.

No Christian can at any time nor under any circumstances indulge in the use of alcoholic liquors, or put his approval on the sale of it without violating both the principles and the impulses of the Christian life.

If the Christian patronizes a drugstore or a filling station that sells beer when he can buy drugs or gasoline where liquors are not sold, he gives his approval and influence to the liquor business. It is not a question

of boycotting; it is a question of putting ourselves on the right side of a moral question.

If all preachers and teachers over our land would quit preaching and teaching temperance to the Christians and preach and teach total abstinence from liquor, wines and beer I think we would have better churches today. The Christian therefore at all times and on all occasions should be a light to the world to lead them from all evil and to lead them to know our Lord Jesus Christ. And when they come to know Him they will not only be temperate but they will practice abstinence from all evil.

The obituaries were read by H. L. Hollingsworth, and the association stood for a few quiet moments before being led in prayer by Bro. W. R. Burrell. Report will be found on another page in the minutes.

Report was adopted.

COMMITTEE REPORT

The Committee on New Churches presented a letter from the newly organized Baptist Church named Starnes Cove, and stated that the church desired membership in the association. Bro. L. H. Hollingsworth made a motion that the association accept the church under watch care of the association for one year. The motion was carried.

Motion adopted on this report of the committee.

CONSTITUTION AND BY-LAWS

Article 1. This body shall be known as the Buncombe Baptist Association.

Membership

Article 2. (Sec. a) It shall be composed of regularly constituted Baptist Churches in Buncombe County and adjacent territory who shall be represented at its regular or special meetings by duly elected messengers in the following ratio, viz:

(1) Two for the first hundred members or fraction thereof and one for each hundred additional.
(2) All ordained ministers who are members thereof or laboring in connection therewith.

(Sec. b) The Association shall be the sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Provided: The churches so received shall agree and come under the Watch-Care of the Association for a period of one year. It is understood that during this period of probation such church or churches shall be entitled to all the rights and privileges of the Association except that of voting. At the conclusion of this period should no objection be had they then become members in regular standing without further action by the Association.

(Sec. c) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice or that fails to represent itself either by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d) Any church may withdraw from the Association at its pleasure.

Objects

Article 3. The objects of the Association shall be to devise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, the State Baptist Convention and the Association itself.

Powers and Prerogatives

Article 4. The Association shall have no power whatever to infringe upon the rights of usefulness of the churches. All the churches constituting the Association remain sovereign and independent bodies and unite only that they may more effectually promote the cause of Christ throughout the world.

Duties of the Churches

Article 5. It shall be the duty of each church to appoint so far as practicable their most capable and efficient members as messengers—to insist upon their attendance and to send with them a contribution toward the expenses of the Association, the printing of The Minutes and such other items deemed necessary by the Association. It shall send annually a letter to the Association giving the following information—1. Location. 2. Name of Pastor and Clerk and their Post Office addresses. 3. The terms of regular services. 4. All church statistics for the current year. 5. Names and addresses of the responsible officers of all church organizations. 6. (A) All business shall be conducted and all discussions shall be carried on in the manner prescribed in Roberts Parliamentary practice.

(B) The method of voting shall be by the will of the body.

(C) A simple majority shall prevail in all cases except as otherwise provided by this Constitution, provided: that any member may at any time call for a secret ballot or a roll call on a doubtful issue.

(D) A ruling by the presiding officer shall be final unless appeal be had from such ruling to the entire body present.

(E) A question having been decided twice by the vote of the Association in the same manner at the regular session thereof shall not be reintroduced except by consent of the entire body.

(F) The messengers of at least one fifth of the churches enrolled shall be necessary to constitute a quorum.

Executive Promotion Committee

An Executive Promotion Committee shall be appointed at each annual meeting of the Association composed of the Active Pastors and two members (preferably a man and a woman) from each church who shall act for the Association in the interim between its Annual Sessions. The duties of this Committee shall be to carry out the policies and will of the Association as so expressed, nor shall it take any action contravening the will of the Association nor shall it initiate any new policy or practice binding upon the Association unless specially so directed; provided: that in an adequate emergency it may take such action as it may deem necessary, but such action so taken shall in every case be submitted to the next meeting of the Association for appropriate consideration. It shall make a full and complete report of its activities to the next Association. It shall meet on the first Monday in each quarter at the time and place appointed for the meeting of the Buncombe Baptist Ministers Conference. The officers of this Committee shall be the officers (ex-officio) of the Association. The same ratio of churches represented as at the regular meetings of the Association shall be required to constitute a quorum for the transaction of business.

CHRISTIAN LITERATURE by Mr. E. E. Wheeler

The report on Christian Literature was read by Mr. E. E. Wheeler and was ably discussed by Lawson Allen of First Baptist Church. The report was adopted.

Our Sunday School Board is now publishing 79 periodicals as a supplement to Bible study and teaching, 54 of these are for our Sunday Schools, 8 for Baptist Training Union, 12 for Vacation Bible School, and 6 for general promotional purposes—The Builder, Young People and Adults, Intermediate Counselor, Elementary Messenger, and B. T. U. Magazine.

Mr. Clifton J. Allen, of the Editorial Department of our Sunday School Board, in a recent address at Ridgecrest said: "All our Periodicals are planned and prepared with a prayer that they reach the last prospect in our Southern Baptist Convention, and guide them in the right interpretation of God's Word so as to lead them to accept Jesus Christ as their Lord and Saviour, and to a realization that they are saved to serve.

CHARITY AND CHILDREN—given to us by the Mills Home for 46 years, is one of our State Publications and helps inform us about the work of our Orphanage.

THE BIBLICAL RECORDER is another of our own State Publications. It is considered one of the leading State Publications of our Southern Baptist Convention. More of our people should form clubs in their local churches, taking advantage of the special club price of $1.50 per year.

It is our hope and aim to have THE BIBLICAL RECORDER in every Baptist Home in North Carolina.

Respectfully submitted,
Ethel Blackstock

ORPHANAGE by Mrs. C. C. Prince

The Orphanage report to the Buncombe Baptist Association by Mrs. C. C. Prince was read by Rev. C. C. Prince. Report adopted.

In II Cor. 5:20 we read: "Now then we are ambassadors for Christ." The function of an ambassador is to fully represent the cause and the interest of the one who has sent him before the court of the one to whom he is sent. We as ambassadors are sent out by Christ and for Christ to fully represent Him. His cause and His interest before the courts of human needs. If we fail to fully represent Him before any human need we fail in our ambassadorship under Him. Anyone who passes by the staggering human need presented to us today in the form of homeless children is indeed failing to represent our Lord and Christ.

The fact that we as a nation have become engulfed in a terrible war which is making distracting demands upon us as individuals and as groups does not in any sense lessen our obligation to our children. Yea, these unavoidable changes which have been thrust upon us rather increase our obligations and add to our responsibilties for the care of our helpless children. North Carolina children need the care and protection of North Carolina Baptists during days like these as never before. As we give ourselves unstintingly to the preserving of our greatly boasted of "American Heritage," may we never fail to give and be given to the preserving of our own children who are the only ones to inherit the "great American Heritage." In other words, why preserve a heritage and fail to properly preserve heirs to that heritage?

When we give as we are giving to the caring for our own children in North Carolina we are carrying out our ambassadorship under Christ by so representing Him before such a need. He set us the example, and He gave us the instruction "In as much as ye do it unto the least of one of these little ones ye are doing it unto me." At the same time we are preserving the heirs to the "great American Heritage" about which every loyal American Citizen is now most vitally concerned. The Baptists of North Carolina are meeting this great need of humanity today through that noble institution "The North Carolina Baptist Orphanage," with Doctor I. G. Greer of Thomasville as general Superintendent, and Mr. R. D. Covington, also of Thomasville, as Treasurer. This institution consists of two homes for homeless children; the Mills Home of Thomasville, and the Kennedy Home at Kingston, Rt 2. Brother J. C. Hough is Superintendent of the Kennedy Home.

On January 1, 1941, there were 426 children in the Mills Home and 138 in the Kennedy Home; a total of 564 children looking to North Carolina Baptists for food, shelter, clothing and education. During the year, 99 other children were admitted into these two homes giving a total of 663 different children cared for by us during 1941. However, during that year 109 children were discharged from the two homes leaving a total of 554 in both on December 31, 1941. It takes no little money and supplies to properly care for so great a number of dependent children. Our total income for the year ending December 31, 1941, for all of this work for our children amounted to $232,742.97, only $170,228.33 of this came from our churches, Sunday Schools and other church organizations.

This leaves $62,514.64 to be provided from other sources, about 13½ thousand dollars of this came from the Duke Endowment Funds; the rest from Special Individual Contributions; endowments, etc. $10,745.67 of this amount was contributed in the form of food supplies. You will recall that last fall we gathered Irish Potatoes out of Buncombe County for this purpose. Also $1,672.14 worth of clothing was contributed by the people of North Carolina. There is a practical way in which every Baptist throughout all of our state may have a worthy part in this noble work, provided he only has the will to work.

As a means of providing for the needs of the children each home operates a farm. From both of these farms last year there was realized a net profit of $13,782.35. The bulk of this farm work is carried on by the boys in the homes which makes it necessary to employ but a very little day labor. The high school or the campus at the Mills Home has a Department of vocational agriculture which is operated in conjunction with the farm work.

During the year 1941 we had twelve children in the Mills Home from our own Buncombe County; and three other children provided for in boarding homes through our orphanage.

Yet in spite of all that our orphanage is doing for the children of North Carolina and in spite of what it is doing for the above mentioned 15 children from Buncombe County, there are only 48 of our churches who last year reported as having any part in the loving care of our otherwise homeless little ones.

Let us continue and increase our contributions to such a worthy cause and strive to be 100% as churches in the support of this great work.

Respectfully submitted,
Mrs. C. C. PRINCE.

Dr. I. G. Greer, Superintendent of the Orphanage work, gave a very interesting and informational discussion on the work being done with our children under his care. He called on us to rededicate our lives and to give the children a better start in life. He said that we needed some $210.00 to start a greater work for the future children of America.

HOSPITAL by Mr. Burgin Pennell

Established at Winston-Salem in 1923, to prolong life, alleviate pain and suffering, to give hospital treatment to those who are unable to pay for same, and to educate nurses with Christian Ideals, the North Carolina Baptist Hospital continues to maintain a high standard of scientific efficiency, and fully justifies its initial construction and continued maintenance.

It is something more than a hospital, it is a Christian institution serving North Carolina in a practical Christian way.

The buildings and equipment are entirely strictly modern. The recent expenditure of $20,000.00 for new instruments for the operating rooms, and $44,000.00 for the new X-Ray equipment has materially increased its efficiency, making it one of the South's best equipped hospitals.

The indebtedness of the hospital is very small. In conjunction with the Wake Forest Medical School, it now has a floor space of four acres, and represents a financial value to the Baptist Denomination of over $2,000,000.00.

Considerable expansion has been made in recent years. Three years ago the hospital only had a bed capacity of 100 and by over crowding was caring for about 4,000 patients per year.

This year it has a bed capacity of almost 10,000 patients annually, and is caring for approximately 650 patients each month.

The long arm of war has already reached out and affected almost every individual in America in some way or another.

War conditions have also caused a shortage of Nurses in civilian hospitals, and our Baptist Hospital has been unable to open a few rooms because of this shortage.

The hospital has a staff of 26 internes, and about 100 doctors practicing in the hospital, and the free service of the entire staff of the Wake Forest Medical School is also available at all times for consultation and diagnosis.

Hospital authorities report that during the year of 1942 no less than 2500 deserving patients will receive hospital and medical service without cost to them, and that this will represent about $350,000.00 in free service rendered by the hospital during the year.

It can readily be seen that this greatly expanded service which is growing more and more in every section of the State requires increased support, but North Carolina Baptists have grown with the Hospital, and are interested in its expansion as evidenced by the increased Mother's Day offerings in the Churches and Sunday Schools. A few years ago the total receipts from these offerings was only $11,500.00 as compared with the $38,000.00 contributed this year.

Hospital authorities also report with appreciation, the material increase year by year of contributions of hospital linens by the W. M. U.'s and others Church agencies.

It is interesting to note that of the 57 churches of Buncombe County making reports at last year's Association meeting, 39 of these reported special gifts to the Hospital in the sum of $557.60; and 18 Churches and Sunday Schools, or one-third of the Association's membership, made no contributions.

It is earnestly recommended that every Church and Sunday School in the Association make frequent offerings for the work of our Baptist Hospital.

Respectfully submitted,
BURGIN PENNELL.

Report on the Baptist Hospital was submitted by Bro. Burgin Pennell, and after reading of the report he introduced the Superintendent of the Hospital, Bro. Smith Hagerman, who discussed the report. Bro. Hagerman said the Hospital rendered the following services:

1. The Hospital provides treatment for all the poor up and down the state.
2. Provides the best treatment with the best of skill and equipment.
3. A Christian Hospital with trained nurses and doctors with practical Christian methods employed in the treatment of all patients.
4. Free treatment to all ministers and other poor people who cannot pay.

Motion for adoption of the report was carried.

SUNDAY SCHOOLS by J. L. Lawrence

The following report is hereby submitted on Sunday Schools for the Buncombe Baptist Association for the fiscal year 1941-42.

Each church in the Association reports an active Sunday School, 29 of which are graded. To date only one (The New Bridge Sunday School) has qualified and certified as a Standard Sunday School. Our goal for 1942 has been set as 5 and we feel that this goal will be reached as several others have only one or two points to be reached, mainly Teacher Training and church attendance.

34 of our Sunday schools have reported to date as having a Cradle Roll Department with an enrollment of over 1000. 19 have reported Extension Departments with an enrollment of over 500. Our goal for 1942 is 5 new Cradle Roll Departments, and 5 New Extension Departments.

The total enrollment in all our Sunday schools of the Association is almost 14,000 with an average attendance of over 6000. Only about 10 of our Sunday schools report an enrollment of less than 100.

Last year we reported 368 baptisms from our Sunday schools. Our goal for 1942 is 750 and although we have nor reached this number, we have made a splendid record as our minutes will show.

Only 15 of our Sunday schools reported any Training program at our last meeting. We have not reached our goal of at least one Training school in each church for the past year but at least 50% have had some kind of Training program. Several of our churches have had several weeks of Training during the year. In October, 1941, under the leadership of Rev. Wyman Wood, we had a most successful Associational Training school at the First Church which was well represented by a large number of our churches. During April and May of this year a large per cent of our Sunday schools had a week of Training for their teachers and officers. Several of our churches have sponsored a Preview Study of the Quarter's lessons which were had each quarter.

During the year we have held 12 Associational Sunday school meetings (the first Sunday afternoon of each month). Conferences for teachers and officers were held each quarter. At our April meeting Rev. Wyman Wood presented a program on Training and at another meeting our Superintendent of Evangelism, Rev. R. P. Hamby, presented a program on Evangelism. Other phases of our denominational program were covered at the other meetings during the year.

Last Thanksgiving, our Sunday schools sponsored a collection of both cash and produce (mostly potatoes and corn) for our Orphanage.

During the Southwide Sunday school conference week at Ridgecrest a large number of our Sunday schools were represented.

Another activity sponsored by our Sunday school association that each Sunday school have a definite visitation day has met with approval and is being adopted by a large number of our schools.

Last year 25 Daily Vacation Bible schools were reported with an enrollment of 1746. This year our goal has been set at 30 and we feel confident that when all the reports are in that we will have reached this number.

We should feel proud that our Association was one of six selected in the state to be placed on an Honor Roll as having adopted and working to attain the Standard for this year.

Respectfully submitted,
J. L. LAWRENCE.

Discussion on this report was led by Bro. Lawson Allen, the newly elected Sunday School Superintendent. Bro. Lawrence introduced the speaker and asked that the Association cooperate with Bro. Allen. Report was adopted.

BAPTIST TRAINING UNION

Report on Training Union was not present for the associational session, and Bro. Don C. Young, the Moderator, asked that Director Lewis E. Ludlum speak on the Training Union work. Bro. Ludlum told of the progress of the Training Union and the fine spirit of cooperation among the leaders of the churches and Association. He said that the Training Union had been forced to curtail some of its central study courses because of tire and gas shortage in our state and country.

Song: "To The Work".

Bro. Nane Starnes spoke of the Buncombe Baptist Revival which had been set for ten days, from September 20-30th. The plan and purpose of the revival was explained .

WOMAN'S MISSIONARY UNION by Mrs. W. E. Logan

The annual meeting of the Woman's Missionary Union of the Buncombe Baptist Association was held at the First Baptist Church of Asheville, June 9, 1942.

The attendance was good. A number of churches were represented, and reports from the societies were encouraging. At this meeting reports showed an increased interest and gains in mission study, in subscriptions to missionary literature, Royal Service, The Commission, and Home Mission magazines. A large number of tithers were reported and an increase in contributions was made to the 100,000 club.

All these things are basic and will contribute to future growth and development. All contributions of the missionary societies are reported in the church letters to the Association. Besides giving to the Co-operative Program, the missionary societies have special seasons of prayer and offerings for State, Home and Foreign mission work. Besides these our societies contribute to other special objects such as our Baptist State Hospital and the Margaret Fund for students who are children of our missionaries.

While we are grateful for all increases and growth in the work, we are aware of the fact that the goal to which we are striving has not been realized. We have in the Buncombe County Baptist Association 57 Baptist churches with a combined membership of 14,457. Our reports show there are 39 Woman's Missionary Societies, 17 Young Woman's Auxiliaries, 14 Royal Ambassador Chapters, 23 Girl's Auxiliaries, and 13 Sunbeam Bands with a combined membership of 2,163. If you add to that the 336 members of the Brotherhood, that will make 2,499 or only 1/5 or 20 % of our church membership in this Association enlisted in the great missionary program. What a challenge!

Can we afford to fail God now when we are asking so much of Him?

At our annual meeting in June of this year the following officers were elected to serve for the incoming year:

Superintendent—Mrs. Fred Womac, Riverside Baptist Church.

Associate Superintendent—Miss Agnes Brown, Calvary Baptist Church.

Young People's Leader—Mrs. H. M. Hocutt, Reed Memorial Baptist Church.

Secretary—Mrs. Vascal Williams—Calvary Baptist Church.

Personal Service (Community Missions)—Mrs. J. O. Crenshaw, Chunn's Cove.

Mission Study Chairman—Mrs. W. L. Pearson, Chunn's Cove Baptist Church.

Stewardship Chairman—Mrs. G. W. Murphy, First Baptist Church.

Treasurer—Mrs. Frank Killian, West Asheville Baptist Church.

Margaret Fund Chairman—Mrs. Charles Robinson, West Asheville Baptist Church.

We wish to express to Mrs. D. L. Holland and her staff of retiring officers our grateful and sincere appreciation for their faithful service during their term of office.

Respectfully submitted,
MRS. W. E. LOGAN.

Report adopted.

The report was read by Mrs. W. E. Logan who introduced our State Secretary, M. A. Huggins. Bro. Huggins spoke but briefly on the subject, and he introduced Bro. Dawes, a returned missionary from China. Dr. Dawes was a fine spirited speaker who told of the Bible School in China that trains and sends out Bible women to witness for Christ. This work is being made possible by the Lottie Moon offering. Bro. Dawes used Eph. 5:18 as a scriptural thought much needed.

Bro. L. E. Ludlum moved that the Association give Bro. J. B. Hipps five minutes to report on the condition of Miss Naomi Shell. Motion carried.

Bro. Hipps said all was being done for Miss Shell that was possible, and he suggested that the churches send their financial support for Miss Shell to the Foreign Mission headquarters or to Dr. Maddrey. Bro. Hipps thanked the Association and those churches supporting Miss Shell with their special love offering each month.

OTEEN HOSPITAL by Bro. C. E. Grove

After a thorough investigation the committee finds that Bro. W. E. Wood is giving valuable service to the 800 patients confined in the Oteen Hospital. That his work is appreciated by the patients and personnel, that he is well liked by the men of all denominations.

The committee wishes to make the following recommendations:

1. That the work be continued.
2. That the Association, in addition to the preesnt salary, pay their part of a retirement insurance for the Chaplain according to the plan sponsored by the State Board.

It is the committee's opinion that the work is well worth while and that a portion of our money cannot be spent in a finer way for the boys confined in the Hospital. There are 250 Baptists in the Hospital. Brother Wood has made 2400 visits and has written a great many letters, attended to funerals, and has distributed a great amount of literature.

Submitted by
C. E. GROVE.

Report adopted.

Bro. Grove introduced Bro. Wyman Wood who spoke to the report. He said that the State Missions paid $720.00 for the work at Oteen, and Bro. Wood asked that Association give an equal amount. Bro. Wood expressed his joy and appreciation for the experience gained in the Oteen work, and announced his plan to leave the work to enter the Southern Baptist Theological Seminary in the fall session.

Bro. Nane Starnes nominated Bro. O. J. Hagler for the work at Oteen as the successor of Bro. Wood who was leaving for the Seminary. Motion carried.

Bro. Wayne Williams, who is now in the Chaplain service with the army, spoke his appreciation for the government in granting him a leave of absence so he could attend the greatest of a Baptist meeting—the Association meeting.

Bro. Williams expressed in words of praise the splendid work of Bro. Wood at Oteen where Bro. Williams served as Pastor and Chaplain until called into active service with the rank of Lieutenant-Colonel in the Chaplain service.

Bro. Wayne expressed his love for the Association and all the Brethren, and he very mildly but powerfully impressed the Association when he spoke of praying every morning for his Church, his Brethren, and his Country.

He also commended Bro. Hagler who is to succeed Bro. Wood at Oteen.

Bro. Wayne suggested that the day would come when two men would be needed at Oteen. He said that Oteen was a great field of broken bodies of men who had been loyal to their country.

Bro. Wayne said that there was a need for ministers in the army. There are 350 at present, 500 needed at close of year, and 1000 by next year. Some of the qualifications for the Chaplain service are as follows:

1. Physically fit.
2. Graduate of a college or seminary.
3. Between 35 and 50 years of age.
4. 3 years of pastoral experience.

There are also need now for fifty thousand dollars for work among the soldiers, and North Carolina Baptists are going to raise that through State missions we hope.

Bro. Williams closed by asking that we remember to write to and pray for the boys, and to always write letters of comfort and cheer. Give to the Red Cross and thereby help the needy and may His Eternal blessings rest upon you.

Bro. Young announced that any new church desiring to enter the Association to submit the same in writing and meet with the Committee on Reception of New Churches.

HISTORIAN'S REPORT by Bro. J. B. Grice

As we close the fiscal year 1941-42 of the Buncombe Baptist Association, your historian notes with pleasure, that in spite of the world war which involves our own beloved country, all our churches with but few exceptions, have made progress the equal of any previous year in the history of our Association.

The Executive and Promotion Committee has held its quarterly meetings according to schedule. Your committee on ordination, examined and approved two candidates for the ministry since our last meeting, Brother A. J. Buckner of the Patton Avenue Church, and Brother Willis Bennett of the Hominy Church. These two brethren are active pastors in the following churches: Brother A. J. Buckner with the Patton Avenue Church, and Brother Willis Bennett with the Chunn's Cove Church.

We have had less than the usual pastoral changes during the year. However, we note a few changes. Brother T. H. Parris resigned the Mount Carmel Church, as noted in our previous report, and accepted the pastorate of the Church at Clyde, N. C. in the Haywood Association. Brother Albert A. Young, ministerial student of Mars Hill College succeeded Brother Parris as supply pastor. Brother Young plans to enter Furman University this fall. Brother Erskine Plemmons, a former pastor of Mount Carmel, but for the past two years a student in Southern Baptist Theological Seminary, Kentucky, is to succeed Brother Young. Brother Willis Bennett, whose ordination has been noted, became pastor of the Chunn's Cove Church in October, succeeding Brother L. H. Hollingsworth who entered Wake Forest College in the fall of 1941. Brother D. C. Wesson resigned the pastorate of the Weaverville Church, effective August 1st, and became pastor of a church in Rutherford County, N. C. He was succeeded at the Weaverville Church by Brother M. A.

Kiser of Saluda, N. C. Brother Mack Summey resigned the Big Ivy Church on the first Sunday in August of this year. Brother Troy Lunsford also resigned the pastorate of the Berea Church, effective August 2nd of this year.

In so far as your historian knows, we have only three vacant pastorates as of August 1st within the bounds of the Buncombe Association, namely, Fairview, Berea, and Big Ivy. Brother Wyman Wood has resigned as pastor of the Oteen Church, effective September 1st. Brother Wood is planning to enter the Southern Baptist Theological Seminary at Louisville, Kentucky, this fall. Brother Ottis Hagler, formerly a member of our Association, and for several years pastor of the Black Mountain Church, and now pastor of the First Baptist Church of Jacksonville Beach, Florida, is to succeed Brother Wood at Oteen.

The Pastor's Revival which was held during the winter, was well attended, and with a fine spirit of cooperation. The success of these meetings was indicated by the vote to hold another Pastors' Revival some time next winter.

In spite of the fact that most building materials are not easy to obtain, some of our churches have made improvements on their physical equipment during the year. The Patton Avenue Church has finished their auditorium, installed the baptistry and made other needed improvements on the building. The Beaverdam Church placed a new roof on their building. The Emmanuel Church painted their building and pastorium; also re-decorated the interior of their pastorium at a cost of $300.00. They purchased a piano, song books, and chairs for the Sunday School department. In addition to the above they have increased their pastor's salary $7.50 per week. (The latter item could be called an improvement on their mental equipment.) The Chunn's Cove Church installed a new heating system and made other miscellaneous improvements. The Hominy Church added a new piano, re-puttied all windows, and painted the outside woodwork. The First Church installed a new speaking system in their main auditorium at a cost of $700.00, which has greatly improved the acoustics. They have also spent $200.00 in painting their building. In addition to the above, they have let a contract to carpet and install pews, also other improvements in the church chapel at a cost of $2500.00, to be completed by August 15th of this year. W. Lawson Allen has been made Educational Director and Miss Eleanor Wheeler office secretary. The Swannanoa Church has installed a new heating system in the pastor's home at a cost of $775.00. The Mount Carmel Church has made some added improvements on the grounds. The First Church of Black Mountain paid off all the debt on their educational building, and on the fifth Sunday in March, burned the cancelled noto with praise and gratitude to God. They are now looking forward to the time when they can begin their new auditorium. The Fairview Church painted the interior and the roof of their building, also repaired their heating plant at a cost of $344.82. Mount Pisgah Church has made some permanent improvement on their church building and grounds. Concrete steps constructed, also a porch has been added. New class rooms are now under construction. They seem to be using the Lord's Acre Method with which to pay the debt on their church, with the hope to cancel it by the first of the new calendar year.

Morgan Hill Church has installed a $600.00 furnace at a net cost of $305.00 because of the merchant's discount, also donated labor.

Since our last annual meeting the West Asheville Church has completed the first unit of their permanent building at a cost of $18,000.00. The Starnes Cove Church has also secured a most desirable lot and erected a suitable building on it since our last meeting. During the year Calvary Church has spent $700.82 on improvements, including complete re-decoration of the Intermediate Department and church office.

Other churches of the Association possibly have made improvements on their buildings and grounds, but your historian has no knowledge of it. On July 13th we mailed a questionnaire to every pastor listed in the

minutes of the Association, but received a response from only fourteen.

As we come to the annual meeting of the Association we regret to say that we have a disturbing element at work within the bounds of the Association calculated to disrupt the harmony and fellowship of our churches, and draw us away from the high purpose for which we are organized. We are proud to report, however, that at this time only two or three of our churches have been carried away by this disturbance.

In conclusion, let us remember the following words of the Holy Spirit as He touched the heart of the great Apostle Paul: "Therefore, my beloved brethren, be ye steadfast, unmoveable, always abounding in the work of the Lard, forasmuch as ye know that your labour is not in vain in the Lord."

J. B. Grice, Historian

Report adopted.

This being our last report of the day's session the Moderator called on Bro. Fred G. Womac to lead in the closing prayer. Adjourned until 9:30 o'clock, Wednesday, August 12th.

WEDNESDAY MORNING, AUG. 12, 1942

With Moderator Young presiding, the morning session opened by singing "Saviour Like A Shepherd Leadeth Me" with Bro. H. M. Hocutt directing the singing. Bro. Willis Bennett led the devotions of scripture reading and prayer.

CHRISTIAN EDUCATION by Mrs. J. R. Owen

We regret to acknowledge that there is an education that is not Christian. But the idea and ideal of the Christian religion has been almost universally divorced from education so far as the state is concerned. The two seem to have little in common. Perhaps we should be grateful that there is little or no antagonism between the two. The state schools do not pretend to be Christian. One reason may be that the state isn't equipped for teaching religion. It does make and can make no requirements in that field of its teaching force. A man occupying a professorship in a state college or university may have little or no religious experience or convictions whatsoever, yet that does not disqualify him as a teacher in that institution. There is no blame attached to such a teacher or institution on that account. The law makes no religious requirements for its faculties and teachers.

These conditions in the realm of education gave rise, early in the history of our country, for a type of education distinctly Christian. The necessity arose for schools and colleges owned and controlled and supported by the church. Such institutions had a right to create such ideals and standards as was necessary for the teaching of religion. Until late in the history of this country all the colleges established were founded and maintained by Christian churches for religious purposes, especially for the training of young men for the Christian ministry. Harvard University was established through the munificence of a minister of the gospel. Its seal bears the motto "Christo et Ecclesia", and one of the early rules was, "Let every student be plainly instructed and earnestly pressed to consider well the main end of his life, and study to know God and Jesus Christ which is eternal life, and therefore to lay Christ in the bottom as the only foundation of all sound knowledge and learning."

William and Mary College, the second college to be established in this country, was likewise promoted by a Christian minister for the purpose of giving Christian training to their sons and daughters. And so were Yale, and Princeton, and Brown Universities established for the same purpose. Out of the twenty-four colleges founded before the 19th

century the only one that was not created by the churches or individual ministers was the University of Penn and even in this the Bible was a text book. Its founder, Benjamin Franklin, declared "When human science has done its utmost, and when we have thought the youth worthy of honors of the Seminary, yet, still, we must recommend them to the Scriptures of God, in order to complete their wisdom, to regulate their conduct through life, and guide them to happiness forever."

Evangelism and Christian education have always proceeded hand in hand in the history of the Baptist on this continent. The most pressing needs for Christian schools was to provide an educated ministry; but it soon became apparent that we needed an educated laity as well to support and stand by the minister in his work; and from that conviction there arose an insistent demand for Christian schools for all the young converts. This was seen to be essential in preparing them for leadership and participation in all departments of life.

Two main problems confront us today in the field of Christian education. First, is the proper and adequate support of these schools. They need both our money and our sons and daughters. And in the second place, it is our inescapable duty to see that these schools are always Christian. Because a school is founded by Christian men and women, and supported by Christian money does not always guarantee its Christian character. There is always danger that scholarship may supersede character. In our effort to compete with secular education we may unconsciously conform to it. The day may have been when our church schools had to go outside of their own institutions to find properly equipped men and women for their faculties, but that day no longer exists. The founders and patrons of these schools must never let up on their insistency that only men and women of unquestioned character, and high ideals and strict conformity to the teachings of the Scriptures be employed as instructors for our sons and daughters.

It gives me great pleasure to point to our own Mars Hill College as a living demonstration of what a Christian college should be. The young and brilliant president of this great school is placing the supreme emphasis today on this high type of education. We commend his stand and praise the Lord for such a man as President Blackwell at this crucial hour, in the position he occupies.

Respectfully submitted, Mrs. J. R. Owen.

Report adopted.

Song: "Rescue The Perishing"

Motion to send a copy of the report to the Biblical Recorder was carried. The discussion was reserved for Dr. Hoyt Blackwell, president of Mars Hill College.

MISCELLANEOUS BUSINESS

Bro. Mack Summey announced the move to ban the sale of whiskey, wine and beer for the duration, and his suggestion was referred to the Resolution Committee and the period for temperance.

Bro. Ludlum called our attention to the sending of money to the Foreign Missions Board to Dr. Maddrey for Miss Shell.

Announcement by Bro. Bennett about subscribing for the Biblical Recorder.

MINISTERIAL RELIEF AND RETIREMENT PLAN

Ernest Hayes was not present to give his report on the subject.

Bro. J. B. Grice expounded the subject to some length in which he emphasized the importance of the continued separation of the church and state. The retirement plan is a great benefit to the churches as well as to the pastors. Several churches asked that Mr. Charles Brown-

ing, Jr., should come and explain the plan fully to the interested churches. These asking for his help are: Chunn's Cove, Deaverview, Riverside, and New Bridge.

Bro. H. M. Hocutt spoke of the benefits too and for the pastor's wife.

Bro. G. C. Cox said that the plan called for a fine Christian spirit of cooperation.

Moderator Don C. Young asked Bro. Lawson Allen to write a report on the Retirement Plan. In confidence, the paper to be written was adopted.

MINISTER'S RETIREMENT PLAN by Bro. Lawson Allen

The Minister's Retirement Plan of the North Carolina Baptist State Convention in cooperation with the Relief and Annuity Board of the Southern Baptist Convention is the safest and sanest plan for ministerial relief that Baptists are offered. This we ought to have done many years ago. We should have made it possible for all our pastors to help themselves in the closing years of life.

North Carolina churches have not come into the plan as it was hoped they would. The best estimates that are available show that we now have about 43 per cent of all our active pastors in the Minister's Retirement Plan and about 23 per cent of our churches are participating. This is not nearly true in the Buncombe Association. Our younger pastors have not rallied to the plan, and many of our churches have failed to understand or to fully appreciate the benefits to be derived from regular contributions along with the pastors to the plan.

The church and pastor enters together. The money that the church gives, 4 per cent, 3 per cent, or 2 per cent, of the pastor's stated salary goes into the fund to promote this plan and guarantee that it is safe. It is a denominational investment. The pastor's contribution which agrees in amount with the church is to his personal credit. In addition to these cash considerations, the State Convention places a specified sum (now $18.00) into the plan as its part in carrying on this work.

The urgent demand is now that more of our churches and pastors will enter the plan in order to receive full benefits. The younger pastors ought to enter immediately.

Respectfully submitted, W. Lawson Allen.

Rev. H. M. Kendall, who is a teacher of Bible in Mars Hill College, was recognized and invited to use the twenty minutes which had been given to Christian Education.

"The Whole Christian Armor" was used as a subject with Eph. 6 as the scriptural background. Bro. Kendall said in part:

1. The world needs the teachings of Jesus even though it is not following Bible teachings.
2. Christian colleges should be Christian in life, teachings, and spirit.
3. The heart and center of all Christian teaching or education is Christ.

Motion carried to give the American Bible Society ten minutes at some convenient time during the day.

COOPERATIVE PROGRAM by Bro. Fred Lipe

Southern Baptists are a Christ-commissioned people with a planetary program of salvation, embracing the continents and the islands of the sea. Their program, in a word, is the Kingdom of God on earth, as

exemplified in the healing, teaching, preaching, saving ministry of our Lord and Saviour Jesus Christ.

Now, in order to insure the successful promotion of their program for Christ, Southern Baptists have adopted a comprehensive plan for enlisting all our people in the adequate support of all our denominational work. This plan of giving operates on a voluntary, systematic, proportionate basis and is known as the Co-operative Program. The Co-operative Program embraces both State and Southwide, and ultimately world-wide causes.

The State Conventions determine the ratio of distribution of State funds to the different State causes, and the Southern Baptist Convention determines the Southwide causes and the percentages to these.

North Carolina Baptists have adopted a 60-40 division of funds—forty per cent for out-of-the-state objects, and sixty per cent for State causes. The distribution for 1942 is as follows:

State Objects 60%		**Southwide Objects 40%**	
State Missions	17%	Foreign Missions	20%
Education-Debt Service	35%	Home Missions	9.33%
Hospital	5%	S. B. Hospital	0.88%
Ministerial Education	1%	Seminaries and W. M. U. Training School	5.65%
Ministers Retirement Fund	2%	Relief & Annuity Board	4.14%

Surely, such a worthy, Christ-like program deserves the support of our laboring hand, our longing hearts, and our loving prayers.

Submitted by Fred Lipe.

Report Adopted.

Bro. Lipe introduced Bro. M. A. Huggins, who gave a very helpful discussion to the report as he usually does to all reports which he discusses.

1. All objects, with the orphanage excepted, are covered by cooperative program.
2. North Carolina Baptists constitute 10 per cent of the Southern Baptist Convention.
3. We give about 12 per cent to all causes of the Convention.
4. The State Convention living within its income.
5. The Chinese are looming as the most Christian nation.
6. Eight hundred churches to be touched by revival or study course this year by State Missions.
7. Great opportunity for Baptist people in the eastern part of the state. Crowded conditions near our Army Camps and civilian work centers. Tents and missionaries are being sent to these places.
8. State mission offering needs to be doubled to carry on this great work.
9. A Christ's Commission and a planetary program is the greatest challenge to us.

Bro. Nane Starnes stated that the Associational Executive Committee had voted to give the Associational tent to State Missions to be used where and when Bro. M. A. Huggins should think best. The action of the Executive Committee was accepted and adopted by the Association in session.

Mr. Hollifield from the American Bible Society was introduced as being from the State of Texas. He expressed his appreciation for the gifts from this Association. He also told of the work of the Society in giving the Bible to Russian prisoners of war who are in Germany or countries controlled by Germany. He stated that the Russian soldier was very anxious of getting even a small part of a Bible. When you help us we can help them.

MISSIONARY SERMON by Dr. John L. Tillery

Scripture was read from Matt. 28 by the Alternate, Bro. John T. Biddle, who led in the missionary prayer.

Bro. Tillery said in part:

THE GREAT COMMISSION

1. To evangelize the world.
2. To teach them after conversion.
3. Missions began in the heart of God as He sought after Adam, and was continued through Noah, Abraham, Jonah, John and finally climaxed in Jesus. The great mission of Jesus was to seek and save the lost.
4. We can only carry out the great commission as we give ourselves, and tell what great things the Lord has done for us.
5. We must give what we have in material possessions.

Prayer by Bro. J. B. Grice concluded the morning session.

WEDNESDAY AFTERNOON, AUG. 12, 1942

Moderator Don C. Young presiding.

Song: "I Am Thine O Lord."

Bro. Fred G. Womac was asked to conduct the devotionals in the absence of Bro. A. J. Buckner. Bro. Womac used some verses from Acts 2 for a few comments before concluding with prayer.

BROTHERHOOD REPORT by Chas. R. Browning, Jr.

The Buncombe Associational Brotherhood held four regular quarterly meetings during the past year as follows:

October 1941 met with Riverside church, with Clarence Walker as the speaker.

January 1942 met with First Church, with James G. K. McClure as the speaker.

April 1942 met with Calvary with the Rev. J. B. Grice as the speaker.

July 1942 met with the Reed Memorial with Rev. A. J. Buckner as the speaker.

Layman's day was observed in October 1941 in cooperation with a Southwide movement sponsored by the Baptist B. H. of the South. Mr. Don C. Young spoke over Radio Station WWNC and Mr. E. C. Duckett spoke over Station WISE.

The last meeting of the Associational Brotherhood passed a resolution to do some work with the churches urging them to cooperate with the Ministers Retirement Plan.

Respectfully submitted, C. R. Browning, Jr.

Report adopted.

Bro. Browning asked Bro. Harry Logan to speak to the report. Bro. Logan gave some interesting comments. He said that he hoped the State Baptist Convention recognizes the Brotherhood and receives it as one of the children of the Convention and Association.

TEMPERANCE by Mrs. Curtis Williams

People and Nations have risen to eminence, and have continued to grow in proportion to their physical, mental and spiritual vitality.

Our Nation is at war. And one thing absolutely essential to our winning in this conflict is health. Resistance to disease is dependent upon good nutrition. If our Nation is to specialize in public health and nutrition, beer and wine cannot be substituted for milk and food.

One other thing essential to our victory is morale. And just as sure as alcohol destroys the morale of an individual it destroys the morale of a nation. Defense means more than fighting. G. B. Cutten is right when he says, "The morale which comes out of a bottle is not the morale to put into a battle."

Our worst enemy lies within our borders. It is not Germany nor Japan. With our resources and with morale born out of clean bodies, physically fit, and with clear conscience, courage and conviction that we are fighting for a righteous cause we can defeat Germany and Japan.

Japan and Germany are ahead of America in their relatively sober armed forces. They know alcohol and efficient fighting do not go hand in hand. The drink habit is detrimental to efficiency, besides it leads to other vices. The Vichy Government admits that in August 1940, the drunkenness of its defending forces was responsible for the collapse of the French Army.

The records of World War No. 1 show that alcohol was responsible for the undoing of the German forces, for the French had deliberately left their alcoholic wares in their path when it was known that Germany was scheduled to invade France.

In fact, liquor has defeated more men, armies, and nations than any other cause.

The Amalekites won a victory over Israel and celebrated by getting drunk, then they were easily defeated.

Ahab defeated Benhadad, king of Syria, while he and his men were drunk.

Ninevah was destroyed by the Medes during a night of drunkenness.

Cyrus conquered Belshazzar and 1,000 of his lords on a night of revelry.

Alexander and Phillip rose to eminence and power during years when they abstained from drink, but went down when they indulged in drink.

Alexander the Great conquered the world, then alcohol conquered him.

During the early months of Germany's present invasion of Europe the use of alcohol beverages was banned. But in Nov., 1941, German soldiers began to dope with alcohol for the purpose of gaining temporary energy to overcome the cold. The result was seen in the number of defeats which Russia gained over Germany in their drive toward Moscow.

America has continued to launch one salvage campaign after another since the attack on Pearl Harbor. It is our duty and privilege to aid in these campaigns. Yet America is engaged in the most devastating and wasteful business in the world, the liquor traffic, which, if not stopped, will destroy more men than the bullets and bombs of the enemy.

Our young men in our Army Camps are now being exposed to every device the liquor crowd can use to lure them into drinking, for according to the Brewers' Association, if they can cultivate a taste for beer in these millions of men they will eventually constitute the largest beer consuming section of American population.

It is not only in the name of prohibition that America should rise up to safeguard our military establishments from this enemy, but the fight must come from churches, from fathers and mothers, whose sons have gone out from the restraining influences of church and home.

As a means of national defense, a bill was introduced by the late Sen. Sheppard of Texas in 1940 to ban the sale of strong drink in and around our military establishments in order to protect our boys against drunkenness, disease and crime. The bill is now with the committee.

Legislators at Washington are being swamped with protests from parents, who are willing to sacrifice their sons if need be for the salvation of our nation, but who are not willing to send them to recruiting centers for liquor dealers.

Surely, Baptists of Buncombe Association can, with George B. Cutten, president of Colgate University, say to our President and Congress, that we give our money, time, talent, resources, our selves and our sons

in order that we may fight this war to a successful conclusion. But we insist that when our sons go to camps, these places must be clean and wholesome in order that they may give their best. And if in God's Providence they are called to fill a hero's grave, that they may go down to that end with clean breath and clear head.

Respectfully submitted, Mrs. C. D. Williams.

Report adopted.

Bro. M. A. Adams was given the discussion period by Mrs. Williams. Bro. Adams said in part:

1. We are not fighting the whiskey ring, but we are fighting to save our boys and girls.
2. The beer crowd are spending 28 million dollars this year to get 30 million new drinkers.
3. The Army permits selling of beer in Army canteens.
4. There is a ration on sugar but none on whiskey, wine or beer.

COMMITTEE REPORT

Resolution Committee headed by Nane Starnes presented the following resolutions which were accepted and adopted by the Association:

Motion to submit the resolution on liquor to the Biblical Recorder and one to the President of the United States and Congress, carried

Motion for a committee on the American Bible Society, passed.

TO THE ENTERTAINING CHURCH

WHEREAS, the Craven Street Church has so graciously and bountifully entertained the Association through the leadership of its good pastor, Brother A. P. Sprinkle, and the willing handiwork of its hospitable women;

BE IT RESOLVED that we thank them most heartily and invite ourselves back at a not too distant date.

CONCERNING WYMAN E. WOOD

WHEREAS, Brother Wyman E. Wood has rendered such notable, effective and faithful service as our Baptist chaplain at Oteen Hospital, and

WHEREAS, Brother Wood is now resigning the work to enter the Southern Baptist Seminary;

BE IT RESOLVED that we express our appreciation of him and his work. That we commend him to any field of labor while in the seminary. And that we now express the hope that he will return to Buncombe upon the completion of his course.

CONCERNING LIQUOR

WHEREAS, intoxicating drink is not only ruinous to character and religious life, but possibly contributing more to our national defeat in this war than any other one cause, and

WHEREAS, the liquor interests are pushing their products to the extent that areas around our Army Camps are cesspools of drunkenness and vice, undermining our program of training, the morale and character of our armed forces, and

WHEREAS, the alcohol used in these intoxicating drinks is desperately needed in the war effort for synthetic rubber, and explosives;

THEREFORE, feeling that liquor is Hitler's strongest fifth column ally in America;

BE IT RESOLVED, we go on record as drastically opposed to all of this and commit ourselves personally to do away with liquor. That we petition our President and Congress to prohibit the manufacture and sale of intoxicating drink during this world crisis.

Submitted by Resolutions Committee. Nane Starnes, chairman, Burgin Pennell, Mack Summey.

Committee on the Reception of New Churches recommended that the following five churches be received by the Association for one year's probation period as provided by the Associational requirement:

The churches are:

1. Mountain View Baptist Church, Black Mountain, N. C.

2. Chapel Hill Baptist Church located East of Skyland post office.

3. Kerlee's Missionary Baptist Church which is located in East Black Mountain, N. C.

4. Oak Grove Baptist Church located on the Cove Creek highway.

5. Bent Creek Baptist Church, Bent Creek, N. C.

That we accept into full fellowship the Starnes Cove Baptist Church which came one year ago under the Associational probation.

J. B. Grice, chairman, E. B. Roberts, G. C. Cox, Lawson Allen and Mrs. L. E. Ludlum.

Recommendations were adopted.

The Association stood in a moment of quiet meditation and prayer after which Bro Nane Starnes led in the Memorial Prayer.

CONSTITUTION AND BY-LAWS

Article 1. This body shall be known as the Buncombe Baptist Association.

Membership

Article 2. (Sec. a) It shall be composed of regularly constituted Baptist Churches in Buncombe County and adjacent territory who shall be represented at its regular or special meetings by duly elected messengers in the following ratio, viz:

(1) Two for the first hundred members or fraction thereof and one for each hundred additional.

(2) All ordained ministers who are members thereof or laboring in connection therewith.

(Sec. b) The Association shall be sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Provided: The churches so received shall agree and come under the Watch-Care of the Association for a period of one year. It is understood that during this period of probation such church or churches shall be entitled to all the rights and privileges of the Association except that of voting. At the conclusion of this period should no objection be had they then become members in regular standing without further action by the Association.

(Sec. c) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice or that fails to represent itself either by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d) Any church may withdraw from the Association at its pleasure.

Objects

Article 3. The objects of the Association shall be to devise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, the State Baptist Convention and the Association itself.

Powers and Prerogatives

Article 4. The Association shall have no power whatever to infringe upon the rights of usefulness of the churches. It may advise or recommend measures of usefulness for their adoption and guidance but cannot bind them in any way. All the churches constituting the Association remain sovereign and independent bodies and unite only that they may more effectually promote the cause of Christ throughout the world.

Duties of the Churches

Article 5. It shall be the duty of each church to appoint so far as practicable their most capable and efficient members as messengers—to insist upon their attendance and to send with them a contribution toward the expenses of the Association, the printing of the Minutes and such other items deemed necessary by the Association. It shall send annually a letter to the Association giving the following information—I. Location. 2. Name of Pastor and Clerk and their Post Office addresses. 3. The terms of regular services. 4. All church statistics for the current year. 5. Names and addresses of the responsible officers of all church organizations. 6. The amounts contributed by the church and each several organizations to all objects fostered by the Association. 7. Names of messengers and alternates. 8. Other information deemed of special importance.

Organization

Article 6. The Officers of the Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer and Historian, who shall be elected at each Annual Session after the names of the messengers have been duly enrolled and shall continue in office until the next Annual Session unless removed for cause or until their successors are appointed.

Rules of Order

Article 7. The Moderator, or in his absence the Vice-Moderator, shall preside at all regular meetings. All officers shall faithfully discharge the duties usually pertaining to the office to which they have been elected.

(A) All business shall be conducted and all discussions shall be carried on in the manner prescribed in Roberts Parliamentary practice.

(B) The method of voting shall be by the will of the body.

(C) A simple majority shall prevail in all cases except as otherwise provided by this Constitution, provided: that any member may at any time call for a secret ballot or a roll call on a doubtful issue.

SUNDAY SCHOOL, by Charles R. Browning

The following report is hereby submitted on Sunday Schools for the Buncombe Baptist Association for the fiscal year 1942-43.

Brother Lawson Allen, formerly of the First Church, served as our Superintendent until he left in June to begin his duties as Educational Director of the Highland Baptist Church, Louisville, Kentucky. Bro. Allen had some very inspirational and instructive programs, and every meeting has been well attended.

Our Sunday School Association held its 12 regular monthly meetings during the past year, meeting with various churches over the County, there was an average of 20 churches represented for each meeting. Our July meeting was held at Ridgecrest during Southwide Associational Sunday School week, with 22 churches represented by 419 people, and a splendid program was given on better music in the Sunday School. Regular departmental conferences were held with good interest and attendance, which were led by Southwide workers. This meeting was held at the request of our Sunday School Board as a demonstration of Associational Sunday School programs and very favorable comments were expressed by many of our own people as well as Southwide workers.

There has been an increased interest in Vacation Bible Schools this year. Although the final reports are not in, all indications are that there will be an increase in the number of schools held.

The need for trained workers is greater now than ever before, and it is our hope that more and more of our people will take advantage of our Sunday School training schools.

In these times of world storm and with our fighting men on a thousand fronts hazarding their lives for our freedom, this Bible message which we teach is the true essence of that liberty, for which they are so heroicaly offering their all. Let us not slacken our efforts to reach people to teach them the word of God. Our service here should match that heroic effort our men are doing on the battle lines. With multiplied thousands of our workers from all over the Southland gone, they must be and are being replaced. These new workers must have training. Every effort must count now. It is time for our best now, our earnest sacrificial best. It is time to

build our Sunday Schools and go forward in faith depending upon God.

Respectfully submitted,
C. R. BROWNING, JR.

Bro. Browning moved that the report be adopted. Motion carried.

The Moderator made an investigation as to how many would be staying for lunch.

WOMEN'S MISSIONARY UNION, by Mrs. D. C. Martin

We find there were 35 churches in the Association that sent some money through Raleigh W. M. U. office. There were also 17

Y. W. A.'s, 24 G. A.'s, 14 R. A.'s, and 13 Sunbeams reporting, which gave us a total of W. M. U. gifts of $9,610.61.

Our Superintendent, Mrs. Womack, who has gone to another state, traveled 851 miles, wrote 555 letters and cards. In this report we only find 331 tithers, 247 in W. M. S. and 84 in G. A.

Our aim, as always, is to interest our women and young people in missions, through Mission study classes, programs, and contact with returned foreign missionaries and home missionaries.

Our greatest need—surrendered lives of adults who will lead our young people.

I am asking Mrs. J. B. Hipps, returned missionary from China, to tell us how they feel about the importance of W. M. U. work.

MRS. D. C. MARTIN

Associate W. M. U. Superintendent

After a very interesting and helpful discussion by Mrs. Hipps, the report was adopted on motion.

An announcement was made by the clerk, O. L. McGinnis, on the importance of the Executive Promotion Committee. He stated that the names of those representing your church on this committee should be placed on the letter to the Association.

The following committees were announced by the Chairman of the Committee on Committees

1. RECEPTION OF CHURCHES:

Announcements were made by the chairmen of the above mentioned committees of call meetings of their committees during the lunch hour.

OTEEN HOSPITAL, by Bro. J. T. Biddle

No so long ago it was the privilege of the writer of this report to spend a day with Chaplain Ottis J. Hagler in the Oteen Hospital. It is a most exacting ministry—this ministry of the Chaplain. Besides the usual visiting, he must keep accurate records and answer the many and varied calls that come to him for help, counsel, and prayer. Considerable time and thought is required in wisely distributing Bibles, Testaments, Devotional Literature, etc., so generously supplied by the various denominational publishing houses, Moody Colportage Division, and the American Bible Society.

To many Baptists, even, here in Buncombe County, the Oteen Hospital is just an institution where a benevolent Government sends its sick veterans; who they are, where they are from, or what their conditions—spiritually or physically is of little or no concern. Apparently never considering that these men (and women) gave their health, their rights to happy home life, and in many cases will give

their lives in a free country. I say this to our shame—for there are Baptist Churches in this Association that have made no direct contribution toward the comfort, and spiritual well-being of these sufferers. Through a cooperative arrangement with the Veterans Administration, two fulltime Chaplains are provided: one Catholic, and one Protestant. In placing these hundreds of sick men and women, torn away from their homes and families, in our midst, the Lord has given to Buncombe County Baptist a glorious opportunity to serve Him by serving them.

At the present time there are about 800 patients at Oteen. They come from 35 states and one each from the Dutch and Free French Navies. Of this number about 100 are Catholics and 700 Protestants—about half of the latter number being Baptist. By this you can see that while the full-time Catholic Chaplain has only 100 to serve, our Chaplain has 700. In order that we may better understand the stupendous task he has, let us try try to imagine every man, woman and child in the town of Burnsville or the town of Weaverville being sick at the same time with all the attending cares and problems and heart interest of loved ones scattered over the entire country—and with only one minister to serve them; thus, we can get some idea of the work of our Chaplain. Even this is not the whole story, for extensive remodeling now in progress will increase the present capacity from 850 beds to 1100 beds in the near future, and by mid-1944, 2000 beds.

If you would know the full significance of the words of Jesus in his description of a scene in the Judgement, "I was sick, and ye visited me," you should go to Oteen and make the rounds with Chaplain Hagler. There you will find men, many men, young men, older men, lonely men, home-sick men, hopeful men, discouraged men, men improving, men slipping into the shadows, men confident in Christian Faith, men groping for light, white men, colored men, veterans of three wars, all sick men. At the end of the rounds you will find the Chaplain weary in body, but happy in heart, for he has ministered to Christ for us through those sick souls.

Let us; therefore, support our Chaplain with our prayers and generous gifts.

Respectfully submitted,
JOHN T. BIDDLE

Bro. Biddle moved the adoption of the report, and introduced O. J. Hagler, our Oteen Chaplain, who spoke to the report. Bro. Hagler gave us some very touching and interesting experiences which he has had in connection with his work at Oteen. Motion carried.

Dr. J. W. O'Hara suggested that the Association give a free-will offering at noon today to Bro. Hagler for Christmas cards and postage.

Some very inspiring special music was rendered by the Choir of the Calvary Baptist Church.

Bro. Grice gave information concerning lunch and rest rooms.

BROTHERHOOD REPORT, by A. J. Buckner

Some progress has been made during the past year in the brotherhood work regardless of the fact that a multitude of men have been removed from our midst as a result of the war in which we are engaged.

During the year four regular quarterly meetings were held as follows:

October 12, 1942 met with Patton Avenue Church with Rev. O. J. Hagler as the speaker.

January 12, 1943 met with Merrimon Avenue Church with Rev. J. F. Rogers as the speaker.

April 11, 1943 met with First Baptist Church with Rev. Reid Lunsford as speaker.

July 4, 1943 met with Enka Church with Rev. Nane Starnes as the speaker.

Eleven churches were represented in these meetings with an average attendance of forty men which was a small increase over the previous year.

At our last Baptist State Convention a movement was sponsored by our brotherhood to have the brotherhood work of the state incorporated in the convention program and a full time secretary employed. The movement was adopted.

Respectfully submitted,

A. J. BUCKNER

Brother Buckner spoke to his own report. Motion was made and carried to accept this report.

BAPTIST TRAINING UNION, by Willis Bennett

The Baptist Training Union work became a part of our Southern Baptist program in the year 1896 and in these forty-seven years has made as much progress as any other phase of our work. Although the methods have changed often, the aim of the work has remained the same—that of Training in Church Membership. Many thoughtful Baptists are now saying that of all our work, nothing is more important than that of training the members we now have.

Even in our own association the cry rings out: "Give us Leaders". Here lies the goal of the Baptist Training Union in our churches and in our associational work. As J. E. Lambdin has said many times, "There is a vital need for a church consciousness on the subject of training. That consciousness should be something akin to the feeling of parents toward training their children. The obligation is just as serious." Indeed the church member must be trained if he is to become useful.

It is, therefore, an alarming fact that last year out of the sixty churches reporting to our association, there were only thirty-seven that reported anything resembling a Training Union. During the year, try as we may, we could add but one new Training Union to that number.

Our year's activities consisted of holding all of our central Mass Meetings. One meeting was held at West Asheville and had as its purpose to present the Training Union Four-Year program in cooperation with the State and Southern Baptist Convention. Nathan C. Brooks, our State Secretary, was present with us at that meeting. Two programs were held at the First Church and one was at Calvary.

The association-wide Study Course was not continued this year because of transportation difficulties. Emphasis was placed instead on the individual church conducting its own study course.

Our main goal has been and is to see a Training Union in every church in our association. This unfinished task constitutes a challenge to all the wisdom, energy, consecration, and resourcefulness of our leaders.

Submitted by

WILLIS BENNETT

A motion for the adoption of the report. Bro. Bennett then introduced Bro. Ray Roberts, Training Union director of the First Baptist Church, who spoke to the report. Report adopted.

Bro. Nane Starnes introduced Mr. McKenley, a minister of the Gospel in song. After a motion was made and carried that the

clerk send a message of greetings to Bro. Wayne Williams, who is a patient at Moore General Hospital, Bro. McKenley with the assistance of his family brought some fine messages in song. He and his wife also brought some very beautiful music using whiskey glasses for their instrument.

BAPTIST WORLD PROGRAM, by Clay R. Barnes

In the absence of Bro. Barnes, Bro. J. B. Grice read Bro. Barnes' report.

The Baptist as followers of Jesus are a people with a world-wide program. Their program is the same as His which he announced in the fourth chapter of Luke the eighteenth verse: "The spirit of the Lord is upon me because he hath annointed me to preach the gospel to the poor; he hath sent me to heal the broken hearted; to preach deliverance to the captives; and recovery of sight to the blind; to set at liberty them that are bruised; to preach the acceptable year of the lord." The great commission which Christ gave to His followers is the climax of His missionary teaching. In it he proclaimed the great imperative to His church. "Go ye into all the world and preach the gospel."

Baptists have made a good start towards a world program but that is about all. Of the total world population, only one out of every 165 is a Baptist. Of a total population of two billion, Baptist number only about 12,000,000 and of these twelve million, nearly 50% live in the Southern area of the United States. Thus Baptists number only six tenths of one percent of the total world population. However, by way of comparison or contract, Baptists number 20% of the total population of North Carolina.

Thus it is clear that we as a people have only begun what can, in any true sense, be called a World Program.

Just now the Foreign Mission Board has about 450 missionaries and most of these are at home for the present. Surely we ought to prepare now to send at least 1000 missionaries once the guns cease firing. Even then, we would have only one missionary for every 200,000 of earth's multiplied millions of lost souls.

We are almost out of debt now. This year or next should see us through. Our total income un-designated and designated is about double what it was in 1940. Let this income keep on increasing as it should. Then with all debts paid, we may be able, we must be able, to place at least 1000 missionaries beyond the borders of the homeland.

Respectfully submitted,
CLAY R. BARNES

Motion was made that the report be adopted.

Bro. Grice introduced Bro. M. A. Huggins, who in turn introduced Dr. L. L. Carpenter, editor of the Biblical Recorder, who spoke to the association concerning the Biblical Recorder. Bro. Huggins gave further comments in discussing the report.

Before voting on this report the moderator asked Bro. Rogers to lead in a special prayer on the behalf of Bro. Wayne Williams.

Report on the Baptist World Program adopted.

Announcement was made that Bro. J. G. Rhymer of the Macedonia Church has attended every annual meeting of the Association. Brother Rhymer was recognized by the Moderator and asked to stand in order that those present might see him. Motion was made and carried that Bro. Rhymer's picture be made and placed in the minutes and that the minutes be dedicated to him.

An announcement was made that the offering for the Oteen Christmas cards was $8.88.

HISTORIAN'S REPORT, by Bro. J. B. Grice

As we meet in this the sixty-second annual session of our Association, we find our country is locked in the most devastating and bloodiest war in all history, and this war hangs heavily upon the hearts of all of us. It is said that more than 9,000 of the citizens of this county are in war service, which means one out of every twelve of our population. In the nation our armed forces now number between nine and ten millions. There is not a single home or family in this area, or in all America, that is not touched or affected by this awful war. However, as we make a survey of the churches of our Association we find that all of them have made progress in spite of the war conditions under which we have labored during the year ending June 30th.

Our Executive Promotion Committee held its quarterly meetings on the first Monday in each quarter. Your Committee on ordinations examined and approved one candidate for the ministry since our last meeting. That candidate was Brother Jack Bagwell, who was ordained and is now pastor of the Starnes Cove church.

We have had some pastoral changes since our last annual report, perhaps more than for an average year. W. W. Lawton, Jr., resigned as pastor of Ridgecrest Church and was succeeded by T. E. Walters, who came to Ridgecrest from the Ranlo Church of Gastonia, N. C. Mack Summey resigned as pastor of Berea and was succeeded by P. L. McMahan who resigned the pastorate of the White Rock Church. Lewis E. Ludlum resigned the Beaverdam pastorate and accepted work with our State Mission Board to work with a military camp in Eastern North Carolina. He was succeeded at Beaverdam by Michael Reynolds who came from a pastorate in Eastern, North Carolina. Willis Bennett resigned Chunn's Cove to become pastor of the Oteen church. Bro. Bennett succeeded O. J. Hagler, who had been supply pastor pending his appointment as Protestant Chaplain of the government hospital at Oteen, N. C. A. J. Buckner resigned the Patton Avenue Church and became pastor of the Chunn's Cove Church. J. W. O'Hara resigned as pastor of the Hominy Church, and was succeeded by Ralph Hensley, who resigned as pastor of the Starnes Cove Church. Albert A. Young resigned the Mount Carmel Church to attend Furman University, and was succeeded by Erskin Plemmons. Fred G. Womack resigned as pastor of Riverside and accepted a pastorate in Florida. John W. Inzer resigned the pastorate of the First Church, effective October 1st this year. Lawson Allen resigned as Educational Director at the First Church and accepted a like position with the Highland Baptist Church, Louisville, Kentucky. Miss Ethel Blackstock is Educational Director for the summer. We understand that there are other pastoral changes in our Association, but this has not been confirmed by a written report. At the time of writing this report, there is one, and possibly two churches without pastors.

Our churches have had a year of material prosperity unequaled by any year in the history of our Association. This is indicated by debt paying and improvements on the physical equipment of the churches. The following churches have reported cancelled debts, improvements and contemplated improvements on their property: Wilkey has placed new ceiling, new floor, and a new pulpit stand in their auditorium. The Oteen Church bought two lots and a pastorium last November. Both church and pastorium were painted and im-

provements were made on the grounds. The Emmanuel Church installed a furnace in the pastorium, painted the Junior and Primary Departments of the Sunday School, also increased the pastor's salary $260.00 a year. The Enka Church has completed and occupied the first unit of their educational building, which includes a kitchen, rest room, nursery, and office for secretaries. The second unit is well under way. Grounds have been landscaped. New furnishings for the choir, nursery, Primary and Junior Departments, also dishes for the kitchen have been added since our last meeting.

The Beaverdam Church has completed 4 new Sunday School class rooms, placed a new carpet in their pulpit and painted the auditorium. They contemplate a new church building in the near future and now have in cash, bonds and pledges a total of $1,500.00 as a building fund.

The Patton Avenue Church has bought chairs for the Beginners and Primary Departments of their Sunday School, also finished the floor of the Auditorium and painted the outside of their building. The Bent Creek Church spent $150.00 on their grounds. The Hominy Church piped water to their pastorium at a cost of $75.00, also painted the interior of their building and improved the walkway in front of the building. Reed Memorial replaced an old boiler with a new one at a cost of $600.00. This was paid for along with most of a debt of several hundred dollars spent on improvements several months before. The pastor has redecorated and refurnished a room in the church in memory of Mrs. Hocutt, who departed this life in February, and the Young People's Union that meet in this room have changed their name to "The Mildred Hocutt Union", as she was one of the leaders of this union. A very fitting memorial. The Mount Carmel Church is now full time, and besides having made improvements on their grounds, they are planning to build a pastorium. The West Asheville Church has been reducing the debt on their present building and planning for their next unit. Brother Nane Starnes, the pastor says, "The thing most outstanding in my mind is the change in personnel of our leadership because of the upsetting conditions related to the war". Your historian finds that this condition exists in most if not all of our churches.

The Ridgecrest Church has an 18-room educational plant closed in and paid for. This building is made of concrete blocks, but is to be rock veneered later. Liberty Church has placed new light fixtures in their auditorium at a cost of $35.00. The Swannanoa Church has added a new piano at a cost of $530.00, a new class room at a cost of $500.00, and improvements on their pastorium at a cost of $200.00. The First Church finished the work on their Chapel and made other improvements in the Sunday School Department at a total cost of $760.00. The Weaverville Church has installed a new electric organ. Calvary Church made repairs and improvements on their education building at a total cost of $749.76. In celebration of the pastor's Silver Anniversary, which was observed on the first Sunday in May, 1943 the church on that date liquidated all indebtedness on their building, and one week later publicly burned the notes and dedicated their house of worship. The Flat Creek Church liquidated the debt on their new pastorium and burned their notes. The church also went on a full-time pastorate about the first of this year. The New Bridge Church has elected Mrs. Melvin Rice as Educational Director. They also have made new concrete steps at the main entrance to the building, redecorated main auditorium at a cost of $641.00. The Deaver View Church has employed a Janitor and have added a baptistry and one Sunday School room, painted the

auditorium and refinished the overhead ceiling at a total cost of $899.83.

The White Rock Church made repairs including covering the building amounting to $284.00. Rev. H. A. Quick was called as the new pastor. The Big Ivy Church repainted the pastorium and placed a new roof on it. The platform across the church was cut down in the center front and made into a very attractive pulpit. Two members of the church, a brother and sister, donated three pulpit chairs in memory of their father, now deceased, a deacon for many years. Another member contributed a picture, the Good Shepherd, hand painted by her. Various other improvements were made.

In closing our report we wish to mention the pastor's revival that has been held this past winter. This was the second year of such revival and the best of the two. Whether or not they vote to hold another this winter, it seems to be the opinion of all that the third one should be held early in the next calendar year.

J. B. GRICE, Historian

Report adopted.

Motion was made and carried that the Clerk's Salary be raised from $25.00 to $50.00. Thanks!

Brother Edd Kuykendall, pastor of the Oak Grove, made a request for old Church pews.

The Association adjourned with prayer by Bro. Plemmons. Adjournment until 10:00 o'clock, Wednesday, August 11.

WEDNESDAY MORNING, AUG. 11, 1943

With Vice-Moderator O. J. Hagler presiding in the absence of Don C. Young, Moderator, the morning session opened with the singing of "Come Thou Almighty King." Bro. T. E. Walters of the Ridgecrest Church led the devotions of scripture and prayer.

Bro. G. G. Morgan who was to bring the report on Christian Literature was not notified before hand and, therefore, had no report. The Moderator asked the Association what it wanted to do with this time. There being no response, the Moderator went to the next item on the program.

MINISTER'S RETIREMENT PLAN, by Bro. C. F. Rogers

Twenty-five years ago this Relief and Annuity Board was fostered by our Southern Baptist Convention and is celebrating its Silver Anniversary this year, and it is with considerable degree of just pride that we point to it because of its right management through the years whereby it has safely invested and accumulated over six million dollars in assets, ministered to thousands of ministers, their widows and children and given aged ministers their place of rightful recognition and assistance in times of need.

Our attention is turned now to our latest and best method of caring for disabled and aged ministers of North Carolina and the Southern Baptist Convention in what is known as The Ministers and Church Employees Retirement Plan which, if entered into will prove itself of untold blessing both to aged and young ministers who avail themselves of the opportunity.

More than 10,000 ministers, missionaries, denominational workers and ministers' widows are participating in one or more of the Board's plans, while others are due to receive benefits in the years that lie ahead. More than 10,000 churches are participating and more than 7000 preachers hold certificates of membership. Nearly 50% of The Pastors and almost 25% of the churches of North Carolina are now enlisted in this retirement plan but this should speedily be doubled

and could be very easily if our pastors and churches would realize the value of membership and especially true is this of the younger pastors in our state.

Most of us know the plan calls for the pastor giving 4% of his salary, the church entering the plan with him, paying 4% and the North Carolina State Convention giving $18.00 as its part of the plan in carrying on this work. Another plan entailing less expense, namely a 3% or 2% if the pastor and church so desire. It is to be hoped that many of the pastors and churches in Buncombe Association will avail themselves of this opportunity for it is purely a financial loss and risk to any pastor who delays entering into the Plan at his earliest opportunity.

Respectfully submitted,

C. F. ROGERS

Bro. Rogers moved the adoption of the report, and he also spoke to his report. There was some discussion from the floor including Bros. Watson, Lunsford, Walters and Johnson, after which the report was adopted.

Various announcements of interest to the Association were made. Dr. Seigler of the Carolina Association and pastor of Hendersonville First Church was recognized as visitor.

TEMPERANCE, by Bro. M. A. Kiser

The time is upon us when there should be a rediscovery of the meaning and importance of temperance. In many quarters the question of temperance is narrowed down to one evil, and then given an inadequate interpretation. Usually, the discussions center upon the curse of intoxicating drinks. Certainly no informed Christian will argue the point that liquor is a curse that is blighting civilization. This evil must have our whole hearted condemnation. But there are other evils too numerous to mention that are eating at the heart of civilization. Such as, the gambling craze, reading material that appeals to the lust of the flesh, and morphuanna cigarettes.

What is to be the Christian attitude toward the evils of society? To be temperate is to compromise. There is no teaching of the scripture that a Christian is to be temperate in any form of evil. We are to abstain from the very appearance of evil. By our lives and testimony we are to declare ourselves against all manner of evil. No evil should have the sanction and the participation of Christian people. Temperance is abstaining from that which is evil and maintaining self-control in that which is good.

Respectfully submitted,

MORGAN A. KIZER

A motion was made that the report be adopted. Bro. Kizer spoke briefly to the report. Motion carried.

The Moderator announced Hymn 181, Amazing Grace and the congregation stood as they sang this beautiful old hymn. Other visitors were recognized by the Moderator.

HOSPITALS, by Mrs. J. I. Cook

The Baptist Hospital has completed a full year with its enlarged facilities. Instead of caring for 4,000 patients as formerly, we have had 12,000 the past year—1942. It is again becoming increasingly difficult to provide for the growing numbers of sick who come for treatment—an average of 33 each day.

Of these 12,000 patients who were treated last year, 4,000 were

service patients; that is, were unable to pay a hospital bill. These are the sick for whom our Mother's Day Offering is made. It is also interesting to note that 4,000 of this 12,000 patients were mothers who had, here and there in our state, 12,000 children waiting anxiously for her return. We had also about 175 ministers, returned missionaries, ministerial students, and children from our orphanage for whom no charge was made.

The Hospital Training School for Nurses has 116 students in training, 51 staff and graduate nurses, with an addition of 22 nurses and Red Cross Aids, making a nursing staff of 189.

It is one of the functions of the Baptist Hospital to educate as many nurses as possible with the Christian ideal of service. These are always selected so as to represent as nearly as possible every section of our state.

Although quite a number of our medical staff are constantly going into the service of our country, we still have a staff of about 75 doctors, almost all of whom are specialists in the several fields of medicine and surgery.

These two institutions—Hospital and Medical School—represent a money value to the denomination of $2,000,000.

It is with a just pride, we trust, that the American Medical Association has given the Baptist Hospital the highest rating of any hospital in the entire south, save one.

The hospital desires to express to the members of this association their appreciation fir the best Mother's Day Offering ever, and also to the W. M. U.'s and other church agencies this same appreciation for their generous contributions of hospital linen.

This hospital was built and has operated for these 20 years with one great fundamental purpose: that it shall be an institution through which the half million Baptist of our state may render a definite Christian service to sick and suffering humanity who could not, in most instances, have hospital treatment otherwise. It is the purpose of the denomination and the management that it shall forever remain full of power. The association was adjourned with prayer by Dr. J. C. true to this one purpose in addition to its wider service.

Respectfully submitted,
MRS. J. I. COOK

A motion was made for the adoption of the report. Mrs. Cook introduced Bro. Smith Hagerman, Superintendent of our Baptist Hospital who spoke to the report. Among many other interesting and inspiring remarks Bro. Hagerman stated that "the thing we need to do mostly was not merely to talk about humanity but do as Jesus did and go out and do something for humanity. That is Christianity in action." Report adopted.

Bro. Nane Starnes read the report of the Committee on Committees. The report was accepted.

After a congregational hymn, "Jesus Is All The World To Me" a trio of the Calvary Choir sang "Let The Lower Lights Be Burning" and "O Love That Will Not Let Me Go."

MISSIONARY SERMON, by Bro. R. P. Hamby

Bro. McMahan, alternate speaker, read Matthew 28, Acts 1:7-8, and John 1:40-42 for the scripture lesson. Bro. R. P. Hamby asked for silent prayer which was followed by the misisonary prayer by Bro. Grice. Bro. Hamby delivered a most inspiring missionary sermon full of power. The Association was adjourned with prayer by Dr. J. C. Owen, which concluded the morning session.

WEDNESDAY AFTERNOON, August 11, 1943

Vice-Moderator O. J. Hagler presiding. Hymn, "Down At The Cross" lead by Bro. Hocutt.

In the absence of Bro. Reid Lunsford, Dr. J. W. O'Hara had charge of the devotions which was followed by another hymn, "Higher Ground".

CHRISTIAN EDUCATION, by Ralph R. Hensley

What is Christian Education? This is an important question to an age that is shot through and through with secularism.

Someone has well defined Christian Education as that education which gives due attention and emphasis to the facts, principles, and applications of Christianity by Christian exponents, under Christian auspices, for distinctively Christian ends. It is the very foundation of our civilization and likewise part of Christ's great world program. Jesus taught his disciples for three years before he sent them out to preach his Gospel. Paul surely had the mind of Christ himself when he uttered those commanding words to Timothy, "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the Word of truth."

I think I am correct in saying that Jesus is given the title of "Teacher" forty-five times in the New Testament, and spent most of his ministry in a teaching ministry. If this be true, we should be on the alert in doing what we can to maintain Christian education in this nation and more especially in our state.

In our Homes I am sure that everyone of us could and should spend more time with our Bibles, and could and should spend more of our time in teaching the Book to our children. For no person who knows his Bible can be said to be ignorant. The teaching of it and learning of it brings a satisfaction to both old and young such as can be had from no other source.

In our Church we could make better progress in spreading Christian Education if we would give our minds and thought to the cause. In the Church we have the Sunday School, B. T. U., Vacation Bible School, and Missionary organizations where there is a place for each of us to put our shoulders to the wheel, and where that individually and collectively our efforts would total a far greater advancement in Christian Education than is now enjoyed. The Master commanded us to Teach, and we think our churches could go at the task more seriously, making this training a more vital factor in our church life.

Finally, it seems our Christian Schools and Colleges are worthy of a greater place in our minds and accordingly more support from us. These institutions are going a long way toward meeting a great need in this field, but their degree of success only reaches so far as our cooperation and support goes. In no other way can we support them so well as to plan and strive harder toward sending to them our sons and daughters, and with our money and prayers.

Respectfully submitted,

RALPH R. HENSLEY

Bro. Hensley moved the adoption of the report and then introduced Dr. Hoyt Blackwell, President of Mars Hill College, who spoke to the report. Report adopted.

THE AMERICAN BIBLE SOCIETY, by Mrs. W. E. Logan

"Bibles not bombs for tomorrow's world," is the aim of the American Bible Society. There is today a felt need and a growing demand for Bibles.

Pearl Harbor revealed other needs besides that of more and better ships and guns. Our democratic form of government with its four freedoms is based on the teachings of the Bible.

Our Declaration of Independence, Constitution, and Bill of Rights were written by men versed in the Bible. Back then there was the Bible in the home, the Bible in the schools, the Bible in the legislative halls.

The church or meeting house, as it was called, was the center of activities. Dr. Homer L. Grice of the Sunday School Board recently made this startling statement: "According to a government bulletin, there are approximately 6,500,000 children under twenty-one who are the victims of broken homes.

"There are approximately 1,500,000 children of migrant families that the state has thus far dealt with very, very inadequately as to their education.

"Every four years approximately 9,000,000 boys and girls reach voting age, or 36,000,000 in sixteen years or four presidential terms. From the best information obtainable, 6,000,000 of these new voters every four years have had no religious training, either in their homes or in their churches. This indicates that 30,000,000 of our potential voters under twenty-one years of age have no contact with the churches during childhood and youth, and probably very little if any since they became voters.

"If one will think through all of the implications of this staggering fact with reference to national conditions and problems today, he will be better able to understand the menace to our national ideals and institutions, and to realize how easily and quickly our nation might become a victim of either nazism or communism.

"Unless pastors, deacons, other church officers, parents, and other adults in our churches face frankly and realistically the fact that the religious education of our children and youth is our greatest and most momentous challenge and task; disaster of inconceivable proportions awaits both our churches and the nation in not very distant future."

From the Christian Herald we read these words: "Half the children in the U. S. are spiritually illiterate." They do not belong to any church; they do not go to any Sunday School.

J. Edgar Hoover says juvenile delinquency is without parallel in his experience. The national crime bill last year was 17½ billion dollars. These facts present to American church bodies a terrible challenge.

The story of Rickenbacker and others proves the need of Bibles in the armed forces—on land and sea and in the air.

Some one has asked whose book is the Bible. The answer: The Bible is the world's book—not only for America and England, but China, India, Africa, and all nations of the world and isles of the sea. The American Bible Society is designed to help meet these imperative needs.

Instituted in 1816, 129 years ago, with headquarters in New York City and branch offices in several of our states and in foreign countries. The work of the American Bible Society during these 129 years in Bible translation and distribution has been marvelous. It has endeavored to meet every situation and need in war and peace.

The records show translations of the Bible in 1055 languages and dialects and distributing in one year nearly 9 million copies of the Bible. Besides the Society now provides specially prepared Testaments for army, navy, air force, and merchant marine.

The demands are so great that Bibles are being printed at the rate of 10,000 copies a day.

How is the American Bible Society supported? Largely through contributions. Its annual budget is $900,000 per year. Remember The American Bible Society is the only world-wide agency distributing the scriptures that is left with a constituency able to provide the necessary funds. What have you done? What has your church done? Every one can and should have a part in this great work.

MRS. W. E. LOGAN

Motion to adopt this report was made. Mrs. Logan spoke to the report. Motion carried.

The following reports and announcements were made during the business session:

Dr. O'Hara gave a report on the admission of new Churches as follows:

We are glad to report two churches, Avery's Creek and Bingham Heights, after two or three years failure to report, this year are represented both by letter and messengers. We welcome them back.

No new churches have applied for admission this year.

Report adopted.

Brother Leroy Thomas made a motion that since the Oakley Baptist Church was contributing to the State program through the regular channels and since their pastor was doing his part in fostering the Baptist program in that Church we therefore invite them to make application into the Association at the next meeting.

The moderator ruled Bro. Thomas out of order and then asked the Association whether or not it was its wish to reconsider this matter again. There being no opposition Bro. Thomas remade his motion. After much discussion from the floor by various members the time allotted for business expired. Time extended and a substitute motion was made and carried that the Oakley Baptist Church be invited to come into the association and that if the church make application within 30 days from today the church will automatically be accepted on one year's probation as provided by the constitution.

TIME, PLACE, AND PREACHER REPORT

TIME: Tuesday and Wednesday, August 15th and 16th, 1944.
PLACE: Calvary Baptist Church.
PREACHER: Introductory—A. P. Sprinkle
Ralph R. Hensley, Alternate
Missionary—John T. Biddle
M. A. Kiser, Alternate

Report accepted.

Bro. Hamby made a motion that a time, place and preacher table be added to the minutes this year dating back as far as our records will permit. Motion carried.

The Standing Committees for the new year read by Bro. H. M.

Hocutt. They were accepted by the Association. These committees appear on page 2.

Bro. Rogers read the report of the committee on resolutions as follows:

1. Resolved that we express to the entertaining church and its pastor our appreciation for the hearty welcome and hospitality which they have given us and to all who contributed with their messages and music in making our Associational meeting a success.
2. We also resolve that we inform our churches and give thanks to our heavenly Father for the great progress being made in freeing our denomination from debt, our Foreign and Home Mission Boards already out of debt and our State Convention with every prospect of being free from debt in 1944.
3. Resolved that we urge all our churches to cooperate with the Allied Church League of North Carolina, an organization in which several of the denominations are engaged and being directed by Baptist laymen for the abolition of alcoholic beverages in North Carolina. We would emphasize the need of our people voting for legislators whom we know are opposed to the liquor traffic and will vote to give the citizens of North Carolina an opportunity to vote on this question.
4. Be it resolved that we urge our churches and pastors not now members of the Ministers Retirement Plan to secure informed speakers to present the plan in their churches and enlist the membership of pastors and churches in this greatest plan in providing for disabled and aged ministers and their families that Baptists have ever engaged in.
5. Be it further resolved that we register ourselves as against Sunday desecration by the various forms of amusements enticing our people and especially our young people at popular amusement places on the Lord's Day, and against the road houses and questionable places operating throughout our county and express our approval and appreciation to men in office who are using their influence and power to suppress the same and to uphold the law which they have sworn to protect.

Submitted by
E. E. WHEELER

Motion for the adoption of the report. Bro. Wheeler recognized Dr. I. G. Greer, Superintendent of the Orphanage work, who spoke to the Orphanage report. Bro. Greer gave a very interesting and helpful discussion concerning the work of the Orphanage and our duty toward the support of it. His concluding remarks were, "Let us go home and fight for the things that Christ died for." Report adopted.

Bro. L. A. Thomas read the obituaries after which Bro. Hagler led a very good session of the Buncombe Baptist Association in a closing prayer.

RECORD OF PROCEEDINGS

Of The

Sixty-Third Annual Session
Of The
BUNCOMBE BAPTIST ASSOCIATION
Held With
Calvary Baptist Church
West Asheville, North Carolina

TUESDAY
Morning Session
August 15, 1944

Moderator Don C. Young called the Association to order at 10 o'clock. He requested Mrs. Glenn Starnes, choir director of the Calvary Baptist church, to lead the Association in the opening hymn, Oh Worship The King.

Brother F. W. Haynie, Beaverdam pastor ,lead in the devotion, using Selection 19 in the responsive readings. He then asked Brother Hagler, Oteen Hospital Chaplain, to lead the opening prayer.

Moderator Young being a member of the Calvary Church extended

words of welcome on behalf of the pastor and members.

A roll call of the churches followed, led by Ralph R. Hensley, Clerk. It was determined that there were 45 churches and 32 pastors present. Moderator Young remarked that this was exceptionally good and declared the Association ready for the transaction of business. He then proceeded to read Article 2 of the Constitution in explaining membership.

Brother Young then proceeded to the election of officers and opened the floor for the nomination of Moderator. For the fourteenth consecutive time Don C. Young was nominated and with O. J. Hagler presiding Brother Young was elected by acclamation. Other officers elected were as follows: Vice-moderator—O. J. Hagler, Clerk—Ralph R. Hensley, Treasurer—W. S. Johnson, Historian—J. B. Grice.

At this point the following visitors were recognized: Dr. Zeno Wall, Shelby; Brother Storner, former moderator; Mrs. J. C. Powell, missionary to Africa; Ray Ingram, missionary; Miss Grey, Mrs. Sam Downer, Brother W. Johnson, pastor; Rev. J. J. Buckner, moderator of the French Broad Association.

At the request of Moderator Young the following new pastors in the Association came to the front and were introduced and cordially welcomed into the Association by Rev. J. B. Grice, Associational Historian: S. M. Wallin, Jupiter; George Roberts, Gashe's Creek; Eugene Byrd, Mountain View; Riley Surrett, New Morgan Hill; F. W. Haynie, Beaverdam; H. A. Quick, White Rock; W. Perry Crouch, Asheville First; W. D. Ruth, Bingham Heights; and James Isley, Kerlee.

On motion the printed program was adopted which was followed by special music in the form of a duet consisting of Miss Billie Marie Wall and Miss Julia Owen who sang "The Lord Is My Shepherd." They were accompanied by Mrs. O. V. Himes.

Clay R. Barnes, Chairman of the Committee on Committees made announcement of the following committees: Reception of New Churches—J. B. Grice, J. W. O'Hara, LeRoy Thomas, and Willis Bennett; Time, Place, and Preacher—O. J. Hagler, W. W. Hamrick, A. J. Buckner, and J. R. Owen; Committee on Resolutions—Nane Starnes Perry Crouch, and H. M. Hocutt.

On motion of Harry Logan it was decided by the Association to wait until after the first of the year to make the selection as to who would give the reports at the next Associational meeting instead of choosing them now as has been the practice in the past.

Brother Charles R. Browning, Jr. brought the report on the work of the Sunday Schools. After reading the report motion was made for the adoption of it. Brother Browning then spoke most effectively to his report. The report was adopted as follows:

SUNDAY SCHOOL

The following report is hereby submitted on Sunday Schools for the Buncombe Baptist Association for the fiscal year 1943-44.

Sunday Schools in our Association have been losing in numbers for the past four years, in 1941 we had an enrolment of 13,500 with an average attendance of 6,400, in 1942 we dropped to 12,500 enrolled and 6,100 in attendance, in 1943 we dropped to 11,850 enrolled wtih an attendance of 5,700. The figures for this year are not complete but we will have some less.

We had 19 Vacation Bible Schools each year for 1941-42-43 with good attendance each year, this year on account of Polio the number of schools will be less.

The extension departments in most of all our Sunday Schools has grown quite a bit during the past 2 years and some of our people are doing an excellent job in keeping contact with their members that are in our armed forces.

A number of our Sunday Schools have been doing some fine work in training schools this year, and at a time when we are having

such a turn over in our personnel and a trained worker is so much needed.

We had 12 regular monthly associational meetings during the past year, meeting each month on the first Sunday afternoon, with four of the meetings being departmental conferences. The meetings have been well attended by about 20 of our Sunday Schools. We have about 35 Sunday Schools in the Association that have not attended any time during the past year.

We are now in our third year at war and we that are here at home should learn a lesson from our soldier. With them it is not a matter of routine, its "ALL OUT" with everything they have and are. We must get down to business in our Sunday School. It's up to each of us individually to shoulder his or her part of the load. Peace cannot be made with documents. Peace must be made in the hearts of men and women. We are dealing with souls. Eternity is affected, destiny is determined. Let us give our best during the remainder of 1944 and in the year 1945.

Respectfully submitted.
C. R. BROWNING, JR.

Following the adoption of the Sunday School Report Moderator Young, at the request of Harry Logan, made an investigation as to how many would be staying for lunch. Announcement was made that Calvary again was serving the lunch at twenty-five cents per plate.

At this point the Moderator recognized Brother W. S. Johnson who read the report of the Oteen Committee. Brother Johnson moved the adoption of the report after which Brother Hagler made a motion to extend the time for the discussion of the report ten minutes. This motion carried and Brother Willis Bennett who served as Chaplain in the absence of Brother Hagler spoke to the report, taking the Asscoiation on an imaginary tour of the hospital at Oteen. Brother Bennett gave the rest of his time to Brother Hagler who is now back on duty performing the full duties of the Chaplain Motion to adopt the report carried. This report reads as follows.

OTEEN REPORT

The Oteen Committee met at the U. S. Veterans Hospital, Oteen, N. C. and reviewed the work done there by the Chaplain and the facility itself and submits the following report.

There are approximately 1,100 patients at the hospital including men and women. Between 950 and 1,000 of these are Protestant patients. This indicates a gain of a little more than 400 patients at the hospital in the last eight months. It is expected that the hospital shall continue to grow with the possibility that there will be 1,500 patients in the next few months.

The Chaplain at the hospital has the duty of ministering to this group of patients. This he does through routine calls on all the 23 wards as often as time will permit. In addition he answers all special calls both day and night. He spends special time on the surgical ward and with the seriously and critically ill patients. The receiving ward, where some 180 patients come in each month, is visited regularly. Devotional literature is given to all patients each quarter and Bibles and New Testaments are available to those who desire them. A worship service is conducted each Sunday morning at 9:30 in the Red Cross Chapel with about 40 attending and is broadcast throughout the hospital. It is believed that half or more of the patients listen to this service.

Agencies contributing to the work there include the Baptist Sunday School Board, the Methodist Board of publication at Nashville, and the Presbyterian Board at Richmond. Each of these furnishes much needed literature. It should be noted, however, that one of the largest contributors is the American Bible Society. The Society

has never refused a request for Bibles, New Testaments, and portions of the Scripture. Only recently a shipment of 60 Bibles was received.

Your Committee wishes to commend the churches of our Buncombe Association for their liberal giving to this work during the past year. The records of our Treasurer show that nineteen churches gave a total of $957.97 and other churches in the Association sent direct to the Raleigh Office a total of $84.00 making a grand total of $1.041.97.

We believe that if the churches had been more fully informed about this work, other churches would have contributed and some of those that did contribute, would have made their contributions larger. SINCE ALL CHURCHES GET FULL CREDIT ON STATE MISSIONS for contributions to this work. Therefore, your committee recommends:—that some steps be taken to fully inform all churches from time to time on this work. And we recommend further:—

That in as much as the hospital has greatly increased in size and will continue to do so in months to come, we recommend that the Association consider the possibility of another part time employee to assist our Chaplain, and this matter be taken up and discussed with the proper authorities of The Baptist State Convention.

Your Committee believes that the urgency of this work demands proper consideration of these recommendations.

Committee:
Willis Bennett, Chairman
Chas. Browning, Jr.
Mrs. J. L. Cook
W. S. Johnson.

W. S. Johnson, Associational Treasurer submitted his report which was accepted without a motion as follows:

At the request of the Moderator Mrs. Starnes led the congregation in the singing of Hymn No. 355, "Faith Is The Victory." Following this the Rev. J. L. Underwood, pastor of Avery's Creek Church, brought the report on preparing for Christian Leadership. After making a motion to adopt the report Brother Underwood presented Brother W. Perry Crouch who spoke briefly to the report and then introduced Mr. H. P. Hadcock who is leading the work of the "Greater Meredith" program. Following Brother Hadcock's remarks the report was adopted as follows:

CHRISTIAN EUCATION

None of us will dispute the fact that we need Christian leaders in every realm of American life. C. J. Jackson in a recent issue of the Recorder emphasizes the importance of a balanced educational program if we are to produce a balanced, safe and sane leadership. If America is to influence the world for good, then America herself must be anchored to the standards and teachings of Christ.

Our North Carolina Baptist Colleges have given a good account of themselves in sending out Christian leaders. Their opportunity in training for Christian leadership in the future is unlimited if we support them with our prayers and our means. We must see to it that Wake Forest and Meredith are prepared to meet the challenge of the increasing numbers of young men and young women who will be knocking at their doors after the war. Some of these will be service men who have given some of their valuable preparation time to fighting our battles. The campaign to raise $565,000 for Meredith is well begun, and the alumni of Wake Forest are seeking to raise in the next few years a total of $7,000,000 dollars for buildings and endowment. Our Junior Colleges, especially Mars Hill in our own section, claim our continued interest and support.

Our three seminaries will continue to chart the course of Southern Baptist progress. They train the pastors and missionaries, the educational directors and church workers, who will lead Southern Baptist. They must be undergirded by our prayers and gifts.

Respectfully submitted,
J. L. UNDERWOOD.

Announcements concerning lunch, rest rooms, and meetings of various committees were made. Mrs. Starnes then led the congregation in another hymn and then introduced Mrs. William Bell who sang a solo, "I'm A Child of The King."

INTRODUCTOR SERMON, by Rev. A. P. Sprinkle

Following the special music Brother Ralph R. Hensley, alternate speaker led the Association in prayer. Brother Sprinkle then brought the Introductory Sermon on The Finished Task using as his text John 17:4. The following is his message in outline:

1. Jesus came into the world to live with men and women.
   a. He accepted God's plan.
   b. He accepted the world's lot for Him.
   c. He lived with all.
2. Jesus came into the world to work.
3. Jesus came into the world to teach truth.
4. Jesus came into the world to preach the Gospel.
5. Jesus came into the world to die in order to save it.

Conclusion: The finished task of Jesus and our unfinished task.

The congregation then stood and sang "All Hail The Power of Jesus Name," after which Bro. Zeno Wall pronounced the benediction thus ending the morning session.

TUESDAY

Afernoon Session

Following a lunch served by the ladies of the Calvary Church, the messengers re-assembled at 1:45. Mrs. O. V. Himes played an organ prelude afterwhich the congregation sang "Glory To His Name." Brother Alvin Quick read the 17th Psalm and C. D. Knighten offered prayer.

Moderator Young called attention to the second invasion in Europe and asked Bro. Perry Morgan to lead in a special prayer—congregation standing.

Brother H. M. Hocutt, pastor of the Reed Memorial Church, brought the following report on Temperance:

TEMPERANCE

Our Liquor business is thriving. I say "our" because we are in the liquor business. Every citizen in North Carolina is sharing in the sale of liquor. It may not be of our choosing that such is true, but nevertheless we need not deny the fact. Now, since we are in this business together, we ought to take stock and see where we are.

First, let us see why we are in this business. In 1908 the citizens of North Carolina voted liquor out of the state with a majority of 44,192. That was the voice of the people, and it represented the wish of the people of North Carolina, and we are persuaded that the people of North Carolina have not changed their minds. However, in disregard to the expressed wish of the people of the state, the members of the legislature in 1935 voted to permit counties to open liquor stores; thus without the people having an opportunity to express themselves, liquor stores have opened in the good State of North Carolina. We were told that the last war was fought "to make the world safe for Democracy." We ask, Where is that Democracy in North Carolina?

Let us now see how our business has prospered. As the following facts are given, don't forget that we are at war. We read that at a conservative estimate the American people spent at least $5,000,000,000 for liquor in 1943. That means that every man, woman, and child in our country spent more than $38.00 for liquor last year. From our thriving business, we paid $1,454,201,725 in taxes in 1943. That makes our business the largest tax-paying business in the country. We even

pay more taxes than the great tobacco companies.

We want to be honest in our thought about what we are doing; so in perfect fairness, we must look at the other side of the picture. Dr. Horatio M. Pollock, a mental hygiene statistician for the New York State Department of Health, estimates the economic loss to the nation of drunkenness and absenteeism as $5,000,000,000 annually. Thus this thriving business in which we share is responsible for much of the delay that has been caused in the production of war materials. It would not be possible to estimate the number of lives lost due to liquor, but the figures would shock us. In all our orphanages we will find boys and girls who were made orphans because of drink. It is reported that a little girl was asked to help mix the drinks at a cocktail party. "No," she said, "I don't think I want to help. And I don't think I want to drink either. If I did I might act as silly as father and mother do when they drink."

In the face of these facts, do we want to continue in this business that is causing the destruction of property, life, character, and home? It has been said that the liquor business is public enemy number one. If we continue to share in this cause of destruction, we do so with blood on our hands. If we can read the signs of the time correctly, the people of North Carolina are rising up in their might against this mighty force of evil. If we will act wisely, we will join with this mighty host of righteous people and demand the opportunity to remove ourselves from sharing in this business; and when this opportunity is given, we will remove the works of this enemy from our midst.

Respectfully submitted,
H .M. HOCUTT.

After reading the report Bro. Hocutt moved the adoption of it and introduced Mr. L. A. Martin, Executive Director of the Allied Church League, who spoke to the report. Following the address by Brother Martin; Brother Haynie, pastor of the Beaverdam Church objected to the inference in the report that we as Christians were in the liquor business and asked for an explanation of it. On motion time was extended in order to discuss this matter further. In response to the request to explain what he means in the report by the term "our liquor business" Brother Hocutt made an oral explanation. However, for the benefit of any reader of the minutes who may not understand his use of that term, he gives the following written explanation:

Certainly our churches in their organized efforts are not engaged in encouraging or sponsoring the liquor business. We trust and pray that the opposite is true. But we as citizens make up the state, and the government is or should be by the people; thus we as citizens are responsible for what the state does. Now, we are citizens of a state that grants license for the sale of liquor, collects revenue from the sale of liquor, and uses that revenue for the support of the government and other objects; thus, in our failure to assert our rights of citizenship and to outlaw this evil, we become parties to it. We share in responsibility for what the state does because the final authority in the state is in the hands of the citizens; thus, while we do not like it and it is not of our choice, we are sharing in this shameful business.

Brother Haynie again expressed his view on the matter. Following remarks by Rev. LeRoy Thomas and Brother R. A. Ingle Moderator Young called time and presented the motion for adoption of the report. Report adopted.

Brother Reid Lunsford being absent there was no report on Christian Literature. The Moderator recognized Dr. L. L. Carpenter, Editor of the Biblical Recorder, and gave him the full time allotted Christian Literature. Clerk's note: The following report was handed me by Brother Lunsford at a later date:

CHRISTIAN LITERATURE

The time has come, in a world gone mad with hate, that we give more serious attention to How We Read, and especially to WHAT We Read. The secular press is not concerned, for the most part, to present the truth about anything and is used in the interest of whoever or whatever can command it's service. The space given to advertizing alcoholic beverages prove the point. So, we are almost entirely dependent on the Religious press for dependable presntation of mattrs of vital import.

We, of the Baptist Faith, are peculiarly blessed in that we not only have many books, papers, and magazines published by our own presses and these are of unusual high quality. In a comparative study of the products of various religious presses by a non-Baptist group, the decision was that the Baptist publications led the entire field. We are grateful for the leadership of the Holy Spirit in this matter, and that many capable men and women give so much of their time and energy to this work.

Most of our churches use Sunday School and Training Union literature published by our own Publication Board in Nashville. However, not nearly enough of our people get the mission magazines, "The Commission" and "Home Missions," to really keep informed. Too, a large majority of our people do not get and read the "Biblical Recorder," our own state paper.

We would urge every church to place the "Recorder" in it's budget for each family. It will prove to be a good investment.

Respectfully submitted,
REID LUNSFORD.

The report of Our Training Program which was prepared by Bro. Willis Bennett was read by Bro. Jack R. Bagwell—Bro. Bennett being absent due to a funeral. Motion made for adoption of report. Bro. Bagwell gave a very inspiring address in speaking to the report which was adopted as follows:

BAPTIST TRAINING UNION REPORT

Our Baptist Training Union work is forty-eight years old as a part of our Southern Baptist program. Nevertheless, in recent years we have felt the need more keenly than usual for well trained workers. It is this phase of our work that is designed to meet that need. In a day when specialization is the ideal, we as Baptists need to have completely trained leaders in every division of our work, for it is the trained member who is the useful member.

Thirty-five of our churches have Training Unions, one of these having been organized within the past year at the Bent Creek Church. Several churches have lost unions in the past years because of the loss of young people to the armed service. At the same time, howeevr, some of our churches have gained unions, especially in the Story Hour and Junior groups.

All of the central Mass Meetings were carried on as scheduled. One meeting was at the West Asheville Church with the general aime of enlargement. Conferences were held for each age group.

Three other meetings were held at the First Church, Asheville, One of these, on November 23, was a simultaneous effort with every Baptist Church in North Carolina. It had as its purpose to present the fourth in a series of the Four Year Program as sponsored by our State and Southern Baptist Conventions. The Rev. O. M. Seigler, of the First Church, Hendersonville, was the guest speaker.

Another of the meetings consisted of the regular contests as sponsored by the Training Union. Buncombe Association sent representatives for each contest to the regional convention and had three juniors who won there and also in the State and South-wide Memory Work Contest. We feel proud of these three juniors: Barbara Mashburn, of Starnes Cove, and Carolyn Curtis and Walter Clark of the First

Church. Miss Mildred Leath, of the First Church, was winner in the Better Speakers contest in the region and placed high in the State. Her speech was carried by the Biblical Recorder.

At our last program the Rev. Chester Quarles, of Mississippi, was our speaker and spoke on a worthy associational program. Officers were elected at this meeting, with John Snow, of the First Church, elected as director.

Surely we are grateful for those who have led us so well in the past year, and we should join those who are to lead us for the coming year in the goal, "A Training Union in Every Church." Let us work devotedly toward that end.

Submitted by,
WILLIS BENNETT.

After the Association was led in singing of the Hymn, "God, We Pray For All Mankind" by Mrs. Starnes, Brother J. R. Owen, pastor of the French Broad Avenue Church, delivered a very forceful message on Facing Tomorrows World. Brothers Nane Starnes, and Perry Crouch added further remarks to those of Bro. Owen, pointing out definite ways by which we in Buncombe Association should face tomorrow's world. There being no report on Baptist World Program to adopt Moderator Young proceeded to the next item on the program. However before doing so he called attention to Wednesday's program, pointing out items of importance.

Brother J. B. Grice read the Historian's report which was adopted as follows:

HISTORIAN'S REPORT

As we meet in this the sixth-third annual session of our Association, we find our countryy as it was one year ago, still locked in the most devastating and bloodiest war in all history, and this war hangs heavily upon the hearts of all of us. In spite of the fact that about twenty per cent of the resident membership of our churches are in uniform in some branch of service for our country, besides perhaps an equal number have gone from our churches to other parts of our country to work in defense plants, our churches have made substantial gains during the past year.

The pastors of our Association held their third winter revival in January this year. In the opinion of your historian, it was the best of any yet held.

Our Executive Promotion Committee held its quarterly meetings on the first Monday in each quarter during the year. Your Committee on ordinations examined and approved one candidate for the ministry since our last meeting. The candidate was brother George Roberts of the Emmanuel Church, and was ordained in that church and is now pastor of the Gashe's Creek Baptist Church.

We have had a few pastoral changes since our last annual meeting. W. T. Connor, resigned the Bent Creek Church and accepted the pastorate of the Riverside Church. Rev. C. D. Sawyer followed Bro. Connor. R. R. Mehaffey resigned the Macedonia Church and was succeeded by J. C. Pipes, who is dividing his time with the church and the State Mission Board. M. H. Kendall resigned the Jupiter Church and was succeeded by S. M. Wallen. J. W. Inzer terminated his pastorate with the First Church of Asheville on October 3, 1943, and was succeeded by W. Perry Crouch, who came from the First Church of Fayetteville, N. C. to the Asheville Church on January 1, 1944. Miss Mary Humphrey has also been elected Assistant to the Pastor at the First Church Asheville. J. N. Watson resigned as pastor of the Black Mountain Church and accepted the pastorate of a church at Marshville, N. C. Michael E. Reynolds resigned as pastor of the Beaverdam Church and entered the service of his country as Chaplain in the Army. He was succeeded at the Beaverdam Church by F. W. Haynie. Miss LaLene Grigg has been elected Educational Director of the Swan-

nanoa Church for the summer of 1944.

Some of our churches continue to make improvements in their physical equipment. The Craven Street Church has placed a retaining stone wall on their property, also repaired their furnace at a total cost of $130.50. The West Asheville Church has purchased a home for their pastor on Blue Ridge Avenue at a cost of $6,000. The Enka Church has finished the final unit of their educational building consisting of one large assembly room, one large class room, and one department of two rooms. The Starnes Cove Church has added four new class rooms in the basement of their church. The Swannanoa Church added a church library at a cost of $100.00; repaired the Primary Department at a cost of $200.00; spent $70.00 in repairs on their pastorium, also placed a new roof on their church building at a cost of $600.00. The Chunn's Cove Church made improvements on their church building which included a brick wall under the building, concrete floor in the basement, two rest rooms, with the necessary plumbing at a cost of $900.00. Also considerable grading done on their church grounds. A lot and the rough lumber has been donated and they have $400.00 on hand for building a pastorium. The church has placed their pastor on full time since our last meeting.

The Bingham Heights Church has purchased three lots at a cost of $500.00. Reid Memorial has erected steps leading to the Pastor's Study. The pastor reports a good financial year. Calvary has made interior improvements during the year at a cost of $1,166.32, also purchased a lot on the east side of the church, for future needs, at a cost of $4,000.00. The Flat Creek Church has finished their Pastorium at a cost of $300.00, and planted shrubbery and made concrete walks at a cost of $100.00. This church is also planning to build, and they now have $1,200.00 in this fund. The Biltmore Church has completed recreation ground for church use, consisting of furnace, shuffleboard, tables and games for young people, redecorated the pastorium this spring, painting the rooms and placing a new rug in one room, also new electric fixtures in three front rooms. Some of the Sunday School class rooms were repainted. The cost of this was not given. Emmanuel Church has made improvements on their church building at a cost of $1,349.20, and improvements on their pastorium at a cost of $300.00, also placed an electric range in the pastorium and a new piano in the church auditorium. The Oteen Church has placed a new roof on their building and installed fluorescent lights in same. The young people of Oakley Church have presented the church a service and a Christian flag. One additional lot adjoining the church property was deeded to the trustees of the church as a gift from the board of deacons. Mount Carmel Church has rebuilt their pulpit and choir loft and placed $800.00 in parsonage fund. Liberty Church has purchased Boardman Hymnals and report that the Biblical Recorder is going into every home. Ridgecrest Church has completed and fully equipped four rooms of their new plant. Ridgeway Church went on the budget system last August and have employed a full time pastor. The Victory Church has made improvements on their building at a cost of $50.00.

The Macedonia Church has remodeled the front of their building by adding a new vestibule at a cost of $600.00. They also report that their offerings exceed $2,500.00 this past year and that more than $1,000.00 of this went to outside objects, most of which went to regular convention objects. The Deaverview Church has purchased a new piano, made driveway improvements and installed a drinking fountain, all of which cost $572.00. They have also begun work on a mission on Deaverview Road and have spent $600.00 on this to date. The Hominy Church has excavated their basement at a cost of $250.00, added a church library consisting of approximately 300 volumes,

launched out on a pastorium improvement campaign, and raised their pastor's salary.

J. B. GRICE, Historian

As we write this report our churches, in cooperation with the churches of all other denominations in this section, are restricting the attendance at any service in our churches to persons above fifteen years of age. This is due to the prevalence of Polio within the borders of our state.

J. B. GRICE, Historian.

With the reading of the Historian's Report the program of the day was concluded. Brother Young asked the congregation to stand and sing "Blessed Assurance." Prior to the benediction Rev. Eugene Olive, pastor of the Wake Forest Church and Chaplain of Wake Forest College, and Dr. W. L. Hatcher, missionary to Portugal were recognized as visitors.

The Association was adjourned with prayer by Brother Eugene Olive. Adjournment until 10:00 o'clock, Wednesday, August 16.

WEDNESDAY, AUGUST 16, 1944

Morning Session

Organ prelude by Mrs. O. V. Himes followed by the congregational hymn, "I Am Thine, O Lord." Brother P. L. McMahan, pastor of the Berea Church had charge of the devotion. After reading from the second chapter of Philippians he asked Bro. Smith Hagaman, Superintendent of the Baptist Hospital at Winston-Salem, to lead in prayer.

Our Women's Work which was to be brought by Mrs. D. C. Martin was presented by Mrs. J. E. Bagwell, Young People's Leader of the Association. Mrs. Bagwell spoke briefly to the report after motion was made to adopt it. After her remarks she then presented Rev. Clay R. Barnes, pastor of the Emmanuel Church, who spoke convincingly on the value of the W. M. U. in his church. The report was adopted as follows:

WOMEN'S MISSIONARY REPORT

Our Association is divided into six Districts with a Leader in each District. They have meetings every three months and send written reports to the Superintendent after each meeting. More people can be reached this way since traveling by cars is so restricted .

For the year 1943 there were 33 churches in the Association that sent money to our W. M. U. office in Raleigh. The total amount given was $11,135.89. Of this amount the women gave thru the Woman's Missionary Society $9,313.21, and the young people gave thru their organizations $1,822.68.

We had 31 Woman's Missionary Societies, 13 Young Women's Auxiliaries, 22 Girl's Auxiliaries, 13 Royal Ambassador Chapters, and 14 Sunbeam Bands. The following Organizations were A-1: W. M. S.—Emmanuel and West Asheville, Y. W. A.—First Church, G. A.—First Church, R. A.—First Church and Beaverdam, Sunbeams—First Church, West Asheville, and Swannanoa.

Our aim is to have full graded A-1 Unions in every church, enlist all the young people in our churches in one of the Missionary Organizations, and increase our gifts to Missions.

Respectfully submitted,
Mrs. J. E. Bagwell, Young People's Leader.

Brother P. L. McMahan presented the report on "Our Baptist Hospital" and moved the adoption of the report, after which he introduced Brother Smith Hagaman who spoke to the report. This report was adopted as follows:

HOSPITAL REPORT

The Baptist Hospital was incorporated in 1922 and received it's first patient May 28, 1923. It was established for the purpose of providing good hospital treatment for the sick of the entire state, but primarily for those who are not financially able to pay for treatment.

The Baptist denomination representing as it does, one half the entire church population of the state, could not be true to the cause of Christ and suffering humanity without doing something in a large way for the relief of the multitudes of sick in our state. More than six years ago the hospital began to be so overcrowded that many patients were being turned away. The hospital was therefore enlarged from a bed capacity of 108 to almost 300. This expanded facilities for the sick was done at a cost of about $683,000.00. The hospital is now equipped wtih the most modern appliances known. It has a staff of doctors varying in numbers. At present it has about 75 doctors.

At the end of 1943 about 67,000 patients had been treated during the 20 years since its opening. About 19,800 of these were mothers who in most instances were returned to their families of about 58,500 children. There have been about 1,585 ministers, missionaries, and ministerial students treated during these years. About 25,400 patients, usually referred to as free patients were treated without charge. This free service represents a cost of $2,206,509. During the year of 1943, 7,609 patients were received. In addition to these, 2,724 patients were examined and treatment prescribed for if necessary, but not admitted to the hospital. Making a total of 10,333 patients. There were also 8,800 patients seen in the private clinic. This makes a grand total of patients entered into the hospital, and those prescribed for in the two clinic of 21,133. The free service rendered the 2,336 patients who entered the hospital as free patients in 1944 represent a cost of $145,-509.76. This is the largest number ever entered any year.

The hospital has to depend almost entirely on the Mother's day offering of the churches and Sunday Schools for caring for the large number of free patients. Last year, 1943, the hospital received from our Mother's day offering $72.584.08. From January 1, to June 30, 1944 the churches from the Buncombe Association gave to the hospital $1,706.38.

The program of Jesus includes caring for the sick. This is seen in both His ministry, and that of the apostles. The bodily healing of the sick occupied a large place in the ministry of Jesus. The hospital last year, 1943, very vitally touched the lives of no less than 38,000 members of the immediate families of the patients, and not less than 380,000 friends and neighbors of the sick. These have returned to their homes and communities bearing a message of blessings and good will.

A Request:

We earnestly solicit the sympathy, patience, good will, and prayers of all our ministers and churches of the state as we minister to these multitudes of sick, in your name and in the name of the Great Physician.

Respectfully submitted,
P. L. McMAHAN.

Brother T. S. Henderson, pastor of Antioch, Morgan Hill, and Big Ivy churches, brought the report on "Our Orphanage." He pointed out that only seven churches of our association failed to contribute either cash or produce to the Orphanage this past year. However, he urged us not to be too proud of our record since our gifts averaged less than forty cents per person for the entire year. This was based on the Sunday School average attendance of last year. Brother Henderson then gave an itemized statement of what each church had given. This report may be found on Table VII of the Statistical Tables, in the

Orphanage column. Motion was made for adoption of the report. Bro. Henderson then presented Bro. I. G. Greer, Superintendent of the Orphanage, who spoke to the report. Bro. Greer related some very touching experiences which he has had in connection with his work. He made us proud that we had contributed to the Orphanage and caused us to be more determined to increase our gifts to this great Christ-like cause. Before Bro. Greer began his address the time was extended five minutes. Moderator Young called attention to the fact that two people in our Association had willed their estate of $12,550.00 recently to Mars Hill College and Our Orphanage. He urged the delegates of the Association to "Go and do thou likewise." Report adopted.

Mrs. Starnes led the group in singing the hymn "Majestic Sweetness Sits Enthroned," after which the Baptist Brotherhood Work was considered. Due to the fact that Bro. A. B. Thompson had to be out of town he asked Bro. Harry Logan, layman of Calvary Church to substitute for him. Mr. Logan gave no report but he gave a splendid discussion of the Brotherhood Work. Brother Young informed the clerk to prepare a report for the minutes on this phase of the work. The report is as follows:

BROTHERHOOD REPORT

The Baptist Brotherhood work of the Southern Baptist Convention dates back to 1907. Being one of the youngest organizations of the Church it has possibilities of becoming one of the leading organizations. However, it will not attain that pre-eminence if the men of the South don't do something to make it such. The women of the Southern Baptist Convention have certainly worked circles around the men, which, I think, should make us men hide our faces in shame.

Let us bring the matter a little closer home. Here in Buncombe Association the Men's Brotherhood was organized on Sunday, May 30 1937 at Calvary Baptist Church. There were ten churches represented. In 1939, two years later, there were only twelve organizations. Today, 1944. seven years after the Brotherhood work was introduced in this Association, we must face the sad yet true fact that there are only six organizations in the Association out of a possible sixty-three. Does this not partially explain the reason that in almost every worship service of the church there are considerably more women than men? Another question, what are we going to do with the boys who are growing out of the R. A. organizations which the women have so thoughtfully provided for them into young manhood? Shall they say, "No man careth for my soul"? Surely we cannot let this happen. yet we are.

I realize that this war has drained our churches of quite a number of the men, but we still have deacons, men Sunday School teachers, male choir members and ushers. Why not harness this unused power, both spiritual and physical and, use it to further foster the Kingdom of God. May we resolve now to help these six organizations that are striving bravely to perpetuate a worthy cause in our Association. Pastors, men of the Buncombe Association, fellow Christians let's do it NOW!

RALPH R. HENSLEY.

The report on the Co-operative Program was submitted by Brother M. A. Kizer, pastor of the Weaverville Church. After reading his report Brother Kizer called special attention to the goals set for the churches in gifts to this part of our work and urged the churches to strive to attain their goal. Brother M. A. Huggins then spoke to the report and the report was adopted as follows:

CO-OPERATIVE PROGRAM

Undesignated gifts through the Co-operative Program is the most systematic and far reaching of all plans ever devised by Baptist minds to reach all the world with all the Bible. Proper support to the Co-

operative Program will eliminate the necessity of receiving special offerings for the support of causes sponsored by the denomination.

We live in a world of growing need. Meager offerings of bygone yesterdays will not touch the surface of a world going headlong into destruction. A minimum of $42,000 has been suggested for the Buncombe Association. Be it resolved that we accept this challenge and put forth an earnest effort to exceed the goal. Also, let the messengers return to the local churches with a prayer and holy zeal that will challenge substantial increases to missions through the Co-operative Program.

Let us raise one million dollars in North Carolina and win one million souls in the territory of the Southern Baptist Convention that we might worthily crown the victories of our Lord over one hundred years of glorious history. There is no greater plan maintained by Baptist believers to reach every unbeliever with the new testament message of redemption.

Respectfully submitted,
MORGAN A. KIZER.

At this point Brother Hagler made the following motion: Moved that a Program Committee be appointed as a Standing Committee of the Association. This Committee to be appointed by the Committee on Committees. The duty of this Committee is to prepare a suggested program for the annual session of the Association. A preliminary report to be submitted at the July meeting of the Promotion-Executive Meeting prior to the annual session. This motion was approved by the Association, and Moderator Young instructed Brother Barnes, chairman of the Committee on Committees to make the appointment.

Following the congregational hymn, "Praise My Soul, The King of Heaven," Brother John T. Biddle, pastor of the Enka Church, brought a most inspiring and informational missionary sermon. Brother Biddle using as his topic "The Missionary Map" based his remarks on Matthew 28:19-20. He emphasized the fact that missions was a global affair beginning at home. At the close of the sermon a missionary hymn was sung followed by a solo, "The Ninety and Nine," by Brother Burgin Mullinax, choir member of the Asheville First Church. Brother Willis Bennett pronounced the benediction, thus ending the morning session.

WEDNESDAY

Afternoon Session

Organ prelude by Mrs. Himes followed by the hymn "Bread of Heaven." Bro. W. L. Connor, pastor of the Riverside Church, read the 100th Psalm, and Pastor Riley Surrett of the New Morgan Hill Church offered prayer. Moderator Young called for another hymn, and Mrs. Starnes led in the singing of "Faith Is The Victory."

Brother Bert Starnes preceeded his report on the American Bible Society with a special prayer for the armed forces. After reading his report, he moved the adoption of it and Mr. McElroy, American Bible Society Representative, who spoke to the report. Report adopted.

THE AMERICAN BIBLE SOCIETY

James Monroe had just been elected President of the United States: John Quincy Adams was Secretary of State; John C. Calhoun was Secretary of War; Henry Clay was speaker of the House of Representatives; Daniel Webster was a member of the house; Thomas Lincoln and his wife, Nancy had just moved away out west to Indiana with their little seven-year-old son Abraham. The great western states of Tennessee, Kentucky, and Missouri were growing in population by leaps and bounds. This was known as the "Era of Good

Feelings," in the year of 1816 when the American Bible Society was founded.

For 128 years now the American Bible Society has had as its single purpose to encourage the wider circulation of the Holy Scriptures without note or comment to every man on earth in whatever language he may require. The Bible is now being published in 184 different languages and parts of it have been translated into more than 1,000 different tongues and the work is still going on.

In Isaiah 55:11 we read: "So shall my word be that goeth forth out of my mouth; it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it."

In the period ended Nov. 1, 1943, the Society through its War Emergency Fund has:

—Distributed more than 550,000 Bibles, Testaments and Gospels in 34 different languages to prisoners of war and refugees in camps in Germany, Italy, France, India, South Africa, Egypt and the West Indies.

—It has also distributed 3,408,747 Testaments to our own service men and women. Of these books 1,988,115 have been given to the men through the chaplains and 1,020,632 sold at the cost price of 20c to civilians for distribution. The Society has also distributed free through the chaplains 62,172 Bibles and 754,872 Gospel Portions and this work continues.

1943 was the 109th year of the American Bible Society's service to the blind. It was also a record year in distribution. A total of 9,070 volumes were furnished to the sightless. Of these, 3,414 were talking-book records for those who do not read with their fingers.

In its emergency work the society has published Scriptures in 14 languages, including a special edition for Japanese interned in this country. And no group has sent more grateful expression than the Japanese ministers and other Christian workers in the relocation centers who were supplied with Scriptures both in Japanese and in English.

During recent months we Southern Baptist have sent literaly thousands of kits to the people of Russia containing necessary articles not obtainable in their own country. When we enquired by letter to headquarters, at Atlanta, Georgia, if it would be alright to put a gospel in each package, a telegram came back with the answer: I quote: "It is not advisable nor permissable to put gospels in Russian kits." (Signed) Russian War Relief, Inc. Are Southern Baptist banded together for the purpose of administering to the temporal needs of a heathen people while their starving souls go groping into an eternal hell?

During the same period the American Bible Society through its sister Bible Societies in Europe were putting into the hands of the Russian prisoners in Germany thousands of gospels in their own language, and with more money they could distribute more gospels. This fall when those Russian prisoners are released to go back to their homes they will take the scriptures with them, and no man will be able to rob them of the joy and peace of mind that comes only by the receiving of the Lord Jesus into their hearts. "Faith cometh by hearing and hearing by the Word of God."

In like manner prisoners of war are being served on both sides of the battle line and in this way the American Bible Society is taking advantage of a bad situation to spread the "Good News."

During the month of May of this year a chaplain in Kentucky wrote: "We have German prisoners of war here in this camp; and I would appreciate a shipment of German New Testaments for use among them. Send me a thousand. Thanking you in advance for this favor to men desperately in need of spiritual guidance." In June he acknowledged the shipment of Scriptures:—"This is to acknowledge with gratitude and appreciation the shipment of German Gospels,

New Testaments, and whole Bibles. I wish you could have been present to see with what avidity some of these were received by these prisoners of war. Yes, I am here to tell you that Hitler has not succeeded in eradicating the hope of the Christian faith from the hearts of his people, and, please God, no tyrant of earth will ever succeed in this."

In 1942 the Southern Baptist Convention at San Antonio, Texas, passed the following resolution: "Resolved, that in order that the Bible may be kept in the widest circulation in these days when the work of missions is so greatly curtailed, we earnestly request the Secretaries of our State Conventions, our Editors, and our Pastors to call these facts to the attention of the churches with a view of the making of a suitable contribution to the work of the American Bible Society."

The Bible as no other book is the world's Book. In it—it's message and it's Lord—lies the one hope of the world. But most of the world does not yet possess it. It must be distributed widely, immediately, continuously. Someone must make this the first business in life—THIS ONE THING THE AMERICAN BIBLE SOCIETIES DOES.

It would be well for every Baptist Church in Buncombe County to send the Society a sizable check this year. Last year, our church, the Calvary Baptist, sent $800.00. I hope we will do better this year, for in so doing we will personally have part in the great commission: "Go ye therefore, and teach all nations—."

Following the discussion by Mr. McElroy Pastor G. Carlton Cox brought the Minister's Retirement Plan. After reading his report a motion was made for the adoption of it and Bro. Cox spoke extemporaneously to the report in the absence of Bro. J. R. Owen. The moderator called attention to the fact that only seventeen out of sixty-one churches in our Association were participating. He asked for an explanation of this. Bro. Crouch stated that the churches and pastors don't understand the plan. Bro. Lunsford reminded us that we had failed in our promise to the government to organize and maintain a retirement plan if we were left alone. After further discussion it was decided on motion that a committee be appointed to promote the Minister's Retirement Plan among the churches and pastors of the Association. The following is the report as adopted.

THE MINISTERS' RETIREMENT PLAN

The Ministers' Retirement Plan of The North Carolina Baptist State Convention, Co-operating with The Relief and Annuity Board of The Southern Baptist Convention, offers to every active pastor and to every paid worker of every Missionary Baptist Church and every Baptist organization and institution in the state, the opportunity to participate, to cooperate, and to share in the blessings of The Ministers' Retirement Plan, which plan provides the minister and other paid workers the best, the sanest, the safest, and the easiest plan yet devised for them to protect themselves against possible permanent disability, and against dependency brought about by the sure infirmities of age.

Even so, it is to be regreted that of the sixty one churches, and the fifty one pastors in the Buncombe Association, only seventeen are participating and co-operating in The Ministers' Retirement Plan.

I, therefore, recommend that The Buncombe Baptist Association encourage in every possible way the forty-four Baptist Churches and their pastors which are not now participating and co-operating in The Ministers' Retirement Plan, to join at the earliest possible date, and co-operate with one another, and with the sister churches and fellow-ministers of The Buncombe Association, The North Carolina

Baptist State Convention, and The Southern Baptist Convention, in promoting, maintaining, and sustaining the worthy Ministers' Retirement Plan, which provides for possible disability, and certain infirmities of age, and ultimate retirement from active service in the churches.

In so doing, we shall be more like Jesus, "Who went about doing good;" more like our Christ, who "Bore our griefs and carried our sorrows"; more like our Saviour who said: "Bear ye one another's burdens, and so fulfill the law of Christ."

Respectfully submitted,
G. CARLTON COX.

At this point the following committee reports were given and business transacted.

Be it further resolved, That we return to our homes with a new resolve in our hearts and lives to give ourselves unreservedly to the full work of Christ during this centennial year of our Southern Baptist Convention.

Respectfully submitted,
H. M. HOCUTT
W. PERRY CROUCH
NANE STARNES.

The above resolutions were whole-heartedly adopted by the Association.

(4) Time, Place, and Preacher Committee report—This report may be found on page_____.

(5) Additional report of Committee on Committees—The committee appointed Bros. W. Perry Crouch, J. B. Grice, and Don C. Young to serve on the committee for the promotion of the Minister's Retirement Plan.

(6) The Clerk made remarks commending the churches for their cooperation in sending in the letters and asked those who left off the names of the persons who are to represent their church on the Executive Promotion Committee to get them to him as soon as possible. He also read a portion of a letter to the Association from Miss Naomi Schell thanking her many friends in the various churches for their gifts.

At this point Bro. Reid Lunsford, secretary of the Buncombe Baptist Pastor's Conference, brought the following recommendation from the conference to the Association.

"The Buncombe Baptist Pastor's Conference wishes to recommend to the Association that the money which is left over from the Mission School be applied on the salary of an Associational Missionary."

Bro. Starnes made a suggestion that this money be placed in a bank and that it be considered as reserve rather than to be applied immediately on an Associational Missionary's salary.

Motion was made that a committee be appointed to investigate the possibilities of obtaining an Associational Missionary and if their findings are favorable that they report to the Executive Promotion Committee who in turn be given the power to elect the missionary. Bro. Rogers, layman of the Pole Creek Church, voiced his objection that this surplus money be used for Associational purposes on the grounds that it was the belief when the offering was taken that it would be used for Foreign missions. Mr. Willis Bennett made a report of the mission School expense and stated that it was previously agreed upon that it would be decided here at the Associational Meeting as to what we would do with the surplus money. Bro. Starnes made remarks in favor of an Associational Missionary and also stated the need of such a worker in our Association. Bro. Cox stated that it would be best to use the money as the individual churches so directed. Bro. Starnes made an amendment that Mr. Bennett be informed to use the money of the individual churches as he so desire. After further discussion the motion carried, and the Moderator appointed Bros. Starnes, Pipes, and Walters to serve on the Committee to find the missionary. Following this Bro. Willis Bennett gave the following digest of the Associational letters:

Dr. J. W. O'Hara read the obituaries afterwhich he asked the congregation to stand as Dr. Fitzgerald led the memorial prayer. The hymn, "O God our Help In Ages Past" was sung and final session of the very interesting and helpful 1944 Associational Meeting was brought to a close with the prayer of Bro. Vaughn M. Johnston of St. Petersburg, Fla.

Article 2. (Sec. a) It shall be composed of regularly constituted Baptist Churches in Buncombe County and adjacent territory who shall be represented at its regular or special meetings by duly elected messengers in the following ratio, viz:

(1) Two for the first hundred members or fraction thereof and one for each hundred additional.

(2) All ordained ministers who are members thereof or laboring in connection therewith.

(Sec. b) The Association shall be sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Provided: The churches so received shall agree and come under the Watch-Care of the Association for a period of one year. It is understood that during this period of probation such church or churches shall be entitled to all the rights and privileges of the Association except that of voting. At the conclusion of this period should no objection be had they then become members in regular standing without further action by the Association.

(Sec. c) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice or that fails to represent itself either by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d) Any church may withdraw from the Association at its pleasure.

Objects

Article 3. The objects of the Association shall be to devise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, the State Baptist Convention and the Association itself.

It shall be the duty of each church to appoint so far as practicable their most capable and efficient members as messengers —to insist upon their attendance and to send with them a contribution toward the expenses of the Association, the printing of the Minutes and such other items deemed necessary by the Association. It shall send annually a letter to the Association giving the following information—1. Location. 2. Name of Pastor and Clerk and their Post Office addresses. 3 The terms of regular services. 4. All church statistics for the current year. 5. Names and addresses of the responsible officers of all church organizations. 6. The amounts contributed

by the church and each several organizations to all objects fostered by the Association. 7. Names of messengers and alternates. 8. Other information deemed of special importance.

(D) A ruling by the presiding officer shall be final unless appeal be had from such ruling to the entire body present.

(E) A question having been decided by vote in the same attitude at regular session of the Association shall not be reintroduced except by consent of the body, expressed by a majority vote.

(F) The messengers of at least one fifth of the churches enrolled shall be necessary to constitute a forum.

Executive Promotion Committee

An Executive Promotion Committee shall be appointed at each annual meeting of the Association composed of the Active Pastors and two members (preferably a man and a woman) from each church who shall act for the Association in the interim between its Annual Sessions. The duties of this Committee shall be to carry out the policies and will of the Association as so expressed, nor shall it take any action contravening the will of the Association, nor shall it initiate any new policy or practice binding upon the Association unless specifically so directed; provided: that in an adequate emergency it may take such action as it may deem necessary, but such action so taken shall in every case be submitted to the next meeting of the Association for appropriate consideration. It shall make a full and complete report of its activities to the next Association. It shall meet on the first Monday in each quarter at the time and place appointed for the meeting of the Buncombe Baptist Ministers Conference. The officers of this Committee shall be the officers (ex-officio) of the Association. Record of Proceedings

TUESDAY, AUGUST 14, 1945

Morning Session

The Buncombe Baptist Association met in the sixty-fourth annual session at the Calvary Baptist Church on Tuesday morning, August 14, 1945. The Association was called to order at 10:00 o'clock by the Moderator, Don C. Young. Mrs. Glenn Starnes, choir director of the Calvary Church, led the Association in singing "All Hail The Power of Jesus' Name". Mrs. O. V. Himes of the Calvary Church was at the organ. Brother Earl Sturgeon, Pastor of Patton Avenue Church, read Philippians 1:1-14 and called upon Brother LeRoy Thomas to lead the opening prayer.

After extending a welcome to the Association on behalf of the Calvary Church, Brother Young called attention to article number four in the constitution dealing with "Powers and Prerogatives" of the Association. He then explained that the Association consisted of the ordained ministers who are pastors or members of the churches of the Association and of messengers who are elected by the churches. A count revealed that 28 ordained ministers and messengers from 51 churches were present; and with this number present, the Moderator entertained a motion made by Brother M. A. Kizer of Weaverville that all ordained ministers and all members present constitute the Association and that all who were present be allowed to vote unless some matter should arise that would make a roll call of the messengers necessary. The motion was unanimously carried.

The first item of business was the election of officers. After an appropriate expression of appreciation for the good services rendered by Brother Young for fourteen consecutive years, Brother LeRoy Thomas nominated Brother Perry Sprinkle, Pastor of the Craven Street Church for twenty-one years as Moderator, and Brother Sprinkle was elected by acclamation. Other officers were elected as follows: Vice-moderator, G. C. Cox; Clerk, H. M. Hocutt; Historian, J. B. Grice, and Treasurer, E. E. Wheeler. At the request of Brother Young, Brother Perry Morgan accompanied Brother Sprinkle to the pulpit and introduced him as the new Moderator of the Association.

On motion made by Brother T. E. Walters, the printed program in the hands of the messengers was adopted and the program began.

BAPTIST TRAINING UNION REPORT

John Snow was associational Director of Training Union work in Buncombe Association this past year and he is the logical one to make this report, but he is critically ill in Atlanta with a disease that seems incurable. Let us remember him earnestly in our prayers during the Associational meeting.

There are now reported in our association 37 churches having Baptist Training Unions. That is 37 out of the 62 churches of the association. We earnestly hope that all these other churches will strive to establish Training Unions as nearly full graded as possible during this year.

In the Spring a number of the churches participated in the various contests and winners from the churches were chosen. Winners were selected from the Association. The Regional and State Tournaments were not held because the assembly at Ridgecrest was not held this year. We hope that all the churches will plan now to participate in these contests this year because the benefit to our young people is immeasurable.

The week of July 15, 7 of our churches had Training Union Revivals under the leadership of Mr. Hocutt, our Associational Missionary and the state workers. There was an average attendance of 231 and during the week 7 new unions were organized with one Story Hour. Nine Summer Workers led by Miss Margaret Sparks were with us and four local workers took part.

We earnestly hope that during our coming year, our Pastors and church leaders will do all possible to promote our program of training in the churches. More than ever this year with all the changes and complexities that will come with the close of the war, we need to "grow in the grace and knowledge of our Lord."

Signed:

MRS. MURRAY EISENHAUER
Associational Director

After reading the report, Mrs. Eisenhauer introduced Brother Ray Linville, the new Pastor at Flat Creek, who brought a challenging message on Training Union work. Following his message the report was adopted.

Visitors Recognized

It was called to the attention of the Moderator that a number of visitors were present, and the following were recognized and welcomed to the meeting of the Association: Brother J. J. Buckner of the French Broad Association, Brother J. L. Willis of South Carolina, Brother E. F. Hardin of the Calvary Church at Morganton, Brother and Mrs. B. S. Hensley of the Scott's Creek Church at Sylva, and Miss LaLene Grigg of Shelby who is assisting Brother Jollay at the Swannanoa Church this summer.

New Pastors Introduced

At the request of the Moderator, Brother J. B. Grice introduced and welcomed the new pastors to the Association. The new pastors present were: Brother C. D. Bessinger, Calvary; Brother C. D. Harron, Chestnut Grove; Brother Henry Schum, Avery's Creek; Brother Earl Sturgeon, Patton Avenue; Brother J. R. Surrett, New Morgan Hill; Brother Charles Jollay, Swannanoa; Brother Carl G. Mauney, Enka; Brother Ray Linville, Flat Creek; and Brother Johnnie Tiller, Starnes Cove.

THE MINISTERS RETIREMENT PLAN

It is encouraging to know that an increasingly large number of our churches and pastors are entering the Ministers Retirement Plan. Yet many have not done so up to this time. Any information about the plan may be secured from ministers who have entered it, or from headquarters at Raleigh. In these days when our churches are in splendid financial circumstances, and money is easily raised, special effort should be made to enlist them in this plan. Many needy pastors and widows of pastors are receiving age and disability benefits. A pastor may enter on a 2 per cent, 3 per cent or 4 per cent basis, and benefits will be figured accordingly. With this plan old age means retirement with honor and a modest annuity that means security of mind plus physical comfort. A new day dawned for all our denominational workers when this retirement plan was born.

Your committee recommends that a special effort be made now in this opportune time, to help our pastors who have not yet entered this plan, to secure the cooperation of their churches in bringing this about.

Respectfully submitted, J. R. OWEN
For the Committee

After reading the report, Brother Owen requested the ministers present in the plan to express their opinion about its value; and after brief remarks by Brothers J. B. Grice, Mack Summey, W. H. Fitzgerald, G. C. Cox, Nane Starnes, Charles Jollay, and T. E. Walters, the report was adopted.

Following the report and discussion on the Ministers Retirement Plan, Miss Martha Gail Baldwin sang "Are Ye Able?" She was accompanied by Mrs. O. V. Himes at the organ.

W. S. JOHNSON, Treasurer

The Treasurer's report was read by the Clerk in the absence of the Treasurer. After the report was adopted, the question was raised about whether the money for work at Oteen should be sent to Brother Huggins or to the Treasurer of the Association, and the general thought was that it would be better to send contributions for this purpose to the Treasurer of the Association. The new Treasurer is E. E. Wheeler, 170 Lyman Street, Asheville.

The Naomi Schell Fund

The Clerk read a report from Brother Clay R. Barnes to the effect that he had received and sent to the Foreign Mission Board $387.78 for Miss Naomi Schell. Since Brother Barnes has moved to Hickory, money for this purpose should be sent to the Associational Treasurer, Brother E. E. Wheeler. The Clerk read a special delivery from Miss Schell in which she expressed her thanks for all that has been done for her during her long illness. Miss Schell is a former missionary to Japan.

AMERICAN BIBLE SOCIETY

Because we believe in sending the Bible to the whole world, Southern Baptists give to the world-wide work of the American Bible Society. Every man must have the Bible in his own native tongue if the Word of God is to speak to his heart. Someone must translate it into his language, publish it and send it to him, wherever he may live.

THE REGULAR WORK of the Society includes all those tasks. It is a missionary non-profit organization, working in cooperation with the denominational mission boards. It aids in translation work, publishes the Scriptures without note or comment, and supplies them at cost or less. It provides the Scriptures on foreign fields at less than cost because the income level of the people is so low that they can pay only a fraction of the cost. In cases of special need, at home and abroad, the Scriptures are given without charge.

THE WAR EMERGENCY WORK which the Society is carrying in addition to its regular program, provides without charge (1) New Testaments and other Scriptures for our Armed Forces, (2) Scriptures in more than 40 languages for War Prisoners and Refugees and (3) Scriptures for needy people in liberated areas as soon as they are set free.

Southern Baptists recognize the American Bible Society as an essential part of their own regular program of world-wide missions. Resolutions have been adopted by the Southern Baptist Convention and by state conventions, commending the work of the Society and requesting the churches to contribute to its support.

During 1944 the Society distributed 12,403.541 volumes of Scriptures. It received a budget income of $1,060,647 for its regular work and received for its War Emergency Fund $423,010. All these records were the largest for any year in its 129 years of service—and yet it had to leave unanswered more needs than in any previous year.

Vast needs still lie ahead in the war emergency and post-war rehabilitation work. Conservative estimates of emergency needs for a four-year period beginning July 1, 1944, total $2,932,600. Increasing opportunities on many mission fields call for a larger regular program of Scripture distribution, especially in lands blacked-out by illiteracy, where millions each year are now being taught to read These multitudes with eager minds and hungry hearts must have the Word of God.

Southern Baptists can be counted on to do their full share. Through the help of appropriate resolutions and an effective committee in each Association, Southern Baptists each year can give enough to make a significant increase in world-wide Scripture distribution, just when such an increase is most urgently needed.

Last year several churches in this Association contributed to the American Bible Society. In the coming year every church can make a contribution. Your church can help.

The Word of Life is desperately needed and now!

Send all contributions to M. A. Huggins, Treasurer of Baptist State Convention, Recorder Building, Raleigh, N. C.

Submitted by,

REV. LEROY THOMAS

After reading his report, Brother Thomas introduced Brother I. Stewart McElroy, representative of the American Bible Society. The Association voted to extend the time ten minutes for the discussion on this topic. Brother McElroy reported that the Society had distributed 12,400,000 copies of the Scriptures in 1944. This is an increase of 50 per cent. The report was adopted at the close of the discussion.

THE OTEEN CHAPLAINCY

July 5, 1945

For most Veterans the wars have ceased upon receiving a discharge from the Service but for countless others the battle goes on—

these are the men and women who come to Oteen Veteran's Hospital to try to overcome the world's number one killer—tuberculosis.

The Hospital at Oteen has a capacity of 1266 beds at present, making it the largest and finest tubercular hospital provided by the U. S. Government for the treatment and rehabilitation of the service man or woman. Every advantage, the best in medical and technical skill is provided for the patient.

The Spiritual side is not neglected. Buncombe Baptists in co-operation with the several State Mission Boards of the S. B. C. and the government make possible a full-time protestant ministry by supporting Chaplain Otis J. Hagler in the vital work of preaching the gospel each Sunday to a small ambulatory congregation and broadcasting this service to all bed patients. This, however, is but a small part of the Chaplain's work. Each new patient is visited upon his arrival (an average of 150 is received each month). Each patient is classified according to his denominational affiliation or preference. Special attention is gives to the critically ill each day. Numerous conferences with individuals are held by the Chaplain. Devotional literature, Bibles, Testaments, Gospels, and tracts are distributed. This material being furnished by the S. S. Board of the S. B. C., the General Board of Evangelism of the Methodist Church and the American Bible Society.

While this work is provided for in an admirable way by our Association only one-third of the churches shared in it during the past year. Every church should have a part.

The Chaplain reports as follows:

Average monthly patient census	1115
Average number admitted monthly	141
Calls on patients by Chaplain	6200
Calls on critically ill	597
Special calls (requests)	139
Emergency calls while off duty	21
Services conducted	98
Professions of faith	19
Bibles and Testaments distributed	150
Devotional literature distributed (Upper Room and Open Windows)	3000

In view of the general increase in pastor's salaries during the past three years, and increased responsibilities, we recommend that the Chaplain be provided an expense account to the amount of $25.00 per month to help offset the increased cost of living and increased responsibilities.

Respectfully submitted,

CLAY R. BARNES

Brother E. B. Roberts read the report in the absence of Brother Barnes. The report was discussed by Brother Mack Summey, Pastor of the Oteen Church, and the report was then adopted. On a motion made by Brother Perry Morgan, the Association voted heartily to request the Clerk to send a message of love and good wishes for a speedy recovery to Chaplain O. J. Hagler who has just had an operation at a hospital in Charlotte.

Brother G. C. Cox, chairman of the Committee on Committees, named Brothers J. B. Grice, J. W. O'Hara, and J. R. Owen to serve on the Committee on Reception of new churches.

INTRODUCTORY SERMON

Before the sermon, Mrs. T. E. Walters sang "My Father Watches Over Me". She was accompanied by Mrs. O. V. Himes at the organ. Brother T. S. Henderson of Barnardsville, the alternate, read Luke 24:36-53 and led in prayer. Then Brother T. E. Walters of Ridgecrest preached the Introductory Sermon on "Untying The Hands of Jesus". He used Luke 22:51 as a text. He brought a strong, challenging message urging that we give our full lives into the Hands and service

of our Master. At the close of the message, Brother Walters led in prayer at the close of which the Association adjourned for the lunch hour.

TUESDAY

Afternoon Session

The Tuesday afternoon session of the Association opened with the singing of "O For A Thousand Tongues To Sing". Brother Claxton Sawyer of Bent Creek read John 14:1-14 and called upon Brother M. L. Kirstein to lead in prayer. The congregation sang "I Am Thine, O Lord." Mrs. Glenn Starnes led the singing with Mrs. O. V. Himes at the organ.

The Moderator recognized Dr. Hoyt Blackwell, President of Mars Hill College; Dr. B. A. Bowers, who had served as interim Pastor at Calvary; Brothers Jack Bagwell and Ralph Hensley, former pastors in the Association who have gone to the Southern Seminary; Brother J. Henry Roberts, Clerk of the New Found Association; and Brother R. A. Banning of Etowah.

SUNDAY SCHOOL

Our Sunday Schools for the Associational year have been doing fine work in many ways. Our present enrollment is approximately 11,753 for the 62 Sunday Schools, one year ago we showed 11,750, our average attendance has been about 50 per cent which is considered good by our Southwide Sunday School forces.

We have had 12 regular monthly meetings, held the first Sunday afternoon in each month. These meetings have been well attended by a group, in spite of rationing and war time travel; however one sad thing, these meetings have been attended by only about one third of our Sunday Schools. This means that 40 of our Sunday Schools do not attend these meetings. Some of our people do not seem to realize they are a part of this organization, and that they have a part in this work.

Any Sunday School that belongs to this Association is urged to attend these meetings, regardless of size, for each is a part of it, however it seems hard to understand why any one of our Sunday Schools would not grasp the importance of coming together and exchanging ideas for the furtherance of God's Work and Gospel.

During the past year we have only baptized 651 persons, with half of our Associational year being the first half of the year 1945 which is our centennial year, and a part of our Crusade, when we should have baptized at least 1500 persons to be up with half of our goal for the year in winning our part of the Southwide goal of one million souls for Christ. As our centennial years goes well into the last half our emphasis upon evangelism should increase, every ageney, every method and every means must be employed if we are to win our share. The Sunday Scohol is our major field and force for evangelism. If the Sunday School is properly used by all our churches we can still reach our goal.

Last Assocational year, 1943-1944, we had a grand total in gifts in our Association of $225,000.00. This year our grand total will be close to $310,000.00 which is all good, but we must realize that increasing our gifts does not decrease our responsibility to Christ in winning the lost. He says in his Word "Ye are my witnesses" and if we are really witnesses we will first give ourselves to his service and certainly if we give ourselves we will give of our means to the cause of our Master.

During the past few weeks we have had some encouraging reports from a number of our Sunday Schools on Vacation Bible Schools, the number and attendance is not yet available, but our Association Missionary Brother H. M. Hocutt, reports a number of schools with good attendance.

Quite a number of revivals have and are being held in our

Association with many more planned for this fall. Let's pray much for them and each of us should try to win one before 1945 ends. With the increase of sin and crime in our land and the possibility of a post-war crime wave, increases our responsibility as a Christian that much more and each of us will be held accountable at the judgment bar of God for our stewardship of witnessing for Christ.

Last year it is estimated that 1,393,665 major crimes were committed, one every 22 seconds. One out of every 22 persons in the nation has been fingerprinted in connection with some major crime. Youths under 21 years of age totaled 22 per cent of those taken into custody by F.B.I. last year.

The greatest increase Southern Baptists have had in Sunday Schools and enrollment was following last World War, but this time we have coming back into civilian life a great military force which has been the best paid, best fed and best clothed the world has ever known. Thousands have been accustomed for the first time to eat and live and spend far above the level they once knew. It might be harder this time to get them accustomed to normal living. Law enforcement officers are going to need the active support of every citizen in stemming the rising tide of crime.

J. Edgar Hoover said recently most all causes for juvenile crime could be eradicated by reestablishing the home, church and school as bastions of clean and honest living.

"Say not ye, there are yet four months and then cometh harvest, behold I say unto you lift up your eyes, and look on the fields; for they are white already to harvest."

Respectfully submitted,

C. R. BROWNING, JR.

After reading his report, Brother Browning requested the congregation to stand in silent prayer in appreciation of the men in service. Brother Browning closed the prayer. The report was then adopted.

REPORT ON CHRISTIAN EDUCATION

A well rounded Christian educational program seeks to correlate the Christian message into a harmonious experience through the proper development and consecration of the heart, the head and the hand in the service of God. More particularly, Christian education is concerned with informing the mind and giving direction to the regenerated heart. However, the individual must be viewed as a whole since we cannot say that the physical ends here and the intellectual begins there; or that the intellectual begins here and the spiritual ends there. Christian education must be concerned with the more intangible aspects of life; we must seek the proper development of correct habits of thought and action. Our attitudes and ideals must coincide with the New Testament ideal.

In the realm of human experience there are three indispensable spheres of Christian education. Namely: The Christian Home, the Church, and the Church supported and controlled institutions of training. Should we fail in any one of these, the ministry of the other two will be retarded. This report is directing attention to our higher institutions of learning, our Junior and Senior Colleges and Seminaries.

In spite of the upheavals of war, our schools are successfully performing a colossal task. But there is need for more adequate physical equipment for all of our schools. Our three seminaries are crowded to capacity.

The present and immediate concern of North Carolina Baptists is to lead in the direction of the future security of Wake Forest College. In order that Wake Forest may be enabled to compete favorably with other comparable institutions, she must have $2,000,000 for new buildings, and $5,000,000 added to her endowment. Baptists must, through the cooperative program and through special gifts, support

our schools in a manner never before undertaken. Let us provide for them in some way at least $400,000 a year.

Respectfully submitted,

MORGAN A. KIZER

Brother Kizer discussed Christian Education briefly, and then the Moderator called upon Dr. Hoyt Blackwell of Mars Hill, and he spoke for some moments on Christian Education in general and about Mars Hill College in particular. After his discussion the report was adopted.

REPORT ON TEMPERANCE

"Wine is a mocker, strong drink is raging and whosoever is deceived thereby is not wise."

From all reports that come to us it is evident that there is more wine, beer and strong drink being used than at any time in the history of the world. Our court officials tell us that a large per cent of the crime can be traceable to strong drink.

We feel very keenly that it is wrong for our state to legalize the sale of alcoholic beverages. The dry leaders have done their best to get the legislature to let us vote on this important question but the wets have won out each time. It is now time for every Christian who wants our state to get out of the liquor business to see to it that men elected to represent us in our next legislature be men of sterling worth and who will stand for a dry state.

Respectfully submitted,

H. W. BAUCOM

Brother Baucom introduced Brother R. M. Hauss, representative of the Allied Church League, and after his message on Temperance the report was adopted.

REPORT ON CHRISTIAN LITERATURE

Providing good reading matter in the home is a parental imperative. Especially is this true of the Christian home. Some one has said, "Reading maketh a man full," but, like eating, one must be wise in his selection or suffer from malnutrition. Many news stands are an evil to the "window-shopper" and morally fatal to the regular customer unless he buys with cautious understanding.

It was Wisdom speaking through the one who said, "Some books are to be tasted, others to be swallowed, and some few to be chewed and digested." Wise is the parent who acts with Spiritual discernment as "taster" of the reading matter of his children. The writer has seldom read an article in our best secular magazines which did not, by suggestion or plain statement, express some false idea of religious truth. In many homes the reading matter consists almost entirely of "funnies" and news items over the radio. Like vitamin pills these are supposed to furnish the children with all the mental food for good character building. In some homes these are supplemented with a few "romance", or detective story magazines for the long winter evenings, and Sundays when "the weather is too bad" to attend church.

Christian parents are seriously neglectful of their children's moral welfare who do not furnish them with good religious reading matter and teach them by precept and example to make large use of it. Every Baptist home in our Association should have the Biblical Recorder, Home Missions, and The Commission placed where every member of the family will see them daily, and frequent mention made to some interesting article in them. These may be obtained in the order named from Raleigh, N. C.; Atlanta, Ga.; and Richmond, Va.

Churches will be working wisely as assistants to their pastors if they will send the Biblical Recorder to every resident family of the church and pay ten cents per month for each subscription out of the church treasury. It is interesting to note that since this plan has been put into effect and the reading matter greatly improved under

the present editor, Dr. L. L. Carpenter, the subscription list has more than doubled. May the Baptists of Buncombe Association do their part to cause it to continue to grow.

Respectfully submitted,
CHARLES JOLLAY

Following a good discussion by Brother Jollay, the report on Christian Literature was adopted.

Brother Emmett Davis of the First Church sang "Nothing Between". He was accompanied at the organ by Miss Irene Logan of the Calvary Church.

KEEPING PEACE IN OUR CHURCHES

Vice-moderator Cox was called to the chair, and Brother Perry Sprinkle brought an excellent discussion on "Keeping Peace In Our Churches." He spoke in the place of Brother Wayne Williams who was absent due to sickness. Brother Sprinkle placed emphasis upon the need of more religion, of spreading responsibility, and of the Spirit of God in the hearts of people as a means of keeping peace. Brother W. L. Hatcher of Ridgecrest read selections from Paul's writings and commented on Paul's idea of peace. Brother G. C. Cox gave the closing comment on the subject with emphasis on the need of genuine Christian love

HOW TO CALL PASTOR

Brother Perry Morgan brought a most fitting message on "How To Call A Pastor". Brother Morgan said that this matter should be considered carefully and prayerfully from the viewpoint of the church and of the pastor. Then he placed emphasis on four important matters in calling a pastor as follows: 1. Call should be preceded by fervent prayer to know God's will; 2. Call should not be annual but for as long as mutual spirit exists between pastor and church; 3. Call should be based on the record of the prospective pastor; and 4. Call should be considered by a good committee who recommends the election by a unanimous vote of the church.

THE CHURCH BUDGET

Brother C. D. Bessinger, the new Pastor at Calvary, gave an able discussion of "The Church Budget". He said that a strong financial program means a good Spiritual church. Concerning the budget he said four things, namely: 1. The church budget should be prepared by a church cabinet with the leaders of all the organizations in the cabinet considering all the needs of all the organizations; 2. The church budget should be large enough to challenge all the people to do according to their ability; 3. The church budget should be subscribed to by every member; and 4. The church budget is the most practical way to provide adequate financial support for all our churches.

OUR CENTENNIAL

Brother Nane Starnes brought the closing message of the day on "Our Centennial". He pointed out that the Southern Baptist Convention was organized a hundred years ago by representatives from thirteen Southern states. Then it took eight people a year to win a person to Christ, but now it takes twenty-eight. He said we should find out the people around us who are not Christians and seek to win them to Christ. Then Brother Starnes pointed out that the only hope for a better world lies in a transformed people who are citizens of the world. We should use every effort to advance the Kingdom of our Master.

Mrs. Glenn Starnes led the congregation in singing "O God, We Pray For All Mankind", and Brother E. F. Hardin of Morganton led the closing prayer.

WEDNESDAY, AUGUST 15, 1945
Morning Session

The second day of the Association opened with all the people rejoicing that Japan had agreed to accept the surrender terms of the Allied Nations. Followiing an organ prelude by Mrs. O. V. Himes, Mrs. Glenn Starnes led the congregation in singing the "Doxology" and "O Worship The King." Brother Ralph Hensley read the 147th Psalm and asked the group to stand in a silent prayer of praise. He then closed the prayer, and the group sang "We Praise Thee, O God."

REPORT OF W. M. U.

The Woman's Missionary Union is happy to bring you a report of another year of joyful service as "Laborers Together With God" in 1944.

In January the year began with our divisional meeting at the S & W Cafeteria, our leadership conference at First Baptist Church, associational meeting at New Bridge in June, divisional meeting at Calvary in October. All were well attended, with helpful programs, good reports and inspirational speakers.

One of the weakest links in our organizations is the number of unlisted churches and the far greater number of unlisted women and young people in the churches already at work.

We have 32 churches with organizations with 1,118 members reported. There are 17 full graded unions and 1 full graded a-1 union with 9 points reached on the Standard of Excellence.

The members of our W. M. U. family are informed Christians, meeting regularly, studying missionary magazines and mission study books. Having 66 classes reported, 557 missionary magazines and Biblical Recorder subscriptions taken.

Daily we pray for our missionaries listed on the prayer calendar. Three times a year we observe our seasons of prayer and gifts, our union majors on the co-operation program. We met our goal giving $8,767.97.

We have 407 tithers reported. Stewardship literature being used often.

Missions at home—The organized directed personal service in our communities has made us see our missionary task at our door.

"The world goes forward on the feet of little children" and as the young people "Go Forward" in missionary education the Kingdom task progresses.

We look forward to the day when all our pastors and Christian men and women realize their responsibility for providing missionary training for the young people of Buncombe County.

Our Goals for 1945—

100 new organizations
1,000 new members
200 new tithers
$10,600 gift to co-operative program.

"For we are laboring together with God" having the everlasting gospel to preach unto them that dwell on the earth and to every nation and kindred and tongue and people.

Respectfully submitted
MRS. JOHN L. TILLERY
Superintendent

The W. M. U. Report read by Mrs. Tillery was adopted without discussion.

CHANGE IN CONSTITUTION

Brother Don Young, the retiring Moderator, recommended an amendment to Article 6 of the Constitution calling for striking out all the

words between the word "Session" in line three and the word "unless" in line five and substituting in lieu thereof the following: "and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next Anuual Session." After a brief discussion by Brothers J. W. O'Hara, M. A. Kizer and Ralph Hensley, the amendment was adopted by a standing vote with a big majority.

THE BAPTIST BROTHERHOOD

The Associational Brotherhood has been functioning for the past year as usual. I say "as usual" advisedly. We have a good organization and have had regular quarterly meetings, but the churches of the Association are not availing themselves of the benefits of a local organization in their church. Our quarterly meetings were well attended and attractive and helpful programs were given. A great many men, who are not members of a local brotherhood, attended, but after all the ideal is to have a brotherhood in every church.

At the beginning of the Associational year the Associational officers requested any local Baptist Church desiring a brotherhood, or interested in organizing one, contact the officers and they would render any assistance possible. This proposition was later made to the pastors at their regular weekly conference. No pastors or church has requested assistance. We regretfully deplore the lack of interest on the part of our pastors, who do not have a brotherhood in their church. The underlying object of a brotherhood is to render support to all the activities of the church and particularly uphold and help the pastor in his work. Any church, rural, village or city, can have one. When organized the local brotherhood selects its own time and place to meet. It is an organization for the men of the church, meeting at stated intervals in the interest of the church, and upholding the work of the church. Surely we all agree that such an organization is not only desirable, but necessary if the church does its best work.

We now have five brotherhoods in the Association. One new brotherhood, at Flat Creek Church, was organized during the year. We welcome that organization into our ranks.

We recommend the Brotherhood to the churches. We request each and every one of you to give the matter earnest thought. The initiative is in hands of the pastor. If he wants the men of his church organized, then it is up to him to do something about it. Pastors, what are you going to do about it? We stand ready to help you in any way you suggest. Call on us. Respectfully submitted,

HARRY LOGAN

The Brotherhood report was discussed by Brother Harry Logan, and it was then adopted.

REPORT OF NORTH CAROLINA HOSPITAL

The North Carolina Hospital was incorporated in 1922 and received its first patient May 28, 1923. Originally planned as a 100-bed institution, it was enlarged in 1942 to a capacity of 247 beds and 55 bassinets.

The underlying purpose of the Baptist Hospital has always been medical care for the poor. Since the day it received its first patient it has offered a high type of hospital care on a statewide basis. Its caliber of service was enhanced many times over when the Wake Forest Medical School became a four-year school in 1941 and was located adjacent to the Baptist Hospital. When the Baptist Hospital became a teaching hospital, its purpose became twofold—teaching and healing, the twin endeavors of Christ.

The Baptist Hospital operates one of the fullest approved schools of nursing in the South, and at the present time has an enrollment of about 150 young ladies receiving professional training under Christian auspices. The students are selected under very high standards. These

students come from all over North Carolina and represent the highst type of womanhood—mentally, physically and morally. While the most rigid scientific training is given the girls, the hospital takes great pride in the Christian and humane attitude it develops in these girls.

Of the 8,000 patients admitted as bed patients each year, slightly over 4,000 of those are service patients who pay no doctor's fee, and who pay but a slight portion of their hospital expenses. During 1944 approximately 3,000 of these service patients paid absolutely nothing toward their hospital bill. It is toward the expense of these patients that the money given on Mother's Day each year is used. In addition to the free bed patients the hospital, as stated above, gives diagnostic examinations to approximately 20,000 free patients who are not admitted to the hospital each year. The cost to the hospital of free service rendered during 1944 was $198,648.92.

The hospital has developed into one of the top ranking hospitals of our nation in the caliber of its medical work. In developing its medical program care has been taken that the spiritual atmosphere of the hospital should develop to the same measure. Emphasis is given at every turn, in its educational program, in its employees, and with its patients to the spiritual needs of all coming in contact with the hospital. The religious program is under the direction of a full-time Chaplain and Student Secretary. This fine and fruitful service is made possible in part by the generosity of Mr. C. M. Scott of High Point, North Carolina, who contributes toward the cost of the program. Due to the close touch which the nature of sickness allows the Chaplain to have with the patients, we have had many conversions and redications in the hospital.

North Carolina Baptists have developed in their hospital one of the greatest medical centers in our country, and at the same time one of the strongest influences for the cause of Christ that exists in any land. Its huge opportunities for serving as an agency of mercy, as a means of teaching, and as a means of spreading the influence of Christ are a challenge to the generous heart of our great denomination that its program will not be restricted for lack of finances. All of its activities are operated on the highest of standards, and hence it requires a tremendous budget. It is self-supporting with the exception of its charity work, and it is for this merciful side of its program that North Carolina Baptists this year are giving over $100,000 through the Mother's Day program.

Respectfully submitted,

MRS. TOM E. WALTERS

After reading her report, Mrs. Walters spoke most appreciatively or what the Baptist Hospital had meant to their family in recent months by giving successful treatment to their son during his serious illness and by their good treatment of her while she was a patient there. Brother C. E. Parker, Chaplain of the Hospital, was present and brought a brief message on the work of the Hospital. Brother J. W. O'Hara raised a question about the relationship between the Hospital and the Medical School. After Brother Parker answered the questions, the report was adopted.

Following the Hospital Report, Mrs. Starnes led the congregation in singing "O God, Our Help In Ages Past".

REPORT ON THE COOPERATIVE PROGRAM

J. C. PIPES

In Mark 16:15-16, Jesus said, "Go ye into all the world, and preach the Gospel to every creature. He that believeth and is Baptized shall be saved; but he that believeth not shall be damned". This lays on Baptists the responsibility to carry the Gospel to every creature on this earth.

The Cooperative Program is a plan worked out by Southern Baptists through which they seek to be obedient to Jesus, and to preach the Gospel around the world. This plan continues to grow in favor, because it seeks to enlist all our people in the intelligent, systematic, and adequate support of all our mission work.

Southern Baptist are celebrating the one hundredth anniversary of the organization of the Convention. They have set for themselves some definite objectives and are pressing these fervently at this time.

The objectives they have set for themselves in this crusade are: Evangelism, Education, Enlistment, Rehabilitation, Stewardship and Benevolence. Our slogan is "A Million Won, A Million Enlisted, and A Million Taught". We hope to secure ten thousand volunteers for the ministry and definite Christian service; to rebuild and enlarge our missionary work, and to secure a million Christian stewards, giving self, service and substance to the Kingdom of God.

To help realize these high and holy objectives, we call upon all churches and people:

1. To magnify the Co-operative Program for the financial support of all our work.
2. To make the Centenial Crusade with all its objectives, State, South-wide, and world-wide a matter of constant prayer and effort.
3. To observe the special days and seasons as listed in the Calendar of Denominational Activities.
4. To put on the every-member-canvass, prayfully, patiently, and

persistantly seeking to enlist all our people in the larger support of all our work.

5. To stress Christian Stewardship, and to enroll as tithers all who will contribute at least one-tenth of their net income to the Lord's work.

Respectfully submitted,

J. C. PIPES

After reading his report, Brother Pipes introduced Brother W. Perry Crouch who brought a challenging message on our Baptist Work. Dr. Carpenter made a comment about the number of fine young men preparing for the ministry. The report was then adopted.

Brother G. C. Cox, Chairman of Committee on Committees, announced the Resolutions Committee as follows: Wayne Williams, E. E. Wheeler, and Mrs. T. E. Walters. Then he named the Committee on Time, Place, and Preacher as follows: G. G. Morgan, H. A. Quick, and LeRoy Thomas.

The Moderator asked for information about churches planning Praise Services for tonight. A number of the churches plan such a service.

Under the direction of Mrs. Glenn Starnes, the Calvary Girl's Quintet sang an arrangement of "The Lord's Prayer."

THE MISSIONARY SERMON

Brother C. F. Rogers of Biltmore led in prayer and then preached the Missionary Sermon. He based his message on Matthew 28:18-20 and Acts 1:8. He centered his message around the Trinity as he pictured sin and what it cost the Father, Son, and Holy Spirit to redeem fallen man. It was a challenging message for an immediate world missionary effort. At the close of Brother Rogers' message, Brother J. A. McMillan of Thomasville dismissed the service with prayer.

WEDNESDAY

Afternoon Session

The Wednesday afternoon session began with the group singing "Mine Eyes Have Seen The Glory" led by Mrs. Starnes. Brother Johnnie Tiller of Starnes Cove read the 103rd Psalm and led in prayer.

Brother O. L. McGinnis introduced Brother W. E. Walker of St. George, S. C., and Brother Hobart Rogers of Canton.

OUR RETURING SOLDIERS

Brother W. Perry Crouch brought a very timely message on "Our Returning Soldiers." He told us that there were about 11,000 men from Buncombe County in the service. Brother Crouch brought four practical suggestions about what we shrould do for the men as they return. 1. We should be sure they return to a warm spiritual atmosphere. They will need churches with spiritual warmth. 2. We should be prepared to help the men make personal adjustments. 3. We should expect the men to take an active part in church work, and we should plan and work to bring this about. 4. We should find a place for them to serve and make them feel that they are really needed. Brother Crouch closed with the remark, "Our task as Christian Soldiers has just begun as the war ends."

Brother R. H. Satterfield of Meredith College was present and was given ten minutes. He reported that about $400,000 had been received in cash and pledges on the $560,000 enlargement goal. He stressed the fact that Meredith seeks to develop the mental, physical, social, and Spiritual sides of life, and he urged that we pray for Meredith College, encourage the young ladies to go there for training, and provide adquate support.

HISTORIAN'S REPORT

As we meet in this the sixty-fourth annual session of our Association, we find our country still engaged in war with a foreign foe. However, since our last annual meeting the scope of our war has been considerably reduced, when on May 7th of this year, all hostilities in Europe ceased. All churches of our Association have from the beginning of this world war felt very keenly the loss of man-power in our churches, but in spite of this we have gone forward with every phase of our work.

The pastors of our Association held their fourth winter revival the last week in January. These revivals have proven to be very helpful.

The Executive Promotion Committee held its scheduled quarterly meeting on the first Monday in each quarter during the year.

Your Committee on Ordinations examined and approved six candidates for the ministry since our last annual meeting. This is by far the largest number of ministerial candidates that we have had since the adoption of our present system. The names of these candidates and the churches from which they were ordained are as follows:

Neil Larson of the Merrimon Ave. Church. Mr. Larson has offered himself and has been accepted by the Foreign Mission Board to go to a foreign field after one year at the Southwestern Seminary.

D. C. Martin was ordained from the First Church, Asheville, and is now a pastor student at the Southwestern Seminary.

Ralph Sexton was ordained from the Riverside Church and is in evangelistic work.

Johnnie Tiller was ordained by the Patton Ave. church and is now pastor of the Starnes Cove Church.

Talmage Smith was ordained at the Flat Creek Church.

Roy Young was ordained from the Riverside Church.

We have had an unusual number of pastoral changes during the year:—

J. L. Underwood resigned Avery's Creek Church and moved to Maryland. F. W. Haynie resigned the care of Beaverdam Church because of ill health. P. L. McMahan resigned the Berea Church and accepted the pastorate of the Pisgah Forest Church in the Transylvania Association. H. W. Baucom accepted the pastorate of the First Church at Black Mountain, succeeding J. N. Watson, K. B. Johnson succeeded L. O. Lunsford at Brown's Chapel.

C. D. Harron succeeded L. O. Lunsford at Chestnut Grove. Ernest Bartlett succeeded David Huntley at Emma's Grove. John T. Biddle resigned the Enka Church to become a missionary in the Randolph Association in the Piedmont section of our State. He was succeeded at Enka by Carl G. Mauney of Clover, S. C.

M. L. Kirstein resigned Fairview and accepted the pastorate at Fletcher in the Carolina Association. George Roberts resigned the Gashes' Creek Church and accepted the Refuge Church in the Carolina Associataion. Everett Sprinkle accepted the pastorate of the Grove Stone Church. Ralph Hensley resigned the Hominy Church and accepted a church in Bloomfield, Ind., in order to attend our Seminary at Louisville, Ky. Clyde Parham succeeded J. B. Gibson at Long's Chapel. T. S. Henderson resigned Morgan Hill and is giving full time to Big Ivey and Antioch.

E. V. Plemmons resigned the Mt. Carmel Church and accepted the Church at Marshall, N. C. D. D. Searcy succeeded Ralph Banning at New Salem. Seth Perkinson succeeded P. E. Kuykendall at Oak Grove. B. N. Rogers resigned Oakley to accept a pastorate in S. C. He was succeeded at Oakley by L. A. Thomas. Willis Bennett resigned Oteen to enter the Southern Baptist Theological Seminary at Louisville, Ky. He was succeeded by Mack Summey. Earl Sturgeon accepted the Patton Ave. Church, succeeding Reid Lunsford. R. P. Hamby resigned Swannanoa and Jack Bagwell resigned Starnes Cove, both of

whom entered the Southern Baptist Theological Seminary at Louisville, Ky. H. M. Hocutt resigned Reed Memorial to become Missionary to the Buncombe Association. J. B. Grice succeeds him at Reed Memorial. Charles Jollay of Durham, N. C. succeeded R. P. Hamby at Swannanoa.

Ray Linville succeeded L. A. Thomas at Flat Creek. C. D. Bessinger of Pickens, S. C., succeeded J. B. Grice at Calvary. Glenn Calahan resigned Buena Vista and accepted the pastorate of Morgan Hill, succeeding T. S. Henderson.

Indications are that most if not all of our churches have, during these prosperous times, made additions and improvements on their buildings and grounds, but only a few have reported. Biltmore Church has made improvements at their pastorium, including a Fluorescent light in the pastor's study and the covering of the parlor furniture and painting of Sunday school room. They also paid off the mortgage on the church property of $2,918.43, shortening the loan from ten years to six. Appropriate services were held at the church on the last Sunday in July when the mortgage was burned.

Calvary Church made repairs on their church building at a cost of $713.34, also purchased a home for their pastor on Pinellas St. at a cost of $6,000.00. The Oakley Church has installed a Baptistry and changed the architecture of the inside front of their auditorium at a cost of $450.00. They have also purchased nine acres of timberland at a cost of $3,500.00 for which $1,000 cash was paid on it. Part of this land will be used for building a pastorium, and the remainder for a cemetery.

White Rock Church has made considerable improvements on their building and grounds, consisting of grading the grounds and building a stone retaining wall in front of church building, grading a parking lot, excavating basement of the church, equipped a nursery room in the Sunday School department at a cost og $1,071.85. They are also planning to install new windows in the west wing and paint the inside of the church this fall.

Reed Memorial has made improvements on their church building and pastorium, which includes the installation of a furnace in the latter which is in process of installation at a cost of $2,500.00. The West Asheville Church, has during the year, built up their building fund to $12,000.00. The Weaverville Church has expended $1,200.00 in improvements on their church building and pastorium.

The Chunn's Cove Church has made improvements on their church building at a cost of $535.00. They have cash and material on hand to the amount of $3,500.00; also $7,000 in pledges to be paid this year for the purpose of building a pastorium.

The Ridgeway Church has purchased a pastorium, and the pastor is on the field. The Deaver View Church has built a Mission on the Deaver View Road at a cost of about $3,000.00. They have also made improvements on their Church grounds at a cost of 15.00, and raised their pastor's salary. Liberty Church has painted the outside of their Church house and bought a Concert Grand Piano for their auditorium.

In closing our report last year we had to say, "Our churches, in cooperation with the churches of all other denominations in this section, are restricting the attendance at any service in our churches to persons above fifteen years of age, due to the prevalence of Polio within the borders of our state." We are thankful to say that we have no restrictions so far this year.

Since writing this report, peace has been declared throughout the world. On August 14th at 7:00 p. m. the President of the United States announced the unconditional surrender of Japan. Thus ends the Second World War, "History's greatest flood of death and destruction."

Respectfully submitted,

J. B. GRICE, Historian

The Historian's report was adopted as read.

ASSOCIATIONAL MISSIONARY'S REPORT

Your Associational Missionary desires to make a report of his work for these past months during which he has tried to serve as your servant. Among the many varied duties that naturally fall to your missionary, he feels that about the most important is cultivating and encouraging in Christian fellowship and the desire for full cooperation of all our people in all our work. To this task your missionary has given the best that is within him as he has made his way into every church community and, with very few exceptions, into the homes of all our pastors. He regrets to say that because of the distance into other counties where some of our pastors live and because some were away from home when calls were made he has been unable as yet to contact every pastor; however he is going to continue his efforts in this direction until he knows personally every pastor in our Association. He has done all possible to work with all our pastors and other leaders in our churches in the promotion of all the causes dear to our hearts.

In all the opportunities that have come to your missionery, he has put emphasis on evangelism and all the features of the Centennial Crusade. To all our people this effort should challenge the best within us, but many who fail to read our periodicals are lacking the information concerning this matter, and naturally the year is passing without the fervor and zeal that the movement merits. We would urge that there shall be a growing interest until the fires of evangelism sweep all our churches.

Ac a partial survey of his activities for these months, your missionary submits the following facts showing the work in which he has engaged:

Churches in which he has spoken	40
Cards, letters, and bulletins mailed	3398
Miles traveled	6000
Revivals held	3
Training Union Revivals	5
Schools of Missions	4
Sunday School Enlargement Campaigns	1

In addition to the activities mentioned above, he has assisted in making a census in two church communties, has encouraged and helped in every way possible the churches having Vacation Bible Schools and has visited all the twenty-one schools in the Association, has worked out plans for the Training Union Revivals held in seven churches with

the help of Brother Harvey Gibson and his summer helpers, has supplied the pulpits of many of the churches in the absence of the pastors, and has answered many and varied calls from pastors and churches in every section of the Association.

Your missionary feels that these experiences of the past months help to acquaint him with the field and with his duties, and he hopes that the months ahead will show evidence of groth and progress in all our work.

Respectfully submitted,
H. M. HOCUTT

The report of the Associational Missionary was approved as read.

Brother Nane Starnes, Chairman of the Missionary Advisory Committee, made a recommendation for the Committee that the Associational Missionary's expense amount be increased from $16.67 to $25.00 per month with the understanding that the missionary use this amount in the best way he knows and without the necessity of making a report as to how it is used. This recommendation was adopted.

The report was adopted as read by Brother Browning.

Brother W. H. Fitzgerald read the list of those from the churches who had been called to their reward through the year, and after appropriate remarks he asked the congregation to stand and then called upon Brother W. Perry Crouch to lead the prayer.

Brother C. F. Rogers commended the good message of Brother Crouch on "Our Returning Soldiers," and on a motion made by Brother Rogers the Association voted to request Brother Crouch to submit his paper on this subject to the RECORDER for publication.

In the closing moment of the meeting, Brother Crouch made a motion that the Association stand in prayer as an expression of gratitude to God for peace. The entire group stood and sang "Amazing Grace," and Brother J. R. Owen led the closing prayer.

RIDGECREST BAPTIST ASSEMBLY

Ridgecrest, N. C.

The Ridgecrest Baptist Assembly is located at Ridgecrest in the Swannanoa District of the Buncombe Association. The Assembly is under the control of the Sunday School Board of the Southern Baptist Convention. During the summer of 1946 the Assembly has had about 30,000 guests who have come from all over the South, from many northern states, and from a few foreign countries. During the summer J. N. Barnett of the Sunday School Board has been acting manager. Robert J. Guy, recently released from the medical administrative department of Moore General Hospital, assumes management of the Assembly September 1, 1946. Perry Morgan, retiring manager, will continue to live at Ridgecrest and will be connected with the Assembly.

SUNDAY SCHOOL MEETINGS

The Associational Sunday School Convention, under the direction of Superintendent John L. Lawrence, held a meeting the first Sunday afternoon in each month during the year. The meetings were held as follows: July 1, White Rock; August 5, Calvary; September 2, New Morgan Hill; October 7, Weaverville; November 4, Oakley; December 2, Beaverdam; January 6, Riverside; February 3, West Asheville; March 3, Oteen; April 7, New Bridge; May 5, Patton Avenue; and June 2, Ridgecrest.

The meeting at West Asheville on February 3rd was a special meeting for the teams that visited the churches in February for planning

meetings for their work during the year. A special Sunday School Rally meeting was held at the Emmanuel Church on Tuesday night, January 22nd. Most of the churches were represented at this meeting.

The first two weeks in February special teams from churches in the Association visited the churches for meetings with Sunday School leaders to help in planning their work for the year. These meetings proved to be very helpful.

During the week of October 8-12, 1945, a central Training School was held at the First Baptist Church in Asheville. This was under the direction of M. A. Kizer, Superintendent in charge of Training. Five courses were offered.

On the first Sunday in May, 1946, a Sunday School was organized at Bald Mountain with 20 enrolled. Work there was started by the associational missionary.

BAPTIST TRAINING UNION MEETINGS

Under the direction of Mrs. Murray Eisenhauer, Associational Director, Baptist Training Union meetings were held during the year as follows: July 29, Calvary; September 30, First Church in Asheville; December 7, French Broad Avenue; and March 31, Asheville, First.

The meeting on December 7th at French Broad Avenue was a special Rally meeting that was well attended by Training Union members from many churches. The church was filled to its capacity. Brother C. D. Bessinger, pastor at Calvary, was the principal speaker.

Five District meetings were held on Sunday afternoon, December 30th. At these meetings 167 people attended from 20 churches. The meetings were under the direction of the District Leaders.

A large group attended the meeting held at the Merrimon Avenue Church on Monday night, August 12, 1946. This was the night before the Annual Meeting of the Association. Brother John K. Durst, the new Director of Church Activities at the First Church in Asheville, was the speaker. At this meeting the officers for the new year were chosen. Their names appear in the proper place under the heading "Associational Directory."

BROTHERHOOD MEETINGS

Four Baptist Brotherhood meetings were held in the Association during the year under the direction of President Don C. Young. An interesting program for men was planned for each meeting. The meetings were held as follows: July 8, Asheville, First; October 14, West Asheville; January 13, Asheville, First; and April 14, Calvary.

During the year there was a growing feeling that a special Men's Meeting should be called for the men of the State for the night before the Baptist State Convention meets in Asheville in November. At the first meeting of the new year held at Oakley on July 14, 1946, it was decided to plan for and call such a meeting. A resolution concerning this matter was brought to the Association at the Annual Meeting, and full approval of the plans was voted by the Association. Plans for this meeting are in the hands of a committee.

WOMAN'S MISSIONARY UNION MEETINGS

During the year the Woman's Missionary Union experienced some changes in leadership. In March Mrs. Harry W. Brown, associate superintendent, took the place of Mrs. John L. Tillery, who moved to Tennessee. Then at the annual meeting in April Mrs. O. J. Hagler was elected Associational Superintendent, but the first of August she went with her husband to Carthage, and the women are left without a leader at present.

The Annual Associational Meeting was held at Enka on April 18, 1946, with approximately 200 women in attendance. The guest speakers were Mrs. John Allen Moore, Missionary from Yugoslavia, and Miss Kathryn Abee, State Young People's Leader. The afternoon session was given to the young people with Mrs. H. W. Baucom presiding.

The 1947 meeting will be held at the Black Mountain Church.

The total number of W. M. U. organizations has grown to 128 with 22 of this number organized during the year. Gifts to all phases of the work amount to $11,803.59, an increase over the previous year

On November 8, 1945, an all-day Institute was held at the First Baptist Church. This was in the form of a study course for leaders.

A count revealed that 241 mothers and daughters from 16 churches attended the Mother-Daughter G. A. Banquet at the S and W on February 8, 1946. Miss Kathryn Abee was the speaker.

An Executive Committee meeting was held at the S and W on July 8, 1946. The meeting was well attended with many superintendents and pastors present.

Mrs. H. W. Baucom is Young People's leader and Mrs. Charles Jollay, Secretary.

VACATION BIBLE SCHOOLS

We give below a summary of the Vacation Bible Schools held during the summer of 1946. This good record was made possible by the faithful work of Brother C. F. Rogers, our Bible School Leader, and Miss Pauline Lytle who gave her full time for the summer to the promotion of Bible Schools. During the week of May 27-31 five clinics were held in the five Districts of the Association.

The work of Miss Lytle was supported by the Association with the offerings taken during the worship periods of the schools in the Association given for this purpose. A record of these offerings is found in the Treasurer's report.

Duties of the Churches

Article 5. It shall be the duty of each church to appoint so far as practicable their most capable and efficient members as messengers —to insist upon their attendance and to send with them a contribution toward the expenses of the Association, the printing of the Minutes and such other items deemed necessary by the Association. It shall send annually a letter to the Association giving the following information—1. Location. 2. Name of Pastor and Clerk and their Post Office addresses. 3. The terms of regular services. 4. All church statistics for the current year. 5. Names and addresses of the responsible officers of all church organizations. 6. The amounts contributed by the church and each several organizations to all objects fostered by the Association. 7. Names of messengers and alternates. 8. Other information deemed of special importance.

Organization

Article 6. The Officers of the Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer, and Historian, who shall be elected at each Annual Session and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next Annual Session unless removed for cause or until their successors are appointed.

Rules of Order

Article 7. The Moderator, or in his absence the Vice-Moderator, shall preside at all regular meetings. All officers shall faithfully discharge the duties usually pertaining to the office to which they have been elected.

(A) All business shall be conducted and all discussions shall be carried on in the manner prescribed in Roberts Parliamentary practice.

(B) The method of voting shall be by the will of the body.

(C) A simple majority shall prevail in all cases except as otherwise provided by this Constitution, provided: that any member may at any time call for a secret ballot or a roll call on a doubtful issue.

(D) A ruling by the presiding officer shall be final unless appeal be had from such ruling to the entire body present.

(E) A question having been decided twice by vote in the same attitude at regular sessions of the Association shall not be reintroduced except by consent of the body, expressed by a majority vote.

(F) The messengers of at least one fifth of the churches enrolled shall be necessary to constitute a forum.

Executive Promotion Committee

An executive Promotion Committee shall be appointed at each annual meeting of the Association composed of the Active Pastors and two members (preferably a man and a woman) from each church who shall act for the Association in the interim between its Annual Sessions. The duties of this Committee shall be to carry out the policies and will of the Association as so expressed, nor shall it take any action contravening the will of the Association, nor shall it initiate any new policy or practice binding upon the Association unless specifically so directed; provided: that in an adequate emergency it may take such action as it may deem necessary, but such action so taken shall in every case be submitted to the next meeting of the Association for appropriate consideration. It shall make a full and complete report of its activities of the next Association. It shall meet on the first Monday, in each quarter at the time and place appointed for the meeting of the Buncombe Baptist Ministers Conference. The officers of this Committee shall be the officers (ex-officio) of the Association. The same ratio of churches represented as at the regular meetings of the Association shall be required to constitute a quorum for the transaction of business.

Adoption

This Constitution shall take effect immediately upon its adoption and shall supersede any and all constitutions previously adopted.

Revision

This Constitution may be immediately revised at any session of the Association by a vote of two-thirds of the messengers present or by a simple majority provided notice of such revision shall have been given at a previous annual session.

DUTIES OF STANDING COMMITTEES

1. The Committee on Committees:

The duty of this committee is to bring to the annual meeting of the Association a nomination of the personnel of the Standing Committees, to name committees on Resolutions, Reception of Churches, and Time, Place. and Preacher, and to nominate any other committees authorized unless otherwise provided for.

2. The Committee on. The Cooperative Program:

This committee should explain the working of the Cooperative Program where it is not understood, encourage all the churches to be liberal in their gifts through this plan, and keep before the churches all the objects included in the program. A report of the committee's activities should be brought regularly to the Executive Promotion Committee.

3. The Committee on Evangelism:

This committee should seek to keep alive the fires of evangelism in all the meetings of all the organizations of the Association, encourage and help arrange, if necessary, evangelistic services in churches not reporting baptisms, and help provide evangelistic services in unchurched sections within the bounds of the Association. Reports of work done should be made quarterly to the Executive Promotion Committee.

4. The Committee on Location of New Churches:

This committee should keep alert to any developments that may make a new church a necessity, advise with groups considering a new church about the necessity of such organization, and seek to encourage the best location possible of buildings when new churches are formed or when places of worship are moved. This committee should report its work to the Executive Promotion Committee and be prepared to bring recommendations to the Association about the reception of new churches.

5. The Committee on Ordinations:

This committee serves in an advisory capacity only. The committee should examine such candidates for the ministry as come before it as to their call and fitness for the Gospel Ministry and make recommendations as they feel led to the church of which one is a member about his being ordained and help plan and arrange for proper services of ordination when such assistance is needed. The Executive Promotion Committee should be informed regularly of the work of this committee.

6. The Orphanage Committee:

The work of this committee is to encourage and to assist our churches in their support to our North Carolina Baptist Orphanages. An effort should be made to encourage all the churches to have a systematic plan either by the once-a-month offering in the Sunday schools or an amount in the budget for this purpose. The Thanksgiving offering of cash or in produce should have the careful planning of this committee. Reports should be made to the Executive Promotion Committee regularly.

7. The Oteen Committee:

This committee should advise with the Chaplain of the Oteen Hospital about his work, seek to encourage the churches in support of this work, and do all possible to help provide the varied services needed on this field. Reports should be made regularly to the Executive Committee.

8. Committee on Pastorless Churches:

The work of this committee is and can be advisory only. This committee should encourage pastorless, part-time churches to form fields with pastors located as near the center as possible, assist churches when called upon or when there is an evident need, when such help is welcomed, to find most suitable pastors, and to serve as contact man for worthy men desiring to become pastors. A report of all work done should be made to the Executive Promotion Committee.

9. The Committee on Training:

This committee should encourage the churches to provide the best training possible for their present or prospective Sunday School officers and teachers, for members of the Training Union, and for members of other organizations to the end that our churches will be filled with trained and informed leaders and members. As it seems wise, plans should be made for simultaneous training schools in churches or for central training schools, and, when needed, help should be given in providing teachers for training schools. The Executive Promotion Committee should be kept informed about the work done by this committee.

10. The Committee on American Bible Society:

This committee should do what it can to encourage our churches and individuals to contribute to the work of the American Bible Society. The churches should be informed about the services of the Bible Society so they will want to share in this worthy work. The committee

should keep that information before the churches. Regular reports should be made to the Executive Promotion Committee.

11. The Committee on Fellowship:

The work of this committee is advisory only, but it should stand ready to go to any church where the fellowship is endangered or disrupted and seek to apply healing oil to spiritual wounds to the end that our churches shall be united in Christian fellowship, and it should seek to prevent some church or group from being led away by an unscriptural hireling. Reports should be made regularly to the Executive Committee.

12. The Program Committee:

The duty of the Program Committee is to plan the program for the annual meeting of the Association and bring it to the Executive Committee meeting in July for discussion and approval. The committee should begin its work well in advance of the meeting of the Association and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Association.

13. The Committee on Ministers Retirement Plan:

This committee should seek to inform pastors and churches about the Ministers Retirement Plan and encourage both pastors and churches to cooperate in the plan. The committee can go before deacons in their meetings or to church conferences when invited and encourage participation in the plan; and when it seems wise or necessary, the committee may offer to explain the plan to pastors or churches where or when invitations for such services have not been received. In all cases the work of the committee is to offer helpful service in promoting this much-needed plan. Regular reports should be made to the Executive Promotion Committee.

RECORD OF PROCEEDINGS

TUESDAY, AUGUST 13, 1946
MORNING SESSION

1. On Tuesday morning, August 13, 1946, the Buncombe Baptist Association opened its sixty-fifth annual session at the Calvary Baptist Church in Asheville. The meeting began at 10 o'clock with Perry Sprinkle, Pastor of the Craven Street Church, presiding. Assisted by Mrs. O. V. Himes at the organ, Charles Jollay led the group in singing "Savior Like A Shepherd Lead Us."

2. The devotional period was in charge of Carl G. Mauney of Enka who read the 96th Psalm and led in prayer.

3. A count of the ordained ministers in the Association and a roll call of the churches revealed that nine ministers were present and 55 of the 63 churches were represented. Upon a motion by Wayne Williams of Oteen and seconded by Carl Mauney, the group present voted that the messengers and ordained ministers present constitute the body of the Association and proceed with the business and program of the meeting.

4. The first matter of business was the election of officers, and the officers who served the preceding year were re-elected as follows: Moderator, Perry Sprinkle; Vice-moderator, G. C. Cox; Clerk, H. M. Hocutt; Treasurer, E. E. Wheeler; and Historian, J. B. Grice.

5. The following visitors were recognized: Henry Roberts, Clerk of the New Found Association; Coral Fowler, Pastor of Mt. Zion Church in the New Found Association; and R. M. Hauss of the Allied Church League. Members of the Cane Creek Church at Fairview, along with their pastor, E. R. Frady, were present and were recognized. It was announced that this church desired to come into the Association.

6. New pastors were invited to the front to receive a welcome into our midst. The welcome was extended by J. B. Grice of the Reed Memorial Church. New pastors present were Hobart Rogers of Gashe's

Creek, Ard Smith of Berea, Glenn Bolch of Deaver View, M. D. Smith of Hominy, W. G. Russell of Mt. Carmel, H. E. Benfield of Pole Creek, and W. E. Walker of Beaverdam.

7. Upon a motion made by Charles Jollay, Chairman of the Program Committee the following program with such changes as would need to be made was adopted as the order of business for the Association.

8. H. M. Hocutt brought the Associational Missionary's Report which was adopted as follows:

ASSOCIATIONAL MISSIONARY'S REPORT

In attempting a summary of our missionary work for the past year, we would like first of all to express our deep gratitude for the beautiful, cordial, and cooperative spirit that has been most evident in all the churches and among all the people. Our one regret is that the calls upon us have been so numerous that many times we have had to decline urgent requests. We have been made humble and have been

challenged to the limit of our ability by the confidence expressed in us and the calls coming to us.

A brief summary of our varied duties for the year is as follows:

Eight Sunday School Study Courses and Enlargement Campaigns
Six Baptist Training Union Study Courses
Five Revival Meetings
Two W. M. U. Study Courses
Two Mission Revivals (In Associations)
Six Thousand Associational Bulletins Mailed
Twenty-Seven Associational Meetings Attended
Three New Baptist Training Unions Organized
Two New Sunday Schools Organized
Thirty Weeks of the year with a service every night
Fifty-Eight Churches in the Association visited with a service in most of them.

The above summary gives only a partial picture because many things cannot be described. We have tried to encourage every phase of the work. We believe that strong Sunday Schools, Training Unions, Woman's Missionary Unions, and Brotherhoods in all the churches will result in stronger churches with a wider outlook and a greater vision of their work; and in every place we have been we have tried to build up these organizations and to place emphasis upon a dynamic spiritual life with a feeling that the greatest need among us is not more organizations but a deeper realization of the presence and power of the Spirit of God among us. We have worked with the feeling that a true feeling of the presence of God's Spirit gives a dynamic urge to serve and that well-balanced organizations give a practical means for that urge to give expression. There is no conflict between organizations and spiritual power. They complement each other. They are the twin brothers that will guarantee active, alert, missionary, evangelistic, and dynamic churches.

One of the most successful parts of our work in the Association for the past year has been our Vacation Bible School program with Brother C. F. Rogers as leader and with Miss Pauline Lytle as our summer worker. To these two workers goes much of the credit for what has been accomplished. So far this summer 37 schools have been held with 3,377 enrolled and with 84 conversions reported. This is a considerable gain over the 21 schools of last summer with 1,945 enrolled.

In trying to understand our work in the Association and in trying to say a word about what we are doing, we find five things uppermost in our mind. They are (1) an earnest desire to strengthen the ties of Christian fellowship, (2) a fervent prayer for the salvation of the lost among us, (3) a compassionate missionary zeal, (4) a faithful practice of stewardship as taught in the Scriptures, and (5) a constant prayer and watchful eye for the finest and best young people among us for full-time Christian service. With these things ever before us, we believe we cannot go wrong.

If in our work you see mistakes and errors, we ask for Christian kindness and mercy. If in it you see some good accomplished, we ask for your continued kind, prayerful, and cooperative spirit.

Respectfully submitted,

H. M. HOCUTT, Missionary.

10. The Oteen Chaplain's report was read by E. B. Roberts and adopted as follows:

REPORT ON OTEEN CHAPLAINCY

Many changes have taken place at Oteen during the past twelve months. Notable among these has been the improved efficiency of the hospital generally and the coming of the first full-time Protestant Chaplain supported by the Veterans Administration. This Chaplain is Henry Lee Scott, a Baptist of Virginia, having come from the First Baptist Church of Farmville, Va. An office is maintained by the Chaplain and a full-time secretary is provided by the government.

It is expected that two additional Chaplains will be assigned to Oteen in the near future. One is to be a Methodist and the other a Negro Chaplain, likely a Baptist. Chaplain Henri Blanc, for eighteen years supported by the Catholics, has been appointed as half-time Chaplain in the Veterans Chaplain Service and will continue at Oteen.

In view of this new service on the part of the Administration, the Chaplain in Charge for the past four years, Ottis J. Hagler, felt that our work should be relinquished. Accordingly, Chaplain Hagler has accepted a call to the pastorate of the First Baptist Church of Carthage, N. C., and entered his duties on August 1st.

During the past year Chaplain Hagler was away from the hospital for the months of August, September and November due to an operation on his spine. While Mr. Hagler was away Rev. M. M. Summey of the Oteen Church acted as Chaplain, for which we are very grateful.

A detailed report of the activities of Mr. Hagler and Mr. Summey is appended.

DETAILED REPORT CHAPLAIN'S ACTIVITIES

July 1, 1945, to June 30, 1946

Average monthly patient load	1,068
Visits by Chaplain	4,624
Visits to critically ill patients	505
Special calls (while off duty)	51
Services conducted	107
Professions of Faith	32

Devotional literature distributed	3,500
Bibles, Testaments, Gospels	300

11. The report given below on the American Bible Society was adopted after it was read and discussed by Mack Summey.

American Bible Society

It is our belief in order to maintain peace, the peoples of the world must know the Prince of Peace. In order for them to know him, they must have access to the Holy Scriptures. Jesus said: "I am the way, the truth, and the light. No man cometh unto the Father except by Me," and He also said, "Know the truth and the truth shall make you free."

The American Bible Society has endeavored to supply humanity as far as possible with the written Word. The demands for the Scripture in all nations are greater today than they have been in the history of Christiandom.

The American Bible Society has been making, and is still making, an appeal to all missionary-minded churches for financial aid for the publication and distribution of the printed Word.

We hoped and prayed for victory and peace while we were at war. Now that victory has come, may we determine that we shall have peace by giving all men the eternal Word of God, which is our only hope for a lasting peace.

Several churches in our Association have been giving regularly and

faithfully to this great cause. We trust that every church shall add to its budget a liberal amount that the gospel of the Lord Jesus Christ may be sent to our brethren who are not as fortunate as we.

Southern Baptists gave more than $100,000 for this work through special offerings last year. This amount was exceeded only by the Lutherans and Methodists.

It was reported that more than twelve million Scriptures in all languages were distributed by the Society last year. The Bible is now being published in one thousand sixty-eight languages. Two million copies of the New Testament in the Japanese language were featured at a recent meeting of the Advisory Council of the American Bible Society held in New York City. More than this number will be needed in Germany, Italy, France, Belgium, and many other countries in Europe. The demand is urgent. The time is at hand. May we accept our responsibility as Baptists and as Christians.

Respectfully,

MACK W. SUMMEY.

12. John K. Durst brought the report of World Relief. It was adopted as follows:

World Relief

BUNCOMBE BAPTIST ASSOCIATION
August 13, 1946

"When the Son of man shall come in his glory, and all the holy angels with Him, then shall He sit upon the throne of his glory: And before Him shall be gathered all nations: and He shall separate them one from another as a shepherd divideth his sheep from the goats: And He shall set the sheep on His right hand, but the goats on the left. Then shall the King say unto them on His right hand, Come, ye blessed of My Father, inherit the kingdom prepared for you from the foundation of the world: For I was hungered, and ye gave me meat: I was thirsty and ye gave Me drink: I was a stranger and ye took me in: naked, and ye clothed Me: I was sick and ye visited Me; I was in prison, and ye came unto Me. Then shall the righteous answer Him, saying, Lord, when saw we thee an hungered, and fed thee? or thirsty, and gave thee drink? When saw we thee a stranger and took thee in? or naked, and clothed thee? Or when saw we thee sick, or in prison, and came unto thee? And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." Matthew 25:32-40.

Frank L. Stanton very aptly said:

"This world that we're a-livin in
Is mighty hard to beat;
You get a thorn with every rose,
But ain't the roses sweet."

In our comfortable homes and pleasant surroundings today we largely see the roses of life. We thank God for the roses. Along with that gratitude in our hearts, we realize that roots and thorns underlie the beautiful blossoms. We would direct your attention today to some thorns that prick the flesh of God's beautiful world.

There are three things about the suffering world to which we would call your attention. First, it is a disillusioned world. Nations have risen on false promises and fallen to be buried in the dust of centuries. Hitler's people were told that they were superior and would conquer the world today. Our hearts bleed for suffering humanity, but surely the pain of disillusionment is a pain that is hard for any people to bear. The Japanese people have recently been disillusioned by the startling revelation of their Emperor that he is not a deity at all. That revelation dealt a stunning blow to tens of millions of people.

The second thing about our world today is that it is a greedy world. Throughout recorded history this has been true, and it is none

the less true in the day and age in which we live. Men and women want to "keep up with the Joneses." Each fellow wants things just as good as and better than his neighbors. Each city and state wants to be bigger and better than other cities and states. Nations rise up against nations and vie with each other for places of power in the world. It is a greedy world in which we live.

The third and most terrifying description of our world today is that it is a hungry world. You are not hungry. Doubtless you have never been hungry in the real sense of the word. But do you realize that two hundred million people in China have never had a square meal? I am told that this represents approximately half of population of China.

While on his recent trip around the world, the Honorable Herbert Hoover cabled from India that eighty million people will die before January 1 if food is not shipped immediately. It is estimated that twenty million people will die in Italy if we do not send food to them within the next six or eight weeks. Men and women of China have found it necessary to sell houses, lands, furniture, supplies, and all the clothing that they own except a loin cloth in order to have enough money to eke out a meager existence. My good friend, Dr. Baker James Cauthen who is our Foreign Mission Board's secretary to the Orient, says that he has gone out in the morning and has seen fifty persons dead, having died during the night to become food for China's dogs.

Dr. Bill Marshall, personal secretary for the Foreign Mission Board, tells this interesting account. While riding in a ricksha in China several years ago he passed a shop which had a few apples for sale. Realizing that he had had no fruit for some time, he had the two coolies stop for him to purchase an apple at the fabulous price of three American dollars. He rode along eating the apple and feit that he should eat quite all of it after having paid such a price for it. After doing an excellent job of eating completely down to the core, he dropped the core into the gutter along the street. I am told that Chinese streets have no sewerage system. A gutter literally means the sewer from houses and streets. When the two coolies saw the core dropped into the gutter, they both dived for it. Dr. Marshall reports that they rolled and fought each other in the filth for fifteen minutes trying to recover and to own the simple core. Finally the victor picked the core from the filth, wiped it on his dirty rag of a sleeve, and with one gulp devoured it.

Hundreds of millions of God's children are hungry. The scripture tells us, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

At the meeting of the Southern Baptist Convention in Miami last May, Southern Baptists were brought face to face with world need and the need for relief and rehabilitation. Southern Baptists voted and pledged to raise three and one half million dollars by September 1 in order to alleviate some of the world's suffering. This fund is being administered by Baptists and is being sent out through our regularly established channels of the Foreign Mission Board. Not one cent is used for office expenses. The purpose of the offering is two-fold. First, in relief, multitudes are being fed and clothed. Second, in rehabilitation, churches, schools, colleges, universities, hospitals, and orphanages are being rebuilt following the destruction of war. Through relief and rehabilitation, it is our plan and purpose to reclaim bodies and minds and to direct souls to the Bread of Life.

The response to this appeal has been amazing. Florida was the first state in the Convention to reach her state quota. North Carolina's goal is four hundred thousand dollars. Each church in the state, hence each church in the association, has been asked to receive an offering for world relief. With the sixty-three churches in Buncombe Baptist Association we have heard so far of only thirteen that have

received an offering. But we are sure that many others will report from whom we have no report at present. In the thirteen churches which have pledged or reported to date, the available figures show receipts of $10,550.18. On August 9, Mr. Huggins reported that $8,359.50 had been received in his office in Raleigh from Buncombe Baptist Association.

What is our part? We might try to measure and to weigh God's abundant blessings on us as individuals and on our churches. In a meeting of the Board of Deacons of a church in a distant state, the matter was presented by the Finance Committee asking approval of that body to present the world relief offering to the church for adoption. The Finance Committee suggested a goal of two thousand dollars. One deacon said very vigorously that he resented the presentation of such an amount and reminded the group that the church was in debt for the present building and badly in need of additional space. The church was understaffed. Junior and Intermediate boys' classes were meeting in automobiles and under trees. He pointed out that the church was in need herself and wondered why the amount of two thousand dollars had been suggested. He then offered an amendment to the motion to raise the church quota to five thousand five hundred dollars instead, in the light of world need as over against their own need of mere physical comfort.

The spirit of response is phenomenal. We rejoice with churches which have already reported so beautifully and we covet for others the joy of Christian sharing which this opportunity affords. Southern Baptists have until September 1 to reach their goal of three and one half million. North Carolina Baptists have until September 1 to reach their quota of four hundred thousand dollars. Buncombe Association Baptists have until September 1 to do their proportionate part. Send the amount of your offering to the office of Mr. M. A. Huggins in Raleigh and mark it for World Relief, remembering the words of our Lord as he said, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

Respectfully submitted,

JOHN K. DURST.

13. The Introductory Sermon. Following an announcement by Charles Jollay for the Program Committee that Dr. J. Wash Watts of the New Orleans Seminary would speak on Wednesday afternoon in the place of Dr. Anderson, the group stood and sang "Must Jesus Bear The Cross Alone." In the absence of Perry Crouch who was to preach the sermon, C. D. Bessinger read Romans 2:11-17. The Calvary Girl's Trio sang "Open Mine Eyes." Brother Bessinger then brought a stirring and challenging message on "The Stewardship of the Gospel." After a moment of rededication at the close of the message, the morning session closed with prayer by J. B. Grice.

TUESDAY AFTERNOON SESSION

14. At 1:30 Charles Jollay led the group in singing "Rescue The Perishing," and LeRoy Thomas read from the thirteenth chapter of Acts and led in prayer.

15. Speaking for the committee on the Reception of New Churches, C. F. Rogers recommended that the Cane Creek Church be received back into the Association. The recommendaton was adopted, and the church was received on the usual year's probation.

18. The Baptist Training Union Report was made by Mrs. M. C. Eisenhauer. Harold Bennett, a young minister from the First Church, brought a splendid discussion of the report, and it was then adopted.

BAPTIST TRAINING UNION

Training Union work in Buncombe Association has made definite progress during the past year. We feel that there is renewed interest and that we are beginning a new era in the great program of training in the churches. Many of our churches have organized new units. Some of the churches that have begun new organizations are New Morgan Hill, Zion Hill, Wilkie Church, Avery Church, and others. Many of our churches have had enlargement campaigns and study courses. Mr. Hocutt, our Associational Missionary, has helped in seven weeks of enlargement and study. We take this opportunity to express appreciation for his faithful help in promoting Training Union work in the

Association. One of the finest study courses held was at Oakley with 89 average attendance and 85 received awards.

We now have Training Union work in 40 of the 63 churches which is a marked growth over last year. We are making plans now for establishing training programs in the other churches of the Association. We want to urge all representatives from the churches in the Associational meeting to make plans for the establishment of Training Unions. We believe that a good training union in a church will provide not only Training Union leaders throughout the organization, but Sunday School teachers, W. M. U. leaders, deacons, and other leaders wherever needed in the church organization.

During the year we have had three association-wide meetings and the District leaders have each had one meeting within their districts—making four meetings in the promotion of the work. There have been two executive committee meetings for study and planning.

This year we were very much pleased with the participation of the churches in the Better Speaker's Tournament, Intermediate Sword Drill, Junior Memory Work Drill, Adult Scripture Reading. Our Association had representatives at Ridgecrest for each of these. We urge that next year each church in the association participate in this phase of the work. There is invaluable training in these special efforts. We would like to encourage participation in the Hymn Festival for next year. The theme for our Training Union work next year is "The Book of Books." Emphasis will be placed upon Bible Reading and Bible Study. We recommend that churches select Bible Reader leaders for the entire Union to promote the work.

Let us make the new year count as we train for better service in God's Kingdom.

Last night at the Rally Meeting in Merrimon Avenue Baptist Church, officers were selected for the new year. The slate will be completed during the next few days.

Respectfully submitted,

MRS. MURRAY C. EISENHAUER,
Associational Training Union Director.

19. John L. Lawrence, Associational Sunday School Superintendent, brought the report on Sunday Schools. Miss Pauline Lytle, summer Bible school worker, and some members of the newly-organized Sunday School on Bald Mountain were recognized. After a brief discussion by W. S. Johnson the report was adopted.

SUNDAY SCHOOL REPORT TO BUNCOMBE BAPTIST ASSOCIATION
By J. L. LAWRENCE

During the past year the Sunday Schools of our Association have shown a marked increase in their enrollment and attendance as well as in other phases of their work. We are indeed indebted to the fine consecrated leadership of our teachers and officers in achieving the gains we have made. The untiring efforts of our Associational officers have aided and helped in improving the work in our Sunday Schools.

More room with better facilities for teaching are needed in most of our churches and it is most encouraging to note the number that are planning a building program as soon as material and labor is available. However, the greatest need in our work is more trained consecrated teachers and officers. By adding 100 trained officers and teachers to our Sunday School personnel we can expect an increase in enrollment of one thousand. This is not just a dream or idle fancy, but has been proved by our past records.

Our regular monthly meetings of the Sunday School Association have been well attended with an average attendance of 150 or more. At our February and March meetings we had an attendance of almost 300 from about 30 of our churches. It is most encourging and helpful to our Associational officers when a large number of our churches are represented at these meetings. The attendance of our pastors at these

meetings has been good, usually surpassing the number of General Superintendents present. The programs and reports at these meetings have been good and we are indebted to the many fine speakers who have inspired and instructed us during the year.

"Launching a Century for Christ" has been the theme and basis for our work this year and much planning and work was done to present the 1946 Program of Southern Baptist Sunday Schools to the churches of our association. In December, 12 of our Associational officers and workers attended a State Planning meeting in Morganton. At this meeting plans were made to hold simultaneous meetings in each of our associations on January 22nd at which time the Southern Baptist Sunday School program for 1946 would be presented and adopted. We adopted this program and also elected 45 workers to comprise 15 teams to visit the churches of our association to work out with them a program of work for each church. We contacted every church in our association and with possibly two exceptions we held a meeting as planned. The fine work which these Team Leaders and their workers did is attested to by the excellent results shown so far. Several definite activities were presented to each of our churches and plans were made to reach the goals set by each church. The spirit of fellowship and cooperation was most gratifying and the reports of the Team Leaders was most encouraging. Some of the results of this work can be seen in new classes organized, more teachers and officers enlisted and trained, adoption of programs to promote regular visitation, plans made to organize and promote mission Sunday Schools.

One of the outstanding results has been the increased number of Daily Vacation Bible Schools held. When the goals or aims of our churches were returned by the Team Leaders it was seen that our churches almost without exception were either planning a school or would like to have one. Rev. C. F. Rogers, Associate Sunday School superintendents in charge of D. V. B. S. and our Associational Missionary, Rev. H. M. Hocutt, immediately began to make plans to have these schools. Clinics for teachers and workers were held in each of our groups. Workers were secured to help in this work. Thirty-seven schools have been held which is almost twice the number held last year. The enrollment of these 37 schools was 3,377 and more than 80 conversions were reported.

An adequate training program in every church for teachers and officers was another activity suggested by the workers in their visits. Our churches are indeed becoming more conscious of the great need and are planning to meet it. Under the direction of Rev. M. A. Kiser, our Associate Superintendent in Charge of Training we had a most profitable week of study at the First Church in October. A large number of our churches have also held study courses and others are planning to do so. Plans are under way for a Better Teachers Clinic to be held at the First Church in April and it is urged that every teacher and officer in the 63 churches in our association make plans to avail themselves of this meeting.

Our Sunday Schools, departments and classes have been urged to adopt standards for their work and it has been observed that the schools that have followed the standards suggested by our Sunday School board are more evangelistic and doing better work than the school that has failed to adopt such a standard. Every Sunday School in our Association would do well to study and adopt the Standard for their work. Also a yearly calendar of activities would be a great aid in their work.

We are indeed indebted to our Sunday School board for the fine literature including quarterlies, books, and other periodicals made available for our use. We believe this material to be the best and we should use it wisely and well.

We have been blessed in many ways in our Sunday School work during the past year but led by the Holy Spirit we must press on to do a better job. We must Pray, Plan, Prepare, and Persevere in order

that we may Reach, Teach, Win and Enlist the unsaved in our Association.

20. Mrs. H. W. Baucom brought the W. M. U. Report and then presented Mrs. Edwin Dozier, a missionary to Japan, who brought an able discussion of our mission work in Japan and Hawaii. The report was then adopted.

WOMAN'S MISSIONARY UNION

The Woman's Missionary Union of Buncombe Association makes this partial report for 1945-1946. With two superintendents and one associate superintendent leaving within the year, it makes it hard to correlate our work.

Our annual associational meeting was held in the Enka Baptist Church, April 18, 1946, with approximately 200 women in attendance. Our guest speakers were Mrs. John Allen Moore, missionary from Yugoslavia and Miss Katherine Abee, our State Young People's Leader. The afternoon session was given to our young people's work, Mrs. H. W. Baucom presiding. An invitation to meet with the Black Mountain Baptist Church in 1947 was heartily accepted.

Whatever progress may have been accomplished during the year has been attained by the persevering efforts of our faithful officers, district leaders, interested women and young people. Our figures make this report possible.

We have 36 W. M. S.'s; 21 Y. W. A.'s; 31 G. A.'s; 18 R. A.'s; 22 Sunbeam Bands, making a total of 128 organizations. Twenty-two of these being organized during the year. Our gifts to all phases of our work amounted to $11,803.59. This is an increase of $3,135.62 over the preceding year.

Nevertheless, we should be greatly concerned over our failures. We have 27 churches with no missionary organization of any kind. Fewer than half of our societies are observing the weeks of prayer—only a small percentage are tithers and only a few societies are really studying missions. Those who accomplish most have an aim, a goal toward which to work, "not failure, but low aim is crime." Please note your shortcomings now.

In spite of deplorable conditions existing today, in spite of discouragements all around, Woman's Missionary Union does have a missionary message of hope to tell, to sing, to give, to show, to the nations. Pray let us be faithful to the task.

Respectfully submitted,

MRS. H. W. BAUCOM, Y. P. Leader.
MRS. CHARLES JOLLAY, Secretary

21. Don C. Young, Associational Brotherhood President, gave the report on Brotherhood work with the resolution that follows. The report and resolution were adopted without discussion.

BROTHERHOOD REPORT

The Brotherhood for the Buncombe Association has carried on the associational work in its usual way. The chief criticism of it is that it has been too "usual." What we need is more churches to become interested in establishing the laymen's work. We have made a special appeal to the Pastors of the Churches in an effort to get them interested in organizing a Brotherhood in their church. We have met with little response. We now turn to the laymen—the men—and ask and appeal to them to organize in their local church this laymen's organization. So we are appealing to you, the men, and to each of you, to go back to your church and, if you do not have a Brotherhood, organize one. If the associational officers can assist you in any way, please communicate with us. Our Associational Missionary will also render to you every assistance in this connection.

We have had our regular associational quarterly meetings throughout the year and at each meeting we have had a splendid program. At our last meeting the Brotherhood passed a resolution calling a state Laymen's meeting at the First Baptist Church on the night preceding the meeting of the Baptist State Convention, November 18, 1946, at 7:30 o'clock p.m. We are inviting all of the Baptist Churches in North Carolina, whether they have an official brotherhood or not, to send laymen to this meeting. We are hoping to have an overflow audience and the matter of a state organization will be presented at that meeting.

We hope that you will send a large delegation of men to this state meeting. If you favor the meeting we would like for you to adopt a resolution to that effect. We have prepared and attach hereto a suitable resolution. We recommend that the Association adopt the resolution along with the report.

Respectfully submitted,

DON C. YOUNG.

RESOLUTION

It has come to our attention that the Associational Brotherhood of Buncombe County has called a meeting of the men of the Baptist Churches of North Carolina to meet at the First Baptist Church on November 18, 1946, at 7:30 p.m., being the night preceding the opening of the State Baptist Convention, and this Association believes that much good can come from such a meeting, and believes further that the Baptists of North Carolina should inaugurate the Brotherhood work in the State.

BE IT, THEREFORE, RESOLVED:

1. That we heartily approve the action of the Buncombe Brotherhood in calling this meeting and we urge all of the men of our churches to attend this meeting.

2. That we join with the Brotherhood in inviting the other Baptist Churches of North Carolina to send their laymen to this pre-convention meeting.

22. In the absence of Nane Starnes, Dr. John W. Inzer, former Pastor of the First Baptist Church, brought an able discussion of the topic "Buncombe Baptist Association Facing A New Century." Dr. Inzer challenged the Association to a vigorous missionary program in the Association, in North Carolina, and in the world. Following his message the group sang "Amazing Grace," and H. W. Baucom led the closing prayer.

WEDNESDAY MORNING SESSION

23. The Wednesday morning session opened with Moderator Sprinkle presiding. With Mrs. O. V. Himes at the organ, Charles Jollay led the group in singing "Work For the Night Is Coming." The devotional period was led by M. D. Smith, who read the 34th Psalm and led in prayer.

ORPHANAGE

24. The Orphanage Report read by E. E. Wheeler was discussed by J. A. McMillan of the Orphanage and then adopted as follows:

Acting as your Orphanage representative, the writer has, through the year, with the appointed committee, worked to get as large an offering as possible for the orphans of the State Baptist Orphanages. The Thanksgiving contribution from the churches, both in groceries and money was quite enthusiastically entered into by the churches.

The churches of the county giving a total of $10,233.59 during the year. The attached tabulation is the record at Thomasville, sent as a receipt. Most of the churches remitted direct to Thomasville. One church has reported their listing on this sheet incorrect, as shown by

returned cancelled check. If there are other discrepancies kindly write me, and I will take it up to see proper credits are noted.

Respectfully submitted,

E. E. WHEELER.

25. C. F. Rogers, Chairman of Committee on Committees, announced that J. L. Lawrence, Glenn Bolch, and C. B. Hayes would be the members of the Committee on Time, Place, and Preacher.

26. An excellent report on Christian Education was adopted after it had been read and discussed by Ray Linville.

REPORT ON CHRISTIAN EDUCATION

Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always even unto the end of the world. The Great Commission has and shall forever be the marching orders of Baptist. Twice in this passage Jesus commands us to teach. Jesus stressed by precept and by his own supreme example the necessity for teaching. The Christian Church has through the ages sought to banish superstition and ignorance. The marvelous educational progress now in America began in and through the churches. Our Fathers saw the deep need for education and gave sacrificially that their children and their neighbor's children might have the benefits of learning and particularly that the churches might have an educated ministry.

Never before has the teaching mission of the churches been so great. In this age of universal education—by way of the school room, the radio, the press, the screen—mostly materialistic and some of it Godless, where all sorts of ideologies are being spread, the churches have a grave responsibility to teach the truth as found in Christ Jesus. The churches can meet this teaching responsibility through the home. through the church organizations, and through the Christian colleges and seminaries, as well as cooperating with the Christian press and radio.

The foundation of our educational efforts must be in the home. While the churches and parents are neglecting their opportunities in the home other influences are coming in on every hand.

The educational facilities of the churches have been greatly increased and are still being improved. There is great need, however, for improving the methods and spirit of our teaching. Too many Sunday schools seem to be merely marking time, and too many adults and children are not receiving any form of Bible teaching whatever.

The Baptist State Convention has under its auspices five excellent colleges, Junior and Senior, and is contributing to the support of the south wide seminaries. What a tremendous opportunity is offered by these institutions for the training of Christian leadership, and educating our youth after the mind of Christ. May that mind be in us that was also in Christ Jesus, and may we dedicate our talents and devote our means to meeting the challenge of education that is Christian.

RAY LINVILLE.

27. Visitors were recognized as follows: M. H. Kendall, Professor of Bible at Mars Hill College; J. Wash Watts, Professor in New Orleans Baptist Seminary; and Earl Bradley, General Missionary in Eastern North Carolina.

28. The report on Christian Literature was read by Mrs. T. E. Walters; and after a brief discussion by H. M. Hocutt, the report was adopted.

REPORT ON CHRISTIAN LITERATURE

In making a report on Christian literature it is necessary for us to realize that intelligent understanding is based on knowledge. Knowledge comes through reading and study. We have at our finger tips the material that makes us world citizens even though we live in a remote cove or on a mountain top far removed from our neighbors.

We hope that all of our churches use the wealth of Sunday school literature published by our Sunday School Board. Many of our finest men and women spend their lives studying and writing that we may have the benefit of their study.

Then we have our own Biblical Recorder. No North Carolina Baptist can be well informed about our work unless he reads this paper. Dr. Carpenter says that the report this year is very encouraging. It has had a net gain for the past year of about 5000. It has been self-supporting for the last year or two. The Recorder has three simple subscription plans: $2.00 a year for individual subscriptions; $1.50 a year in clubs; $1.00 a year for the every-family plan. At present there are 245 churches in the state which have the Recorder in every resident family. There are 855 churches which have Recorder clubs.

Our "Charity and Children" published at Thomasville, is a splendid paper bringing to us weekly information about our Orphanages and world events. Soon there will come from the press a new magazine pubished by the unday School Board. The name of it is "The Home." This magazine hopes to fill a long felt need in the homes of our churches.

We would speak a word in behalf of church libraries. When the news stands are filled with so much that is leading our young folks away from all that is good—we as church people need to be willing to sacrifice, if need be, to establish in our churches libraries filled with the books that will challenge our youth and build Christian character. We have a fine woman connected with our S. S. Board, who gives her entire time to helping churches set up libraries.

Again we have a wealth of literature for each one of our W.M.U.

organizations. Our state headquarters in Raleigh will give us all of the information we need just for the asking.

Our young people who have served their country in far places will never be satisfied again to live in the narrow confines of their own communities. They have seen the peoples of the world and their needs. Let us "lift up our eyes and look" through all the splendid literature that is ours.

Respectfully submitted,

MRS. TOM E. WALTERS.

29. After the group sang "How Firm A Foundation," T. E. Walters read the report on The Cooperative Program. Before its adoption the report was discussed by M. A. Huggins, Secretary of North Carolina Baptist State Convention, and Earl Bradley of Raleigh.

THE COOPERATIVE PROGRAM

The methods of carrying on the work of the Kingdom undergo great changes. Until about 25 years ago agents traveled from church to church speaking on various phases of the work and taking collections for causes they represented. Our conventions were, at first, places where appeals were made for money with which to carry on. When the money was gone the process had to be repeated or the work had to stop.

For twenty years we have had a growingly successful plan which we call the Cooperative program. In this program or plan of work are included all the causes to which we as churches are called upon for support. The money is divided among all of our Baptist causes on a basis determined by the convention which is made up of the churches.

Every dollar given helps to carry on every part of our work. A part of this dollar goes to carry the Gospel to the benighted lands where Southern Baptists are working. Men like Dr. J. B. Hipps from our own county are giving their lives that the souls of men around the world may come to know Jesus, the Saviour of men. This is Foreign Missions.

A portion of this dollar is used to keep our Southland Christian. Supported by Home Missions offerings, much has been done for our boys and girls in all this section. A. E. Brown and J. W. O'Hara wrought well in our mountain schools. The Home Mission Board today is preaching the Gospel to the Indians, seeking the salvation of the Jews, working among our soldiers through our chaplains, organizing churches through city missionary work, supporting good will centers and rescue missions, working among foreigners and southern cities and preaching to millions through its host of evangelists.

Another work this dollar helps to do is to carry on the work in our state. Our state force is kept up. M. A. Huggins is our State Baptist leader. Then we have J. C. Pipes, Earl Bradley, and E. L. Spivey who are missionaries to all the churches. Many weak churches are being founded and given a helping hand as they carry on. L. L. Morgan is leading us to have better Sunday school work. Harvey T. Gibson and his workers are helping our young people over the state to do a finer job of living for Jesus. Dick Howerton has the task of leading our boys and girls at colleges and universities to have faith in the Bible and to help them to put Christ first in all campus life so that when they return home they may be dynamic witnesses for the Saviour. Your money aims to do this. A part of this state mission task is help promote the work of associational missions like that done by Brother H. M. Hocutt among us. Along with all of this is the work of the Woman's Missionary Union which touches every phase of our church life.

Another valuable work done by this dollar is the work of Christian Education. Schools like Mars Hill, Wake Forest, Meredith and others are partly supported by money given by the churches. They are to train these young people to be leaders for the churches. Our seminaries also have a share in this dollar. They are training young preachers and special Christian workers.

When we give this dollar we also have a part in healing the needy sick in our great hospitals. Multiplied thousands are sent home well every year as a result of what is given.

A small portion of this dollar goes to help the aged ministers who have been through the years the faithful soldiers of the cross. By this fund our ministers are also enabled to retire without being a burden on their churches.

This plan of giving takes in all of our objects. It unites all our work under one head. It is an economical plan because the business costs of the work are kept at a minimum. The system is democratic because we all may have a part in the shaping of its policies. It is a fair plan because the relative needs of the various causes are respected and the funds are faithfully administered.

The effectiveness of this program is left to the pastor and the local church. Special programs for special days are thoughtfully designed so as to inform everyone of the worth and challenge of our work. Then the pastor has the opportunity of using the pulpit on behalf of the various objects. When we give, we help in all phases of the work.

Fair it is to say that should there be those who wish to make special gifts to favored objects, they have the privilege of doing so. There is nothing arbitrary about the plan.

The plan has met every test and it has proved to be the best system of financing the Kingdom of God.

Last year our churches gave thru this channel $928,905.00. If your church will only adopt this plan of missionary effort, there will not only be greater interest in world-wide redemption, but streams of spiritual blessings will break out in the local church. Try the Lord and see. Read Cor. 16:2 and Mal. 3:10.

Respectfully submitted,

TOM E. WALTERS

30. The Missionary Sermon. The congregation sang "I Am Thine, O Lord," and a mixed Trio from Merrimon Avenue sang, "What Did He Do?" Then A. J. Buckner of Chunn's Cove preached the Missionary Sermon, using "They shall ask the way to Zion with their faces titherward . . ." Jeremiah 50:5, as a text. After prayer led by Wayne Williams of Oteen, the meeting stood adjourned for lunch.

WEDNESDAY AFTERNOON SESSION

31. The Wednesday afternoon session opened at 1:30 with Vice-Moderator Cox Presiding. Perry Sprinkle led the congregation in Singing "Majestic Sweetness Sits Enthroned." H. W. Fitzgerald read John 10:1-31 and led in prayer. M. A. Kizer introduced Mrs. Austin from Miami, Fla.

32. C. D. Bessinger introduced Ted E. Gaze, a young minister from Calvary Church, who read the Hospital report and called upon W. K. McGee from the Baptist Hospital in Winston-Salem to speak on the Hospital. After his message the report was adopted as follows:

REPORT OF NORTH CAROLINA HOSPITAL

August 14, 1946.

The North Carolina hospital was incorporated in 1922. Since that time it has enlarged to almost three times as originally planned. Today the bed capacity is more than 250.

The purpose of the Baptist hospital has always been medical care for the poor. Since 1941, the Baptist hospital has also become an Educational center for medical students of the Bowman-Gray School of Medicine which is a part of Wake Forest College and is located near by. The hospital now has developed a two-fold purpose, teaching and healing which are the two endeavors of Christ.

The Baptist hospital also operates one of the finest approved schools of nursing in our south land. The girls who attend this school are approved for their high standards and Christian ideals. Professional training is provided by a trained staff which also provides and develops a Christian and humane attitude among its students.

The Baptist hospital ranks among the best in providing medical care. The hospital is one of the few which has developed a Spiritual at-

mosphere among its staff members and fellow workers. The hospital Chaplain and Student Secretary play an important part in binding together the patients and staff in spiritual unity. The chaplain has a full time program devoting most of his time to the patients. Because of his earnest efforts many souls are won to Christ.

The Baptist Hospital provides free treatment for the poor. Of the more than 8,000 patients yearly, a large portion are free patients. The yearly Mother's Day Gift and special gifts help meet expenses of these free patients. The expenses amount to more than $200,000.00 yearly.

North Carolina Baptist have made it possible for the Baptist Hospital to be organized, and through the hard work of its staff members and the sincere desire to proclaim the Gospel of Jesus Christ, Baptists today, have one of the finest and strongest influences in carrying out the program. Through its two-fold purpose of healing and teaching the Baptist Hospital has become a great light for Christ, North Carolina Baptists, all, may have a part in maintaining this Baptist Hospital by giving to the best of their ability next Mother's Day that they might offer a great and worthy gift to this hospital and that they might enlarge their program of proclaiming the Gospel of the Lord Jesus Christ.

33. The Temperance report was read by H. W. Baucom and discussed by I. G. Greer from the Mills Home in Thomasville. The report was then adopted.

REPORT ON TEMPERANCE

"Wine is a mocker, strong drink is raging and whosoever is deceived thereby is not wise."

From all reports that come to us it is evident that there is more wine, beer and strong drink being used than at any time in the history of the world. Our court officials tell us that a large per cent of the crime can be traceable to strong drink.

We feel very keenly that it is wrong for our state to legalize the sale of alcoholic beverages. The dry leaders have done their best to get the legislature to let us vote on this important question but the wets have won out each time. It is now time for every Christian who wants our state to get out of the liquor business to see to it that men elected to represent us in our next legislature be men of sterling worth and who will stand for a dry state.

Respectfully submitted,

H. W. BAUCOM.

34. After the Temperance report was adopted, M. A. Kizer of Weaverville introduced a resolution calling upon the next General Assembly of North Carolina to provide a state-wide referendum on the liquor question. The resolution was adopted, and a committee consisting of H. W. Baucom, M. A. Kizer, and Carl Mauney was appointed to bear the message to the proper representatives. The resolution is as follows:

RESOLUTION

Resolved, by the Buncombe Baptist Association, in annual session assembled, and composed of sixty-four churches with 17,817 members, that we request our next General Assembly to provide a state-wide referendum on the liquor question, and that we call upon our local senator and representatives in that body to support such a move.

35. The report on the Minister's Retirement Plan was read and discussed by A. J. Buckner. The report was then adopted.

MINISTERS RETIREMENT PLAN

Realizing that ministers and religious workers must sometime grow old and their earning ability cease, our leaders have worked out and established a cooperative plan which makes it possible for them to

carry sufficient insurance to furnish reasonable protection in their days of old age.

This plan is gaining momentum throughout the south, but according to reports from Raleigh, only sixteen from this association are taking advantage of this opportunity.

Therefore, be it resolved that: First: All preachers and churches obtain information from State Headquarters, and give this matter serious consideration.

Second: Those who have already entered the retirement plan along with those yet to join give serious consideration to the Widows Supplemental Plan now being added.

Respectfully submitted,

A. J. BUCKNER.

36. The group stood and sang "Am I A Soldier of The Cross?" led by Perry Sprinkle. J. B. Grice then read the annual report as Historian. The report is as follows:

HISTORIAN'S REPORT

As we meet in this the sixty-fifth annual session of the Buncombe Association, we are happy to say that our country is not engaged in war as it was a year ago, and many of those that were soldiers in the great World War have returned to civilian life. However, there are many that will never return. Our own county lost 255 men, and Western North Carolina lost 1,199, while the state as a whole lost 7,109 on the battle field.

The Executive promotion Committee of our Association held its quarterly meetings on the first Monday in each quarter during the year.

The pastors of our Association held their fifth annual revival in February this year and was led in the study of Genesis by Dr. Wash Watts of the New Orleans Seminary.

Your committee on ordinations examined and approved three candidates for the ministry since our last annual meeting. However, your historian has been informed that only one of the three has been ordained, and that was Norman Merrell of the Reed Memorial Church, who was ordained on the second Sunday in May. Brother Merrell is now supplying churches in this section while a student at Mars Hill College.

Under direction of H. M. Hocutt, our Association Missionary, Sunday School planning meetings were held in almost all our churches this last winer. This was in cooperation with the South-Wide movement in the Southern Baptist Convention. Our missionary also led in the organization of a Sunday School on Bald Mountain in the Southeastern section of our county. Miss Pauline Lytle of the Biltmore Church has conducted eleven Vacation Bible Schools in Baptist churches in our Association this summer.

We have had several pastoral changes during the year: K. B. Johnson resigned Brown's Chapel and was succeeded by Ernest Bartlett. T. O. Lunsford accepted the pastorate of Buena Vista. T. W. Hearn resigned Emmanuel and was succeeded by J. A. Cox of Thomasville, N. C. Ernest Bartlett resigned Emma's Grove and was succeeded by Paul Wright. Henry Schum resigned Bethel and was succeeded by Ernest Bartlett.

Norman Merrell has been supply pastor at Fairview for several months but terminated his work there on August 1st. H. G. Bryant accepted the Gashe's Creek church and after a brief period resigned and was succeeded by Hobart Rogers. John R. Tillery resigned the Liberty church and accepted a church at Philadelphia, Tenn. He was succeeded by W. H. Whitlock.

J. C. Pipes resigned Macedonia to devote his full time as missionary in the Western part of our state. He was succeeded by Mark Hopkins. M. L. Smith resigned Mt. Olive and was succeeded by Bob Harris. K. B. Johnson resigned Mt. Pisgah. D. D. Searcy resigned New Salem. K. Allen resigned Pole Creek and was succeeded by H. E. Benfield. R. R. Mehaffey resigned Ridgeway and was succeeded by Reid Luns-

ford. J. L. Jenkins resigned Spring Mountain. H. A. Quick resigned White Rock.

The following pastors have come into our Association during the year: Neil Larson to Riverside, M. D. Smith to Hominy, Ard Smith to Berea, W. E. Walker to Beaver Dam, and W. G. Russell to Mt. Carmel.

The following churches are creating a church building fund: Merrimon Ave., New Found, Victory, West Asheville, Beaver Dam, Elk Mountain, Flat Creek, and Berea.

The following churches have built or are in process of building or improving their pastors' homes: Macedonia, Oakley, Biltmore Chunn's Cove, Fairview and Gashe's Creek.

The following churches have made improvements in their physical equipment: Bent Creek has added class rooms and installed a heating plant. Big Ivy has plans to enlarge their Sunday School building. Black Mountain has rearranged the seating of their Auditorium. Liberty has enlarged their Auditorium. Long's Chapel has installed electric lights. Morgan Hill has improved the grounds of their church. New Morgan Hill has made improvements on their class rooms. Oak Grove has made improvements on their building. Spring Mountain has improved the class rooms in the basement of their church. Emmanual is adding 12 class rooms and has made improvements on both church and parsonage at a cost of $921.00; also paid off debt of $444.00 on parsonage.

The Merrimon Ave. church has elected Miss Ruth Martin as full time Educational Director. John K. Durst has been elected as director of Church Activities at the First Baptist Church beginning August 1st of this year. The following churches have had student helpers in directing the Activities of the Church during this summer: West Asheville, French Broad Ave., Swannanoa, and Black Mountain.

By consulting the Minutes we find that New Found is the oldest church in our Association, having been constituted in 1802. The Fairview Church is the second oldest, having been constituted in 1806 under the name of Cane Creek. The next in age is the Flat Creek Church consituted in 1811. The next is Hominy, constituted in 1812. And last, but not least, is the First Baptist Church constituted in 1825.

We are indebted to Mrs. P. O. Merrell for valuable historic information concerning the Fairview Church down to the present time. However, we note that the church was organized on May 10, with 29 members, and Humphrey Posey was the first pastor. In this connection, let me urge that every church that has not already done so, write and preserve their church history just as the Fairview Church has.

In closing our report, we are not unmindful of the starving millions of the world's population today, and we are proud that our Association has a liberal share in raising the three and a half million dollars that Southern Baptists have promised to relieve this terrible situation.

In conclusion, let us consider the words of the Apostle Paul: "Be ye steadfast, unmoveable, always abounding in the work of the Lord forasmuch as ye know that your labour is not in vain in the Lord."

Respectfully submitted,

J. B. GRICE.

37. C. F. Rogers read the list of those from the churches who had been called to their reward through the year; and after appropriate remarks, he ask the congregation to stand for a moment of silent prayer following which H. M. Hocutt closed the prayer. The list of names appears after all record of business. The list does not include the name of Dr. W. R. Burrell, a former pastor of Reed Memorial, who died a few days ago in Florida. He was not a member in our Association. but special mention was made of his home going.

38. The report of the Committee on Committees was made by C. F. Rogers, and the report was adopted. The report may be found under the heading of "Standing Committees."

39. C. F. Rogers brought a report from a Budget Committee, consisting of himself, A. J. Buckner, and Nane Starnes, that had been ap-

pointed by the Executive Committee to recommend a budget for the work in the Association. This budget had been submitted to the Executive Committee in July and was recommended by the Executive Committee to the Association for adoption. The budget as submitted was adopted. With the budget was a recommendation from the Executive Committee that we have one treasurer in the Association to handle all funds. This recommendation was adopted by the Association. This action means that E. E. Wheeler who was elected Treasurer during the Tuesday Morning session will handle all funds. All money for work in the Association should be sent to him at 170 Lyman Street, Asheville, N. C. The budget for the next year as adopted by the Association is as follows:

40. The report for the Time, Place, and Preacher Committee was made by J. L. Lawrence, and the report was adopted. The report is found under the heading of "Next Session."

41. The report for the Resolutions Committee was made by M. D. Smith. The report as adopted is as follows:

RESOLUTIONS

1—Your committee is happy to attempt to voice what we believe to be the sentiment of this entire association in expressing our gratitude to God, to Brother Bessinger and the Calvary Church for the many kindnesses shown during these two days of meetings. The welcome has been warm, the hospitality unstinted, the entertainment unsurpassed, and the arrangements adequate for caring for such a host.

2—That we express our thanks to our moderator, the clerk, the program committee and those taking part on the program, for a helpful and informative session.

3—That we regret the loss of baptisms in this associational year, and that we shall give our uttermost to the highest, for this noble task in the new year.

Respectfully submitted,

WAYNE W. WILLIAMS.

42. Closing Message. By a motion unanimously carried it was voted to extend the time ten minutes so the speaker would have his full time. Perry Sprinkle led the group in singing "O Think Of The Home Over There." The closing message was brought by Dr. J. Wash Watts, Professor in the New Orleans Baptist Seminary, on "Southern Baptists Facing A New Century." Following his message the group stood for the closing prayer by G. C. Cox, Vice-Moderator, who was presiding.

RIDGECREST BAPTIST ASSEMBLY

The Ridgecrest Baptist Assembly is located at Ridgecrest in the Swannanoa District of the Buncombe Baptist Association. The Assembly is for the entire Southern Baptist Convention and is under the control of the Sunday School Board of the Convention. The Assembly has an attendance of about 30,000 people each summer. They come from all over the territory of the Southern Baptist Convention, from many of the northern states, and from a few foreign countries. Brother Robert Guy of Ridgecrest is the manager. He is assisted by Brother Perry Morgan, the retiring manager.

VACATION BIBLE SCHOOLS

We give below a summary of the Vacation Bible Schools held during the summer of 1947. This good record is made possible by the faithful work of C. F. Rogers, our Bible School Leader for the Buncombe Association, and by the most efficient work of our two summer helpers. Miss Ethel Carter, a member of the Merrimon Avenue Church and a student last winter at the Southwestern Seminary, has been employed by the association for the entire summer to promote Vacation Bible Schools; and Ernest Mehaffey, a student last year at Mars Hill College, has been a general helper. His support has come from the State Board with small contributions from the churches where he has worked. Miss Carter has given her full time to Bible School work, and Ernest Mehaffey has given part of his time to Bible Schools and part to other work in the association. Along with these we have mentioned, we would pay tribute to a great host of faithful workers in all the churches where schools have been held. It has taken the co-operation of all to make the record possible.

(1) Two for the first hundred members or fraction thereof and one for each hundred additional.

(2) All ordained ministers who are members thereof or laboring in connection therewith.

(Sec. 8.) The Association shall be sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Provided: The churches so received shall agree and come under the Watch-Care of the Association for a period of one year. It is understood that during this period of probation such church or churches shall be entitled to all the rights and privileges of the Association except that of voting. At the conclusion of this period should no objection be had they then become members in regular standing without further action by the Association.

(Sec. c) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice or that fails to represent itself either by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d) Any church may withdraw from the Association at its pleasure.

Objects

Article 3. The objects of the Association shall be to devise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, the State Baptist Convention and the Association itself.

Powers and Prerogatives

Article 4. The Association shall have no power whatever to infringe upon the rights of usefulness of the churches. It may advise or recommend measures of usefulness for their adoption and guidance but cannot bind them in any way. All the churches constituting the Association remain sovereign and independent bodies and unite only that they may more effectually promote the cause of Christ throughout the world.

Duties of the Churches

Article 5. It shall be the duty of each church to appoint so far as practicable their most capable and efficient members as messengers—to insist upon their attendance and to send with them a contribution toward the expenses of the Association, the printing of the Minutes and such other items deemed necessary by the Association. It shall send annually a letter to the Association giving the following information—1. Location. 2. Name of Pastor and Clerk and their Post Office addresses. 3. The terms of regular services. 4. All church statistics for the current year. 5. Names and addresses of the responsible officers of all church organizations. 6. Article 6. The Officers of the Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer, and Historian, who shall be elected at each Annual Session and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next Annual Session unless removed for cause or until their successors are appointed.

Rules of Order

Article 7. The Moderator, or in his absence the Vice-Moderator, shall preside at all regular meetings. All officers shall faithfully discharge the duties usually pertaining to the office to which they have been elected.

(A) All business shall be conducted and all discussions shall be carried on in the manner prescribed in Roberts Parliamentary practice.

(B) The method of voting shall be by the will of the body.

(C) A simple majority shall prevail in all cases except as otherwise provided by this Constitution, provided: that any member may at any time call for a secret ballot or a roll call on a doubtful issue.

(D) A ruling by the presiding officer shall be final unless appeal be had from such ruling to the entire body present.

(E) A question having been decided twice by vote in the same attitude at regular sessions of the Association shall not be reintroduced except by consent of the body, expressed by a majority vote.

(F) The messengers of at least one fifth of the churches enrolled shall be necessary to constitute a forum.

Executive Promotion Committee

An executive Promotion Committee shall be appointed at each annual meeting of the Association composed of the Active Pastors and two members (preferably a man and a woman) from each church who shall act for the Association in the interim between its Annual Sessions. The duties of this Committee shall be to carry out the policies and will of the Association as so expressed, nor shall it take any action contravening the will of the Association, nor shall it initiate any new policy or practice binding upon the Association unless specifically so directed; provided: that in an adequate emergency it may take such action as it may deem necessary, but such action so taken shall in every case be submitted to the next meeting of the Association for appropriate consideration. It shall make a full and complete report of its activities at the next Association. It shall meet on the first Monday in each quarter at the time and place appointed for the meeting of the Buncombe Baptist Ministers Conference. The officers of this Committee shall be the officers (ex-officio) of the Association. The same ratio of churches represented as at the regular meetings of the Association shall be required to constitute a quorum for the transaction of business.

Adoption

This Constitution shall take effect immediately upon its adoption and shall supersede any and all constitutions previously adopted.

Revision

This Constitution may be immediately revised at any session of the Association by a vote of two-thirds of the messengers present or by a simple majority provided notice of such revision shall have been given at a previous annual session.

DUTIES OF STANDING COMMITTEES

1. The Committee on Committees:
The duty of this committee is to bring to the annual meeting of the Association a nomination of the personnel of the Standing Committees, to name committees on Resolutions, Reception of Churches, and Time, Place, and Preacher, and to nominate any other committees authorized unless otherwise provided for.

2. The Committee on The Cooperative Program:
This committee should explain the working of the Cooperative Program where it is not understood, encourage all the churches to be liberal in their gifts through this plan, and keep before the churches all the objects included in the program. A report of the committee's activities should be brought regularly to the Executive Promotion Committee.

3. The Committee on Evangelism:
This committee should seek to keep alive the fires of evangelism in all the meetings of all the organizations of the Association, encourage and help arrange, if necessary, evangelistic services in churches not reporting baptisms, and help provide evangelistic services in unchurchd sections within the bounds of the Association. Reports of work done should be made quarterly to the Executive Promotion Committee.

4. The Committee on Location of New Churches:
This committee should keep alert to any developments that may make a new church a necessity, advise with groups considering a new church about the necessity of such organization, and seek to encourage the best location possible of buildings when new churches are formed or when places of worship are moved. This committee should report its work to the Executive Promotion Committee and be prepared to bring recommendations to the Association about the reception of new churches.

5. The Committee on Ordinations:
This committee serves in an advisory capacity only. The committee should examine such candidates for the ministry as come before it as to their call and fitness for the Gospel Ministry and make recommendations as they feel led to the church of which one is a member about his being ordained and help plan and arrange for proper services of ordination when such assistance is needed. The Executive Promotion Committee should be informed regularly of the work of this committee.

6. The Orphanage Committee:
The work of this committee is to encourage and to assist our churches in their support to our North Carolina Baptist Orphanages. An effort should be made to encourage all the churches to have a systematic plan either by the once-a-month offering in the Sunday schools or an amount in the budget for this purpose. The Thanksgiving offering of cash or in produce should have the careful planning of this committee. Reports should be made to the Executive Promotion Committee regularly.

7. The Oteen Committee:

This committee should advise with the Chaplain of the Oteen Hospital about his work, seek to encourage the churches in support of this work, and do all possible to help provide the varied services needed on this field. Reports should be made regularly to the Executive Committee.

8. Committee on Pastorless Churches:

The work of this committee is and can be advisory only. This committee should encourage pastorless, part-time churches to form fields with pastors located as near the center as possible, assist churches when called upon or when there is an evident need, when such help is welcomed, to find most suitable pastors, and to serve as contact man for worthy men desiring to become pastors. A report of all work done should be made to the Executive Promotion Committee.

9. The Committee on Training:

This committee should encourage the churches to provide the best training possible for their present or prospective Sunday School officers and teachers, for members of the Training Union, and for members of other organizations to the end that our churches will be filled with trained and informed leaders and members. As it seems wise, plans should be made for simultaneous training schools in churches or for central training schools, and, when needed, help should be given in providing teachers for training schools. The Executive Promotion Committee should be kept informed about the work done by this committee.

10. The Committee on American Bible Society:

This committee should do what it can to encourage our churches and individuals to contribute to the work of the American Bible Society. The churches should be informed about the services of the Bible Society so they will want to share in this worthy work. The committee should keep that information before the churches. Regular reports should be made to the Executive Promotion Committee.

11. The Committee on Fellowship:

The work of this committee is advisory only, but it should stand ready to go to any church where the fellowship is endangered or disrupted and seek to apply healing oil to spiritual wounds to the end that our churches shall be united in Christian fellowship, and it should seek to prevent some church or group from being led away by an unscriptural hireling. Reports should be made regularly to the Executive Committee.

12. The Program Committee:

The duty of the Program Committee is to plan the program for the annual meeting of the Association and bring it to the Executive Committee meeting in July for discussion and approval. The committee should begin its work well in advance of the meeting of the Association and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Association.

13. The Committee on Ministers Retirement Plan:

This committee should seek to inform pastors and churches about the Ministers Retirement Plan and encourage both pastors and churches to cooperate in the plan. The committee can go before deacons in their meetings or to church conferences when invited and encourage participation in the plan; and when it seems wise or necessary, the committee may offer to explain the plan to pastors or churches where or when invitations for such services have not been received. In all cases the work of the committee is to offer helpful service in promoting this much-needed plan. Regular reports should be made to the Executive Promotion Committee.

RECORD OF PROCEEDINGS

TUESDAY, AUGUST 12, 1947

MORNING SESSION

1. The sixty-sixth annual session of the Buncombe Baptist Association opened at 9:45 Tuesday morning, August 12, 1947, at the Calvary Baptist Church with the congregation singing "Take The Name of Jesus With You," led by moderator A. P. Sprinkle with Mrs. O. V. Himes of the Calvary Church at the organ. W. B. Archer of the French Broad Avenue Church read Revelation 14:6-7 and led the prayer.

2. A count of the ordained ministers present and a roll call of the churches revealed that 40 ordained ministers were present and 54 of the 64 churches in the association were represented. Upon a motion made by M. A. Kizer of Weaverville that was duly seconded, the group present voted that the messengers and ordained ministers present constitute the body of the association and proceed with the business of the meeting.

3. Speaking for the committee on the Reception of New Churches, Tom E. Walters of Ridgecrest recommended that the Bald Mountain and Buckeye Churches, recently organized, be received into the association and their messengers granted seats in keeping with the regular plan for the reception of new churches. The recommendation was heartily accepted, and the two churches received a unanimous vote of welcome into the association.

4. The moderator called for the election of officers, and the following were chosen: Moderator, A. P. Sprinkle; Vice-Moderator, M. A. Kizer; Clerk, H. M. Hocutt; Treasurer, C. R. Browning, Jr.; and Historian, J. R. Owen.

5. The following visitors were recognized: P. L. Elliott, President of Gardner-Webb College; Mr. and Mrs. H. A. Snelson and Miss Pauline Snelson of the New Found Association; Mrs. Cook, St. Petersburg; and Earl Bradley, General Missionary of the North Carolina Convention.

6. Upon a motion made by Perry Morgan and seconded by Nane Starnes, the clerk was requested to send a message of love and greetings to Wayne W. Williams who is sick and unable to attend the meeting.

7. The following new pastors were invited to the front where they were recognized and given a cordial welcome into the fellowship by J. B. Grice: Everette Murray, White Rock; W. B. Archer, French Broad Avenue; H. D. Cohn, Spring Mountain; Coral Fowler, Buena Vista.

8. M. A. Kizer, chairman of the Program Committee, presented the program as prepared by the committee and approved by the Executive Committee, and upon a motion made by W. B. Archer that was duly seconded the program was adopted with such changes as it should become necessary to make.

9. The associational missionary gave his report and then introduced Miss Ethel Carter and Ernest Mehaffey, his summer helpers, who told of their work for the summer. The report was then adopted as follows:

ASSOCIATIONAL MISSIONARY'S REPORT

Our first word would be one of deep gratitude for the blessings of God upon us in our work and of sincere appreciation for the beautiful spirit of co-operation that has been manifested by the leaders in all our churches. Our one regret is that we have been unable to do more in this most challenging and glorious work of the Master. We

give below a few figures that give some indication of our work.

Bulletins, letters, and cards mailed	10,075
Training Union study courses taught	8
Sunday School study courses taught	4
Revivals assisted in	1
Stewardship Revivals	1
Churches visited on Sundays or on Wednesday nights	61
Sermons preached	86
Candidates Baptized	11
Associational meetings attended	44
Miles travelled	12,047
Full weeks of work done personally or planned for	32

One of the most interesting parts of our work has been the new or mission work that we have done or have had a part in. A little over a year ago the Sunday school was organized on Bald Mountain, and on the 27th of last October we organized a church there with nineteen charter members. Then on the last Sunday in 1946 a Sunday school was organized in Buckeye Cove, and on February 16th a church was organized there with twenty charter members. Both of these churches have made efforts toward securing and improving their places of worship. Both churches are giving to our denominational objects. A Vacation Bible School has been held in each of them this summer. Our good friends in both of these churches appreciate what the association has done for them, and they are seeking membership in this body. Another new work has been the mission at Anderson Cove. Miss Velda Whitaker helped us in getting this work started, and Miss Anna Mettz with some helpers is leading in it now. In this community a Sunday school was started in the fall. During this summer a revival meeting and a Vacation Bible School have been held, and on the 29th of June we baptized five fine young people there.

We would make special mention of our two helpers and what they have done during this summer. Miss Ethel Carter, a member of the Merrimon Avenue Church and a student last winter at the Southwestern Seminary, has given her full time for the last twelve weeks in the promotion of Vacation Bible School work. She has conducted ten schools, helped in the five clinics, and has helped to train other workers. She has been supported wholly by our association. Brother Ernest Mehaffey, a student at Mars Hill last winter and a native of Buncombe County, has been our general helper. His main support has come from the State Board with some support from the churches where he has worked. He has helped in Vacation Bible Schools, Training Union study courses, and assisted us in any way we have needed him. Then during the summer he has preached in two of our smaller churches and has visited the members of these churches and has done much to strengthen the work there. These two fine young people have done a total of twenty-four full weeks of work in our midst, and this work done by them is not included in the 32 weeks of work reported above.

On and on we could go, but it would be unwise to take the time here or the space in the minutes to record and to relate all the things we have tried to do. It would be impossible to recall all that we have done, and some of it should be told to no man. Some of the problems we have tried to solve should not be retold here, and the wounds we have tried to heal should not be opened again. Let the record of them be silent to man and known only to God.

In closing, let us say that we have not done all that needed to be done, nor have we done all that we wanted to do; but the best we could we have done all that our strength would permit. We ask your prayers that in the months to come we might do more.

Respectfully submitted,

H. M. HOCUTT, Missionary.

10. The treasurer's report was read by E. E. Wheeler and was adopted as read.

11. W. E. Walker read the report on Christian Education and introduced Horace Easom who spoke at length about the progress being made in the campaign to raise $1,500,000.00 for the enlargement and relocation of the Wake Forest plant at Winston-Salem. Mr. Easom suggested a goal of $65,000.00 for the churches of the Buncombe association. He stated that the First Church of Asheville had already pledged $25,000.00 for this purpose. Upon a motion made by Nane Starnes, the association voted tentatively to accept the goal of $65,000.00 suggested by Mr. Easom, and W. Perry Crouch was made chairman of a committee to make plans to raise this amount. Other members on the committee are Nane Starnes, Jack Bagwell, H. M. Hocutt, J. H. Smith, Carl Mauney, Perry Morgan, Burgin Pennell, William Duckworth, and H. W. Baucom. After this discussion, the report read by Mr. Walker was adopted.

CHRISTIAN EDUCATION

The subject of Christian Education is entirely too big to be discussed in such a brief report. Therefore, it may be well to consider this subject largely as it relates to this state and as it is promoted through the Baptist Schools of this state.

The Baptist people of North Carolina have long been interested in Christian Education, with the emphasis on Christian. Dr. William Louis Poteat tells us that, "Christian Education is Christianity operating in the field of enlightenment." The most pressing needs for Chrsitian schools was to provide an educated ministry, but it was soon apparent that we needed an educated laity as well to support and stand by the minister in his work; and from that conviction there arose a demand for Christian schools for all the young converts. Today we point with pride to our Christian schools: Wake Forest, Mars Hill, Meredith, Campbell, Gardner-Webb, and Wingate. As we look at these great schools and the fine work that is being done, we are happy to report that North Carolina Baptists have made some progress in the matter of Christian Education.

As we view the future we feel that several conditions are true. Never in the history of the world has Christian Education been needed more than it is today. Conditions in the world today are very serious and so far as we can find there is no hope for the world apart from Christ and His Program and Christian Education is a vital part of that Program. Moreover the young men and women who are in the schools today will be the leaders of tomorrow. This indicates the opportunity and tremendous responsibility which is resting upon our Christian schools.

We believe that the instittuions ought to remain true to the ideals for which they were founded and have been supported throughout the years. That our schools must remain Christian in reality as well as in name. Anything less than that will mean to be unfaithful to the very purpose for which they were founded and will endanger their future.

If these schools are to continue to function in a way that will be worthy of Christ and North Carolina Baptists, they must have our full and liberal support. We can help these institutions by sending our boys and girls to them. Then too, we can give our money to them. If our Baptist People wish to control and maintain these schools then they are under the absolute necessity of supporting them. We have a right to ask a great deal of them, but we have no right to ask much of them and give little to them.

Respectfully submitted,

W. E. WALKER.

12. The following visitors who had come in after the meeting began were recognized: Claude Gaddy, Secretary of the Council of Christian Education for the North Carolina Baptist State Convention; S. L. Blanton, Professor of Bible at Wake Forest College; James Ray, Secretary of Student work in North Carolina; Edwin Perry of Rockingham; L. E. M. Freeman, Professor of Bible at Meredith College; Paul Lovingood, the new pastor at Fairview; Rev. and Mrs. Bascom Hensley of the Scotts Creek Church in Jackson County; J. B. Hipps, recently returned from China; Mr. and Mrs. J. E. Burkhart of the Union Association, Houston, Texas; and I. Stewart McElroy of the American Bible Society. Mr. McElroy was given ten minutes to speak on the work being done by the Bible Society.

13. The moderator announced that the committee on time, place, and preacher would consist of C. F. Rogers, Ray Linville, and Ernest Bartlett.

14. The Introductory Sermon. Mrs. J. H. Smith, wife of the pastor of the Reed Memorial Church, sang "Jesus Lover of My Soul," accompanied by Mrs. O. V. Himes at the organ. Due to the absence of Carl G. Mauney, who was unable to be present because of sickness, Jack Bagwell of the Mt. Carmel Church preached the introductory sermon. He read portions of the sixth chapter of Matthew and spoke on "Christian Motives." The morning session closed with prayer by Mr. Bagwell.

TUESDAY AFTERNOON SESSION

15. The moderator opened the Tuesday afternoon session promptly at 1:30 by leading the congregation in singing "Am I A Soldier of The Cross?" with Mrs. Himes at the organ. Neils H. Larsen of the Riverside Church read part of the eighth chapter of Romans and led in prayer.

16. At the suggestion of M. A. Kizer, chairman of the Program committee, the program for Wednesday was changed to give Nane Starnes a place during the morning to speak on Public Morals and to give J. B. Hipps time during the afternoon to speak on China. Mr. Hipps has just returned from China.

17. The Training Union report was given by Miss Ruth Martin, and it was adopted after it had been discussed by John K. Durst.

TRAINING UNION REPORT

Buncombe Association has taken the lead in a number of its works, and the Training Union is one of its progressive departments. The pulse of interest in the Training Union is quickening and during the past year we have several new organizations throughout the association. It is fitting that appreciation be expressed to Mr. Hocutt, our missionary, for his fine work with the Training Union, to Mrs. Patton Kolb who led the Training Union during her months here in Asheville, and to Mrs. Paunee Byrd who took over in such a fine way when Mrs. Kolb left us.

One of the best increases in the Training Union work has been in study courses and study course awards during the past year. One half of our churches now have a Training Union in their church plan of work. There is a field of challenge to us as long as there is a single church without a Training Union in Buncombe Association. What finer mission project could a church sponsor, could a Training Union give help as well as inspiration to itself, than to go into another church and organize a Training Union? Then help the new organization in organization, in study courses, and through prayerful interest until it is strong enough to train workers for its own church program of work. We challenge each Training Union in this Association to find a church without a Training Union and help organize one.

Perhaps one of the proudest moments of our Training Union was when Miss Janet Harris of Beaverdam Baptist Church won the Better Speaker's Tournament, not only in the Region but also in the state of North Carolina. Buncombe also had representatives in each of the Tournaments at the Region and several in the state Junior Memory Work Drill and one in the Better Bible Reading Tournament at Ridgecrest. Also Buncombe can be proud of the fact that this past year one choir participated in the Hymn Festival, and was eligible to go to the Region and to Ridgecrest. This is a phase of our tournaments open to all churches and it is hoped that many churches will avail themselves of the privilege during the new year.

During the year three associational wide meetings were held and the district leaders held one meeting. A large Rally Meeting was held at Calvary Baptist Church during December.

The slate of officers has not been completed but will be completed in the near future.

I. RUTH MARTIN.

18. John L. Lawrence, associational Sunday School Superintendent, read the report on Sunday Schools and called upon H. M. Hocutt to discuss what had been done in the Vacation Bible School work for the summer. After this discussion the report was adopted.

SUNDAY SCHOOL REPORT OF BUNCOMBE BAPTIST ASSOCIATION

Sunday school work of the Buncombe Association has made real progress during the past year.

Enrollment and attendance has increased on every hand, additional space has been provided, training schools and clinics have been held for teachers and officers and wtih both Ridgecrest and Fruitland nearby, the outlook is most encouraging.

It has been the privilege of your General Associational Sunday School Superintendent to visit more than fifty per cent of our churches during the past year and he has been thrilled with the progress and plans of these churches—remodeled buildings, additional class rooms, yes, even new church buildings and educational plants. He plans to visit the remaining number during the coming year and I am sure he will be equally thrilled at their plans and progress.

Our regular monthly meetings of the Sunday school association have been held the first Sunday afternoon of each month with good attendance. The Oakley and New Bridge Sunday schools had the largest attendance at these meetings during the year. The Group Superintendents are working to have a representative from each and every church of the association at these monthly meetings. It was voted at our last October meeting that these monthly meetings would be rotated to meet in the five districts or groups of churches. During the past year these meetings have been held in the following churches: Oteen, Weaverville, Liberty, Hominy, Mt. Carmel, Merrimon Ave., Swannanoa, First church, West Asheville, Craven Street, Elk Mountain and Ridgecrest.

The theme for our work in 1946 was "A Century for Christ" and our theme for 1947 is "Advancing with Christ." In presenting our program of work to the churches of our association, much planning and work was done. Last October two of our workers spent a week attending a clinic in Sanford, North Carolina. In December about eight of our associational officers attended our State Planning Meeting in Morganton. Plans were made to hold simultaneous meetings in each association on Tuesday night, Jan. 21st. Our meeting was held at the First church with more than 300 present from 32 of our churches. In connection with this meeting some 20 teams of three or more workers each were elected to visit the churches of our association during February and help them plan their work for 1947. These teams are to be commended for the fine work which they did. A harvest of

good will result in the years to come in the churches visited by these teams. These teams have been asked to revisit their churches during September and make a report at our October meeting.

We have been increasing the number of D. V. B. Schools held for several years. Last year 37 schools were reported with an enrollment far above 3000. We feel sure the number of schools this year will exceed 45. Rev. C. F. Rogers, our Associational Supt. of D. V. B. S. and Rev. H. M. Hocutt, our Associational Missionary have achieved marvelous results in this field of work and it is hoped that soon we will have a school in each and every church in our association The good accomplished in these schools will be seen in the years to come in our churches. This number of schools held this year was not held without much planning, prayer and work—reports of church planning meetings in February were studied, literature was distributed, clinics were held, workers were secured, etc.

Rev. M. A. Kiser, Supt. of Training has promoted and encouraged training for our officers and teachers. In this connection a Better Bible Teachers' Clinic was held last April at the First Church with a splendid attendance of workers from our churches.

In January of this year the magazines of the Cradle Roll and Extension Departments were combined in the one Magazine "Home." This new magazine is without equal for value and should be placed in every Baptist home in our Southland. We are indeed indebted to our Sunday school board for the fine literature made available for our use. We should encourage good reading among our people.

The reports from our churches during the past year have been most encouraging but there are thousands not yet enrolled in anybody's Sunday school, who are unsaved and lost. We must still seek to enlarge our field of service with more class rooms, more teachers, more Cradle Roll Departments, more Nursery Depts., and more Extension Departments. The great commission "Go" is our task until the last one has been reached for Christ.

J. L. LAWRENCE.

19. Mrs. Tom E. Walters of Ridgecrest, Superintendent of the Associational Woman's Missionary Union, read and discussed her report. The report was then adopted as follows:

WOMAN'S MISSIONARY UNION

We feel that the women's work of our association is making slow but sure progress. Our slate of officers is made up of a splendid group of consecrated women who are willing to work. The annual meeting was held in the Black Mountain church on April 22. All phases of the work were discussed. Miss Bertha Smith from China challenged the group as she pictured great groups around the world reaching out after something to satisfy hungry souls. Their heart hunger can be satisfied only by Jesus Christ. Our aim is to reach that last woman and young person in this association that they may all feel the great desire and urge to give the whole gospel to the whole world. We are glad to report 40 W. M. S., an increase of 4 over last year. Our young people's organizations in the local churches have lost 15. This indicates that somebody is not willing to lead our fine young people in this great time of opportunity and crisis.

The total amount given this year to the cooperative program was $14,140.89. The amount given through special offering was $11,477.18, making a grand total of $25,619.07.

We have not begun to touch the needs of our work in this association. The great people of the Buncombe are like the sleeping princess awaiting the touch of a living hand. We have in our reach the power of Christ, the leadership of His Holy Spirit to make this association a mighty power in extending God's kingdom to its remotest corners and to the confines of the earth. Let us awake to the task before it is too late.

Respectfully submitted,
MRS. TOM E. WALTERS,
Supt. Buncombe W. M. U.

20. A special message on "Tithing and Stewardship" was brought by C. D. Bessinger, pastor of the Calvary Church. Upon a motion made by M. A. Kizer, the association voted to designate the first Sunday in October as Enlistment Day and to urge all pastors to preach on tithing and stewardhsip during the last three months of the year. This move is in keeping with the purpose of the Southern Baptist Convention to encourage tithing during the last htree months of this year.

21. Don C. Young, President of the North Carolina Baptist Brotherhood work, read the Brotherhood report. After a discussion by Harry R. Logan and Perry Morgan, the report was adopted.

REPORT ON BAPTIST BROTHERHOOD

Since our Associational Meeting last year significant things have happened in the Brotherhood work in North Carolina.

Our Associational Brotherhood called a meeting of the Baptist men of North Carolina to meet in conjunction with the State Convention here last November. After an inspirational program, it was unanimously decided to set up a State Brotherhood Organization. The following officers were elected:

President: Don C. Young—Asheville, N. C.

Vice-President: Thomas P. Pruitt—Hickory, N. C.

Sec.-Treas.: Charles R. Browning—Asheville, N. C.

Soon thereafter the officers agreed that the first objective was to secure a State Executive Secretary. We felt that we could not accomplish much in the State until some competent person was devoting full time to the work. The General Board at its first meeting in 1947 selected Horace Easom, of the Shelby First Church, as Foundation and Brotherhood Secretary of North Carolina. However, his work as such not to commence until the completion of his work among our churches in connection with the financial program for Wake Forest College. He is the proper man for the work and will accomplish wonderful results among our men. Pending his installation as such Secretary, we want to be preparing the ground work. To that end, we are planning a state-wide meeting of men in the latter part of September at some central location. We ask that each Church in the Association send men to this meeting.

Since our last annual meeting three new brotherhoods have been organized in three churches of our Association. We have held regular quarterly meetings. Our organization is still in its infancy, but we believe the next few years will show great progress. If you do not have a Brotherhood in your church, will you not here and now decide to organize one in the near future.

Respectfully submitted,

DON. C. YOUNG.

22. The closing message of the afternoon was brought by Miss Mary Herring, missionary to China. Miss Herring spoke of the need of greater consecration on the part of the members of our churches. She centered her message around Zechariah 4:6, "Not by might, nor by power, but by my spirit, saith the Lord of hosts." Following Miss Herring's message, the meeting adjourned with prayer by Riley M. Corn of the Long's Chapel Church.

WEDNESDAY MORNING SESSION

23. The session opened at 10:00 on Wednesday morning with the moderator leading the congregation in singing "Rescue The Perishing." Mrs. O. V. Himes was at the organ. John A. Cox of the Emmanuel Church read the 13th chapter of First Corinthians and led in prayer.

24. The following visitors were recognized: W. C. Reed of the Kennedy Home, C. A. Rhyne of Salisbury, M. H. Kendall of Mars Hill, J. N. Bowman of Roxboro, and Hubert J. Mountain of the Pittsburgh Association in Pa.

25. The Orphanage report was read by E. E. Wheeler and discussed by W. C. Reed of the Kennedy Home. The report was then adopted.

ORPHANAGE REPORT

The same **watchful** eye of the Savior who cares for each one of us night and day thru our lives, is the **observing eye** that noted the gifts given to the treasury of the Lord, when the poor widow gave more than they all.

The infallible way to value life is to note its fruits, as its justification in living, so as we review our Orphanage year just closing we must estimate its value to each church by the interest manifested in its life by the fruits yielded into the orphanage treasury from the individual churches of our Association, then we would say, a church that gave to this cause, dear to the heart of God, **more** this year than last year, shows development and added interest in that cause of which James wrote "PURE RELIGION AND UNDEFILED BEFORE GOD AND THE FATHER IS THIS, TO VISIT THE FATHERLESS AND WIDOW IN THEIR AFFLICTION, AND TO KEEP HIMSELF UNSPOTTED FROM THE WORLD."

Our Buncombe Baptists fall into three groups, the first are on the honor roll of the orphanage, these are they that showed **more** interest this year than last, and increased their gifts to God's dependent underprivileged children, forty two churches are in this group, all honor to these churches.

There was one lone church which gave no more than last year, but just the same amount, there were twenty two churches giving less than last year. We urge their leaders to watch and see if self-interest, or the lack of love for others has made their temperature show an unhealthy condition. There were seven churches which took no interest in these little children, and gave nothing.

Last year our yearly gifts aggregated $10,348.59 whereas this year we gave $10,586.52, which shows Buncombe Baptists are still normal and growing in grace, due to these noble 42.

Our orphanage is a credit to our denomination, they bring little children to Jesus, as he said "Suffer the little children to come unto me."

The two homes known as Mills home and Kennedy home, like all of us, are finding the cost of living in excess of former years, their industry has to a measure offset this, as they have by their own labor produced during the last year: 2,670 bu. barley, 5,207 bu. oats, 7,725 bu. corn, 49,018 lbs. hog meat, 27,740 dozen eggs, 76,002 gals. milk.

Besides this they have produced sufficient crops of vegetables from the tilling of the soil, to supply the growing children's needs, converting into strength for the future manhood and womanhood the necessary physical equipment.

Charity & Children, the paper edited and printed by the children of Mills home, is having increased circulation, now 36,000. Many a boy leaves the home, resolutely facing life with a feeling he is capable, thanks to the orphanage, of rendering an acceptable service as one taught in the printing presses of Mills Home.

Case work has been made available to 1,203 children, at last reports, applications awaiting further service of 212 children.

All parents know children are destructive to any buildings they occupy, many little feet wear out floors, carpets, dining room equipment, kitchen furnishings, indeed growing life is active. Repairs are a necessity, during the war years little could be done, the demand now becomes most urgent.

You will want to know: in each of the homes an ordained minister who, besides his duties as the spiritual leader, is trained especially to conduct all athletic activities, blends these duties to bring into manhood and womanhood strong spiritual and physical bodies.

THE SPIRITUAL LIFE IN BOTH HOMES IS THE MOST POSITIVE INFLUENCE IN THE LIVES OF BOYS AND GIRLS.

The Mills Home has a splendid band, and all types of music is built in the lives of growing children.

Your committee urges each Church of Buncombe County to invest in God's garden of growing life, where your investment brings a hundred fold, in the years ahead, knowing He knows and cares, and his eye is on our treasury, as it is invested.

Respectfully submitted,
Orphanage Committee,
H. W. BATEMAN,
MRS. J. O. CRENSHAW,
T. S. HENDERSON,
E. E. WHEELER, Chmn.

26. The report on the American Bible Society was read by Charles Jollay and was adopted without discussion since Mr. McElroy had discussed the work of the Society on Tuesday.

AMERICAN BIBLE SOCIETY REPORT

God has said through the Psalmist: "The entrance of thy word giveth light; it giveth understanding to the simple." Ps. 119:130). Therefore, since Christians are the only people who have His word, it is an imperative duty and privilege of every Christian to have a part in giving this source of light and understanding to a world which is shrouded "in gross darkness." Surely this statement is evident without further enlargement in this report. Only one or two outstanding examples of need will be pointed out to challenge our interest and demand our response.

Japan presents the greatest challenge of any nation on earth today because of the drastic change in the political and the religious philosophies of life which have been forced upon its people. Their Emperor has disillusioned them in regard to his divine appointment and now they are without even an imaginary god whom they can seek in times of distress. In the words of a prominent Japanese of Nagano: "Japan today has no religion left that is a religion. I am not a Christian, but I believe that only Christ can teach the people to live right and lead the nation into ways of righteousness." General MacArthur wrote a leading churchman in America that in Japan today Christianity has an opportunity "Without counterpart since the birth of Christ."

An obligation of such giant proportions cannot be met by individuals or churches working separately. We therefore urge cooperative, continuous and liberal support, by individuals and churches, of the only organization which is dedicated wholly to this great task. We refer to the American Bible Society, organized in 1816, with a branch office in the Central Bank Building, Richmond (19) Virginia. This Society is a non-profit organization. It is the recognized agency of 40 denominations in this field of service.

Representatives of the Bible Societies of Europe, Great Britain and America met and studied carefully the world's Scripture needs totaling 20,000,000 Bibles and 40,000,000 Testaments and decided that the American Bible Society should undertake to supply 6,500,000 volumes this year, at a cost of $1,422,012. This is God's appointed hour of opportunity for each church to support a worthy cause through a noble organization, the American Bible Society.

Respectfully submitted,
CHARLES JOLLAY.

27. The report on Public Morals was read and discussed by Nane Starnes. Mr. R. M. Hauss of the Allied Church League was recognized and given five minutes. After his remarks on the liquor question, the report was adopted.

PUBLIC MORALS

We are citizens of two worlds. We are citizens of the Kingdom of heaven, and we are to be working in the interest of that kingdom, but we are also citizens of this world, and we ought to be good citizens here, too. Jesus said, "Ye are the salt of the earth." I take it that statement means essentially two things: You are to save the world from moral decay as salt is to meat, then you are to give taste and meaning to life.

How would you like to live where there were no churches, no Christians to give strength and character to people, no preaching to open God's Word to show the way of right and true. Well you might as well not have churches if those churches do not stand for the **right,** if the preachers do not preach the **truth** with **courage,** if when life and souls are at stake the preacher and church does not step out strongly and vigorously for God and right and let the chips fall where they will. On the subject of Public Morals much could be said on a variety of subjects, but because we have a definite issue before us now I will deal with it alone. Before this Association meets again the city of Asheville will vote on moving liquor stores on to our main streets to add to the sale of the bootlegger.

Before I deal with that subject directly let me pay my respects to our so called statesmen who by hook and crook slipped the legislation without discussion through the legislature in its last hours that robbed you people who do not live in the city of the chance of voting on the matter. Liquor sold in Asheville is just as much a curse to Enka or Beaverdam as if it was sold at your door, and yet you have been cheated out of the right to vote on the matter. We preachers are careful not to get into politics or to champion candidates. But when represenatives of the people pull that kind of treachery on the people who sent them there I believe it behooves the preacher to denounce them.

We are going to have an election on selling liquor on Asheville's main streets—Why? Is it because those who drink are clamoring for it? Well some of them are, but you know and I know the crowd that is pushing this issue are those who want to cash in on the liquor business. We can win this election, but if we do remember who you've got to beat:

1. The liquor interest. How much can they afford to pay to get the chance to glorify and parade their product before the multitude on Main Street?

2. Newspapers—16 ads in one Richmond paper valued at $300.00 or $108,000 per year. Do you think the papers will go all out to put them here?

3. Wealthy tax payers—They would life the tax burden from their shoulders and put it on the poor guy who they can help entice to drink liquor maybe to the damnation of his own life and soul.

4. Politicians—Those who love money more than people. Look what a tool for jobs, more money to handle.

I come to call on you to put all you have in the fight against ABC stores in Asheville. It will take all the fight we have.

1. The question is more liquor or less liquor. Let us know that we will flood the town with liquor by ABC stores. More outlets simply mean more liquor.

2. It is an effort to make liquor respectable—from bootlegger to white collar—off alley to main street. You can't make liquor or a rattlesnake respectable.

Who is going to drink it?—Foreigners?—other people's children? No, your children, break your heart, your home.

Mr. Greer said we have 28 children in the Orphanage whose fathers killed their mothers being drunk, 12 waiting, and 148 where homes were broken by drink.

Respectfully submitted,

NANE STARNES.

28. Miss Sallie McCracken of the Mills Home at Thomasville was recognized. She is sister to Mrs. W. S. Johnson.

29. The report on Christian Literature was read by Glyn Bolch. He introduced Earl Bradley of Raleigh who spoke on the "Biblical Recorder." Then M. H. Kendall of Mars Hill spoke on the progress at Mars Hill and of Chhristian Education in general. Following this discussion the report was adopted.

REPORT ON CHRISTIAN LITERATURE

The problem of what to read isn't as simple now as it was a few generations ago when the chief literature consisted of the Bible and PILGRIM'S PROGRESS. We might be nearer God if this were still true; but since that time a great flood of unmoral, immoral, and un-Christian printed matter (I cannot call it literature) has been thrust upon the American people, and is wrecking and damning many lives and homes. The urgency for selective reading is more insistent than ever before since even our own book stores sell religious books that strike at the very heart of the faith of our fathers and God's Word. Unless we place literature that is thoroughly Christian before our children, the center, circumference, and embodiment of all Christian literature, the Bible, will cease to be their guide and stay in life.

Our problm is not that the flood of obscene, wicked, and unchristian reading matter has caused a famine of Christian literature, for there is an abundance of the best. I submit the problem as three-fold: First, to select the genuinely Christian literature from the religious and pious which will quench spiritual fires and sabotage the soul; second, to make this Christian literature available to all; and third, to create a taste and love for the best.

The solution lies in the making of God's Word the center of daily home reading and study along with the regular use of church, Sunday School, Training Union, and Woman's Missionary Union literature. Many churches supplement these materials with a well-selected library, which would be fine for every church to have. Then, there is the Biblical Recorder which may be provided for each home for less than two cents per week by the every-family plan, or at $1.50 per year with the club plan, or $2.00 per year as individual subscriptions.

Our latest edition from the Sunday School Board is the attractive and interesting "Home Life" magazine which is designed to meet definite needs for every member of the famliy. Any home or community can be lifted morally and spiritually by providing "Home Life" for it. The cost is small compared with the bigness of the blessing: 30c quarterly bulk shipments to one address or $1.50 individual subscriptions.

May God who gave us His masterpiece of literature help us to make greater, wiser, and more thorough use of the Christian literature available to us in order that there may be mightier and holier Christian character in future generations

Respectfully submitted,
G. GLYNN BOLCH.

30. The report on the Co-operative Program was brought by O. L. McGinnis and was discussed by Dr. Earl Bradley, General Missionary of the North Carolina Baptist State Convention. The report was then adopted.

THE BAPTIST COOPERATIVE PROGRAM

A question that is often raised by the membership of our churches is what is the Baptist Cooperative Program, and how does it operate? It is a good question, and those who ask it are sincerely desirous of knowing the truth about the whole matter.

First of all let us make a distinction between the **Baptist** Program and the **Cooperative** Program; a better term would be **The Cooperative Plan.**

Our Baptist Program comes out of the New Testament. (See in particular Luke 4:16-30 and Luke 7:17-23.) In short, as church members it is our business to carry on the work that Jesus began, acting both individually and collectively. There is much we can and ought to do as individuals; there is more we can and ought to do as we cooperate with other Baptists in our own church and in other churches. Only a few in our churches are called to full time Christian service, whether it be mission work, work with the orphanages, work in the hospitals, or work in the schools; but all of us can share in the promotion of these agencies by putting into practice the New Testament principle of Christian stewardship. When, therefore, we work with others, in providing support for these agencies we are in a cooperative plan.

Again, what the church budget is to the local church the Cooperative program, or Plan, is to the denomination as a whole. For example, a church adopts a budget which sets forth the needs of each object to be supported, such as the pastor, the building expansion and upkeep, and the various other items in the local church budget. As a part of that budget a missionary church will provide a certain percentage of the total budget for the support of the objects of the State convention and the Southern Convention. The percentage of the total allocated to the objects of the two conventions goes **through** the Cooperative Program, or Plan, to the objects which are cherished and supported.

But whether it be the budget of the local church or the Cooperative Plan of the Convention, neither can be properly supported unless the people bring their tithes and offerings into the treasury of the church. Figuratively speaking, one does not give **to** the church budget or **to** the Cooperative Program. Rather one gives **through** these means or channels. In other words it will be well if one in thinking about these matters thinks in the following terms: One brings his tithes and offerings **to** the Lord, places them **in** the treasury of the church, and these tithes and offerings are used for Kingdom purposes at home and abroad.

Suppose the people in a church pledge to bring, and do bring, a total of $10,000 during the year. (Last year the churches in North Carolina brought in this way around $12,000,000.) The church decides that it requires $7,000 of this amount to carry on the work of the local church, leaving $3,000 to be sent through the Baptist Cooperative Program. When this $3,000 is received at the Convention office marked "Cooperative Program" it is divided on a percentage basis. That percentage basis for the year 1947 is as follows:

	Per Cent	
For Objects of the State Convention		
State Missions	13	
Hospital	7	
Christian Education (Colleges)	30	
Total		50
For Objects of the Southern Convention		
Foreign Missions	23	
Home Missions	9	
Seminaries	8.5	
W. M. U. Training School	.5	
Relief and Annuity Board	7.5	
Radio Committee	.95	
Baptist Brotherhood	.5	
Southern Baptist Hospital	.05	
Total		50
		100%

This is the way the plan works both in the local church and in the Convention program. We get the Baptist program from the New Testament; we get the budget plan and our Cooperative Program by using our good sense. Through experience both have proven their worth. Such was not the case twenty years ago, but it is true now, and one wonders why our Baptist people did not get to this plan long, long ago. Of course money that is marked for a special purpose, or object, goes directly as designated. It is the Undesignated Cooperative Program that we are thinking of here.

Now for this year it is hoped that scores of church members will avail themselves of the privilege of becoming tithers, and that week by week they will bring their tithes and offerings into the treasury of the churches. A special effort is being made this fall, and the goal for the Southern Baptist Convention is ONE MILLION TITHERS. That means that North Carolina must reach ONE HUNDRED THOUSAND. It is estimated that at present we have around thirty-five thousand tithers in the State. Thus we have a long way to go if we reach the goal.

We have the program, and we have the plan, coming out of the New Testament and out of experience. It remains for each church member, as a good steward, to commit himself or herself to the principle of tithing. Only in this way can the church budget and the Cooperative Plan be properly supported.

Now finally, the following appeal is made to the churches as a plan for work in 1948:

1. Let each church, no matter how small, see to it that at least 25% of all the money brought into the church is sent to the objects of the Convention.
2. Let churches of 250 to 500 members send at least 33 1/3%.
3. Let churches of 500 and more send at least 50%.

These gifts from the churches sent **through** the Cooperative Program will be used for the support of world missions, Christian education, hospitals, seminaries, aged ministers, and all the other things that are supported through our offerings.

O. L. McGINNIS.

31. C. D. Bessinger spoke of the report on Public Morals and then made a motion that a committee consisting of Nane Starnes, G. Carlton Cox, and C. F. Rogers be authorized to draw up resolutions to be read at the afternoon session suggesting to the churches what they can do to combat the liquor evil both inside and outside our local churches. Since Nane Starnes could not serve due to being called away for a funeral, J. B. Grice was named in his place as chairman, and the committee was duly appointed.

32. As chairman of the Mission Committee, Nane Starnes requested the association to put $75.00 from the New Church Fund in the budget at the disposal of the Bald Mountain Church for improvements. Then he requested the association to give the Missions Committee authority to provide such office equipment as the missionary needs for his work. Both these requests were granted.

33. It was reported that C. R. Browning would be unable to serve as treasurer because of his being out of town so much, and A. J. Buckner of Chunn's Cove was elected in his place.

34. The Missionary Sermon. The congregation stood and sang "Jesus Shall Reign" led by Carl G. Mauney. Guy Funderburk read some portions of Scripture from the book of Romans. Then M. D. Smith of the Hominy Church preached the missionary sermon on "God's Love For A Lost World," using John 3:16 as a text. The morning session closed with prayer by Mr. Smith.

WEDNESDAY AFTERNOON SESSION

35. The Wednesday afternoon session began at 1:30 with the singing of "We've A Story To Tell To The Nations." Mrs. J. H. Smith, wife of the pastor of Reed Memorial, led the music, and Mrs. O. V. Himes played the organ. C. D. Harron read part of the second chapter of Hebrews and led in prayer.

36. The report on the Baptist Hospital was read by A. J. Buckner and discussed by W. K. McKee from the Hospital. The report was then adopted.

BAPTIST HOSPITAL REPORT

Marvelous indeed has been the growth and development of our Baptist Hospital. This institution, incorporated just 25 years ago, has developed into one of the greatest medical centers in our country, and is one of the top ranking hospitals in the caliber of its work in the nation. The undergirding principle of the hospital is the three-fold ministry of Christ, namely, witnessing, teaching and healing. Under the leadership of Dr. W. K. McGee spiritual emphasis is kept in the forefront at every turn. Regular services are held with the faculty and employees, and all patients are systematically visited.

Under the ministry of teaching a fully approved school of nursing is being operated with a present enrollment of 120 young ladies. Included in the curriculum is a course in Bible taught by the chaplain. Other schools operated by the hospital are: one of graduate Dietetics, one of Laboratory Technology, one of X-Ray Technology and one of Anesthesia.

In addition to all of these, the hospital works in full cooperation with the Bowman Gray Medical School which is a part of Wake Forest College.

Under the ministry of healing, the hospital has become the greatest dispenser of charity service of any denominationally controlled instittuion in the south. Last year 8000 bed patients were admitted. Of this number more than 400 were entered as service patients paying no doctor bill at all, and in many cases paying only part or nothing on the hospital bill. The total cost to the hospital for free services rendered last year was $159,115.47. This was made possible by Baptist contributions and the Duke Endowment.

On July 1, 1946 a $250,000.00 out patient diagnostic clinic was opened for the purpose of extending the service beyond the number that could be admitted to the hospital. This clinic has proved to be of untold value in helping doctors over the state arrive at a complete diagnosis who do not have access to such facilities as those of the hospital.

Last year 20,000 were examined by this clinic who paid only a $5.00 registration fee, another 20,000 who were able to pay full fee. These plus the 8000 admitted as bed patients make a grand total of 48,000 examined by the clinics.

In order to further extend the service and admit many of the hundreds now being turned away plans are under way to relocate and enlarge the hospital. To this end we should work and pray.

The committee recommends that greater stress be put on the Mothers Day offering in order that more people can be helped who are unable to pay.

Respectfully submitted,

A. J. BUCKNER.

37. The association was favored with a special message by J. B. Hipps who has just returned from China. He said that the effect of the war in China had created a very unsettled condition but that there has never been a greater opportunity for Christian work in China than today.

38. The report on the Ministers' Retirement Plan was read by G. Carlton Cox and was discussed by J. B. Grice who is receiving benefits from the plan. Moderator Sprinkle added some comments, and the report was adopted.

REPORT ON THE MINISTERS RETIREMENT PLAN

The Ministers Retirement Plan of The Southern Baptist Convention, offers a new day in financial security, to any, and to all of The Southern Baptist preachers who avail themselves of the wonderful opportuntiy to participate in The Ministers Retirement Plan and The Widows Supplemental Annuity Plan, which is presented to them as a good and great gift from God, through Southern Baptist.

In the several annuity plans of The Relief and Annuity Board of The Southern Baptist Convention, there are now enrolled some 13,000 ministers and other persons employed in denominational service. At this moment there are approximately 2,000 monthly beneficiaries of these plans: retired ministers, and sick ministers, and widows of ministers, and returned missionaries, and other denominational workers, some of whom are members of our own Buncombe Association. There are fourteen retired ministers and missionaries whose church membership is in our Buncombe Association, nine of whom are receiving checks monthly from the Relief and Annuity Board.

In The Baptist State Convention of North Carolina, there are 763 churches and their pastors, who are participating and co-operating in The Ministers Retirement Plan. Forty-five ministers and ten widows in our State Convention receive a check each month from our Relief and Annuity Board!

In our Buncombe Association there are fourteen churches and their pastors participating and co-operating in The Ministers Retirement Plan, as follows: First, Biltmore, Calvary, Emmanuel, Enka, French Broad Avenue, Merrimon Avenue, Mt. Carmel, New Morgan Hill, Reed Memorial, Ridgecrest, Swannanoa, West Asheville, White Rock, Weaverville, and Craven Street Churches.

What a great day it will be for Southern Baptists and for North Carolina Baptists and for Buncombe Baptists and for God, when all the churches and all the pastors co-operate in heart and soul, in this God-given, worthy cause, and in our entire denominational program!

Respectfully submitted,
G. CARLTON COX.

39. The historian's report was read by J. B. Grice. Before the report was adopted, the clerk stated that he had information about the organization of the Buncombe Association, and he would like to put that information in the minutes just following the historian's report. The report was adopted as read.

HISTORIAN'S REPORT

As we meet in this, the Sixty-Sixth Annual Session of the Buncombe Association we find but little change in the economic situation in our country as compared with a year ago. Almost all of the necessities of life are higher than they have been at any time within the past seven years. However, there is almost a corresponding rate of income. But in spite of that fact there is a constant agitation and unrest in the ranks of labor.

The Executive Promotion Committee held its fourth quarterly meeting on Monday, July 7th at which time reports were heard on the expanding work of our Association.

The pastors of the Association held their sixth revival and Bible study beginning on Monday, February 17th, closing on Friday, 21st. These meetings were held at the First Baptist Church and were led by Miss Mary Herring.

The Association will have forty-five or more Vacation Bible Schools this summer which is the largest number in the history of our Association.

Many of our churches have made improvements on their buildings during the year while others have begun the construction of new bulidings. On July 14th the West Asheville Church held their ground-breaking ceremonies to begin the construction of a brick auditorium to replace the present frame structure. The Newbridge Church added rooms and made other improvements at a cost of $2,414.55.

The Deaver View Church has purchased a lot and about completed their pastor's home at a cost of $8,000.00. They have also purchased a bus to transport people to and from church.

About the usual number of pastoral changes were made during the year. H. W. Baucom resigned as pastor of the Black Mountain Church and was succeeded by Wilber A. Honeycutt, to begin about September 1st. T. O. Lunsford resigned Buena Vista and was succeeded by Carol Fowler as first full-time pastor. E. R. Frady, temporary pastor of Cane Creek, was succeeded by J. E. Whitaker. C. D. Harron resigned Chestnut Grove and Ernest Mehaffey, Mars Hill student, is serving as temporary pastor. J. W. Jackson resigned Corinth and was succeeded by R. R. Mehaffey. Riley M. Corn resigned Elk Mountain and was succeeded by Clyde Parham and he was placed on full-time. Paul Lovingood from the Mills Home was elected full-time pastor of the Fair View Church. J. R. Owen resigned the French Broad Avenue Church after a long pastorate and was succeeded by W. B. Archer of South Carolina. John A. McLeod resigned Jupiter and was succeeded by C. D. Harron, formerly pastor of Chestnut Grove. Clyde Parham resigned Long's Chapel to accept Elk Mountain. Riley M. Corn accepted Long's Chapel. W. G. Russell resigned Mt. Carmel to accept a church in Mt. Holly, N. C. He was suceeded by Jack Bagwell who had just finished his Seminary studies at Louisville. Mt. Pisgah Church increased to full-time continuing A. C. Armstrong pastor. Brother Armstrong resigned New Salem and was succeeded by Ernest Mehaffey as temporary pastor. Mack Summey resigned at Oteen to re-enter the New Orleans Seminary and was succeeded by Guy B. Funderburk. J. B. Grice resigned Reed Memorial and was succeeded by J. H. Smith. F. M. Lance resigned Spring Mountain and was succeeded by W. M. Pruitt who died soon after and the church called H. D. Cohn.

The Patton Ave. Church was dedicated on June 15th at the 11 A. M. service with A. J. Buckner, pastor of the Chunn's Cove church and first pastor of Patton Ave. bringing the message of the hour. This church is successor to the West End Church that was destroyed by fire some years ago. A full report of the services was given to the Biblical Recorder by our Missionary, H. M. Hocutt, and it was published in the July 9th issue of the Recorder.

Your historian has been a member of the Buncombe Association for the past fifty years and has seen many changes during these fleeting years. He has witnessed its struggles but its struggles were always upward. The wisdom of selecting H. M. Hocutt as Missionary just a little more than two and a half years ago is shown by the progress that has been made in such a short time. There has never been greater harmony and a more cooperative spirit among the churches than we have today. In view of the foregoing statement it is hardly necessary to say that our churches are much more efficient.

"Be ye steadfast, unmovable, always abounding in the work of the Lord, forasmuch as ye know that your labor is not in vain in the Lord."

Respectfully submitted,

J. B. GRICE, Historian.

A word of history about the organization of the Buncombe Association.

From the minutes of 1907 we gather some interesting information about the organization of the Buncombe Association. The oldest association in Western North Carolina is the French Broad. It was organized in 1807 at French Broad Church in Henderson County. It was located mainly in Buncombe County, the bonudaries of which were very large.

In the winter of 1882 some brethren met at the Bethel Church to consider organizing the Buncombe Association, and at the Flat Creek Church in September 1883 the Buncombe Association was organized and the following officers were elected: moderator, L. W. Sams; clerk, W. W. Wells; historian, John W. Starnes. Elder J. W. Hooker preached the introductory sermon. The next meeting was at the Berea Church, and the same officers were reelected.

40. The report of the Committee on Commtitees was made by A. J. Buckner, and it was adopted as read. See "Standing Committees" for the report.

41. The report for the Time, Place, and Preacher Committee was made by C. F. Rogers, and the report was adopted. The report is found under the heading of "Next Session."

42. The report for the Budget Committee was made by G. Carlton Cox, and it was adopted as read.

G. CARLTON COX,
J. H. SMITH,

43. The committee appointed at the morning session on Public Morals had been unable to meet at the noon hour. Upon a motion made by W. Perry Crouch the association unanimously approved the following resolution: "Resolved that the Buncombe Baptist Association go on record as opposing any effort to establish ABC stores in Asheville or Buncombe County and that we pledge our best effort in the fight against legalizing alcohol in any form." Upon a motion made by C. D. Bessinger the committee appointed at the morning session was dismissed.

44. The report on Obituaries was read by J. R. Owen. See "In Memoriam" following the record of proceedings.

45. The closing message of the session was brought by W. Perry Crouch who had just returned from the Baptist World Alliance in Copenhagen. He brought a very informing message on conditions in Europe and the meeting of the Alliance.

46. The association closed with the singing of "More Love To Thee, O Christ." The closing prayer was led by Dr. Robert G. Lee, pastor of the Bellevue Church in Memphis, Tenn., who is preaching in the county-wide revival meeting at the City Auditorium.

MARION BRADLEY SPIVEY

At the request of the messengers to the association, we dedicate the minutes of the Sixty-Seventh Annual Session of the Buncombe Baptist Association to Deacon Marion Bradley Spivey of the Flat Creek Church. He was born in West Buncombe in 1871, and he died May 30, 1948. He joined the Fairview Church early in life, and in April 1902 he moved his membership to Flat Creek where it remained until his death. He served as a deacon the major part of his Christian life, perhaps as much as forty years. He attended the Buncombe Association without missing more than two annual sessions in fifty-seven years.

THE ORIGIN OF THE BUNCOMBE BAPTIST ASSOCIATION

For the purpose of keeping before us information about the organization of the Buncombe Baptist Association, we are printing here a few paragraphs taken from the report of the historian of the Buncombe Association for the year 1907. The report for that year was prepared by W. T. Bradley of Morgan Hill. We are indebted to Brother Don C. Young for his copy of the minutes for the year 1907 from which we get the following information:

"The oldest Association in Western North Carolina is the French Broad. It was organized in1807 at French Broad Church, in Henderson County, and was named from the French Broad River. It was principally situated at that time in the County of Buncombe, the boundaries of which were very large.

"At the time of its formation it was composed of six churches: Little Ivy, Locust Old Field, Cane River, New Found, French Broad, and Cane Creek. Little Ivy, Locust Old Field and New Found having been dismissed from the Holston Association in Tennessee, and the other three were dismissed from the Broad River Association in South Carolina.

"The ministers which it contained at that time were Thomas Snelson, Thomas Justice, Scion Blythe, Benj. King, Humphrey Posey, Stephen Morgan.

"From this old Association a number of the neighboring ones have sprung. Big Ivy Association was an offspring of French Broad. About the year 1828 an unhappy split took place in the French Broad Association on principles of doctrine. One branch inclined to Calvinists, the other to the Armenian side of the controversy. (Note: This division continued until 1855 when the two groups were united again at Flat Rock.)

"Tuckaseegee Association was organized in 1829, and was also a branch of the Old French Broad . . .

"Salem Association bears date of 1838. It came from the same old mother Association . . .

"In the winter of 1882 some of the brethren, the writer being one, met at Old Bethel Church, in Buncombe County, to consider the propriety of organizing a county Association. As a result the organization was effected in the following September at Flat Creek Church. Elder J. W. Hooker preached the introductory sermon. L. W. Sams was elected moderator, W. W. Wells, clerk, and John W. Starnes, historian; next year the Association met at Berea church, and the same officers were again chosen. Antioch, a new church, was received into the Association.

"The next meeting place was at Hominy Church, the same officers being again chosen and a glorious meeting followed. The next meeting was at Cane Creek Church, where Dr. Carroll preached the introductory sermon, after which he was elected moderator.

"The next year Big Ivy entertained the body, and in the year following the various churches in their turn.

"We have had for our moderators, L. W. Sams, A. E. Brown, A. I. Justice, Judson Morgan, Dr. Carroll, W. T. Bradley and J. P. Morgan.

"Brother John M. Stoner has rendered excellent service as treasurer of our Association for many years.

"When our Association met with Fern Hill church, Biltmore, in 1894, we agreed to pay the salary of Miss Lottie Price as missionary to China and soon thereafter she sailed to her field of labor. She was faithful in her work until failing health brought about her return to America some three years ago.

"Thos. Stradley came here from England and was one of the pioneer Baptist ministers of this country. He organized the First Baptist Church of Asheville in 1829 and was its pastor for about forty-five years, during which time he built a splendid house of worship."

NEXT SESSION

The next session of the Buncombe Baptist Association will be held with the West Asheville Church on Tuesday and Wednesday, August 16-17, 1949.

VACATION BIBLE SCHOOLS

The Vacation Bible School work for the summer of 1948 was cut short right much because of the polio epidemic that made it necessary for work among the young people in the churches to stop during the latter part of the summer. A goal of fifty-five schols had been set, and we would have had about that many or more if we had been able to continue with the work throughout the summer. We call special attention to the good co-operation given us in this work by C. F. Rogers, pastor of the Biltmore Church, who is our Bible School leader in the association. Then we were fortunate in having with us as summer helpers Miss Mary Broome and Ernest Mehaffey. Then Dale Hooper helped us one week. We regret that their work had to stop when we found it impossible to continue with the Bible Schols.

Executive Promotion Committee

An executive Promotion Committee shall be appointed at each annual meeting of the Association composed of the Active Pastors and two members (preferably a man and a woman) from each church who shall act for the Association in the interim between its Annual Sessions. The duties of this Committee shall be to carry out the policies and will of the Association as so expressed, nor shall it take any action contravening the will of the Association, nor shall it initiate any new policy or practice binding upon the Association unless specifically so directed; provided: that in an adequate emergency it may take such action as it may deem necessary, but such action so taken shall in every case be submitted to the next meeting of the Association for appropriate consideration. It shall make a full and complete report of its activities at the next Association. It shall meet on the first Monday in each quarter at the time and place appointed for the meeting of the Buncombe Baptist Ministers Conference. The officers of this Committee shall be the officers (ex-officio) of the Association. The same ratio of churches represented as at the regular meetings of the Association shall be required to constitute a quorum for the transaction of business.

This Constitution shall take effect immediately upon its adoption and shall supersede any and all constitutions previously adopted.

Revision

This Constitution may be immediately revised at any session of the Association by a vote of two-thirds of the messengers present or by a simple majority provided notice of such revision shall have been given at a previous annual session.

DUTIES OF STANDING COMMITTEES

1. The Committee on Committees:

The duty of this committee is to bring to the annual meeting of the Association a nomination of the personnel of the Standing Committees, to name committees on Resolutions, Reception of Churches, and Time, Place, and Preacher, and to nominate any other committees authorized unless otherwise provided for.

2. The Committee on The Cooperative Program:

This committee should explain the working of the Cooperative Program where it is not understood, encourage all the churches to be liberal in their gifts through this plan, and keep before the churches all the objects included in the program. A report of the committee's activities should be brought regularly to the Executive Promotion Committee.

3. The Committee on Evangelism:

This committee should seek to keep alive the fires of evangelism in all the meetings of all the organizations of the Association, encourage and help arrange, if necessary, evangelistic services in churches not reporting baptisms, and help provide evangelistic services in unchurched sections within the bounds of the Association. Reports of work done should be made quarterly to the Executive Promotion Committee.

4. The Committee on Location of New Churches:

This committee should keep alert to any developments that may make a new church a necessity, advise with groups considering a new church about the necessity of such organization, and seek to encourage the best location possible of buildings when new churches are formed or when places of worship are moved. This committee should report its work to the Executive Promotion Committee and be prepared to bring recommendations to the Association about the reception of new churches.

5. The Committee on Ordinations:

This committee serves in an advisory capacity only. The committee should examine such candidates for the ministry as come before it as to their call and fitness for the Gospel Ministry and make recommendations as they feel led to the church of which one is a member about his being ordained and help plan and arrange for proper services of ordination when such assistance is needed. The Executive Promotion Committee should be informed regularly of the work of this committee.

6. The Orphanage Committee:

The work of this committee is to encourage and to assist our churches in their support to our North Carolina Baptist Orphanages. An effort should be made to encourage all the churches to have a systematic plan either by the once-a-month offering in the Sunday Schools or an amount in the budget for this purpose. The Thanksgiving offering of cash or in produce should have the careful planning of this committee. Reports should be made to the Executive Promotion Committee regularly.

7. The Oteen Committee:

This committee should advise with the Chaplain of the Oteen Hospital about his work, seek to encourage the churches in support of this work, and do all possible to help provide the varied services needed on this field. Reports should be made regularly to the Executive Committee.

8. Committee on Pastorless Churches:

The work of this committee is and can be advisory only. This committee should encourage pastorless, part-time churches to form fields with pastors located as near the center as possible, assist churches when called upon or when there is an evident need, when such help is welcomed, to find most suitable pastors, and to serve as contact man for worthy men desiring to become pastors. A report of all work done should be made to the Executive Promotion Committee.

9. The Committee on Training:

This committee should encourage the churches to provide the best training possible for their present or prospective Sunday School officers and teachers, for members of the Training Union, and for members of other organizations to the end that our churches will be filled with trained and informed leaders and members. As it seems wise, plans should be made for simultaneous training schools in churches or for central training schools, and, when needed, help should be given in providing teachers for training schools. The Executive Promotion Committee should be kept informed about the work done by this committee.

10. The Committee on American Bible Society:

This committee should do what it can to encourage our churches and individuals to contribute to the work of the American Bible Society. The churches should be informed about the services of the Bible Society so they will want to share in this worthy work. The committee should keep that information before the churches. Regular reports should be made to the Executive Promotion Committee.

11. The Committee on Fellowship:

The work of this committee is advisory only, but it should stand ready to go to any church where the fellowship is endangered or disrupted and seek to apply healing oil to spiritual wounds to the end that our churches shall be united in Christian fellowship, and it should seek to prevent some church or group from being led away by an unscriptural hireling. Reports should be made regularly to the Executive Committee.

12. The Program Committee:

The duty of the Program Committee is to plan the program for the annuel meeting of the Association and bring it to the Executive Committee meeting in July for discussion and approval. The committee should begin its work well in advance of the meeting of the Association and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Association.

13. The Committee on Ministers Retirement Plan:

This committee should seek to inform pastors and churches about the Ministers Retirement Plan and encourage both pastors and churches to cooperate in the plan. The committee can go before deacons in their meetings or to church conferences when invited and encourage participation in the plan; and when it seems wise or necessary, the committee may offer to explain the plan to pastors or churches where or when invitations for such services have not been received. In all cases the work of the committee is to offer helpful service in promoting this much-needed plan. Regular reports should be made to the Executive Promotion Committee.

RECORD OF PROCEEDINGS

TUESDAY, AUGUST 24, 1948

MORNING SESSION

1. The sixty-seventh annual session of the Buncombe Baptist Association opened at 9:45 Tuesday morning, August 24, 1948, at the First Baptist Church in Asheville with moderator A. P. Sprinkle presiding. The congregation sang "All Hail the Power of Jesus' Name" with Rev. Carl G. Mauney of Enka leading the music and with Miss Mildred Thomas of the host church at the organ. Rev. J. L. Underwood, pastor of the Buckeye Church, read Philippians 2:1-16 and led in prayer.

2. A count of the ordained ministers present and a roll call of the churches revealed that 38 ordained ministers were present and 49 churches were represented. Upon a motion made by Carl G. Mauney and seconded by A. J. Buckner, the group present voted that the ordained ministers and the messengers present and others who would come constitute the body of the association and proceed with the business of the meeting.

3. The matter of the election of officers was taken up, and the following officers were elected: Moderator, A. P. Sprinkle; Vice-Moderator, W. A. Huneycutt; Clerk, H. M. Hocutt; Treasurer, Frank Bishop; and Historian, J. B. Grice.

4. Speaking for the Committee on Committees, Carl G. Mauney nominated W. W. Williams, G. G. Morgan, and Earl Sturgeon as memebrs of the Resolutions Committee and Harry R. Logan, Tom E. Walters, and J. T. Rogers as members of the Time, Place, and Preacher Committee. Upon a motion and vote of the body, these were elected as nominated.

5. Several visitors were recognized as follows: Dr. Zeno Wall of the Mills Home at Thomasville and Rev. and Mrs. Mack Summey of the Catawba River Association. The clerk called attention to the presence of Mrs. Marion B. Spivey of the Flat Creek Church. Brother Spivey, who had attended every session of the association since 1891 with two exceptions, had passed away on May 30, 1948. Mrs. Spivey was asked to stand, and the association requested the clerk to put an appropriate word about Brother Spivey in the minutes.

6. The new pastors were called to the front, and the missionary of the association was asked to introduce them. The following men were introduced: H. I. Rhinehart, Mount Pisgah; W. A. Huneycutt, Black Mountain; C. J. Buice, Oteen; J. L. Underwood, Buckeye; R. W. Abrams, Deaver View; Norman Merrell, Oak Grove; Dwight Long, Emma's Grove; C. A. Abernethy, New Bridge; and Henry O. Hearne, Avery's Creek.

7. Neils H. Larsen, chairman of the Program Committee, presented the program that was mimeographed and in the hands of the people as the suggested program for the session of the association, and the program was adopted with such changes as it would be necessary to make.

9. W. Perry Crouch, pastor of the host church, brought a most helpful message on "Christ Exalted in the Homes." He discussed effectively the evils that are invading the homes and the factors that help to make up a true Christian home.

10. The theme, "An Organized New Testament Church," was ably discussed by Hight C. Moore of Ridgecrest. He pictured the New Testament Church (1) as established by Christ, (2) endued by the Spirit, and (3) as efficient in world service.

11. The group stood and sang "I Love Thy Kingdom, Lord" with Carl G. Mauney leading and with Miss Mildred Thomas at the organ.

12. In the absence of C. R. Browning, Jr., who was to report on "Public Morals," the clerk read the report as prepared by Brother Browning. Following a brief discussion of the subject by C. D. Bessinger the report was adopted as follows.

PUBLIC MORALS

This report is concerned with the abuses in private and public life that are caused by social evils. The report is to try to bring before us an interpretation of the principles of righteousness from the teachings of our Lord Christ for the correction of these social evils.

We recognize that these problems can be solved only as we devote ourselves to the regenerating power of Christ, and to apply his teachings to every situation in every walk of life. We need a personal adjustment to the will of Christ, followed by group adjustment to his will and the application of his will to all the problems of human society.

This report suggests what each of us ought to do individually and cooperatively within our churches and in cooperation with other Christian groups to lessen the miseries of our people. This report also holds that the New Birth as taught in the New Testament can be the only solution to the Social and Civic problems of our world. One cannot enjoy the blessings of New Birth without assuming the moral responsibilities of it.

It is pitiful to think of some of the things that we have allowed to come into our own community and into the Southland. We boast about our Southland being the Baptist Stronghold of the World. Two thirds of the Baptists of the world live here, ours is the largest denomination in the South in church membership, even in Buncombe Association we have some 18,000 members. We have a mission in shaping the destiny of our Own County. Members of Baptist Churches are engaged in every way of social, economic, political, industrial and agricultural development. If our church members will express the mind and spirit of Christ in all their activities we can have a Christion pattern for the development of our society.

We should be thankful for as much peace as we have, we should be aware however of the fact that the world is not really at peace today. It looks from day to day as if some of the great Nations are almost ready to fly at each others' throats and fight again. We should realize that peace must be made and kept. We must also realize that time is required to bring order out of the great recent Global War. Generations may be called on to devote themselves to the task before peace can really be brought to a confused world. As Christians we should devote ourselves to this task with faith in our God, and strive to present our Lord Christ to all mankind for his presence in the hearts of people is the foundation of all peace.

Our Baptist folks have not hesitated to talk the full weight of their conscience upon the social problem of liquor, but they have hesitated because of pressure and difference of opinion both within and without their churches to turn the searchlight of the New Testament on the race problem. The 17th chapter of Acts we read that "God that made the world and all things therein, and hath made of one blood all Nations of men for to dwell on all the face of the earth."

Only when men fully realize the atoning influence of the Death of Christ on the Cross can they renounce their inherited racial prejudice. In Acts 10:34 "Then Peter opened his mouth and said, of a truth I perceive that God is no respector of persons" and verse 35, "But in every nation he that feareth him and worketh righteousness is accepted with him."

Never before in the history of our Country has America been as recreation conscious as now. The Christian Church today must face the problems and privileges by increased leisure time.

The Christian church must assume a place of leadership in this field. We cannot hope to compete with commercial interests in the field of entertainment or recreation, nor should we expect to, but we must assume certain responsibilities. Many of the churches today are losing the interest and support of many members because the social life is centered in non church avtivities. This problem can be helped when the hunger for play is satisfied on a plane of Christian fellowship. Some churches are already in such programs of fellowship groups, recreational rooms, church wide activities, summer camps, weekly age group recreational programs and many others.

So many things should be covered by this report that it is recommended that a committee be appointed by the proper procedure at this meeting to study some of the matters that this report can merely menion, and make a study of the situation and come back to this group one year from today with a more complete report and any recommendations that they may see fit to make.

In conclusion this report will only mention the matter of gambling and liquor, which is increasing so rapidly in recent months right in our very midst. In our local newspaper of Aug. 17, 1948 in big black bold type are these words, "A.B.C. STORE SALES HERE ARE SECOND HIGHEST IN STATE" and following that it said "some $3,723,376 worth of liquor was sold in ABC stores in N. C. in July this year. The State ABC board reported sales in July of last year (1947) of $2,540,646. Just think, an increase of over one million dollars. In Asheville alone our July sales of liquor amounted to $403,972. That is nearly as much as our Baptist churches gave to all causes in one whole year.

Gambling: Only last night on the front page of our daily evening paper, we read "Judge Nettles cites deplorable condition in City and County." He also said, in which the reputed overlord of gambling has been walking the streets of the City with an armed bodyguard and is worth more than a million dollars. Judge Nettles said that he knows that conditions were allowed to reach the record level, due to neglect on the part of Good Citizens who also have been busy making money.

Such a condition is more or less the result of effects of World War 2. It seems that the aftermath of any war is a breaking down of the morals of Citizenship. There has been an appalling increase in the divorce rate and in juvenile delinquency, due to the breaking down of home life. So many of our citizens are content to live their own lives and close their eyes to all that goes on around them, doing nothing about the unpleasant things until it is almost too late.

Listen, Baptist people, have you prayed about this? Do we really believe John 14:13 "And whatsoever ye shall ask in my name that will I do, that the Father may be glorified in the Son." Does our asking meet with the qualifications set out here, THAT THE FATHER MAY BE GLORIFIED IN THE SON . . . . When we pray let's pray for God's will to be done and not our will.

CAN'T 18,000 Baptists claim this promise? Let's go back to our own homes and churches, and really get on God's side, he will be on ours if we will let him.

Respectfully submitted,

C. R. BROWNING, JR.

13. M. A. Kizer was at his best as he spoke on "New Testament Churches Winning the Lost." He pictured evangelism as born in the heart of God.

14. An announcement about lunch was made by the host pastor, and H. M. Hocutt called attention to the night session. He called special attention to plans to show pictures of progress in the work at the night meeting.

15. Mrs. H. L. McDaris of the First Church sang "Beside Still Waters" by Hamblen. She was accompanied at the organ by Miss Thomas. Following this special music, pastor Hobart R. Rogers of the Gashe's Creek Church brought a heart-stirring message on "The Saviorhood of Christ." He took as his Scripture Ephesians 2:1-9. At the close of his message, the meeting closed for the lunch period, and the group enjoyed a delicious lunch in the dining room of the church that had been prepared under the direction of Mrs. J. B. Dalton, church hostess.

TUESDAY AFTERNOON SESSION

16. The Tuesday afternoon session began at 1:30 with vice-moderator M. A. Kizer presiding. The congregation sang "Onward Christian Soldiers" with Mr. Mauney leading the music and with Miss Thomas at the organ. Everette Murray of the White Rock Church read Acts 4:1-12 and led in prayer.

17. Chairman Neils Larsen of the Program Committee announced that those making reports Wednesday on Hospitals and the American Bible Society would exchange places since the representative of the Bible Society could not be present at the time appointed for the Bible Society report.

18. Perry Morgan of Ridgecrest brought a helpful message on "The Place of Public Worship." He pictured the worship service as the most important service of the week in the churches.

19. In the absence of John L. Lawrence, associational Sunday School superintendent, the clerk read the report as prepared by Brother Lawrence, and the report was adopted without discussion.

SUNDAY SCHOOL REPORT OF BUNCOMBE BAPTIST ASSOCIATION

Sunday school work in the Buncombe Association has been most encouraging during the past year.

I feel sure that when all reports are in that we will have made the best record of any year yet in this phase of our work. Almost every church in our association has sought to increase their enrollment and attendance. More of our churches are adopting the six point record system and are keeping better records of their work. This is most encouraging because better records will mean better work in reaching and winning people for Christ.

Our regular monthly meetings on the first Sunday of each month were well attended and the interest has been fine. Programs have been planned to meet the needs of our churches in the promotion of our Sunday school work. Meetings were held in the following churches during the past year: Gashe's Creek, Enka, Macedonia, Flat Creek, Berea, Oakley, Hominy, Riverside, New Bridge, Ridgecrest and White Rock. Our June meeting was held in the Auditorium of the Southern Baptist Assembly at Ridgecrest and the program was presented by our Associational Choir together with the Ridgecrest Assembly Choir under the direction of Brother Robert Guy.

A group of our Associational workers attended the State Planning meeting in Morganton to plan for our annual church planning meetings in our association in February. The Executive committee of our Sunday school association selected twenty one (21) teams to visit the churches of our association in February. At our March meeting at New Bridge Church reports were made of visits to 42 of our churches with an attendance of over1800 workers at these meetings. Other churches were visited later so that the Sunday School Program for 1948 was presented in practically every church of our association. These twenty teams did a most commendable piece of work and it is telling daily in promotion of our work in our churches.

This year our State Planning Meeting will be held September 13th at the First Baptist Church in Asheville so that teams can be appointed and our churches visited in October and November to present the Sunday school program for 1949. The theme for our 1948 program was "Expect Great Things from God, Attempt Great Things for God." Our people accepted this great program and we can see the results in almost every church in our association.

Last year 47 Daily Vacation Bible schools were reported with a total enrollment of over 4000. This was the best record yet and I was especially pleased and impressed by the 174 conversions reported in these schools. It is regretted that many of our schools were closed this year and that others were not able to meet as they had planned but I am sure the reports of the schools held will be fine. Rev. C. F. Rogers, Associational Superintendent of BVS and Rev. H. M. Hocutt, our Associational worker, are to be commended for the fine work in connection with this phase of our work. We certainly appreciate the fine services rendered by Miss Mary Broome and Rev. Ernest Mehaffey in this work. Mr. Dale Hooper had also agreed to help had not the polio situation forced a discontinuance of our schools. However I trust we will not become discouraged but will begin planning now for a school in every church in our association next summer.

In April of the year under the direction of Rev. Jack Bagwell and our Associational worker, a week of Training was held at the First Baptist Church and the following week a school was held in each of the following churches: Hominy, Mt. Carmel, Weaverville, Black Mountain, and Fairview. This plan proved most successful with a total enrollment of over 800. I am sure this association would like to see this same plan adopted for April 1949. However every Pastor and Superintendent should plan now for a week of Training and Preparation in his church in October. We not only need more workers in our churches but we need Trained workers.

The large number of our churches that are providing additional space for classes and departments is most encouraging in our Sunday school work. We must provide a place if we are to reach boys and girls, men and women in our Sunday school program. Nurseries must be provided for our babies too.

There is still a great need for Cradle Roll and Extension Departments in many of our churches. We are withholding from them a great program that is our responsibility.

The field is white unto harvest but Workers are needed to accomplish the task.

20. The association stood and sang "There Is A Name I Love To Hear" with Brother Mauney leading and with Miss Thomas at the organ.

21. The Baptist Training Union report was read by Mrs. Paunee Byrd, and Jack Bagwell, pastor at Mount Carmel, spoke on the report after which the report was adopted.

TRAINING UNION REPORT

We feel that the Training Union work in Buncombe County has made definite progress during the past year. New organizations have been reported in the following churches: Avery's Creek, Bethel, Buena Vista, Oak Grove, Fairview, and Victory. Forty-eight churches have reported Training Unions with a total enrollment of 3534, a gain over last year of 496.

The words of 2 Timothy 2:15 were taken literally by the Training Union members last year. Beginning in September last year eleven churches came together at Enka for a week of study. Nine courses were offered and all were well attended. Following this in the spring was six ALL CHURCH TRAINING SCHOOLS. Training Union members received 320 awards. These two schools together with the schools held in individual churches won for Training Union members a total of 890 awards last year.

Our association was outstanding in the Regional meeting held at Canton in May. Miss Mary Rice was the winner of the Better Speakers Contest, and her sister, Miss Sarah Rice, was the Intermediate Sword Drill winner. Both are members of the Black Mountain Church. Mrs. Forrest Bennett, from Merrimon Avenue won in the Adult Scripture Reading contest. Miss Mary Virginia Bridges and Miss Carolyn Grant were winners in the Junior Memory work.

During the year 3 mass meetings, 1 district meeting and 2 executive meetings were held. The association reached the standard for one quarter last year and is now a Standard Association.

We sincerely appreciate the cooperation and loyalty of our Training Union members throughout the county and we ask for your continued help in the coming year, in the following way:

1. Help us to reach every Church with a Training Program.
2. We would like to have better attendance at our District and mass meetings.
3. Let's adopt the Standard of Excellence as a plan of work and have more Standard Unions.

Respectfully submitted,

MRS. PAUNEE BYRD.

22. In the absence of Mrs. Tom E. Walters, W. M. U. Superintendent, Mrs. D. L. Holland read the report on the Woman's Missionary Union, and following a brief message by Mrs. Holland, the report was adopted.

W. M. U. REPORT FOR 1947-48

When Woman's Missionary Union was organized 60 years ago those forward looking women chose as their watchword, "For God and Home and Every Land." In this year of commemoration of these 60 years of work as "Laborers together with God" we take anew this watchword of this first year. As women and young people unite in missionary endeavor we pledge ourselves first of all with all our love, our energies to God to be used of Him in carrying out his great purpose of bringing many sons and daughters to glory. As we work in our own communities our supreme aim is to win the lost among us, then to keep them close to God, to help them and ourselves to develop into full grown Christians through constant prayer. "Where there is no vision the people perish." So we seek to enlarge our vision to see the whole world through mission study. A vision without a task does not amount to anything, so we seek to lead all our people to accept God's plan of Stewardship, first giving our own selves, then our tithes and offerings that our lives may have a practical expression.

In this association this year our aim is to add to our membership 500 more women and 15 new missionary societies. So far, 4 new missionary societies have been reported to me and 6 new organizations among our young people. We have 25 churches with no missionary society and 40 churches with no organizations for young people. This should prove a great challenge to all of us. We did not meet our financial goal for this past year which means that we did not meet our goal for consecration of self and substance. It means that we did not honor God with the first fruits of all our increase. When our lives are fully consecrated, our money will go naturally into our churches and out to carry the gospel to all the world. Let us pray earnestly for a great revival that will shake our section and our world out of its lethargy and send God's children out to be flaming witnesses of the truth as it is in Christ Jesus.

Respectfully submitted,

MRS. TOM E. WALTERS.

23. In the absence of Don C. Young who was to make a report on Brotherhood work and with no written report available, Harry R. Logan spoke on the work of the Brotherhood. Upon a motion and vote of the body, the clerk was requested to include in the minutes a report on Brotherhood work that may be presented by Brother Young, provided such report will include no recommendations requiring action or approval of the association.

24. The association was favored with a solo by Burgin Mullinax. He sang "Spirit of God" by Niedlinger. He was accompanied by Miss Thomas.

25. Speaking for the committee on the Reception of New Churches, Tom E. Walters recommended that the following six churches be received into the association in the manner stated in the constitution for the reception of new churches: Grace, Sunrise, Mount Zion, Cole's Cove, Emma, and North Black Mountain. The committee further recommended that these churches feel free to call upon the misisonary for any help he can render and upon other churches and pastors for help when needed. Without further discussion, the six churches were unanimously received. The messengers of these churches were called to the front, and the clerk was requested to extend to them a hand of welcome in behalf of the association.

26. Upon a motion by W. Brady Archer, the association voted for the Executive Promotion Committee to arrange a bond for the newly-elcted treasurer of a sufficient amount to provide adequate protection for the funds he handles.

27. Brother Zeno Wall of the Mills Home was given the time provided in the program for open discussion, and he spoke to us about the work of our orphanages. Brother Wall has succeeded I. G. Greer as superintendent of our orphanages.

28. The final message of the afternoon was brought by H. E. Benfield of Pole Creek who spoke on "Scriptural Giving." He gave seven reasons why Christians should bring the tithe to the Lord. At the close of his message, the group stood and sang "Amazing Grace" with Brother Mauney leading, and the closing prayer was led by Brother J. C. Owen who was visiting from Florida.

TUESDAY NIGHT SESSION

29. The Tuesday night session began at 7:45 with moderator Sprinkle presiding. Carl G. Mauney led the group in singing "Blessed Be the Name." Miss Mildred Thomas was at the organ. Carroll Fowler of Buena Vista read Acts 1:1-11 and led in prayer.

30. As provided by the program, a period of discussion was held at which time chairmen of different committees told of the work of their committees. A brief discussion of the work of the committees was given as follows: Committee on Committees, Carl G .Mauney; Misisons Committee, H. M. Hocutt; Evengelism, M. A. Kiser; Orphanage, J. P. Walsh; Hospitals, A. D. Smith; Pastorless Churches, M. D. Smith; Program, Neils H. Larsen; Reception of New Churches, J. B. Grice; and Ordination, W. Perry Crouch.

31. H. M. Hocutt brought the report on Associational Missionary Work. Following a discussion by Ernest R. Mehaffey, a summer helper, and by H. M. Hocutt, the report was adopted.

ASSOCIATIONAL MISSIONARY'S REPORT

We rejoice in the privilege of making this our fourth annual report of our work to the Buncombe Association. Many things crowd into our mind for expression as we come to say a word about the work that is dear to our hearts. We thank God for the opportunity to work with you. Surely no one could ask for a finer and a more loyal group of people with whom to work.

It will not be possible to give a detailed report of all we have done. Time and space will not permit that. We call attention to the monthly bulletins for a more thorough study of our work. We give here a few figures and some of the highlights only.

Bulletins, letters, and cards mailed	14,778
Miles travelled	11,953
Churches visited on Sundays or on Wednesday nights	66
Sunday School and Training Union Study Courses	6
Revivals held	4
Sermons preached	115

Associational meetings attended 37
Individual Conferences 457
Commitee Meetings 53

On and on we could go giving statistical information about what we have tried to do, but we see no value in a long line of figures. We have done our best in trying to promote the work from every angle and in an effort to answer the many calls that have come. There are a few things that we feel special attention should be called to, and we mention these things conscious that many, many of our people have had a part in the all that has been done.

1. The Robert G. Lee Revival. This meeting was held in the City Auditorium August 6-17, 1947, with Dr. Robert G. Lee of Memphis doing the preaching and Brother Horace Easom leading the singing. We had large attendance from over the county, and there were at least two hundred conversions and rededications. These people joined many Baptist Churches and churches of other denominations in Buncombe County and in other places.

2. Central Training Schools. Within the last year we have held seven central Training Union and All-church Training Schools in different sections of the Association. One was held in the Hominy District in September, and six others were held in Asheville and in the five districts of the asociation in April of this year. We had about sixty classes in all these schools using about that same number of people. The total enrollment in the seven schools was over 950, and there were about six hundred awards received. At least forty of our churches co-operated in these schools.

3. The Minister's Revival and Mission Rallies. In February we had Dr. Courts Redford of the Home Mission Board with us in our Minister's Revival and for five mission rallies. These meetings proved most helpful. We had attendance from forty-one of our churches.

4. The Anderson Cove Mission. Early this year a small tract of land was purchased near the Pink Fork School building, and we began immediately to erect a small building as a place of worship for the people of that community. The building is now nearing completion, and what has been done is paid for with a small exception, and we are confident more money will be coming in the near future to take care of the small amount due and to complete the building. This has been a wonderful response from all the people. As is well known to all of us, this is certainly a most needed work.

5. New Churches. We have had a definite part in the organization of the Sunrise and Cole's Cove Churches, and we have done some work in all the six churches received into the association this afternoon with the exception of the Emma Church. We rejoice in every opportunity to share in a needed work of this kind.

6. Vacation Bible Schools. This summer we have had a total of thirty-three Vacation Bible Schools. Miss Mary Broome and Brother Ernest Mehaffey have rendered efficient and faithful service in this fine work for the summer until the work was stopped by the polio epidemic. Brother Dale Hooper was with us one week in the middle of the summer and would have remained longer if the work had continued. We are grateful for the work done by the fine young people. Then we rejoice in the work done in many churches without our help. No one can estimate the value of these Bible Schools.

On we have gone and on we could go without telling in full the story of what has been done. In the bulletins from month to month and in every other way possible we have tried to keep all of you informed about the work. We thank you for your prayers, your interest, your many kind words, and your co-operation. As we try to carry on in the name and in the Spirit of the Master, we ask for your continued interest, prayers, and co-operation.

Respectfully submitted,
H. M. Hocutt, Missionary.

32. Following the singing of "Come Thou Fount" by the congregation, J. R. Owen brought a very fine report on the history of our work for the last year. The report was adopted as follows:

HISTORIAN'S REPORT

The Buncombe Baptist Association has just closed one of the best years in its history. Unusually good work has been done in every department of it's activities. Perhaps the highwater mark of the year was attained in the "Ministers' Revival and Mission Rallies", Feb. 16-20. People from 41 of our churches attended. It was a great week! The fellowship among the churches has never been finer. Our capable and consecrated misisonary is doing much to unify and harmonize the work of our Association.

The County-Wide Revival, Aug. 6-17, conducted by Dr. R. G. Lee, pastor of Bellevue Baptist Church of Memphis, Tenn., was well attended and gave a fine, spiritual tonic to all who attended and cooperated.

We note several pastoral changes during the year.

Avery's Creek:
Henry Schum resigned as pastor, and Henry O'Hearn, a former chaplain, succeeded him.

Bald Mountain:
Rev. Claude Searcy is the new pastor.

Oteen:
Pastor, Guy Funderburk resigned, and former pastor, Wayne W. Williams is "feeding the flock" temporarily.

New Churches Organized

This is a branch of Calvary and was born strong and active. They were fortunate in being able to secure a fine location on Haywood Road, and are making plans for a new church building. Rev. C. D. Bessinger is pastor.

Sunrise:

This church grew out of work done in the Deaver View Community, some distance from Deaver View church. Brother LeRoy Heatherly is the new pastor.

Cole's Cove:

This new church is situated East of the Highway between Weaverville and Mars Hill. Brother S. M. Wallen is the new pastor.

Our Associational Missionary has done a monumental piece of work in establishing a Mission in Anderson Cove. A splendid building has been erected for this mission.

Mention must be made of the All-Church Training Schools held in the different districts of the Association, April 19-23, with an enrollment of 826. From this type of work untold spiritual values will surely be realized.

The following young Ministers have been ordained during the year:

First Baptist Church: Durham Ipock; Jack Rhoe; Henry Crouch; Ned Wheeler.

Ridgeway Baptist Church: Ernest Mehaffy.

Craven Street Baptist Church: Joe Sprinkle.

J. R. Owen, Historian

33. The Male Quartet from the host church sang "He'll Keep Me True." The quartette was composed of Messrs. Burgin Mullinax, Emmett J. Davis, Ray F. Ingle, and J. B. McIntosh.

34. The closing feature of the night session was a series of pictures shown by the associational missionary. He had pictures of new homes for pastors, improvements and additions to church buildings, new churches, mission work, and Vacation Bible Schools. The pictures were taken by the missionary, and they were shown by use of the projector recently purchased by the association. Following the pictures, the meeting adjourned with prayer led by J. B. Grice.

WEDNESDAY MORNING SESSION

35. The association reconvened on Wednesday morning, August 25, at 9:45 with Moderator Sprinkle presiding. Carl G. Mauney of Enka and Miss Mildred Thomas were again in charge of the music. The congregation stood and sang "Stand Up, Stand Up For Jesus." Then W. H. Fitzgerald, former missionary to the Cherokee Indians, read the second chapter of Hebrews and led in prayer.

36. The clerk called attention to the change in the time of the meeting of the association due to the polio epidemic in recent weeks in Asheville and Buncombe County. He stated that the officers had taken it upon themselves to call the meeting at the present time but that they had done it without having authority for doing so since the constitution makes no provision for changes in the meetings due to emergencies. Upon a motion and a vote of the body, the association approved the action of the officers in calling the meeting.

37. The clerk called attention to a request he had for approval of the application of Norman Merrel for aid as a ministerial student at Furman University. The request was for approval by the Executive Committee of the association; but since the association has no Executive Committee as such, the association voted approval of the request.

38. Upon a motion that was made by Harry R. Logan that was duly seconded, the association voted a request for the Budget Committee to give due consideration to the amount of work and time required of our treasurer to handle the funds of our association and to pay him an amount commensurate with his work, this amount to be approved by the Executive Promotion Committee.

39. Mrs. Doris Harrell of the Mount Olive Church read the report on the Orphanage, in the absence of Ernest R. Bartlett who was scheduled to make the report. Dr. Zeno Wall had spoken on the Orphanage on Tuesday afternoon; thus the report was adopted without further discussion.

ORPHANAGE REPORT

On a sun-dial in South America are these words: "I record nothing but sunshine." The other day after General Superintendent, Zeno Wall, of the Baptist Orphanage, listened for hours as the case workers presented thirty-two cases to fill the vacancies in the Mills Home and the Kennedy Home, made possible by the closing of school, he wrote on one page of his diary these words: "If the sun-dial records nothing but sunshine, we, as the child enters, record nothing but shadows, shadows of sin, of poverty, of disease, of death and of sorrow. Oh, the tragedy of the broken home and the homeless ones!" If one could sit in on one of these conferences he would go away to agonize for and sympathize with the cause of unfortunate children.

Last year 608 children were cared for in both of our homes, 83 children in foster homes and 80 children were given Mothers Aid, making a total of 771 children helped directly. The case workers helped with the plans for 749 other children, thus serving 1520 children in one year.

If one could spend some time at either Mills Home or Kennedy Home he would discover that the workers take seriously their work and are giving their best to it.

Most of the buildings in both homes are old and need constant repairs. They are now being renovated and having furnace heat installed.

At Kennedy Home a new cottage to take care of 25 children is to be built this year; also a silo and granary. At both homes frozen food plants are under construction and will be completed within a short time. Space is provided in these buildings for storing canned goods contributed by generous friends.

While the foster home program is still in its initial stage, it is rendering a timely and worth while service to the 83 children being cared for in these homes which would require more than three new cottages.

At 8:40 each morning Dr. Wall calls the office staff into an "Upper Room" where the word of God is read and prayers are uttered for all the workers, all the children and all of the Sunday schools and churches. There is a spirit of cooperation and unselfishness which is most beautiful. Recently Mills Home Pastor, John Walton, led 42 of the children down to the pool and buried all with Christ in baptism.

The following message comes to us from General Superintendent Wall: We need your prayers; and on one Sunday in each month we know that you will continue to take an offering for us. Our own Sunday schools observe the first Sunday in each month as Orphanage Day. You will rejoice to know that all our children remain for church, behave beautifully and make their own offerings regularly and cheerfully.

Let's all begin now to plan for a great Thanksgiving offering to back up the regular monthly gifts. As you do your best for us, you may be assured that we will continue to do our best for you and the hundreds of homeless children being housed, fed, clothed, educated and led into the deeper things of the Spirit.

40. A number of visitors had come in, and they were recognized as follows: A. J. Hutchins from the Haywood Association, L. L. Carpenter of Raleigh, W. G. Cordis of Stetson University, Claude Gaddy of Raleigh, L. H. Campbell of Campbell College, P. L. Elliott of Gardner-Webb College, Owen Herring of Wake Forest College, C. N. Parker of Meredith College, Miss Sally McCracken of the Orphanage, and Lewis Ludlum from Shelby.

41. By common consent, the report on Religious Literature was given. A shift had been made on Tuesday in order to give the American Bible Society this time, but the representative had not arrived from the Bible Society; therefore the report on Religious Literature was called for, and Mrs. Chas. Robinson made the report. Following a discussion by L. L. Carpenter, editor of the "Biblical Recorder", and a discussion on the "Commission" by Dr. Charles Leonard of China, the report was adopted.

REPORT ON CHRISTIAN LITERATURE

You have been told that help is as near as your telephone—help from the police, fire department or your doctor. Friends, the very best help possible for you is as near as your mailbox. It isn't a question of location, whether the roads are good or bad, or whether your church is in city, town or country. It is merely a question of knowing **what** Christian literature is available, ordering and using it.

Christian literature has long been a faithful handmaid of the Church. The day has come when it must be recognized as second to nothing in its importance to the entire church program. Evangelism, the foremost misison of the church, find no more effective key than the printed word—primarily the Bible and secondarily all books which draw the reader, by whatever path, to think about Christ.

During the War between the States postmasters did as much work reading and answering the soldiers' mail as they did in handling that mail. That was because so few adults could read and write for themselves. One hundred million more adults read today than did even twenty years ago. The majority of the world's people are doing a lot of reading today because they must in order to keep pace in this fast changing world. Conflicting social forces strive for world mastery while millions of minds grope for guidance, not knowing where a sure word of counsel may be found. Universal hope awaits for a better world where peace may be found. Today in the midst of such surroundings the church desperately needs a christian literature that will provide balance, unity and devotion. World understanding could thrive in such mental soil. So could self government along democratic lines. So could social and economic advance. No other method of winning the heart of the world is quite as crucial as the provision of Christian literature. If the church meets her challenge to make an impact for Christ on world thought it must be done through books, Christian books, speaking clearly and winsomely the Christian way and its underlying faith. Books go where preachers and evangelists are barred. Books stay when evangelists must leave. **All** that one reads influences his thought and action. When opportunities for making Christ known become fewer and more restricted, when teaching Bible in the schools has been ruled out by the "powers that be", the highway of Christian literature will still remain open for all.

When you wonder about the juvenile problem, just remember each month there are 9,260,000 cheap adventure magazines read, nearly 3,000,000 true confessions or filthy sex stories read, three and one-fourth million detective stories which reveal every possible aspect of how to commit crimes and get away with them, and more than ten and one-half million movie magazines filled with "sex appeal" pictures read. Three U. S. cities have acted against the sale of comic books deemed harmful to youth. Working together Indianapolis magazine distributors, city officials and civic groups have banned thirty five comics. Detroit police have forbidden the sale of thirty six comic books. Hilldale, Michigan, has banned the same books prohibited in Detriot. Religious New Service reports that druggists in Pennsylvania would not sell comic books until the publishers of such books clean them up to meet the standards of decent literature. Here in our own Winston-Salem, N. C. the Jaycees are now working toward the clean up of comic books for the same reasons of crime that these other cities have banned their sale. During our recent polio epidemic it would be interesting to know how much and what types of literature have been sold, at much advanced prices, to entertain our children. I wonder how much Christian literature has been available and has been used. Do you have a church library and have you made its services indispensable to your "absent-from-church" children during this time of stress?

I wish to direct your attention again to our first and finest piece of literature, The Holy Bible. If we take time to absorb a small portion of its teaching daily, we will find therein the rules for the game of life. We find enjoyment, inspiration, companionship, friendship, love and many helps in the fine art of living. We must read and teach our families to enjoy reading God's word. Next, let me stress with special emphasis, our finest North Carolina publication, our own beloved "Bibical Recorder", the organ of our State convention. As much as we love and appreciate this fine publication we have only six hundred and twenty subscribers in our Baptist membership of eighteen thousand here in Buncombe county. Then our next love is "Charity & Children" edited and published by our orphan children at Mills home. The fact that we have only two hundred subscribers to this most interesting and inspiring "voice of our orphans" speaks of our laxity and neglect in bringing to the attention of our people what Charity & Children has to offer them and what they in return may do for our children at Thomasville. Many of our pastors are not as familiar with the literature published and distributed by Womans Missionary Union as they ought to be.

Some of you might be astonished at how much more definitely and rapidly the Kingdom cause would be progressed in your church thru the aquaintance and use of this literature. Let me introduce you to "Royal Service", the mission magazine published for the women; "World Comrades" published for the use of the younger and intermediate girls; "Window of Y. W. A." for the young women; and "Ambassador Life" for the boys who are within the age range to belong to Royal Ambassador chapters. "Home Missions" the publication of the Home Mission Board and "The Commission" published by the Foreign Mission Board. These supply us with the latest, most interesting news from all our fronts which causes us to pray more liberally and trust more firmly in God. Since eighty-five percent of our knowledge is gained through the use of our eyes reading takes first place in the development of right thinking.

A study of the minutes of the convention shows almost without exception that churches having most subscribers to Biblical Recorder give more through the co-operative program than other churches; churches having more subscribers to Charity & Children give more and think more about the care and support of our orphans; and churches having more subscribers to the missionary periodicals stand away out in front in their giving to missions.

May we Buncombe Baptists be alive to our responsibilities and opportunity to provide and use "truly Christian literature" in our war to win the world for our "Exalted Christ."

Mrs. Chas. Robinson
Respectfully submitted,

42. The body stood and sang "Thy Word Have I Hid in My Heart." Then Mrs. H. W. Baucom read the Hospital Report in the absence of Brother Baucom who was not well. The report was discussed by W. K. McGee from the Baptist Hospital in Winston-Salem, and then it was adopted.

REPORT OF HOSPITALS

The North Carolina Baptist Hospital at Winston-Salem is owned and operated by the Baptist State Convention of North Carolina and is directed by a board of trustees appointed by the convention. We are fortunate in having it run in connection with the Boman Gray Medical School of Wake Forest College.

If anyone is unable to get proper medical treatment in his own community he has access to this wonderful institution where he may have the best.

Our Training School for Nurses is as good as the best and if you have a bright Christian girl who wishes to be a nurse you will do her a service to put her in contact with this school of nursing.

The Hospital sends to each church some facts and figures concerning the work just before Mother's Day. The offering made at this time is used to care for those who do not have the money to pay for their treatment. You are urged to support this insitution with your prayers and your means.

Respectfully submitted,
H. W. Baucom

43. The report on Christian Education was read by G. G. Morgan and it was adopted following an able message on the subject by Dr. Hoyt Blackwell of Mars Hill College.

REPORT ON CHRISTIAN EDUCATION

The pro-nounced emphasis which Baptists have always placed upon Christian Education is expressive of our desire and obligation to carry out the teaching of The Master. We hear Him saying to His disciples "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and the Son, and the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you; and lo, I am with you always even unto the end of the world." Jesus Himself was the greatest proponent of Christian Education on record. Twice in this passage, which we call the Great Commission, we are commanded to teach. Jesus' method of dealing with His disciples was of a three fold nature: He first called them into service, next He taught them as to the work they were to do, and then sent them out to do their work in accordance with his instruction.

We as Baptists believe in an educated ministry, and by supporting our fine Christian Schools and Colleges we are offering to our young men and women the finest and best in Christian Education, but at the same time and in the same degree, are we interested in an educated laity, believing that the layman who has received an education in a Christian School will be a far better and more competent worker in his church and in promoting the work of The Kingdom in general. Therefore we believe that Paul's admonition to Timothy to study in order that he might develop into that workman that "Needeth not be ashamed" was advise to be heeded by all Christians everywhere.

The Marvelous progress which has been made in education in America, began in and through the churches. In the early days of our civilization when school houses were few and far between, many of our church buildings were opened up for school purposes. Our Fathers, although themselves uneducated, saw the overwhelming need of a Christian education for their children and their neighbor's children.

As we think of World conditions to day, and as we stop to consider the turmoil in our nation, and the dark picture which faces us regarding the future and World peace, we are overwhelmed with the conviction that our one and only hope, in the proper adjustment of our problems, is in Christ and His program, and Christian Education is a vital part of that program.

We point with pride to our North Carolina Baptist Schools and Colleges, they are all doing magnificent work, always striving to improve in building and enlargement in order that they might be able to accommodate the great hosts of young men and women who each year are knocking for admittance at their doors. All our institutions are crowded to capacity, and are in urgent need of more adequate physical equipment. This need will be met in proportion to our interest in these institutions, and in the measure that we contribute through special gifts and also through the co-operative program.

We wish to call attention to perhaps the greatest forward step which has been taken in the field of Christian Education in many years, viz. the enlargement of Wake Forest College and its relocation at Winston-Salem.

The campaign to raise through our churches $1,500,000.00 for this great cause is going forward under the leadership of Brother Horace Easom in a wonderful way. The goal of $65,000.00 for the churches of the Buncombe Association which was adopted at our meeting last year is a worthy goal, and we believe will be paid in full, by each church paying the amount apportioned.

We realize fully, that if our institutions are to grow and expand that they must have financial support through the Co-operative Program, as well as by special donations from time to time, but we also realize that in addition to this they should have our thorough co-operation, our loyal support, and our earnest prayers, to the end that they may remain true to the high ideals for which they were founded, and that the emphasis be placed not only on education but with definite emphasis on Christian Education.

Respectfully submitted,
G. G. Morgan

44. At this time James H. Smith of Reed Memorial brought a report of the work and progress of the committee appointed a year ago to lead in an effort to raise $65,000.00 in the churches of the Buncombe Association for the new Wake Forest College plant at Winston-Salem. This matter was discussed in a very able way by A. J. Hutchens of Canton. Because of the shortness of the time, he was voted an extension of five minutes. Following his discussion, the report was adopted.

REPORT OF COMMITTEE ON WAKE FOREST COLLEGE
AUGUST 25, 1948

On Tuesday of last year's associational meeting Brother Horace Easom effectively presented to us the opportunity offered the Baptists of North Carolina to become, through Wake Forest College, recipients and stewards of approximately $11,5000,000.00 in trust funds and approximately $6,000,000.00 worth of real estate near Winston-Salem, N. C.

Upon a motion made by Brother Nane Starnes the association voted to accept the $65,000.00 goal toward the $160,000,000 to be raised in the churches of our state convention. Brother Perry Crouch was made chairman of a committee to encourage each church among us to happily do its part in this worthy project.

Through the year this committee, (the names of which are found on page 28 in the 1947 associational minutes) Brother Hocutt and Brother Easom have emphasized this golden opportunity we have to help Wake Forest.

In January of this year a special meeting was held at the First Baptist Church with associational pastors and church committees present to hear again this proposed plan for the transfer of Wake Forest College to Winston-Salem. And in this meeting the suggested quotas for the several churches were presented. It is encouraging to know that 22 of our churches have already accepted their quotas and have underwritten the total amount of $56,850.00.

However much Wake Forest College has blest us and the world, she has not become all that she wants to become, even as we individually, our homes and our churches have not reached the ideal goal in Christ. We have not yet attained; we press on. Wake Forest needs our prayers, our kind and constructive criticism, our sons and daughters with a glowing Christian faith to be further nurtured when they enter her doors, and she needs some of our money.

May the Lord lead each pastor and church in the serious study of this proposed plan for this one of our denominational schools, and may He consecrate us to support, in every way possible, this and all of our Christian Schools.

Respectfully submitted,
James H. Smith, member of committee

45. Emmett J. Davis sang "Pass It On." He was accompanied by Miss Mildred Thomas at the organ. The congregation then sang "Holy Bible, Book Divine" with Carl G. Mauney leading. Following the music, the Missionary Sermon was preached by B. A. Bowers of Ridgecrest, who has been preaching for some months at Calvary. He spoke on the theme "Is The Bible A Safe Guide?" His Scripture was taken from 2 Timothy 3:16. His message was an inspiration to all who heard him. At the close of his message, the meeting adjourned with prayer by G. G. Morgan. Lunch was served in the dining room by the ladies of the host church.

WEDNESDAY AFTERNOON SESSION

46. The Wednesday afternoon session began at 1:30 with the group singing "My Jesus, I Love Thee." W. H. Whitlock of the Liberty Church read Philippians 2:1-11 and led in prayer.

47. The first report of the afternoon was on The American Bible Society by W. A. Huneycutt of Black Mountain. I. Stewart McIlroy of Richmond was present and spoke on the work of the Bible Society. The report was then adopted.

REPORT OF THE AMERICAN BIBLE SOCIETY

In a day when the cry of the helpless can be heard from many lands for physical bread—the staff of life—there can be heard also the cry for the bread of life—the Word of God. We are reminded of the Scriptural statement made by our Lord, "man shall not live by bread alone, but by every word that proceedeth out of the mouth of God." Never before in the history of the world have peoples of so many races and nations welcomed the Word of God.

The distribution of the Scriptures is at the center of the missionary task. It is a conviction in our hearts that the Word of God given to every man in his native tongue has a message for his heart under the guidance of the Holy Spirit. The American Bible Society is the one great institution which aids and assists churches and denominations in meeting this missionary opportunity. It aids in translations, publishes the Scriptures without note or comment, and supplies them at cost, or below cost. In foreign countries, the society makes it possible for those living on a lower income level to have the Scriptures for a small fraction of cost. And in the home land and abroad, when a special need arises, the Scriptures are given freely.

Southern Baptist, for several years now, have realized the vital role the Bible Society plays in world-wide missions and have been increasing their support. For the year 1947, Southern Baptist gave $63,094 for the regular work of the Society, and $28,547 for World Emergency work, thus making a total of $91,641 for the year.

This certainly shows a marked increase in interest of the Society, since we gave only $25,694 in 1942. But we dare not be satisfied with the progress we have made, when only one-tenth of the world's people now possess the scriptures. Eight-tenths more could have the Word of God now, because the Bible, or some part of it, has been translated into 1,090 languages spoken by nine-tenths of the world's peoples. The American Bible Society is waiting for needed funds to make this possible.

Every Baptist Church can show their love for the Word of God and interest in the propagation of the Gospel by including the Society in its church budget, or by taking a special offering. It is the recommenadtion of this report that every Baptist Church in the Buncombe Association take a special offering during the Month of Setpember if you do not have it in your budget, and send it to our State Secretary, M. A. Huggins, in Raleigh, marked "For the American Bible Society." Surely, we can count on every pastor and every church in this association to witness for Christ in this day of opportunity and challenge by helping give the word of God to others.

Respectfully submitted,
Wilbur A. Huneycutt

48. When the time arrived for the report on the Co-operative Program, no report was at hand. C. D. Bessinger who was scheduled to make the report was absent because of a funeral. Secretary M. A. Huggins of the Baptist State Convention of North Carolina was present, and he gave a good discussion of the Co-operative Program. He had with him a number of newly-printed charts on the Co-operative Program that he asked the messengers to take back to their churches to be put in their churches.

49. The association stood up and sang "Jesus Saves." Then Reid Lunsford of the Ridgeway Church brought a report on the Minister's Retirement Plan. The report and the discussion of the plan by Brother Lunsford was to some degree critical of the plan and did not meet with the approval of the messengers present. After some discussion by a number of the brethren, a motion was made and passed by the body requesting Charles Jollay of Swannanoa, who seemed to be well informed on the retirement plan, to read carefully the report and to work with Brother Lunsford in eliminating any objectionable feature from the report before including it in the minutes. (Note by the clerk: After the close of the meeting of the association, the report mentioned above was read by Dr. Walter R. Alexander of the Relief and Annuity Board, who was at Ridgecrest at the time, and the report printed below was prepared by him and was substituted by Brother Lunsford in the place of the original report.)

THE MINISTER'S RETIREMENT PLAN

Ten thousand Baptist ministers of the Southern Baptist Convention are giving of their confidence in and their approval of the Minister's Retirment Plan by remitting their membership dues with regularity. Nearly one thousand retired ministers are satisfied the Plan actually works according to provisions as they are receiving monthly retirement checks from the Board.

The Minister's Retirement Plan is no longer a theoretical retirement plan. It is operating in every state of the Convention territory, under-girding all our denominational work as it gives a sense of security never enjoyed before by our Baptist ministry.

It is to be deplored that several thousand preachers do not enjoy its protection, due to the failure of the churches they pastor to cooperate, or due to some unwillingness on their own part to participate, or inability to do so. It is the sense of this body that every church in the association should make this protection available to its pastor, and that every pastor should thus seek to make provision for himself and his own household.

The Minister's Retirement Plan is as much a part of our denominational program today as any other Christian activity in which we engage. Increasingly the denomination is expecting its servants to avail themselves of such opportunities as are now afforded, thus ensuring some degree of care and comfort to the disabled, the aged, the widowed, and the orphaned.

Respectfully submitted,
Reid Lunsford

50. After the group had stood and sung "Amazing Grace," Nane Starnes of the West Asheville Church brought a discussion on World Relief. Then he introduced Dr. Charles Leonard who spoke of the need of relief in China. At the close of this discussion, the associational missionary stated that he planned an appeal for used clothing in the fall to be sent to Southern Baptist Relief Center in New Orleans for distribution in Europe and other needy places.

51. Reporting for the Resolutions Committee, Wayne W. Williams of Oteen read three resolutions that were unanimously passed by the association. The resolutions follows:

RESOLUTION RE HOSPITALITY

Whereas, Pastor W. Perry Crouch, his staff, and the members of the First Baptist Church have so graciously and kindly entertained this session of our Association, therefore be is

RESOLVED, that we express to Dr. Crouch and the members of his staff and church our hearty thanks and sincere appreciation for all their expressions of Christian courtesy and hospitality.

RESOLUTIONS COMMITTEE,
Wayne Williams, Gordon Morgan, Earl Sturgeon

RESOLUTIONS RE JUDGE NETTLES

Whereas, Judge Zebulon V. Nettles, of the Superior Court, has boldly and courageously cracked down on the criminals and racketeers who have disgraced and dishonored our city and county for, lo, these many years, therefore be it

RESOLVED, by the messengers of the Buncombe Baptist Association in their 67th annual session, meeting at the First Baptist Church, Asheville, on August 25, 1948, that we heartily commend Judge Nettles for his courageous stand in this legal and moral clean-up; and be it further.

RESOLVED, that we pledge to Judge Nettles our sympathy and support in this movement, and express the sincere hope that he and those associated with him will continue their drive on these dens and dives, these rackets and rapscallions, until all are padlocked or driven from our midst.

RESOLVED, further, that copies of this resolution be forwarded Judge Nettles and the Asheville newspapers, and that a copy be spread upon the minutes of this organization.

RESOLUTIONS RE MISSIONARY IN SWANNANOA VALLEY

Whereas, in the Swannanoa valley, with its three great tubercular hospitals, namely, Oteen, Moore General, and State Sanitorium, we have one of the greatest mission fields in the South, with some 1800 sick persons, and

Whereas, fully forty per cent of these patients and their families are of the Baptist persuasion, therefore be it

RESOLVED, that we recommend to Secretary Huggins and the General Board the advisability of placing a Baptist missionary in this valley to minister to the needs of these sick ones within these institutions and to their families without as soon as practicable.

BUNCOMBE BAPTIST ASSOCIATION

Resolutions Committee.

52. The report of the Committee on Committees was brought by Chairman Carl G. Mauney. In keeping with the recommendation in the report on Public Morals by C. R. Browning, the committee nominated W. Perry Crouch, Wayne W. Williams, and Mrs. J. L. Lawrence to make a study and bring a more thorough report on the subject at the next annual meeting of the association. This report was adopted. The committee then brought nominations for members of Standing Committees, and this report was adopted by the association. See "Standing Committees" for this report.

53. The report of the committee on Time, Place, and Preacher was made by Chairman Harry R. Logan. In adopting the report, the association voted for the officers of the association to have the authority to change the date of the next annual session in case of an emergency like the one that made it necessary to change the date of the present meeting. The report of the committee is found under the heading "Next Session."

54. Because of the evident lack of the constitution of the association to state the time for the annual meeting, to delegate authority to change the time of the meeting in case of an emergency, and to name an Executive Committee as such, A. J. Buckner made a motion that was seconded and voted upon favorably requesting the moderator to appoint a committee to make a study of the constitution in the light of these needed provisions and to bring recommendations to the Executive Promotion Committee and from that committee on to the next session of the association concerning necessary changes of the constitution. The moderator named G. C. Cox, Harry R. Logan, and W. B. Archer on this committee.

55. The report of the Budget Committee was made by chairman John L. Lawrence. The report as adopted is given below.

56. Upon a motion by A. J. Buckner, the association voted unanimously for the Executive Promotion Committee to set aside such part of the present bank balance as is thought wise as a Reserve Fund to be used only in the case of emergency that may affect the contributions to Associational Misisonary Fund.

57. The report on Obituaries was brought by John A. Cox of the Emmanuel Church. Without reading the list of the names, he asked the group to stand in silent prayer for a moment, and then he requested Neils H. Larsen to lead the prayer of thanks for the lives of those who had been called away during the year. At the close of the prayer, the moderator declared the sixty-seventh annual session of the association adjourned.

This is a most interesting digest. Please study it carefully. For the last two years we have shown a loss in number of baptisms, but this year we show a gain of over 50% over last year. This is most encouraging. Other gains are as follows: church membership, 1,093; Sunday School enrolment, 1,139; B. T. U. enrolment, 798; W. M. U. enrolment, 295; Brotherhood enrolment, 6; gifts for local expenses $35,310. We suffered a loss of $4,710 in gifts to missions. We regret this loss very much.

			TOTAL	5,590	256

We are happy to report the 60 Vacation Bible School with 5,590 enrolled and with 256 conversions during the summer of 1949. This is a considerable gain over previous years. The comparison for the last five years is as follows:

Year	Schools	Enrolled	Conversions
1945	21	1,945	?
1946	37	3,377	84
1947	47	4,055	174
1948	36	3,968	135
1949	60	5,590	256

By far the most of the schools held this summer have been conducted by the churches without help from the Association; however we have helped a number of churches in planning their schools, and we have tried to do all possible to promote the work. During the summer we have had with us two very fine ministerial students who have rendered a faithful and efficient service in conducting Bible Schools. They are W. L. Pearson, Jr., of the Chunn's Cove Church and a student last winter at Wake Forest, and Bill Snyder of the West Asheville Church and a Mars Hill student. We are most grateful for their assistance. For the benefit of future readers of this report, we would say again that the decrease in schools during 1948 was due to the polio epidemic.

CONSTITUTION AND BY-LAWS

Article 1. This body shall be known as the Buncombe Baptist Association.

Membership

Article 2. (Sec. a) It shall be composed of regularly constituted Baptist churches in Buncombe County and adjacent territory who shall be represented at its regular or special meetings by duly elected messengers in the following ratio:

(1) Two for the first hundred members or fraction thereof and one for each hundred additional.

(2) All ordained ministers who are members thereof or laboring in connection therewith.

(Sec. b) The Association shall be sole-judge of its membership and may receive or reject churches applying for membership therein at its pleasure, provided: the churches so received shall agree and come under the watch-care of the Association for a period of one year. It is understood that during this period of probation such church or churches shall be entitled to all the rights and privileges of the Association except that of voting. At the conclusion of his period should no objection be had they then become members in regular standing without further action by the Association.

(Sec c.) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice or that fails to represent itself either by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d.) Any church may withdraw from the Association at its pleasure.

Objects

Article 3. The objects of the Association shall be to devise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, the State Baptist Convention and the Association itself.

Powers and Prerogatives

Article 4. The Association shall have no power whatever to infringe upon the rights of usefulness of the churches. It may advise or recommend measures of usefulness for their adoption and guidance but cannot bind them in any way. All the churches constituting the Association remain sovereign and independent bodies and unite only that they may more effectually promote the cause of Christ throughout the world.

Duties of the Churches

Article 5. It shall be the duty of each church to appoint so far as practicable their most capable and efficient members as messengers—to insist upon their attendance and to send with them a contribution toward the expenses of the Association, the printing of the Minutes and such other items deemed necessary by the Association. It shall send annually a letter to the Association giving the following information—1. Location. 2. Name of pastor and clerk and their post office addresses. 3. The terms of regular services. 4. All church statistics for the current year. 5. Names and addresses of the responsible officers of all church organizations. 6. The amounts contributed by the church and each several organizations to all objects fostered by the Association. 7. Names of messengers and alternates. 8. Other information deemed of special importance.

Organization

Article 6 (Section a) The officers of the Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer, and Historian, who shall

be elected at each annual session and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next annual session, unless removed for cause, or until their successors are appointed.

(Section b) All officers and all members of all committees shall be members of churches affiliated with the Association.

(Section c) The term of office for the general officers of the Association shall not exceed two years in succession, with the exception of the Clerk and the Treasurer of the Association, who may be reelected to succeed themselves in office at the pleasure of the Association. The term of office for all members of committees of the Association shall be for one year, except members of those committees having a rotating membership covering a term of years of service. No committee member may succeed himself until at least one year has elapsed after his official term has expired. No member of the Association may be permitted to hold membership in more than one committee during one year, except in the case of officers of the Association, who by reason of their office are designated as members of specific committees.

Rules of Order

Article 7. The Moderator, or in his absence the Vice-Moderator, shall preside at all regular meetings. All officers shall faithfully discharge the duties usually pertaining to the office to which they have been elected. The following rules shall govern deliberations:

(A) All business shall be conducted and all discussions shall be carried on in the manner prescribed in Roberts Parliamentary practice.

(B) The method of voting shall be by the will of the body.

(C) A simple majority shall prevail in all cases except as otherwise provided by this Constitution, provided; that any member may at any time call for a secret ballot or a roll call on a doubtful issue.

(D) A ruling by the presiding officer shall be final unless appeal be had from such ruling to the entire body present.

Time of Annual Meeting

Article 8 (Section a) The Association shall meet annually on the Tuesday and Wednesday immediately following the second Sunday in August; however in the case of some unavoidable circumstance that makes a change in the date of the annual meeting necessary, either the Executive Committee or preferably the Promotional Committee shall have the authority to change said date, provided a notice of such change shall be mailed to each church at least two weeks if possible before the stated time for the annual meeting and at least two weeks in advance of the new date set for the annual meeting.

(Section b) In the event of some emergency that makes a call meeting of the Association necessary, either the Executive Committee or preferably the Promotional Committee shall have the authority to call a special meeting of the Association, provided that a notice of the time, place, and purpose of such a call meeting shall be mailed to the pastors and clerks of the churches of the Association at least two weeks in advance of the time set for the call meeting.

The Associational Year

Article 9. The associational year shall begin with the first of July of each year and close with the last of the following June.

The Promotional Committee

Article 10. A Promotional Committee shall be appointed at each annual meeting of the Association composed of the active pastors and

two members (preferably a man and a woman) from each church who shall act for the Association in the interim between the annual sessions. The duties of this committee shall be to carry out the policies and will of the Association as so expressed, nor shall it take any action contravening the will of the Association, nor shall it initiate any new policy or practice binding upon the Association unless specifically so directed; provided: that in an adequate emergency it may take such action as may deem necessary, but such action so taken shall in every case be submitted to the next meeting of the Association for appropriate consideration. It shall make a full and complete report of its activities at the next Association. It shall meet on the first Monday in each quarter at the time and place appointed for the meeting of the Buncombe Baptist Ministers Conference. The officers of this committee shall be the officers (ex-officio) of the Assiciation. The same ratio of churches represented as at the regular meetings of the Association shall be required to constitute a quorum for the transaction of business.

The Executive Committee

Article 11. The Association shall have an Executive Committee composed of the Moderator, Vice-Moderator, and Clerk of the Association and one member chosen at large from each of the five districts of the Association, these members from the districts to be members of the churches in the districts from which they are chosen, and these members from the districts to be elected annually and to be nominated by the Committee or Committees unless otherwise determined by the Association. The Executive Committee shall have the authority to act for the Association only in matters pertaining to the work of the Association that may arise between the regular quarterly meetings of the Promotional Committee and when the Association is not in session, except in matters that may be referred to this committee for action by the Promotional Committee or by the Association. Any action taken by the Executive Committee shall be reported by the clerk to the next meeting of the Promotional Committee or to the Association, whichever comes first, and shall be subject to the approval of the larger body to whom the report is made.

Standing Committees

Article 12. The Association shall have such standing committees as may be considered necessary to promote efficiently the work of the Master in our midst, the members of these committees to be nominated annually by the Committee on Committees unless otherwise determined by the Association. These committees shall make reports of their work to the Promotional Committee or to the Association in annual session.

Adoption

Article 13. This Constitution shall take effect immediately upon its adoption and shall supersede any and all constitutions previously adopted.

Revision

Article 14. This Constitution may be immediately revised at any session of the Association by a vote of two-thirds of the messengers present or by a simple majority provided notice of such revision shall have been given at a previous annual session.

DUTIES OF STANDING COMMITTEES

1. The Committee on Committees:

The duty of this committee is to bring to the annual meeting of the Association a nomination of the personnel of the standing committees, to name the committees on Resolutions and Time, Place, and Preacher, and to nominate any other committee authorized unless otherwise provided for; however, it shall be the privilege of any qualified messenger to make substitute or additional nominations for members of any committee.

2. The Committee on The Cooperative Program.

This committee should explain the working of the Cooperative Program where it is not understood, encourage all the churches to be

liberal in their gifts through this plan, and keep before the churches all the objects included in the program. A report of the committee's activities should be brought regularly to the Promotional Committee.

3. The Committee on Evangelism

This committee should seek to keep alive the fires of evangelism in all the meetings of all the organizations of the Association, encourage and help arrange, if necessary, evangelistic services in churches not reporting baptisms, and help provide evangelistic services in unchurched sections within the bounds of the Association. Reports of work done should be made quarterly to the Promotional Committee.

4. The Committee on Location of New Churches

This Committee should keep alert to any developments that may make a new church a necessity, advise with groups considering a new church about the necessity of such organization, and seek to encourage the best location possible of buildings when new churches are formed or when places of worship are moved. This committee should report its work to the Promotional Committee and be prepared to bring recommendations to the Association about the reception of new churches.

5. The Committee on Ordinations

This committee serves in an advisory capacity only. The committee should examine such candidates for the ministry as come before it as to their call and fitness for the Gospel Ministry and make recommendations as they feel led to the church of which one is a member about his being ordained and help plan and arrange for proper services of ordination when such assistance is needed. The Promotional Committee should be informed regularly of the work of this committee.

6. The Orphanage Committee

The work of this committee is to encourage and to assist our churches in their support to our North Carolina Baptist Orphanages. An effort should be made to encourage all the churches to have a systematic plan either by the once-a-month offering in the Sunday Schools or an amount in the budget for this purpose. The Thanksgiving offering of cash or in produce should have the careful planning of this committee. Reports should be made to the Promotional Committee regularly.

7. The Hospital Committee

The work of this committee is to co-operate with the Baptist or Protestant chaplains or both in the Oteen and Moore General Hospitals and in the Western North Carolina Sanatorium to the end that the patients in these hospitals who are Baptist or Baptist inclined or others who may not be ministered to may have a ministry of sympathy and helpfulness in keeping with the teachings of Jesus concerning the sick and the needy.

8. Committee on Pastorless Churches

The work of this committee is and can be advisory only. This committee should encourage pastorless, part-time churches to form fields with pastors located as near the center as possible, assist churches when called upon or when there is an evident need, when such help is welcomed, to find most suitable pastors, and to serve as contact man for worthy men desiring to become pastors. A report of all work done should be made to the Promotional Committee.

9. The Committee on Training

This committee should encourage the churches to provide the best training possible for their present or prospective Sunday School officers and teachers, for members of the Training Union, and for members of other organizations to the end that our churches will be filled with trained and informed leaders and members. As it seems wise, plans should be made for simultaneous training schools in churches or for central training schools, and, when needed, help should be given in providing teachers for training schools. The Promotional Committee should be kept informed about the work done by this committee.

10. The Committee on American Bible Society

This committee should do what it can to encourage our churches and individuals to contribute to the work of the American Bible Society. The churches should be informed about the services of the Bible Society so they will want to share in this worthy work. The committee should keep that information before the churches. Regular reports should be made to the Promotional Committee.

11. The Committee on Fellowship

The work of this committee is advisory only, but it should stand ready to go to any church where the fellowship is endangered or disrupted and seek to apply healing oil to spiritual wounds to the end that our churches shall be united in Christian fellowship, and it should seek to prevent some church or group from being led away by an unscriptural hireling. Reports should be made regularly to the Promotional Committee.

12. The Program Committee

The duty of the Program Committee is to plan the program for the annuel meeting of the Association and bring it to the Promotional Committee meeting in July for discussion and approval. The committee should begin its work well in advance of the meeting of the Association and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Association.

13. The Committee on Ministers Retirement Plan

This committee should seek to inform pastors and churches about the Ministers Retirement Plan and encourage both pastors and churches to cooperate in the plan. The committee can go before deacons in their meetings or to church conferences when invited and encourage participation in the plan; and when it seems wise or necessary, the committee may offer to explain the plan to pastors or churches where or when invitations for such services have not been received. In all cases the work of the committee is to offer helpful service in promoting this much-needed plan. Regular reports should be made to the Promotional Committee.

14. The Budget Committee

This committee should keep a close watch on the needs of the Association for an adequate budget for a well-balanced program of work and should be prepared to bring to the Association in annual session a proposed budget for the new year based upon the needs of the associational program of work and upon the ability and willingness of the churches to support the proposed budget. This committee should also be prepared to advise with the treasurer of the Association during the year concerning the items in the budget to the end that the Association may be kept in a healthy financial condition. It shall be the duty of the Budget Committee to see that the treasurer is properly bonded and that an audit of the treasurer's book be made following the close of the associational year and presented to each annual meeting of the Association.

15. The Committee on the Reception of New Churches

It should be the work of this committee to make proper investigation of the churches that express a desire to affiliate with the Buncombe Association concerning their being orthodox in faith and co-operative in spirit and to report to the Association in annual session their findings and recommendatoins concerning the reception or rejection of such churches.

16. The Committee on Calendar of Activities

This committee should work with the associational missionary in studying carefully the program of work by the Association at large, including the work of all the associational organizations and committees, and the needs of all the churches, and in the light of this study, work out an annual calendar of activities for the Association to be presented to the Promotional Committee for approval not later than the January meeting of the Promotional Committee.

Several Churches sent in donations during the month of July and even to the first of August to be credited to the 1948-49 budget. The Treasurer would like to urge all Church Treasurers to make an effort to get in the final check for each Associational year by the last week in June. This will help in making up an accurate report and also in keeping the funds for each year separately. Funds that were received too late will be credited in the 1949-50 budget.

Respectfully submitted,

Frank R. Bishop, Treasurer

10. H. M. Hocutt, Associational Missionary, presented his report in mimeograph form which was adopted without being read. At the request of the missionary, Rev. Morgan A. Kizer spoke briefly of the new mission at Pine Burr Park sponsored by the Weaverville Church; Rev. Robert Harris discussed the new work at Sulphur Sprinks Park; Rev. C. F. Rogers presented the Vacation Bible School program of the summer; and Rev. Jack R. Bagwell told of the All-Church Training Schools that had been held during the early part of the year.

ASSOCIATIONAL MISSIONARY'S REPORT

With a feeling of deep gratitude, we make our fifth report to the Buncombe Baptist Association. Truly this has been a glorious year, and we give thanks to our Heavenly Father for his goodness and blessings upon us and to each of you for your co-operative spirit and for your friendly and encouraging attitude toward our work. In all sincerity, the longer we work with and for you the more thankful we are for you and the more we rejoice in the privilege of being your fellow servant. In making our report we are conscious that many things we have tried to do cannot be reduced to figures; however the information given below will indicate something of what we have been trying to do.

Bulletins, letters, and cards mailed	12,129
Miles traveled	12,328
Total number churches visited during the year	94
Number of visits to churches and missions	349
Sermons preached	136
Radio messages	8

Associational meetings attended	52
Individual Conferences	333
Group Conferences	71
Committee Meetings	34

We would call attention to a number of events during the year in which a large number of people have shared.

1. The Ministers' Revival and Evangelistic Rallies. Brother J. C. Canipe, from our Fruitland Pastors' School, met daily with about fifty of our ministers for special services the week of February 14-18, 1949. Each night of that week he spoke at an evangelistic rally in one of the districts of the Association. We had a large attendance from about forty of our churches at these meetings. These services with the ministers during the days and in the rallies at night proved to be a real spiritual tonic that was badly needed. The offerings received at the night meetings amounted to $120.00. This money was given to Brother Canipe to help provide scholarships for ministers at the Fruitland School.

2. The All-Church Training Schools. Following the pattern of last year, we had six All-Church Training Schools with fifty books taught. The books included courses of study for Sunday School, Training Union, Brotherhood, and Woman's Missionary Union work. The central school was held in the First Church in Asheville the week of March 21-25, and the five district schools were held in the Fairview, Hominy, Mount Carmel, Weaverville, and Black Mountain Churches the week of April 4-8, 1949. The total enrollment of the schools was 1,137, and the total average attendance was 854. There were 718 awards won for the books studied. There is no way of knowing the value of such a period of study to those who taught and to those who were in the classes.

3. The Clothing Drive for World Relief. On November 28, 1948, and again on April 3, 1949, we had associational-wide clothing drives for used clothes for world relief. In the two efforts we received and shipped 278 bags of clothing, weighing 8,922 pounds, to our Southern Baptist Relief Center in New Orleans for shipment overseas.

4. Our Mission Projects. The three mission points that should be mentioned here are Anderson Cove, Pine Burr Park, and Sulphur Springs Park. Our building at Anderson Cove near Barnardsville has been completed to the point that we can use it, and the first service was held in it on Sunday afternoon, January 9, 1949, with Moderator A. P. Sprinkle bringing the message. The cost of the work so far has been $1,802.85. This amount has been contributed by churches and interested friends, and a small amount is on hand for further work on the building. Misses Sudie Fair and Zora Williams of the Big Ivy Church are rendering a faithful service at this mission. Pastor Morgan A. Kizer and his class of young men along with other helpers from the Weaverville Church should be highly commended for the success of their efforts at Pine Burr Park between New Bridge and Weaverville. The Association contributed $300.00 for lumber and other materials, and the young men from Weaverville did the work. Moderator A. P. Sprinkle brought the first message in the new building on Sunday afternoon, April 24, 1949. At the close of a tent meeting conducted by Brother Robert Harris in the Sulphur Springs Park community near Sunrise Church, a Sunday School was started on Sunday, June 12, with sixty people present. This work is continuing under a tent with Brother Harris as the leader. Present indications point toward a building of some sort in the near future.

5. Our Summer Program. This summer we have had the assistance of W. L. Pearson, Jr., of the Chunn's Cove Church, and of Bill Snyder of the West Asheville Church. They have helped in Vacation Bible Schools, study courses, preaching, office work, etc. At the time of this writing plans have been completed for sixty Bible Schools before the summer season closes. Many of the schools have been held without our assistance.

We close this condensed report with a request that you continue to pray for us as we try to carry on in this limitless field of service.

Respectfully submitted,
H. M. Hocutt, Missionary

11. The report on the Co-operative Program was read by Rev. A. J. Buckner. This report was adopted following an able discussion on the subject by Rev. Earl Bradley from Raleigh.

THE COOPERATIVE PROGRAM

Next year will mark the 25th anniversary of the Cooperative Program. After 25 years of trial all agree that it is the best plan yet devised for handling the financial side of our great program. It unifies and co-ordinates our work in such a manner that we can have a part in every phase of the work sponsored by our denomination by giving through one channel. It also prevents any phase from being neglected.

During last year for the first time in History each church in the Buncombe Association made a contribution to the Cooperative Program. According to records in Raleigh gifts from this association amounted to $64,414.90. This does not include gifts made to the orphanage.

We congratulate our associational missionary and all others who had a part in the fine job they have done. For the coming year the committee recommends that every effort possible be made to acquaint our people with the plan and goal of fifty-fifty by 1950.

Respectfully submitted,
A. J. Buckner

12. Rev. M. W. Chapman read a very able report on Christian Education which was adopted without discussion due to the limit of time.

CHRISTIAN EDUCATION

Introduction

Before entering into the responsibility of this report with which you have charged me on this Sixty-Eighth Annual Session of the Buncombe Baptist Association, let me explain that the term **education,** as herein used, means to **nourish** or **nurture.** Thus it carries the idea of supplying and receiving food or sustenance. I shall discuss "Christian Education" in terms of nurture and conclude with five recommendations.

Education As Nurture

Education is not necessarily "What is put out" but rather, "What is received". To educate does not necessarily mean, "You sit still while I instill". It is more than propagandizing. Education is a growing process which is enhanced by the actual use of factual materials. Plato said it is the "Giving to the body and the soul all the beauty and perfection of which they are capable". Education is the training of the mind of man, bringing out whatever elements are found in him, developing the full personality, and improving civilization by raising it to a higher plain. Education, as such, can be fully achieved only through a Christian nurture.

Education Is Popular Today

That education is more popular than ever before is evidenced on every hand. The attendance in all types of schools is almost 100 per cent above the prewar attendance.

State Schools: State supported universities, agricultural and mechanical colleges, law schools, and medical schools have expanded their plants and faculties to the limit. Thousands have applied for the limited number of scholarships now offered in this country to foreign students.

Business Firms: Billions of dollars are spent each year in advertisement, newspaper, magazine, radio, television, and many other types of commercial nurture. Business firms have long realized the importance of informing the public. They know people are nurtured into accepting ideas and into purchasing products.

Church Schools: Southern Baptists have five types of schools. The five types are: the Academy with an enrollment of 2,061; the Junior College with an enrollment of 10,808; the Senior College or University with an enrollment of 39,279; the Woman's Missionary Training School and the Seminary with an enrollment of 2,832 in our Seminaries and Training School. Enrollment in these schools reached an all-time high this year with a total of 54,979 students.

Church Education: Educational plants are being erected, enlarged, and improved by Baptist churches throughout the Southland. Many in our Buncombe Association report their Sunday Schools are overflowing and class rooms are "bursting at the seams". Some sixty or more Vacation Bible Schools will have been conducted in our Association by the end of this summer with an enrollment of around 5,500. Five all-Church Training Schools and a Central All-Church Training School were conducted by our Association this year. These schools proved to be most successful with an enrollment of 1,137. The average attendance for these schools was 854. Special training courses were conducted by many of our individual churches throughout the year.

Education is most popular today and is being encouraged more and more by the state, business firms, and churches of all denominations.

Education Is Done Through Many Agencies

Many and varied are the sources, agencies, and methods of education. Immediately we recognize the fact that there are anti-Christian, non-Christian, as well as Christian sources, agencies, and methods of nourishing and nurturing.

Anti-Christian: Communism, alcoholism, and materialism are anti-Christian in aim and practice. There are many agencies and individuals who uphold gambling, immorality, and prostitution. In my humble estimation, these vices are anti-Christian to the core. Wine and beer advertisements, liquor advertisements, and many magazine articles are anti-Christian. Certain radio, literature, and newspaper propagandizing are anti-Christian. These are forms of nurture that influence people considerably.

Non-Christian: State supported schools do not claim to be Christian. Most radio, newspaper, magazine, and literary productions do not claim to be Christian in purpose. Commercial advertisement does not claim to be Christian.

The Home: Perhaps the most influential nurture is that received through the home. Someone has said, "Educate a man and you have educated an individual, but educate a woman and you have educated a family." It has been said, "the hand that rocks the cradle is the hand that rules the world." The home nurtures our concepts of God, mankind, and civilization. The home is like a "table prepared before us" from which we eat our nourishment and in turn receive our growth. There are anti-Christian, non-Christian, as well as Christian homes. The best figures we have been able to secure indicate there are around 12,000 non-Christian homes in our Association. Perhaps some of these homes are even anti-Christian.

Christian: We rejoice exceedingly that we have many sources of Christian nurture. The church with its various organizations, auxiliaries, and educational methods produces Christian nurture. The Academy type school sponsored by Baptists has as its function the educational guidance for students not yet old enough to make wise choices without Christian supervision and direction. The Junior College has served us in a most gracious Christian way. We have the Senior College and University that was founded upon Christian principles and by Christian leaders. The Woman's Missionary Training School provides a course of study specifically adapted to the basic needs of those women volunteers who have definitely dedicated their lives to religious work. The theological seminaries have from their earliest years been sources from which our churches and our mission fields, home and foreign, have been obtaining outstanding preachers and leaders.

Education Without Christ Is Not Enough

If God has created us "in His own image"; if our primary concern is a continuous fellowship with our Creator; and if our major purpose in this life is to "seek first the Kingdom of God and His righteousness" we must have a Christ centered nurture. All phases of life must be Christian. You may be compelled to attend state supported schools because we do not offer all the desired courses in our parochial schools. Then we must see to it that these students are supplied with Christian nourishment through our churches, homes, and environment. If business firms must educate the public about certain ideas and products, we must be ready to uphold the good and equally as ready to condemn the evil. Through some source, agency, or method we must nurture every individual into practicing the principles set forth by our Lord Christ.

Recommendation

The Buncombe Baptist Association must become wisely alert and constructively active, or the great shadow of evil nurture will blot out our great opportunity. We can, by indifference, betray ourselves and others in this and future generations. I therefore offer five recommendations as follows:

1. **Concerning Home Education:** I recommend that every church press toward the ideal goal of having the following in every home that is connected with it, namely: The Holy Bible, the "Home Life" magazine, the Sunday School periodicals, and the "Biblical Recorder." I also recommend for every home in our Association a family altar and prayers of thanksgiving at every meal. I furthermore recommend that parents in all our homes seek to lead their household to become Christian.

2. **Concerning Church Education:** I recommend that each church in our Association make a comprehensive and sincere survey of its educational facilities and give earnest consideration, after sincere prayer, to launching the biggest, best, and most spiritual program of Christian nurture possible.

3. **Concerning Associational Education:** I recommend that this Association, through the most able leadership of our Missionary, Mr. Hocutt, conduct as many All-Church Training Schools this coming year as may seem wise and possible. I also recommend that this Association be influential in encouraging the new Sunday Schools and other training programs needed within our boundaries.

4. **Concerning Parochial School Education:** I recommend that our churches encourage the youth of our Association to attend Christian colleges and universities and preferably Baptist schools. I also recommend that we use our influence as an Association, as churches, and as individuals in leading all of our church supported schools toward: (1) the realization that we must provide superior Christian colleges; (2) the realization that the physical equipment must be second to that of no other schools in beauty and in modern appointments; (3) the realization that the faculties of our colleges must consist of the most competent, highly trained and consecrated men and women available; and above all men and women who "have been born again"; (4) the realization that a positive Christian atmosphere must be predominant; (5) the realization that Christian nurture is the foremost concern of our educational leaders; and (6) the realization that our primary concern is the Christian nurture of the individual who enrolls in our schools.

5. **Concerning This Report:** If for any reason it may seem wise to omit in part or all of this report from our Associational minutes, I recommend that our Associational clerk be privileged to act accordingly.

13. The matter of the moving and the enlarging of Wake Forest College to Winston-Salem was discussed in a very fine way by Rev. Nane Starnes, one of the trustees of the college.

14. The Youth Choir from the West Asheville Church sang "Sing, O Heavens" by Holton. Mrs. Hugh Brank led the choir accompanied by Mrs. W. A. Jones. Rev. M. W. Chapman read Matthew 9:27-38, and Rev. W. Brady Archer of the French Broad Avenue Church preached a missionary sermon as a climax to the morning program. The theme of his message was the Compassion of Jesus for the Multitudes. At the close of his message he led in prayer after which the meeting adjourned for lunch in the basement of the church.

TUESDAY AFTERNOON SESSION

15. The afternoon session began at 1:40 with Vice-Moderator W. A. Huneycutt presiding. The group stood and sang "The Church's One Foundation," and Rev. M. D. Smith read Revelation 2:7-9 and led in prayer.

16. Rev. Cecil M. Perry of Ridgecrest called attention to recent discussions concerning legislation being considered relative to federal support of public schools and requested that the Committee on Resolutions prepare suitable resolutions to be sent to our representatives in congress, to Dr. J. M. Dawson, to the local papers, and to the BIBLICAL RECORDER expressing our disapproval of any form of federal support for private or denominational schools. The request was approved by a vote of the Association.

17. The report on Religious Literature was read by Rev. C. F. Rogers, and following a discussion on the subject by Dr. P. L. Elliott of Gardner-Webb College, the report was adopted.

REPORT ON CHRISTIAN LITERATURE

Baptists believe in Christian Education, because the same Christ who said "Go preach," said also, "Go teach," and so Christian Literature and Christian Education are closely akin, in fact "Siamese Twins" of education, for you cannot do away with one without destroying the other.

Education requires literature, and literature is not sufficient for the needs of men and nations apart from Christian Literature, otherwise it does not do away with sin, but merely sharpens sin's tools. In the forefront of this kind of literature stands the Bible, God's inspired Word.

History records the life and deeds of a Nero, educated, but not according to our Bible, in conscience and righteousness; likewise a Benedict Arnold, educated, but not in Christian patriotism and conscience, and of more recent date, the rulers of other nations educated in the arts, sciences and literature of the day, but ignoring the teachings of God's Word and the ideals which Christian Literature holds forth. The cheap, coarse, immoral and obscene literature flooding our news stands and homes, many of our Christian homes too, which has raised the ire of public officials, welfare leaders, and even news dealers themselves, many of whom refuse to handle or sell the dirty story and picture magazines, should arouse us to the necessity of getting into the minds of our people the urgent need for the best literature possible into our homes, and especially to our young people.

Balanced ration is as necessary for our minds as for our bodies, and grateful indeed are we to our own state editors for the informative, enlightening information they give us each week in our Biblical Recorder and Charity and Children, and to all our agencies putting out helpful Christian Literature for our churches and homes. Our Recorder has now reached a circulation of close to 43,000 copies, and with the privilege of securing it through Church Clubs, and especially through the Every Family Plan by placing it in our Church budget, we would urge our Churches to adopt this plan wherever and as soon as possible to do so, adding to its circulation and thus adding blessing to our homes.

Respectfully submitted,
C. F. Rogers.

18. Mrs. D. L. Holland, Associational W. M. U. Superintendent, presented the report on the work of the Woman's Missionary Union, and at her request H. M. Hocutt spoke to the report. After the discussion Mrs. Holland presented to H. M. Hocutt a check to the amount of $913.11 as a gift from different W. M. U., Sunday School, Training Union, and Brotherhood groups and from churches and indi-

viduals to be used toward the purchase of a car. This was done in appreciation of his work as missionary in the Association. At this point Don C. Young made a motion that the Treasurer be instructed to write a check from the funds of the Association for a sufficient amount to make the total one thousand dollars, and the motion was carried. It was suggested that an offering be received for the same purpose, and as the group stood and sang "Amazing Grace" the offering plates were passed and a contribution to the amount of $108.25 was received. As best he could the missionary expressed his appreciaiton for this generous gift by the people.

WOMAN'S MISSIONARY UNION

Our W. M. U. watchword for the year is Psalms 145:12—To make known to the sons of men his mighty acts, and the glorious majesty of his kingdom.

At a time like this in a changing world, we truly need to remind ourselves and others of the mighty works of God. We as a W. M. U. of the Buncombe Association, must endeavor to organize work in all of the thirty churches that have no missionary organizations. We must make known his mighty acts of Redemption. There are many millions of people, young and old, to whom we must make known the mighty acts of Salvation of this wonderful Savior whom we are striving to serve.

Let us pledge ourselves to the Lord, along with our time, talents, and money. Will your church and mine be able to give 50-50 by 1950? We can give without loving but we cannot love without giving. Until we stand before the cross and understand the cost of God's love in redemption, we can never become fervently missionary in mind. Jesus said, "If any man will come after me, let him deny himself, and take up his cross, and follow me."

We strive to carry out the great commission—start at home and go to the ends of the earth. Have you started at home by organizing W. M. U. organizations in your church? If you haven't, will you please invite your associational W. M. U. Superintendent, or one of our district leaders to come help you? Fourteen new organizations have been reported this year. Let us strive, as our goal, to organize all the seventy-four churches in our association. Will you join us in prayer that this work may be accomplished?

Respectfully submitted,
Mrs. D. L. Holland, Supt.

19. The report on Sunday Schools was made by John L. Lawrence, Associational Sunday School Superintendent, and after a discussion on the subject by Mr. Lawrence the report was adopted.

SUNDAY SCHOOL REPORT OF THE BUNCOMBE BAPTIST ASSOCIATION

By J. L. Lawrence, General Superintendent

During the summer of 1948 Buncombe County experienced a polio epidemic which greatly affected our Sunday School work for several months. However the year has ended with most gratifying reports from almost every Sunday school and church in our Association. I'm sure the minutes for the work of the past year will be read with a great deal of interest and enthusiasm.

The following have served with the General Superintendent in directing the work of the Sunday school Association during the past year: Supt. of Enlargement, V. A. Cogburn; Supt. of Training, Rev. Jack Bagwell; Supt. of D. V. B. S., Rev. C. F. Rogers; Supt. of Evangelism, Rev. LeRoy Thomas; Chorister, Rev. Carl Mauney and Associational Missionary, Rev. H. M. Hocutt. The General Superintendent appreciates the loyalty and fine cooperation of these officers together with that of the Departmental Superintendents and District Superintendents in carrying on the work.

Last September, our state planning meeting was held at the First Baptist Church, Asheville, and was well attended by representatives of the Buncombe and adjoining Associations. This year it is planned to have a state planning meeting in every Association. Following our state meeting last September, more than 20 teams of Pastors, Superintendents and Sunday school workers were organized to visit the churches of our Association for church planning meetings.

Not all our churches participated in this program but I am sure each church that did profited by such a meeting. We feel sure that many of the fine reports that we are still receiving from the churches of our Association are as a direct result of these church planning meetings held last October. We are indeed thankful to the teams for their fine work.

Some of the themes for our work during the past years have been:

1945—"A Century for Christ"
1946—"A Century with Christ"
1947—"Working Together with Christ"
1948—"Expect Great Things From God, Attempt Great Things for God"
1949—"Spare Not, Lengthen Thy Cords and Strengthen Thy Stakes"

Our theme for next year will be "Our 1950 Southern Baptist Sunday School Program" and our slogan will be "Take Your Family to Sunday School."

The attendance at our monthly meetings, the first Sunday afternoon of each month, has been very good with representatives from 20 or more churches at each meeting. We rotate our place of meetings in the five districts of the Association and during the past year we have met with the following churches: Elk Mtn., Oakley, Chunn's Cove, Hominy, Calvary, New Bridge, Swannanoa, Fairview, West Asheville, Mt. Carmel and Merrimon Ave.

The attendance banner presented at our monthly meetings has been won mostly by the Mt. Olive Church as has also the banner for best percentage of attendance. This church has a church bus and uses it to bring a large group to our associational meetings.

The programs for our monthly meetings have been well planned to meet the needs of our work. We have had speakers from our Sunday School Board, our Women's Missionary Union, Pastors of our Association and others.

I believe almost every church in our Association will show gains in Sunday school attendance, improved Bible study and in winning the lost. This can be attributed largely to our church planning meetings last October and also to the most successful series of Training schools held in April of this year under the leadership of Rev. Jack Bagwell and Rev. H. M. Hocutt. More than 1000 were enrolled in these six schools. The interest in the Training Program of our Sunday schools is most encouraging for this is meeting the most challenging need of all our churches—"Trained Leaders."

Last December we held our first Associational Training Banquet at the First Baptist Church. The attendance was good and the fun and fellowship was enjoyed by everyone. An excellent program was presented and all agreed that this should be an annual affair.

Due to the polio epidemic last year, our Daily Vacation Bible School program was stopped and we were unable to reach our goal that we planned. However the work done was most commendable and the results were most gratifying for the number of schools held. The reports this year are already beyond our goal and schools are still being held. We are indebted to the fine leadership of Rev. C. F. Rogers and Rev. H. M. Hocutt for this work. Bill Pearson, Jr., and Bill Snyder, two fine young ministerial students, have both rendered a real service in connection with this work and we were thrilled with their reports at our last S. S. Associational meeting.

The large number of churches which are adding class rooms and additional space is most encouraging in our Sunday school work. We must provide more space if we are to meet the challenging need of reaching the large number who need to be in our Sunday schools. Every church is challenged to provide space for their possibilities from the Nursery up. Yes, every church should have a Nursery, many of our churches should have several. Not all of our churches have a Cradle Roll Department or an Extension Department. These two departments are meeting a great need in our work and every Pastor and Superintendent would do well to plan now to add these two departments to their Sunday school. In reaching the babies, we reach the parents also and in carrying the "Word" to those who cannot attend on Sunday morning, we are truly being missionary in our work. Both these departments will pay big dividends.

Our Sunday school Associational work is growing by the addition of new churches and by mission Sunday schools being started. Special mention is made of the mission Sunday school work of the Craven Street church at the Orthopedic Home and on the Biltmore Estate; also of the mission work of the Weaverville church. More of our churches should foster mission Sunday schools. Many of our mission Sunday schools have become fine churches.

As Superintendent of the Buncombe Sunday School Association, I would like to express my sincere appreciation for the fine spirit of cooperation of the Pastors and Superintendents. Baptists can still do more by cooperation than many can by force. Let's work together and make 1950 the greatest year yet for Baptists and for Christ.

Respectfully submitted,

J. L. Lawrence, General Supt.

20. Mrs. Paunee Byrd read the Baptist Training Union report. Rev. Eugene Olive of Wake Forest spoke to the report in the absence of Harvey T. Gibson, State Training Union Secretay, who found it impossible to be present. The report was adopted.

TRAINING UNION REPORT

The Training Union work in the Buncombe Association has been most encouraging during the last year. New organizations reporting this year are: Berea, Bent Creek, Grace, New Found, Mt. Pisgah and Sunrise. We now have 72 churches and 46 Training Unions, with a membership of 4005. The 26 churches in our county without Training Unions should challenge each of us to go out and help them to see the opportunity of training their church members through the Training Union work.

Not only has the membership increased but there has been an increase in the number of study courses. More awards were given in this past year for study than ever before, so we feel that the work of the local unions has improved accordingly.

This year we were pleased with the participation of the churches in the Better Speaker's contest, Intermediate Sword Drill, Junior Memory Work Drill, Adult Scripture Reading Contest, and the Hymn Festival. Mr. Eugene Waldroup of the Mt. Olive church won the Better Speaker's Contest at the Regional meeting and also won at Fruitland and represented North Carolina at Ridgecrest. The West Asheville Choir was given a high rating at Ridgecrest. Miss Mary Virginia Bridges and Miss Carolyn Grant from First Baptist Church, won in the Junior Memory Work Drill.

We would call attention to the Associational Training Union Bookshelf. The following books have been purchased and placed there for the use of any church needing them: Manuals for all the Unions, including the Leadership Manuals, Trail Makers in Other Lands, Meaning of Church Membership, Honoring the Deaconship, Planning a Life, Living Abundantly, The Growing Christian and Alcohol the Destroyer.

During the year we have had four Associational wide mass meetings, two district meetings and two executive meetings.

Plans have been completed for a week of Training Union work in November of 1950. Mr. Harvey Gibson, State Training Union Secretary and a group of his workers will lead us in this work.

At the mass meeting in July, Mr. Eugene Waldrop from Mt. Olive Church was elected as Associational Training Union Director.

We take this opportunity to express to Mr. Hocutt, our Associational Missionary, to the Ministers, Training Union officers and leaders, our appreciation for their faithful help in promoting the Training Union work.

Respectfully submitted,

Mrs. Paunee Byrd.

21. Rev. W. Perry Crouch reported for the Committee on the Reception of New Churches. The report was adopted as follows:

The Committee on the Reception of New Churches have met with the delegation from the Glady Church concerning their reception into the Buncombe Missionary Baptist Association. We have also investigated the background of the organization of this church. It is our belief that this church has been duly organized and is seeking to carry on the work of a Missionary Baptist Church. They have indicated their intention of co-operating in all the work of our Association and denomination. We recommend that the church be received on the following conditions:

1. That the church be considered on probation for a period of one year.

2. That the church be asked to counsel with our associational missionary concerning the preaching, teaching, and training program of their church.

Signed: Charles Jollay, M. D. Smith, and W. Perry Crouch
for the Committee.

22. The Girls' Octet from the West Asheville Church rendered special music at this time. They sang, "Show Me My Task."

23. The Baptist Brotherhood report was made by G. G. Morgan, Associational Brotherhood President; and following a discussion on the subject by Don C. Young, State Brotherhood President, the report was adopted.

REPORT OF THE BAPTIST BROTHERHOOD

The Baptist Brotherhood of our Association is making progress slowly, but surely. We have at present in the Buncombe Association ten Brotherhood organizations doing good work, and requests are coming from other churches in the Association asking for literature and instructions as to how to organize and get the work started. We realize that ten Brotherhood organizations out of the seventy-two churches in the Association is not a large percentage, but we also realize that so far, no special, concerted, effort has been made toward informing the rank and file of our churches of the value of such an organization. We feel that as soon as Bro. Horace Easom, our Executive Secretary, gets in the field and gives to this work his entire time and effort, that we will at once see a marked change in these figures. We have held our regular quarterly meetings throughout the year, they have not been largely attended, but the interest in the work is growing with each meeting. During the month of July of this year, two state-wide conferences were held: one at our Seaside Assembly from July 1-4, the other at Fruitland, July 29-31. Representatives from the Buncombe Association attended each of these meetings and brought back fine reports as to the inspiration and information received from each meeting. We recommend the Brotherhood to all our churches and urge all pastors to begin at once to plan organizing your laymen for greater service, and there is no better way to do this than by organizing the Baptist Brotherhood in your church—the organization composed of Christian laymen who are banded together to promote and support every other organization of the church; in every phase of its work, as well as the entire church program of our denomination.

We feel that an organization with such a program as this is invaluable to any church. We, your committee, recommend to all pastors and church leaders that you urge your laymen to attend the quarterly meetings of our Brotherhood, and also our state-wide Assemblies at Seaside and Fruitland.

Respectfully submitted,
G. G. Morgan.

24. The matter of the American Bible Society was presented by Rev. W. A. Huneycutt and discussed by Prof. M. H. Kendall of Mars Hill. After the discussion the report was adopted.

AMERICAN BIBLE SOCIETY

By W. A. Hunneycutt

Jesus spoke of the Scriptures as "they are they which testify of me." The Bible is the one primary source of our knowledge of Jesus. Without the Scriptures to speak to our hearts men could never find God as revealed in Jesus Christ.

The Bible was written by the missionary, under the leadership of the Holy Spirit, and it is his handbook in guiding men out of darkness into light. In our day when there is a critical shortage of missionaries, the Bible can be the missionary itself, going when there is no one to send and through doors which the missionary is unable to enter.

The American Bible Society is a missionary organization, supported by gifts made through the churches. Its purpose is to give the Word of God, without comment, to every creature in his own tongue, usually below cost and never at a profit. To many of the peoples of this earth who do not have the ability to pay, the society furnishes Scriptures without cost.

In a day when the world is gripped by fear that we will never be able to control the destructive forces released by our own genius, the Christian can present the Bible with a message equal to the needs of all men and nations. But there is a race against time and we must act now if this message has an opportunity.

Respectfully submitted,

W. A. Huneycutt.

25. The closing feature of the afternoon's session was a very able and timely address on "Our Churches Advancing in Civic Righteousness" by Rev. W. Perry Crouch of the First Church in Asheville. After his message the group stood and sang one stanza of "Bless Be the Tie That Binds," and Perry Morgan of Ridgecrest dismissed the meeting with prayer.

WEDNESDAY MORNING SESSION

26. The Association reconvened at 9:45 on Wednesday morning with Rev. A. P. Sprinkle presiding and with Rev .Carl G. Mauney leading the music and Mrs. W. A. Jones at the organ. The opening song was "There Is A Name I Love to Hear." Rev. W. Brady Archer read Luke 10:1-20 and led in prayer.

27. The Moderator raised the question about whether the offering received on yesterday for the Associational Missionary was to be a gift in addition to the thousand dollars presented to him in a check and voted from the treasury or whether it was to take the place of the amount voted from the treasury. By a motion that was seconded the Association voted to interpret the amount received in the offering as a gift above the thousand dollars. That made the total amount presented to him to be used in the purchase of a car $1,108.25.

28. Rev. Jack R. Bagwell presented to the Association the plan of helping in overseas relief through the Christian Rural Overseas Program that is commonly referred to as CROP. He expressed a hope that at least a carload of commodities might be shipped from Buncombe County. The Association voted its endorsement of the program.

29. Rev. W. Brady Archer discussed briefly the good work being done by the Personal Guidance Council in working with prisoners and others who need personal help and counsel in times of need. The work is under the direction of Miss Ruby C. Johnson at 44 Oak Street. Many of the churches are contributing to this work. It was suggested that other churches might consider giving some financial support to this organization that is rendering such a worthy service.

30. The Associational Missionary suggested that the Treasurer of the Association be instructed to give a check for one hundred dollars from the New Church Fund in the budget to the new mission at Sulphur Springs Park as soon as this amount is available in this fund. Since this work that is under the leadership of Rev. Robert Harris is not being sponsored by some church and is not a definite mission project of the Association, the missionary suggested that this contribution be made on the two following conditions: (1) That the group continue to use Baptist literature in the Snday School and (2) that it be the expressed purpose of the group that when a church is organized it will be a Missionary Baptist Church. The Association voted approval of the suggestion.

31. In the absence of Rev. Ernest R. Bartlett who was to make the Orphanage Report, the full time for this item was given to Dr. Zeno Wall, the Superintendent of our Baptist Orphanages in North Carolina. The Clerk was instructed to include in the minutes the report that had been sent to him from the Orphanage. The report follows:

THE ORPHANAGE REPORT

Since the establishment of our Orphanage on August 5, 1885 thousands of homeless boys and girls have been cared for in our homes. Last year we helped 793 children in Mills Home, Kennedy Home, in foster homes, and helped other needy children in their homes with their mothers. We extended help to 22 more children than we did in 1947 and 93 more than in 1946; thus our work continues to grow and serve the homeless ones within our state.

New Buildings

A new cottage—one that is costing over sixty-six thousand dollars—is soon to be opened at Kennedy Home which will enable us to care for 24 more children; and, on February 10th, we opened our new freezer plant there, the one at Mills Home having been opened late last fall.

Improvements

Many of our buildings are old, hence have to be repaired from time to time. But we hope, after this year, that most of our buildings will be in such good shape that but few repairs will have to be made during the next five years.

Over Spent

Last year, because it was necessary to erect some new buildings, and to improve the old ones, and because of the high cost of everything, we spent $56,000.00 more than we received; and this year, as it appears now, we are going to do the same—spend fifty thousand more than we receive. We have not gone in the "red"—just had to dip into our reserve funds which we had laid aside for a "rainy day," for such a time as this.

Adequate Support

If our Orphanage is to continue its outstanding service to the hundreds of homeless ones, who come to us from year to year, a more adequate support must be given. Some of our churches, in putting the Orphanage in their budgets, have not, it seems, given a large enough percentage. If our Sunday schools and churches will increase the amounts set aside for Orphanage work in their budgets, and if the other Sunday schols and churches will continue their once a month offerings, and all will make an inspiring offering at Thanksgiving we will be able to carry on the great work we are doing without sustaining any loss at the end of the year.

An Orphanage Representative

We are asking that each association elect an interested Orphanage Representative—one who will urge each church and Sunday school to contribute, regularly, to our Orphanage; that a worthy offering be made at, or near, Thanksgiving, and that copies of **Charity and Children** are received weekly by each church. If this is done, faithfully, the cause of the homeless and dependent children will be more intelligntly and adequately supported.

The Condition Of Our Institution

Both the outside and the inside of our buildings are being kept up well, the health of our children is excellent, and the spirit of cooperation, among our workers, is as fine as can be found in any institution. And we take so seriously our work that we meet, daily, for Bible reading and prayer, praying for every phase of our work, and for every one who gives to carry it on. We, too, are economizing in every department and are hoping to save several thousand dollars this year. Brethren, pray for us, and do your best for the orphans and homeless ones in our institution.

32. Mrs. H. W. Baucom read the report on our Baptist Hospital at Winston-Salem and introduced Dr. W. K. McGee from the Hospital who spoke to the report. The report was then adopted.

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

1949

Teaching and healing, two of the principal precepts of Christ's ministry, are the main objectives of your Baptist Hospital, which, together with the Bowman Gray School of Medicine of Wake Forest College, forms the only Baptist-owned hospital and medical school combined in the world today.

Underlying these objectives is the Christian responsibility of caring for the poor by giving them the medical service they require and by ministering to the sick throughout the State.

Funds received each year in our Mother's Day offerings are used to pay the hospital expenses of those patients who can pay only a part of the cost of their hospitalization or nothing at all. Receipts from the churches in Mother's Day offerings in 1948 totaled $141,-150.51. This included the value of linens contributed through Woman's Mossionary Union and estimated at $2,115.09 last year. Approximately half of the 8,800 bed patients admitted to the hospital in 1948 and all those seen in the 36,000 visits made to the outpatient clinics paid no doctor's fee and were assisted by the Mother's Day offering.

Your hospital provided more free service in 1948 than any other denominationally controlled hospital in the South. Free service amounting to $314,777.17 which was dispensed to patients in the hospital and the out-patient clinics, was made by individual contributions, welfare agencies, the Duke Endowment, but mainly through the Mother's Day offering.

The Hospital is the property of North Carolina Baptists and is the concrete expression of their desire to minister to the whole person. A patient's need for pastoral care is increased, rather than lessened, by his physical sickness. To meet this need, the hospital has established a full Department of Religion with a director, a chaplain and a student secretary. Their duties consist of pastoral care of patients, the promotion of a religious program for nurses and medical students, including the teaching of Bible in the School of Nursing, the conducting of a program of Clinical Pastoral Training for pastors and theological students, and ministering to the patients and their families.

The chaplain is on call 24 hours a day at the hospital.

The Department of Religion is a bridge between the hospital and the parent denomination and as such it helps to keep the hospital close to the motives of Christian service on which it was founded.

We earnestly commend the work of our Baptist Hospital to the loyal support of the churches of our Assocaition. If any of the churches have not yet made a special offering to help the hospital care for sick persons who cannot bear the cost themselves, we urge them to set a day and take such an offering at an early date. Any church can at any time add to the offering it has already made. Every dollar we send is used to help care for the sick who are not able to pay their own way.

33. The congregation stood and sang "O For A Thousand Tongues." After the song Rev. J. Lester Lane of the Calvary Church brought a very fine message on the subject "He Must Reign in Our Giving." He used the eighth chapter of Second Corinthians as the basis for his message.

34. The report on the Ministers Retirement Plan was presented by Rev. John A. Cox and discussed by Rev. J. B. Grice after which it was adopted.

THE MINISTERS RETIREMENT PLAN

The relief and annuity board is becoming more and more our denominational house of security.

July 1, 1949. The states conventions boards of our South land opened the doors of this house, not to pastors and widows only, but to many other agencies. Orphanages, Hospitals, Theological Seminarys, Baptist board employees, Baptist book stores.

June 1st this year in Oklahoma the Baptist headquarters of that State arranged a series of meetings, some thirty or more. Not an adverse word of criticism was heard. z

Virginia and Texas followed this plan with great results. North Carolina came into this retirement plan in 1940. Over ten thousand of our ministers are satisfied. Co-Operating with Church and Pastor.

There are many pastors who have not joined this plan. It is a great opportunity. It is a security and comfort to the disabled, the aged, widows, and the orphaned.

If you have not availed yourself of such opportunities please do so.

Total of beneficiaries in North Carolina as of September 1st, 1948—336. From September 1, 1947, to September 1st, 1948, they received 98,299.97.

Surely this is the house of Security.

Respectfully submitted,
J. A. Cox

35. Rev. Cecil M. Perry of Ridgecrest discussed the matter of World Relief. This was done without a written report. He urged all the churches to have a part in helping to care for the hungry and needy people of the world. The missionary called attention to plans for a clothing drive in the fall or early winter, and Rev. Jack R. Bagwell was given the time to say a further word about CROP.

36. After Mrs. Doris Morrell of the West Asheville Church sang "How Lovely Are Thy Dwellings" by Liddle, Rev. W. A. Huneycutt brought the sermon of the morning on "Our Baptist Faith." He read Ephesians 2:1-10. He discussed our faith as the New Testament faith and placed emphasis on the individual and his competency before God. At the close of his message, the speaker closed the morning session with prayer. The group present enjoyed a good lunch together that was prepared by the ladies of the host church.

WEDNESDAY AFTERNOON SESSION

37. The afternoon meeting began at 1:40 with the singing of "Rise Up, O Men of God". Rev. Riley M. Corn of the Long's Chapel Church read Psalms 145:1-13 and led the prayer.

38. Rev. I. Stewart McElroy of the American Bible Society was present and was given five minutes to discuss the work of the Bible Society. The report on this subject was made on Tuesday.

39. At this point the report of the committee appointed at the last annual session to consider changes in the constitution was taken up. The report had been in the hands of the messengers in mimeograph form since the opening of the present session. Before the report was adopted, the Committee on the Calendar of Activities was made a committee of six members and put on the rotating basis with two members going off the committee and two new members coming on each year, and the last sentence of the suggested duties of the Hospital Committee was removed. This sentence dealt with the work of the Baptist Hospital, and a committee of two had been authorized earlier in the session to represent the Baptist Hospital in the Association. The duties of the committees do not constitute a definite part of the constitution, but they are closely related to and are printed along with the constitution. With these two changes made in the report of the committee, the changes as suggested were approved by a unanimous vote of the Association.

40. The report on the Digest of Letters was made by H. M. Hocutt. He pointed out encouraging and important matters concerning the digest of letters that was put into the hands of the messengers when the Association convened. This digest with some corrections is included in the minutes along with the statistical tables.

41. The report of the Committee on Resolutions was made by Rev. M. W. Chapman, and the two following resolutions were unanimously adopted:

Be it further resolved, that a copy of this resolution be sent to the following: A copy to Dr. J. M. Dawson, a copy to the ASHEVILLE CITIZEN, and a copy to the BIBLICAL RECORDER.

42. The report of the Budget Committee was made by Rev. Carl G. Mauney and was adopted as is given below. Along with the suggested budget, the committee recommended that the Treasurer or some one write a letter to each church stating the fact that we are not receiving any support from the Home Mission Board at present and that last year we did not receive as much into the treasury as we spent and request that each church give due consideraion to the matter of adequate financial support of our associational missionary program. The recommendation was approved.

43. The report of the committee on Time, Place, and Preacher was made by Rev. Frank R. Hopkins. The report as adopted may be found in the front of the minutes under the heading "Next Session".

44. Rev. J. B. Grice made the report for the Committee on Committees. This report was adopted along with the addition of one name on Calendar of Activities and the plan for rotating the six members of the committee. This report as adopted may be found under the heading of "Standing Committees."

45. The report on the work of the Executive Promotion Committee in its four meetings during the year was made by the Clerk and was received by the Association as information to be printed in the minutes.

REPORT OF EXECUTIVE PROMOTION COMMITTEE

The constitution of the Association requires that a report of the work of the Executive Promotion Committee to be made to the Association in annual session. The four meetings of the committee were held on October 4, 1948, January 3, April 4, and July 4, 1949. These meetings were well attended, and items of interest concerning the Association were discussed and voted upon in keeping with the best judgment of the members of the committee. In bringing a report to the Association, we eliminate the routine reports of standing committees and bring only the special items of business taken care of in the meetings.

1. Remuneration and bond for Treasurer. In keeping with the request of the Association in the last annual session, the matter of remuneration and a bond for the Treasurer was taken care of by fixing the compensation at the amount of $12.50 per month and the bond at $2,000.00.

2. Constitutional changes. The committee of Brothers G. Carlton Cox, Harry R. Logan, and W. Brady Archer, appointed at the last annual session to consider necessary changes of the constitution, made its report to the Executive Promotion Committee; and after consideration and some changes in the work of the committee, the recommendations for constitutional changes are brought to the Association for final action. This report is before you in mimeograph form.

3. In view of the fact that we have no definite Executive Committee of the Association to give attention to matters that may arise between the regular meetings of the Executive Promotion Committee, the officers of the Association were requested to serve in this capacity until such time as a regular Executive Committee can be appointed. This matter is included in the report on constitutional changes.

4. Brother Owen elected Historian. Brother J. B. Grice resigned as Historian and made the suggestion that Brother J. R. Owen be re-elected to serve in this place. This change was officially made by the Executive Promotion Committee.

5. Funds set aside to be held against future needs. An amount of $£00.00 has been deposited on interest in one of the banks to be held as a reserved fund to be used only in case of definite need to prevent the Association from having to go into debt in carrying on the associational missionary program. This matter was referred to the Executive Promotion Committee at the last annual session of the Association.

6. No request for suport from Home Board. In view of the fact that the Home Board was faced with the necessity of reducing the amount allocated to city mission work in North Carolina, and in view of the fact that our treasurer had a reasonable amount on hand at the first of the year, it was decided not to request the $900.00 this year from the Home Mission Board.

7. The Pine Burr Park Mission. Upon the recommendation of the Missions Committee, an amount of $300.00 from the budget was set aside for the purchase of lumber and other materials for the Pine Burr Park Mission. This amount is to come from the New Church Fund in the budget, and it was voted on condition that Brother Kizer and a group of men from the Weaverville Church do the work on the building. This building is now in use, and the mission is making progress.

8. Summer Helpers. The matter of summer helpers for the missionary was left with a special committee composed of Brothers Nane Starnes of the Missions Committee, A. P. Sprinkle, Moderator of the Association, and C. F. Rogers, the Vacation Bible School leader. Brothers W. L. Pearson, Jr., of the Chunn's Cove Church, and Bill Snyder of the West Asheville Church have been employed for the summer. The entire support of Brother Pearson comes from the budget of the Association, and Brother Snyder has received $5.00 per week from the budget with the balance coming from the State Convention and from the churches where he has worked.

Respectfully submitted,

H. M. Hocutt, Clerk

46. The group stood and sang "Am I A Soldier of the Cross?" Following the song the Historian's Report was made by Rev. J. R. Owen. The report was adopted.

HISTORIAN'S REPORT

The growth of the Buncombe Baptist Association during the year 1948-9 has been phenominal. Its ever increasing and expanding activities is a natural and normal outgrowth of a deeper cultivation of our spiritual soil. Our churches seem to be giving more attention to the spiritual life of their membership as well as the religious destitution of their respective communities. Revival meetings, youth rallies, vacation Bible schools, along with increasing attention to the training of our young people in Christian service, are hopeful signs of a healthy growth. We cannot commend too highly the fine work being done by our consecrated and efficient missionary, brother H. M. Hocutt, He deserves the heartiest support and cooperation of all the churches.

A county wide revival was conducted in the city auditorium July 3-24. Dr. Henry Hankins, one time pastor of the first Baptist church Little Rock, Ark., did the preaching. These meetings were sponsored by the different protestant churches of the city, and were well attended. They resulted in quite a number of conversions, and in the quickening of a deeper interest in evangelism.

There has been more time and effort given to vacational Bible schools the past year than ever before in the Buncombe Association. Two of our fine college students gave full time to this work. Almost all our churches cooperated, and many volunteer workers gave their best to the work.

The work was incomplete when the Associational year closed, but the number of schools held will come close to 60.

The ministers of our association seem to have established the custom of having each year a revival by and for the ministers themselves. This year it was held Feb. 14-18. About 50 of our ministers attended the daily meetings. Forty of the churches cooperated. It was a great meeting—one that was a great spiritual feast and a most fruitful preparation for our revival meetings in the churches.

Brother J. L. Underwood resigned at Buckeye and was succeeded by brother J. H. Black of Burnsville. Brother Jess Shuford came to Big Ivy from Dana church in the Carolina Association. After a very fruitful pastorate at Swannanoa brother Charles Jolly is retiring to leave their pulpit vacant. Brother W. E. Walker resigned the pulpit at Beaverdam to attend the Southwestern Baptist Seminary He was succeeded by W. G. Russell. Brother W. H. Whitlock resigned at Liberty to accept a call at Calvery Church in Gastonia. He was succeeded by Brother Jack Buckner. Brother Vernon Hensley is the new pastor at Kerlee. Brother W. M. Chapman is the beloved assistant to Dr. Perry Crouch. Brother Lester Lane is going well at Calvery. Brother E. R. Frady is the new pastor at New Salem. Brother Bryce Wright is with the Saints at Sunrise. Brother M. L. Kirstine resigned at New Found to accept a call to New Morgan Hill. He was succeeded by Brother A. H. Parham. Victory church called Brother T. S. Henderson to succeed Bro. Hugh Rhymer who resigned. Brother I. A. Rhinehart was called to Mt. Pisgah. Joseph G. Pelphrey was called to Mount Zion. Brother Grady Shephard resigned at North Black Mountain. Bro. C. J. Buice of Atlanta is the new pastor at Oteen. Ernest Mahaffey has resigned New Salem and Dwight Long has resigned Emmas' Grove. Both of these Brethren are going to school. Brother Clyde Reece is the new pastor at Brown's Chapel.

Pastor Bessinger and his faithful group at Grace moved into their new auditorium on Sunday, May 29, 1949. In addition to this the pastor and his family moved into their new home, 145 Vermont Ave., purchased by the church.

Ridgecrest erected a new home for their pastor, Brother C. M. Perry, and it is now occupied by him.

Craven Street, under the leadership of their faithful pastor Perry Sprinkle, have erected a new Sunday School plant at the cost of $10,000.00. It provides ten extra classrooms.

Piney Grove, in West Asheville, has erected and moved into their new church building on State Street. D. K. Cohn is pastor.

Pole Creek, Pastor Benfield has led his church in the erection of a beautiful new building at the cost of $20,000.00. There is no debt on the building. The tithe is the answer.

New Morgan Hill is raising money for a home for their pastor.

Wilkey has recently treated their church building to a new roof over head and electric lights within.

New Found is making preparations to begin work on their new building. They have been accumulating funds for some time.

Hominy, Pastor Smith is now preaching to his fine congregation in their new auditorium. It is a model in church architecture.

Kerlee has treated their new building to a new coat of paint and their pews to a supply of the Broadman Hymnals.

Pleasant Grove, Pastor Rogers is to be congratulated on the improvements they have made to the church house. This includes refinishing outside, a new hardwood floor, new ceiling, and refinished walls. Also grading and rock surfacing the road around the church.

Emma's Grove deserves mention for much needed improvements on their church building.

West Asheville, Sunday, September 19, 1948, was a red letter day with pastor Starnes and his people. On that day they moved into their new auditorium. It's lovely spire may be seen for many miles.

Long's Chapel has made valuable improvements on their building.

Chestnut Grove has added much by way of improvements on their building.

Black Mountain, The old church building at Black Mountain was moved over to one side, and a new and beautiful auditorium was erected on the old site. Pastor Huneycutt and his fine flock are very happy in it.

Mount Carmel, Pastor Jack Bagwell and family are happy in their new home erected by his good church.

Flat Creek is worshiping in their new church building. Pastor Minton and his faithful flock are to be congratulated.

Avery's Creek, Pastor Hearn and his flock are making plans for their much needed new church building.

Victory, Ground has been broken at Victory for their new building.

Chunn's Cove, Pastor Buckner used his new baptistry for the first time on Easter Sunday.

Bethel is at work on a larger and better building.

Merrimon Ave., Valuable improvements have been made on the church building at Merrimon Ave. Funds for the new and larger building continue to grow. They are in possession of a new Wurlitz organ and chimes, the gift of Mrs. Williams and her two sons William and Nelson, as a memorial to their husband and father.

Spring Mountain has added four new Sunday School class rooms to their building.

French Broad Ave., Pastor Archer and his devoted French Broad Ave. flock have made valuable improvements on their property. A new baptistry has been added and class rooms refinished.

Weaverville, Pastor Kizer with and a group of his young men erected a beautiful little building at Pine Burr Park. A very commendable piece of work.

Cane Creek has added a new furnace to their church house, and a linoleum cover to the floors.

Deaver View has installed a new heating plant.

Macedonia, Pastor Hopkins is very happy in his new home erected by his faithful flock.

Oakley has finished a new home for the pastor. It is an attractive building.

There are several Baptist churches in Buncombe County not members of our association. Good churches these and composed of

fine people. We would be very glad to have them join us and share our fellowship and activities.

Respectfully Submitted,
J. R. Owen

47. Rev. W. H. Fitzgerald read the long list of those who had departed this life during the last year. This information had been taken from the letters to the Association, and it was received as information to be printed in an appropriate form in the minutes.

48. Moderator A. P. Sprinkle called Rev. Nane Starnes, the newly-elected Moderator, to the front; and after expressing his appreciation for the privilege of serving for five years and after expressing his love for the people, he recognized the new Moderator. After appropriate expressions by Moderator Starnes, the congregation stood and sang "God Be With You Till We Meet Again," and the Association stood adjourned with the closing prayer led by Rev. J. R. Owen.

In the letters to the Association this year, the financial report was made on the basis of expenditures rather than on the basis of gifts, and this change made it difficult to determine the total amount of local gifts in some cases; however we have studied each letter carefully in an effort to be as accurate as possible in the figures given above.

We are happy indeed to be able to report 68 Vacation Bible Schools with an enrolment of 6,454 and with 265 conversions during the summer of 1950. This is a considerable gain over previous years. The comparison for the last six summers is as follows:

Year	Schools	Enroled	Conversions
1945	21	1,945	?
1946	37	3,377	84
1947	47	4,055	174
1948	36	3,968	135
1949	60	5,590	256
1950	68	6,478	265

Most of the schools held this summer have been conducted by the churches without help from the Association; however we have helped a number of churches in planning their schools, and we have tried to do all possible to promote the work. During the summer we have had with us two very fine ministerial students who have rendered a very faithful and efficient service in conducting schools. They are Bill Snyder, a member of the West Asheville Church and a student last winter at Mars Hill College, and Dale Hooper of the Calvary Church and a student last winter at Wake Forest College. We are most grateful for their assistance. Along with them, we have had some help from Mrs. Charles Fox of the Oakley Church and Miss Jane Mason of the West Asheville Church.

No committee member may succeed himself until at least one year has elapsed after his official term has expired. The duties of this committee shall be to carry out the policies and will of the Association as so expressed, nor shall it take any action contravening the will of the Association, nor shall it initiate any new policy or practice binding upon the Association unless specifically so directed; provided: that in an adequate emergency it may take such action as may deem necessary, but such action so taken shall in every case be submitted to the next meeting of the Association for appropriate consideration. It shall make a full and complete report of its activities at the next Association. It shall meet on the first Monday in each quarter at the time and place appointed for the meeting of the Buncombe Baptist Ministers Conference. Article 11. The Association shall have an Executive Committee composed of the Moderator, Vice-Moderator, and Clerk of the Association and one member chosen at large from each of the five districts of the Association, these members from the districts to be members of the churches in the districts from which they are chosen, and these members from the districts to be elected annually and to be nominated by the Committee on Committees unless otherwise determined by the Association. The Executive Committee shall have the authority to act for the Association only in matters pertaining to the work of the Association that may arise between the regular quarterly meetings of the Promotional Committee and when the Association is not in session, except in matters that may be referred to this committee for action by the Promotional Committee or by the Association. Any action taken by the Executive Committee shall be reported by the clerk to the next meeting of the Promotional Committee or to the Association, whichever comes first, and shall be subject to the approval of the larger body to whom the report is made.

Standing Committees

Article 12. The Association shall have such standing committees as may be considered necessary to promote efficiently the work of the Master in our midst, the members of these committees to be nominated annually by the Committee on Committees unless otherwise determined by the Association. These committees shall make reports of their work to the Promotional Committee or to the Association in annual session.

Revision

Article 14. This Constitution may be immediately revised at any session of the Association by a vote of two-thirds of the messengers present or by a simple majority provided notice of such revision shall have been given at a previous annual session.

DUTIES OF STANDING COMMITTEES

1. The Committee on Committees:

The duty of this committee is to bring to the annual meeting of the Association a nomination of the personnel of the standing committees, to name the committees on Resolutions and Time, Place, and Preacher, and to nominate any other committee authorized unless otherwise provided for; however, it shall be the privilege of any qualified messenger to make substitute or additional nominations for members of any committee.

2. The Committee on The Cooperative Program.

This committee should explain the working of the Cooperative Program where it is not understood, encourage all the churches to be

liberal in their gifts through this plan, and keep before the churches all the objects included in the program. A report of the committee's activities should be brought regularly to the Promotional Committee.

3. The Committee on Evangelism.

This committee should seek to keep alive the fires of evangelism in all the meetings of all the organizations of the Association, encourage and help arrange, if necessary, evangelistic services in churches not reporting baptisms, and help provide evangelistic services in unchurched sections within the bounds of the Association. Reports of work done should be made quarterly to the Promotional Committee.

4. The Committee on Location of New Churches.

This committee should keep alert to any developments that may make a new church a necessity, advise with groups considering a new church about the necessity of such organization, and seek to encourage the best location possible of buildings when new churches are formed or when places of worship are moved. This committee should report its work to the Promotional Committee and be prepared to bring recommendations to the Association about the reception of new churches.

5. The Committee on Ordinations.

This committee serves in an advisory capacity only. The committee should examine such candidates for the ministry as come before it as to their call and fitness for the Gospel Ministry and make recommendations as they feel led to the church of which one is a member about his being ordained and help plan and arrange for proper services of ordination when such assistance is needed. The Promotional Committee should be informed regularly of the work of this committee.

6. The Orphanage Committee.

The work of this committee is to encourage and to assist our churches in their support of our North Carolina Baptist Orphanages. An effort should be made to encourage all the churches to have a systematic plan either by the once-a-month offering in the Sunday Schools or an amount in the budget for this purpose. The Thanksgiving offering of cash or in produce should have the careful planning of this committee. Reports should be made to the Promotional Committee regularly.

7. The Hospital Committee.

The work of this committee is to co-operate with the Baptist or Protestant chaplains or both in the Oteen and Moore General Hospitals and in the Western North Carolina Sanatorium to the end that the patients in these hospitals who are Baptist or Baptist inclined or others who may not be ministered to may have a ministry of sympathy and helpfulness in keeping with the teachings of Jesus concerning the sick and the needy.

8. Committee on Pastorless Churches.

The work of this committee is and can be advisory only. This committee should encourage pastorless, part-time churches to form fields with pastors located as near the center as possible, assist churches when called upon or when there is an evident need, when such help is welcomed, to find most suitable pastors, and to serve as contact man for worthy men desiring to become pastors. A report of all work done should be made to the Promotional Committee.

9. The Committee on Traniing.

This committee should encourage the churches to provide the best training possible for their present or prospective Sunday School officers and teachers, for members of the Training Union, and for mem bers of other organizations to the end that our churches will be filled with trained and informed leaders and members. As it seems wise, plans should be made for simultaneous training schools in churches or for central training schools, and when needed, help should be given in providing teachers for training schools. The Promotional Committee should be kept informed about the work done by this committee.

10. The Committee on American Bible Society.

This committee should do what it can to encourage our churches and individuals to contribute to the work of the American Bible Society. The churches should be informed about the services of the Bible Society so they will want to share in this worthy work. The committee should keep that information before the churches. Regular reports should be made to the Promotional Committee.

11. The Committee on Fellowship.

The work of this committee is advisory only, but it should stand ready to go to any church where the fellowship is endangered or disrupted and seek to apply healing oil to spiritual wounds to the end that our churches shall be united in Christian fellowship, and it should seek to prevent some church or group from being led away by an unscriptural hireling. Reports should be made regularly to the Promotional Committee.

12. The Program Committee

The duty of the Program Committee is to plan the program for the annual meeting of the Association and bring it to the Promotional Committee meeting in July for discussion and approval. The committee should begin its work well in advance of the meeting of the Association and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Association.

13. The Committee on Ministers Retirement Plan

This committee should seek to inform pastors and churches about the Ministers Retirement Plan and encourage both pastors and churches to cooperate in the plan. The committee can go before deacons in their meetings or to church conferences when invited and encourage participation in the plan; and when it seems wise or necessary, the committee may offer to explain the plan to pastors or churches where or when invitations for such services have not been received. In all cases the work of the committee is to offer helpful service in promoting this much-needed plan. Regular reports should be made to the Promotional Committee.

14. The Budget Committee

This committee should keep a close watch on the needs of the Association for an adequate budget for a well-balanced program of work and should be prepared to bring to the Association in annual session a proposed budget for the new year based upon the needs of the associational program of work and upon the ability and willingness of the churches to support the proposed budget. This committee should also be prepared to advise with the treasurer of the Association during the year concerning the items in the budget to the end that the Association may be kept in a healthy financial condition. It shall be the duty of the Budget Committee to see that the treasurer is properly bonded and that an audit of the treasurer's book be made following the close of the associational year and presented to each annual meeting of the Association.

15. The Committee on the Reception of New Churches

It should be the work of this committee to make proper investigation of the churches that express a desire to affiliate with the Buncombe Association concerning their being orthodox in faith and co-operative in spirit and to report to the Association in annual session their findings and recommendations concerning the reception or rejection of such churches.

16. The Committee on Calendar of Activities

This committee should work with the associational missionary in studying carefully the program of work by the Association at large, including the work of all the associational organizations and committees, and the needs of all the churches, and in the light of this study, work out an annual calendar of activities for the Association to be presented to the Promotional Committee for approval not later than the January meeting of the Promotional Committee.

11. The report of the Associational Missionary was presented and discussed by H. M. Hocutt. At the close of his report, Jack R. Bagwell made a motion that the Budget Committee and Missions Committee be asked to study together the possibilities of providing an office and some assistance for the missionary. This motion was duly seconded and adopted.

ASSOCIATIONAL MISSIONARY'S REPORT

We come again to the time when we must give some account of our stewardship as Associational Missionary. This is our sixth report. Surely the Lord has been good to us to let us enjoy the blessings of life, health, and strength and to give us the privilege of working with you good people. To us, it is quite evident that no missionary in any association in North Carolina has had a finer group of people with whom to work or has received better co-operation in the things he has tried to do than has been true of us. The best we know how, we want to express our love and thanks for the many, many blessings that have come to us. We would like at this point to make special mention of the new Chevrolet that was given to us a year ago by those of you with whom we have the privilege of working. It is impossible to tell you how much we appreciate this gift, but more than the gift we love and appreciate you good people who gave it. We are trying to use it the best we can to carry on the work to which we believe the Lord and you have called us. We give now a brief summary of the things that have taken place during the last twelve months.

It would not be possible to relate all the things that have been done, but we would like to call attention to a few major events of the year.

1. New Churches Organized. During the year we have had some part in the organization of three churches. On November 13, 1949, the Grassy Branch Church near Oteen was organized with twenty-five charter members. This work had been started earlier under the leadership of Brother Francis Lunsford and others from the Grassy Branch Community, some of whom were from the Oteen Church. This church is making excellent progress. Brother Lunsford is the pastor. The Sulphur Springs Church near the Deaver View Community was organized January 1, 1950, with sixteen charter members. This work started in the early part of 1949 with Bro. Robert Harris as the leader. He is the pastor of the new church. Under his leadership, the church is moving along well. The Pine Burr Park Church on the Weaverville Highway was organized June 1, 1950, with fourteen charter members. They called Brother W. A. Kuykendall of Weaverville as pastor. This work has made mighty good progress since it began in 1948 as a mission of the Weaverville Church.

2. The Ministers' Revival. One of the great weeks of the year was January 23-27, 1950, when the ministers of the Association had a spiritual feast. Dr. Edward McDowell of the Louisville Seminary was with us and spoke to the ministers each day. The Calvary Church shared with us in the program of the week, and Dr. McDowell spoke there each night on the book of Acts. The meetings of the week were well attended.

3. The All-Church Training Schools. We followed the plan of previous years in planning six All-Church Training Schools. The five District Schools were held the week of March 27-31, and the Central School was held the week of April 17-21. A total of 59 books dealing with Sunday School, Training Union, Brotherhood, and Woman's Missionary Union work were taught. The total enrolment from 45 churches was 1,303, and the average attendance was 1,013. This was an increase of about 200 over the year before. There were 695 Sunday School and Training Union awards received.

4. Our Summer Program. During the summer of 1950, we have had the able assistance of Bill Snyder of the West Asheville Church and Dale Hooper from the Calvary Church. They have given the major part of their time to Bible School work. All indications are that when the summer closes we will have a total of at least sixty-five schools. Many of these have been conducted by churches without outside assistance.

The lack of space prevents our relating many things of interest. We close this report with the request that you continue to pray for us.

Respectfully submitted,
H. M. Hocutt, Missionary

12. The report on the Co-operative Program was given by W. Perry Crouch.

REPORT ON THE COOPERATIVE PROGRAM

The Cooperative Program is the plan that has been in operation for 25 years among Southern Baptists to properly undergird and support all of the basic work of Baptists in the local state, in the Southern Baptist Convention and our Foreign Mission Program to the ends of the earth. Through this plan, churches have found that they could eliminate the ever-growing number of special offerings and could emphasize tithing and stewardship. Throughout the South, Baptists have believed this plan was inspired of God and was the method that would continually keep our people marching together in a world mission program. From time to time there have been difficulties to be overcome, particularly when some institution or group urged continual special offerings because of some immediate need. Perhaps some of these special offerings will be necessary from time to time but our people should keep in mind the strength of the Cooperative Program will depend upon our ability to support the objects of our work through this special program. Special offerings should be over and above "love offerings," and not necessities. Unless we keep this principal in mind, we will be going backwards to the days of mutiplicity of special offerings and drives that confuse the local people and put the wrong emphasis on giving. We would urge our churches to increase their gifts to the Cooperative Program as rapidly as possible and urge those who are messengers to the Convention to use their influence to include all the work of Baptists within the work of the Cooperative Program, thus eliminating many of the special drives and offerings now in existance. We believe a healthy condition would be five or six love offerings each year for the major causes of our mission program, but with the main stress placed on the life line of our work, namely the Cooperative Program. We urge the ledars of our churches to more carefully teach their people the purpose and plan of the Cooperative Program and the wisdom in putting their support behind it as a healthy process for the future. We believe Baptist have come to the Kingdom

for such a time as this and we hope that we will not become confused in the multitude of causes but will keep ourselves united in the main drive to win a world to Christ. The present division of the Cooperative Dollar is 50c for causes outside of North Carolina and 50c to remain in North Carolina. Of the 50c remaining in North Carolina 30c goes to Christian Education in the colleges, 7c to the work of our Baptist Hospital and 13c to the work of State Missions. The 50c going outside of the state, is divided among Foreign Missions, Home missions, five seminaries, Baptist Brotherhood, Baptist Radio and a small amount to negro theological education. When other Causes arise that are worthy of the support of Baptists, we believe they should be included within the Cooperative Program so that our people can continue one main drive for World missinos.

W. Perry Crouch

13. G. Carlton Cox of the Merrimon Avenue Church read the report on Christian Education.

REPORT ON CHRISTIAN EDUCATION

To think of true Christian Education, is to think of the life, and training, and teaching, and commission of the Lord Jesus Christ, who is the greatest leader in Christian Education, and the greatest Teacher in Christian Education, and the greatest example of Christian Education, that this world has ever known. In His home, and in The Synagogue, which was both the place of worship and school, Jesus was taught and trained and educated, "And Jesus increased in wisdom and stature, and in favor with God and man."

In His training at home, at church, and at school, and the outcome of His training: "Growth in wisdom and in favor with God and man," His great life of blessed usefulness, and His great teachings of unerring truth, we have both our example and ideal for Christian Education. It was Jesus, thus educated, who said, "Search the Scriptures, for in them ye think ye have eternal life, and they are they which testify of me." And it was this same Jesus who said, "Go ye into all the world and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit, teaching them to observe all things whatsoever I have commanded you: and lo, I am with you always, even unto the end of the world." This "Searching the Scriptures" to find eternal life, and to shape our lives after the life of Christ, and this "Teaching to observe all the things that Jesus commanded," should begin in the home with true Christian parents as the teachers, and continue in the Church with true Christian men and women as teachers, and carry on in our schools with true Christian men and women as teachers. The home, the church, and the school must co-operate with and help each other if we are to succeed at the maximum in presenting our sons and daughters to God, in the Spiritual Image of Jesus, for this world and for the world to come. These three great institutions, working together in Christian faith, hope, and love, in true Christian education, can and will ultimately change this world into the kingdom of God on earth, where God's will will be done as it is done in heaven, and where his righteousness shall cover the earth as the waters cover the sea. Therefore we must have Christian homes, and churches, and schools in which Christ is known and loved and served, and exalted as Lord of lords and King of kings, and where His teachings are lived and taught both by precept and example. Therefore our homes and churches must help our schools, and our schoodls must help our homes and churches: we must send to our schools Christian teachers, Christian sons and daughters, Christian prayers, and Christian dollars, and our schools must send back to our home and churches, our sons and daughters, with a true Christian Education, having been taught at home, at church, and at college to "Search the Scriptures" to find eternal life and eternal wisdom, and

to "observe all the things" Jesus taught and commanded. This is Christian education. This is the hope of our homes, the hope of our churches, the hope of our schools, and the hope of our nation and this world. God help us! God help our homes, our churches, and our schools to work together with God and with each other in Christian Education.

G. Carlton Cox

14. Jack R. Bagwell, who was to present a report of the Wake Forest Enlargement, introduced Dr. Harold W. Tribble, the new President of Wake Forest, who spoke briefly on the challenge and opportunity that Wake Forest presents today.

15. A number of representatives of diffeernt colleges were recognized. They were Claude Gaddy of the Council on Christian Education, Dean Lee and President Blackwell of Mars Hill, and Edwin Preston of Meredith.

16. Earl Bradley of Raleigh brought a challenging address on the work of our State Convention. He gave major emphasis to the effort to raise money for the new wing of the Baptist Hospital and to the Co-operative Program. He stated that six churches from the Buncombe Association had reached their goals for the Hospital Fund and that about 40 churches from the Association had sent in contributions so far.

17. The congregation stood and sang "The Great Physician". Neils H. Larsen read selections from Second Corinthians and Philippians, and the Ladies' Trio from the Black Mountain Church sang "Now I Belong to Jesus". C. M. Perry of Ridgecrest preached the Introductory Sermon on the subject "Our God Is Able." It was an appropriate and timely message calling for moral courage on the part of the Lord's People. The closing prayer was led by Dr. Harold W. Tribble.

TUESDAY AFTERNOON SESSION

18. Under the direction of Carl G. Mauney at 1:40 the congregation stood and sang "Wonderful Words of Life." R. W. Abrams of the Deaver View Church read part of the eleventh chapter of Acts concerning the Antioch Church and led in prayer.

19. The report on Religious Literature was read and discussed by Charles W. Smith of Swannanoa, and the report was adopted.

RELIGIOUS LITERATURE

Our missionary Brother Hocutt informs us that about 33 churches in the association have RECORDER clubs in them, and five of that number have the every-member plan.

An informed Baptist is usually a co-operating Baptist. There are three simple plans Dr. Carpenter explains. 1) Individual subscriptions at $2.50 per year in advance. 2) $2.00 per year payable annually in advance. Minimum number of 3 subscriptions for churches reporting more than 100 members; 5 subscriptions for churches reporting more than 100 members. 3) Every-family plan $1.50 per year, payable annually, monthly, or quarterly in advance. The church puts the RECORDER in its budget and sends the paper to all resident families. Five of the 73 churches in this association have that plan. The RECORDER is "The only means of promoting all Baptist work in every home each week."

What people read influences them greatly. "The pen is mightier than the sword". This truth should be claimed by Christians as well as by propagandists. The wealth of our denominational printed periodicals such as the Commission, Home Mission magazine, Home Life, and state papers can be advance battalions into the regions of ignorance, superstitions, ecclesisticism, anti-missions and such like. Supplementing the Bible this literature will kindle missionary flames that will blossom into fruitfulness at home and abroad.

Baptists eevrywhere can use these golden nuggets to better advantage if they will.

Respectfully submitted,
Charles W. Smith

20. The report of the Woman's Missionary Union was presented by Mrs. W. B. Sprinkle, and following a very excellent message by her, the report was adopted.

WOMAN'S MISSIONARY UNION

"For ye serve the Lord Christ" is the watchword of Woman's Missionary Union of North Carolina. Mrs. D. L. Holland with other general officers including those in local societies served lovingly that the "true light which lighteth every man" might "shine upon those who sit in darkness and the shadow of death; to guide our feet into the way of peace" in the past year.

As we review the candle power of our associational W. M. U work, we find that no definite missionary candle among women has been lit in 27 of the 74 churches. Deep gratitude is herein expressed for the 155 organizations with 3,363 in membership; ten of these are new. We are greatly concerned about reports being returned since this is very necessary for the progress of the work and is the thing that is causing our association not to be standard. Some of our candles may be flickering but they reflect total gifts for the regular mission program amounting to $23,249.51 and $267.99 given for local causes. The amount given our missionary at the annual meeting in April helped to finish paying for the new car that is helping to carry the gospel to every corner of our association.

Other facts made possible by the warmth of the light are 175 mission study classes held a quarterly average of 310 women and young people completing the study of a book; 91 organizations observing seasons of prayer, 654 women and young people participating in community missions quarterly, 127 actively engaged in soul-winning and 705 tithers. The expense of a colored woman to the Interracial Institute in Raleigh was given as an added phase of community mission. Other major activities include executive meetings held, regular district meetings, leadership conference with 110 present in January, young pople's rally with 209 registered representing 8 churches besides coronation and recognition services here and there.

Grateful for sharing in the work of His kingdom, we look forward to lighting candles of missionary zeal among many more of our churches in the year ahead.

Respectfully submitted,
Mrs. W. B. Sprinkle

21. A telegram addressed to Moderator Starnes from Dr. M. A. Huggins was read as follows: "My love and greetings to the Association. Regret pressing matters detain me here. Bradley will stir the hearts of the people and make report on hospital program. I applaud what the Association has done but in particular would like you convey to the Association my appreciation of the work of Manly Hocutt. Probably not other field worker in the State is doing quite so excellent a job."

22. The report on Sunday School word was read and discussed by John L. Lawrence. The report was then adopted.

SUNDAY SCHOOL REPORT OF THE BUNCOMBE BAPTIST ASSOCIATION

Another year has passed and another year's record has been made in our Sunday school work in the Buncombe Association. We should study these records carefully to note the fine progress we have made and to plan well our work for the coming year.

The following have served with the Associational Superintendent in directing the activities of the Sunday school association during the past year: Supt. of Enlargement, Don C. Young; Supt. of Training, Rev. M. W. Chapman, Supt. D. V. B. S., Rev Jack Bagwell; Supt. of Evangelism, Rev. A. J. Buckner; Secretary, Mrs. G. D. Harrell, Chorister, Rev. Carl Mauney; Pianist, Mrs. Claude Hill and our associational missionary, Rev. H. M. Hocutt. The Assoc. Supt. appreciates the loyalty and cooperation of these workers and also the Departmental Supts. and District Supts. in our work. The Associational Superintendent also wishes to express his appreciation to the pastors and general superintendents for their fine cooperation and attendance at our monthly meetings.

Following our Associational Planning meeting last September, about 20 teams were organized of pastors, superintendents, teachers and workers to visit the churches in our association. We planned to reach every church in our association for a church planned meeting. We did not succeed in reaching every church but we are indeed indebted to these workers for the fine work which thy did. We regret that we cannot mention by name each and every worker who served on one of these teams and did such a commendable job.

Since the beginning of church planning meetings, we have had many fine slogans for our work but we are again using for the coming year our slogan of last year "Take Your Family to Sunday School." The emphasis upon enrolling complete families in Sunday school has awakened a new interest in the Christian home. Our churches have been challenged to make provisions for every member of every family. The result has been increased attendance, better homes and stronger churches.

But our job is not complete. Some of our churches have not had church planning meetings and have not as yet accepted this great challenge. So we are presenting again the slogan "Take Your Family to Sunday School" and urging every church of the Buncombe Association to accept the challenge of providing for every member of the family.

Your Sunday school organization stands ready to work and cooperate with each and every church in the association to arrange meetings, provide speakers and workers to promote this timely emphasis in our churches. If our churches are to do better Sunday school work, they must plan to do better. There is no substitute for a church planning meeting and they will produce increased attendance, better homes and stronger churches. Every pastor and superintendent should begin now to reach every member of every family in their community.

The monthly meetings (1st Sunday of each month) of our Sunday school association have been well attended during the past year. We have had an average attendance of about 200 representing an average of 20 churches. Meetings have been held in the following churches: Riverside, Flat Creek, Berea, Oakley, Hominy, New Found, Beaverdam, Cane Creek, Enka and Zion Hill.
We also held one meeting in the auditorium of the Southern Baptist assembly at Ridgecrest. Grassy Branch church had the best attendance of any church at these meetings having won the banners for largest attendance and best per centage of attendance seven times during the year.

Programs for our monthly meetings have been planned to meet the needs of our workers and therefore have varied according to the emphasis in our calendar of activities.

It is significant and most encouraging to note the large number of our churches that are providing more room for classes and departments. This is a must in our great teaching program but another must is of vital importance too—and that is more consecrated trained teachers and officers. We can increase our enrollment by ten for every teacher and officer we add to our staff of workers but we will win them for Christ only when our officers and teachers are trained for their tasks. We cannot reach the people of our communities with a well graded teaching program unless we provide room and the teachers. A few of our churches are doing a fine job in this respect but many more could profit by following their example.

We have a wonderful record for Daily Vacation Bible schools this summer and we are indebted to our Supt. of Training, Rev. Jack Bagwell and our associational missionary, Rev. H. M. Hocutt together with his workers who have aided so many of our churches in this fine work. The value of a Daily Vacation Bible School in our church cannot be meausred for only time itself will tell. It is indeed today a great loss to that church and community which does not have annually a D. V. B. S. No pastor should be satisfied without a vacation bible school in his church every summer.

There is still a need for a Cradle Roll or Extension Department or both in many of our churches. We cannot reach every member of the family unless we have these 2 departments. We cannot enroll them too early and we should certainly show our concern for them at all times and whatever the age.

Our Associational Planning meeting has been arranged for Sept. 28th at the French Broad Avenue church. We are planning again to organize teams and enlist every church in our association with a church planning meeting. We would urge every pastor, superintendent, and church to cooperate in this great program.

During the coming year, we welcome Brother Angline as Superintendent of Training in our association sunday school work and pledge him our support in a great program for trained leadership in our churches.

May we go forward in reaching more, teaching more and winning more for Christ during the coming year.

Respectfully submitted,

J. L. Lawrence, Associational Superintendent

23. Eugene Waldrop, who was scheduled for the Training Union report, was not present, and no report was available. A suggestion was made that if any report should be prepared and presented to the clerk, it might be printed in the minutes. The time was then given to W. Brady Archer of the French Broad Avenue Church to make a report on the work of the Personal Guidance Council. The report was received as information to be included in the minutes.

THE PERSONAL GUIDANCE COUNCIL
44 Oak Street
Asheville, N. C.

The Personal Guidance Council, was organized in 1938, and has now had 12 years of service helping needy persons in the city and from surrounding territory. The Council is undenominational in its organization, and composed of men and women who are interested in helping others; they represent several different Denominations of the city.

The purpose of the Council is the spiritual, mental and physical rehabilitation of unfortunates, discouraged and despondent persons, prisoners just out of prison and many that are referred to us by the courts of the city.

Miss Ruby Johnson, the Executive Secretary, and our only paid worker at present is peculiarly fitted to do this kind of work, as the records of the Council show. We hope to employ an assistant, as hostess and housekeeper, since the work has grown beyond her ability to carry alone.

The Council owns its home at 44 Oak St. and is paying for it on a long time financed plan, with monthly installments of $36.00. The proposed budget for this year is $3500.00. Some $1700.00 of this amount is subscribed, leaving $1800 to be raised from other sources. Several churches are including monthly sums in their budgets to assist in the work, from four or five Denominations. Among those regularly contributing are 13 of our Baptist Churches, several W. M. U. Circles and S. S. Classes. Some of the Civic Clubs are sharing too. The city of Asheville appropriates $300.00 each year toward our work as a civic service.

The Council deals with persons with spiritual, mental and physical needs, coming to us from prisons, courts and in some instances persons referred to us from the churches, when in need of the services the Council is equipped to provide. The following resume of our activities for the year ending Mar. 1, 1950: Personal Contacts with Prisoners 542, in some instances including their families. Contacts with persons from the courts, 236. Contacts with others with problems, 439. Other contacts social and spiritual, 698. Meals and refreshments furnished 1088. Visits to court rooms 30. Bibles and portions furnished 251. Visits to homes 82. Persons provided clothing 81. Lodgings furnished 488. Spent for rehabilitation, $475.58. The total expenditures for the last year was $2,449.06. The work has grown until it is imperative that we employ another worker, a hostess housekeeper. If the proposed budget can be secured such a worker will be employed.

The work is done quietly and without publicity, hence the necessity of bringing this report to you, and urging you to take the matter up with your churches or organizations. The work is directed by a group of men and women who act as officers and trustees, coming from several of our Denominations in the city and county. These all serve without pay for the love of needy humanity and for the glory of God.

The Personal Guidance Council
W. Brady Archer, Member-at-Large

24. Paul Glore of the Melrose Baptist Church in Roanoke, Va., was introduced by Carl G. Mauney, and he sang "No One Ever Cared for Me like Jesus.

25. The matter of the Simultaneous Revivals in the churches east of the Mississippi River was brought by H. B. Fisher of Biltmore. He introduced J. C. Canipe, State Superintendent of Evangelism, who spoke with zeal about this matter, and after his message Brother Fisher spoke with interest on the same subject.

26. The congregation stood and sang "O Zion Haste", and following the song the Missionary Sermon was preached by W. G. Russell of the Beaverdam Church. His Scripture was taken from the second chapter of Isaiah. In his message he put emphasis upon Worship, World-wide Spiritual Education, and the Lordship of Christ. The closing prayer was led by Elbert F. Hardin of Ridgecrest.

WEDNESDAY MORNING SESSION

27. The Association reconvened at 9:45 on Wednesday morning with the group singing "Blessed Be The Name" and "I Gave My Life for Thee!" Frank B. Hopkins of the Macedonia Church read the selections of Scripture from 1 John chapter three and led in prayer.

28. The clerk brought the report of the Promotional Committee as required by the constitution, and this report was received as information to be printed in the minutes.

REPORT OF THE PROMOTIONAL COMMITTEE

The constitution requries that a report of the Promotional Committee be made to the Association in annual session. We have held the four meetings on July 4, 1949, October 3, 1949, January 2, 1950, and April 3, 1950. The meetings were well attended, and the committee members present decided upon matters that arose in keeping with their best judgment. In making this report, we are eliminating the routine committee roprts, and we are bringing only the special items of business taken care of.

1. In the meeting in October, Moderator Starnes brought a request from the State Office for information about the amount we desired to request for aid in support of our work in the Association; and the committee requested $960.00, the same amount we had been receiving.

2. In view of the fact that budget receipts had been falling a little low, the committee requested the moderator and clerk to write a letter to each church with the suggestion that each church restudy the matter of support to Associational Missions. This letter was written and it brought forth some good results.

3. The matter of summer workers was referred to the Missions Committee and the Vacation Bible School leader. This committee met and suggested that two workers be used as before with the major part of the support of one worker coming from the State Board. In keeping with this decision, we have had the two helpers for this summer.

4. The Exceutive Committee was called into a meeting to consider the matter of setting up a Steering Committee for the Evangelistic Crusade next March; and upon the recommendation of the Executive Committee, the Steering Committee was named. The committee has had at least one meeting.

Respectfully submitted,
H. M. Hocutt, Clerk

29. Chairman A. J. Buckner brought the report of the committee on the Reception of New Churches, recommending the reception of the Pine Burr Park, Edgewood, Pleasant Hill, Grassy Branch, Sulphur Springs Park, and Pine Grove Churches into the Association. The recommendation was that all the churches come under the watch-care of the Association for one year as required by the constitution; but in the case of the Sulphur Springs Park Church, the committee recommended that the committee on the reception of New Churches for next year give some investigation to the work of this church since the request from this church came so late that a proper investigation this year was hardly possible. Upon a motion by W. B. Sprinkle and seconded by Reid Lunsford, the six churches were received unanimously into the fellowship of the Association. The Edgewood Church came from the New Found Association, and the Pine Grove Church came from the French Broad Association. Both of these churches are located near Asheville.

30. The following visitors were recognized: J. B. Hipps of China, Zeno Wall from the Baptist Orphanage, and P. L. Jowis of Georgia.

31. The report on the Baptist Orphanage was read by Reid Lunsford and was discussed by Dr. Zeno Wall. After this discussion, the report was adopted.

REPORT ON BAPTIST ORPHANAGE

We are happy to report that the past year has been one of the best in the history of our work for, and with the Orphans who have been left to our care in the Providence of God.

You will recall that a year ago the Home reported a deficit of more than thirty thousand dollars ($30,000) which had been spent to care for the children and to keep up the property, above the total amount paid in by the Baptists of North Carolina. This year the opposite is true! In response to the plea from our Home, the Churches gave generously and there was a tidy sum left over after all bills were paid. We are grateful for that!

There have been several changes made in the Personnel of the Home. Bro. W. C. Reed is now the General Superintendent. R. E. Muth is the Treasurer. Just another reminder that the worker may die or move away, but the Work of God goes on.

Charity and Children, the official organ of the Home is still one of the best newspapers to be published anywhere. Every Baptist in North Carolina ought to read it regularyl .

The plan for the support of the Home whereby each Sunday School gives one Sundays offering is gaining favor and is helping to make possible the care of more and more of the children who need help. We would suggest that each Church adopt such a plan or a similar one and make regular contributions to the Orphanage.

May the blessings of God rest upon all those who "Visit the orphans in their afflictions."

Submitted by,
Reid Lunsford

32. The Baptist Hospital report was brought by W. A. Huneycutt, and it was discussed by Dr. W. K. McGee from the Hospital. He brought out that the Mother's Day offering was running about $10,000.00 over last year and that about $125,000.00 had been received in the special offering for the new wing. The adopted report is given below.

NORTH CAROLINA BAPTIST HOSPITAL

The Baptist of North Carolina have a conviction that the ministry of healing is as much an imperative from Jesus Christ as any other command. Because of this conviction, we as a convention own and operate the Baptist Hospital in Winsto-Salem in cooperation with the Bowman Gray School of Medicine.

During the past year, our hospital, by reason of its close cooperation with the Bowman School of Medicine has won the highest reputation in our country for service rendered. The school of nursing now has 170 students, the largest enrollment in the history of the institution. The student nurses in our school are not only taught nursing, but they are given religious instruction through Bible classes and through a program directed by a student secretary.

Our hospital is making another outstanding contribution to the spiritual life of our denomination through the department of Religions's Clinical Pastoral Training course during the summer. A course of ten weeks training is offered to students from Louisville Seminary, under the direction of Chaplain Richard Young, Hospital Chaplain. This work is so insignificant that Southern Baptist Hospitals are proposing that our new hospital become a center for teaching Hospital Chaplains.

During the year the Baptist Hospital has treated more than 8,000 patients. Of this number about 4,000 of these were given treatment free or for part of cost. The cost of this care, and of more than 40,000 who have visited the out-patient clinic exceeded $550,000. Approximately $300,000 of this was given at no cost to the patient.

The churches of the Buncombe Association appreciate the work of our hospital and we pledge to it our very best in the years to come. It is our conviction that we should continue to own and operate this great institution and that at no time should we consider turning it over to an independent board of trustees to operate. Since the State Baptist Convenion, in special session in Charlotte, N. C., voted to decline the offer of federal money to erect a wing to our hospital, the churches of Buncombe have held two significant meetings concerning the matter. At each of the meetings our people enthusiastically expressed a willingness to accept the decision of the State Convention as the course to follow. Our proportionate share of the $700,000 to be raised in the state is $22,000. Fifty or more of our churches took an offering in June, as suggested by the convention in Charlotte. Seven of the churches have met their goal with the first offering and subsequent offerings. Most of the other churches in our association have raised half or part of their goal and plan to reach their goals in September.

) Your committee would like to make the following recommendations to this association:

First, we put forth a concerted effort to reach the goal of $22,000 on September 24.

Second, that we continue to plan, work and pray to reach this goal should be fail to reach it by September 24.

Third, that we keep the Baptist Hospital program before our people that they may continue to support our program in a larger and fuller way.

Respectfully submitted by:
Wilbur A. Huneycutt, Black Mountain Baptist Church

33. The congregation stood and sang "Lead On, O King Eternal." Following the song, C. D. Bessinger of the Grace Church brought an heart-searching and scriptural message on "The Proclamation of the Gospel Made Possible Through Christian Stewardship."

34. The Minister's Retirement Plan was presented by J. Lester Lane of the Calvary ....Church and discussed by Dr. Walter Alexander of the Relief and Annuity Board. The report was then adopted.

REPORT ON MINISTERS' RETIREMENT PLAN

The Ministers Retireemnt Plan of North Carolina aims at providing a partial living for retired ministers, and some aid for total disability. It includes, also, for those who desire it, a small provision for the widow in case of the husband's death.

The plan calls for contributions from the church, the minister, and the denomination. This enables the minister to have a much larger annuity than he could individually buy in the insurance market.

The plan has met with genuine success, increasing in membership and resources from the first year it was launched. However, the plan deserves better support on the part of our pastors and churches. Out of something like 1700 pastors in our state there are only approximately 800 who are members of the Retirement Plan.

Here are some reasons why every pastor and church should enter the plan:

1. It is the cheapest annuity insurance the minister can buy.
2. When a pastor joins in the plan he not only helps himself but helps his brother pastors by making the plan succeed.
3. It relieves the unhappy situation for the church of retiring a pastor when he is old without a livelihood for him.
4. The success of our Retirement Plan is the only hope we have of keeping all church and denominational employees out of the Federal Social Security, which would mean the state would tax the church.

We, therefore, would urge all the pastors and churches of our association to become members of the North Carolina Ministers Retirement Plan at the earliest possible time.

Respectfully submitted,
J. Lester Lane

35. The Girls' Trio from the Ridgecrest Staff sang "There Is a Green Hill Far Away."

36. Don C. Young brought a report on the Baptist Brotherhood and introduced Horace Easom, State Brotherhood Secretary, who discussed the report, after which it was adopted.

REPORT OF BAPTIST BROTHERHOOD

In my opinion the next great movement among North Carolina Baptists will be among the men. The laymen of the Baptist Churches of North Carolina are ready for proper organization and there is, without doubt, a very strong sentiment for the work of the Brotherhood. North Carolina is the only strong Baptist territory in the Southern Baptist Convention without a full time secretary in the Brotherhood work. Our State Convention has selected an executive secretary in the person of Mr. Horace Easom, but he cannot devote the necessary time to this work until his mission for Wake Forest College is fulfilled. He is already organizing Brotherhoods in our Churches from time to time and is repeatedly appearing on programs in behalf of this work. When he is able to devote sufficient time to the work it is my belief that there will be a great response by the men of the Churches.

We believe that each of our Churches in the Buncombe Association should carfully consider the importance of organizing the men and after giving the matter this consideration, we believe that most of them will organize a Church Brotherhood.

A properly organized and functioning Brotherhood in each of our Baptist Churches in the Association would revolutionize the work.

We commend this work to you and to your Church and we trust that you will give it your whole hearted support.

Respectfully submitted,
Don C. Young

37. By common consent, the report on the American Bible Society was deferred until the afternoon; and after all necessary announcements were made, Wayne W. Williams of Oteen brought a most interesting and thought-provoking message in his own characteristic way on "The Gospel of Deliverance as Baptists Proclaim It." At the close of his message Dr. William Harrison Williams of Charlotte led the closing prayer. At the noon hour, the group enjoyed a delicious dinner at the Elementary School prepared by the ladies of the Black Mountain Church.

WEDNESDAY AFTERNOON SESSION

38. The Wednesday afternoon session was opened at 1:50 with the singing of "The Lily of the Valley". Robert E. Campbell of Oteen read selections from First Corinthians and led in prayer.

39. The Digest of the Church Letters was given by the clerk. Reports had been received from all of the chuches in the Association. This Digest of Letters may be found with the tables in the back of the minutes.

40. The report on the American Bible Society was presented and discussed by James H. Smith of the Reed Memorial Church. The

report as adopted is given below.

REPORT ON AMERICAN BIBLE SOCIETY

Sir Walter Scott was wheeled into his library. It was the last day he had on earth. He glanced upon the shelves containing his thousands of beloved books and said to his friend Lockhart, "Read to me!" Lockhart asked, "From what book shall I read?" Scott replied, "Need you ask? There is but one!"

Pastor Martin Niemoller was in cell No. 1 of the famous German Concentration Camp. The Commandant of the camp suddenly strutted into his presence and said, "You have been announced to me as the personal prisoner of the Fuehrer, and we have awaited you, as you wll know, for a long time. Now have you any wishes or complaints?" Niemoller hesitated a moment and then answered: "Yes I have complaints and many. Last night when I was brought here I was stripped by your men of practically everything—my wedding ring, my wrist watch and all of my books and papers ;and I have, accordingly, many wishes, but one above all—that you give back to me my Bible, and that right away!" In ten minutes he had it back, and according to his testimony this Book meant much to him during the years of his confinement. He says, "The word of God was simply everything to me—comfort and strength, guidance and hope, master of my days and companion of my nights, the Bread which kept me from starvation and the water of Life which refreshed my soul. Solitary confinement ceased to be solitary." You know what happened as he read that book. He was kept in the presence of God its author.

Erasmus' Greek New Testament was the first to be published for the world to read. (It was the New Testament that fell into the hands of Martin Luther). Erasmus' preface to that New Testament was as follows: "These Holy Pages will summon up the living image of His Mind. They will give you Christ Himself talking, healing, dying, rising, the whole Christ in a Word. They will give Him to you in an intimacy so close that He will be less visible to you if He stood before your eyes."

John 5:39-40 records the portion of Scripture that shows Jesus teaching Jews who hated Him that the purpose of the Scripture is to testify of Him in whom they might have life. And John (20:31) tells us why John wrote his Gospel, "But these things are written that ye might believe that Jesus is the Christ, the Son of God; and that believing ye might have life through His name." The Scripture **does** present Christ, and for this reason we cannot afford to fail the American Bible Society in its effort to give the Bible to the world.

"The Bible is the missionary's chief tool. The Bible itself is a missionary. It can go where the human missionary cannot go, stay when he must leave, and keep on working in a man's heart." Dear pastors and members of this association, as hungry as you might be, it would be better to do without that next meal being prepared for us than to deny someone of John 3:16. Would it not be wiser, if you were required to make the decision, never to eat another bite of bread if it meant denying the Word of God to some benighted soul?

If you have not made a contribution to the Society this year please do not sleep until you have counted out some coins or bills to be sent through your church to 450 Park Avenue, New York 22, New York. And from year to year keep this object in your budget until the Word is translated and given to every person on earth.

Respectfully submitted,

James H. Smith

41. The report of the Budget Committee was presented by Chairman Jack R. Bagwell of the Mount Carmel Church. Without discussion, the report was adopted unanimously.

We, therefore, wish to recommend that the new Budget Committee study carefully the churches in the light of the needs of the new budget and make suggestions to the churches concerning their proportionate part in meeting these needs.

Respectfully submitted,
Jack R. Bagwell

42. Chairman C. D. Bessinger brought the report of the Resolutions Committee, the following resolution was adopted by a unanimous standing vote:

RESOLUTION RE HOSPITALITY

Whereas, Pastor W. A. Huneycutt, and the members of the Black Mountain First Baptist Church have so graciously and kindly entertained this 69th session of the Buncombe Baptist Association, therefore be it resolved:

That we express to the Rev. W. A. Huneycutt and the members of the First Baptist Church of Black Mountain, by standing vote, our sincere appreciation for their many expressions of Christian hospitality.

43. The second resolution with reference to the establishment of new churches was adopted without discussion.

RESOLUTION RE NEW CHURCHES

Whereas, Moderator Starnes in his message to the Association at the session yesterday morning called attention to the need for the establishment of new churches in the City of Asheville and suggested the Association set up a Council of Churches for the establishment of new churches; and

Whereas the Resolutions Committee unanimously endorses this proposal, therefore be it resolved:

That a committee be appointed for the setting up of such Council.

44. The third resolution was with reference to the change in the constitution of the State Convention concerning the eelction of the members of the General Board. The resolution presented by the committee was a substitute for one presnted to the Ministers in the meeting on Monday by W. Perry Crouch and was approved by the ministers. The members of the committee stated that, after a study of the one presented by the ministers, they felt that the one they were presenting offered a better solution to the problem. The Moderator and members of the committee expressed regret that Brother Crouch was not present to give his views on the matter. After a discussion by W. Brady Archer, Dr. James H. Matthews, and Henry O. Hearn, the resolution was adopted, but not by a unanimous vote. The resolution follows:

A MEMORIAL
TO THE BAPTIST STATE CONVENTION OF NORTH CAROLINA

The Buncombe Baptist Association in annual session with the Black Mountain Baptist Church, August 16, 1950; hereby memorializes the Baptist State Convention of North Carolina, that at its next annual session Nov. 14-16, 1950: shall make a special item of business, the consideration of the revision of the Constitution of the State Convention, so as to provide; that the General Board of the Convention shall be composed of the President, Recording Secretary of the Convention and its Treasurer ex-officio, and one member each selected from the territory of each of the co-operating Associations of the State, and one additional member for each 20,000 church members, or fraction thereof above the first 20,000; based on the records of the latest published annual of the Convention.

Poviding for the division of the total Board into 4 groups serving 4 year terms after the initial terms of 1-2-3 years necessary to secure such equal division. Furthermore providing that no member may immediately succeed himself after serving a full four year term. Removal from the Association will cancel membership on the Board and a successor shall be elected in the usual manner for the unexpired term. No employe of any institution supported or fostered by the Convention shall be eligible for Board membership during such employment. Individuals who are members of the Board at the inception of this plan shall complete their terms of office and be considered as representatives from their respective Associations. Furthermore, in event an Association if found to have more than her alloted representatives at the inception of this plan those most recently elected shall forfeit their membership on the Board.

45. Chairman A. J. Buckner made the report for the committee on Time, Place, and Preacher. The report as adopted may be found in the front of the minutes under the heading of "Next Session."

46. Chairman W. G. Russell brought the report for the Committee on Committees. The body of this report as adopted may be found under the heading of "Standing Committees." The motion to adopt the report carried the provision that Ronald C. Finch be added to the Hospital Committee. This action was taken because it was felt that his service on the committee would be valuable since he had served as a Trustee of the Baptist Hospital.

47. Upon a motion made by M. D. Smith, the Association voted for the Hospital Committee to represent the Baptist Hospital within the Associaion and that a special committee should not be appointed for that purpose.

48. Chairman Russell recommended that the special committee to set a Council for the Organization of New Churches be composed of Nane Starnes as chairman along with W. Perry Crouch, W. Brady Archer, and G. Carlton Cox. This recommendation was approved.

49. The report of the Historian was read by J. R. Owen and was then approved.

HISTORIAN'S REPORT

During the year 1949-50 major emphasis in the Buncombe Baptist Association has been laid on evangelism, all-church training schools, religious literature in all the church families, vacation Bible schools, building standard Sunday schools, youth revivals in the churches, and making our homes vitally Christian.

In order to carry out our program more effectively, Missions have been established, new churches planted in strategic places, and the expenditure of large sums of money in the erection of new buildings, and the improvement of our present buildings and grounds.

Grove Stone, Long's Chapel and Mount Olive have added new pews to their buildings; Ridgeway bought a new bus for the benefit of its Sunday school; Deaver View installed a new heating plant; Mount Pisgah, Antioch and Pole Creek have provided new homes for their pastors; Buckeye, New Found, Grassy Branch, Victory and Avery's Creek have erected new buildings; Merrimon Avenue is erecting a modern Sunday school plant—a three story brick building—providing thirty five class rooms, office, pastor's study, assembly rooms, modern kitchen and a recreational hall, at an approximate cost of one hundred thousand dollars; Edgewood has a new church plant with ten class rooms costing thirty thousand dollars; Beaver Dam is now erecting a modern church and Sunday school plant with forty class rooms.

The pastors revival, Jan. 23-27, conducted by Dr. Edward McDowell of our southern seminary, was well attended and deeply spiritual. There have been quite a number of pastoral changes during the year, but our weekly pastors conference would indicate that we now have a fine group of consecrated and well trained men who are feeding the flocks.

Our program of benevolences, while above that of any preceding year, is still inadequate to take care of our ever expanding activities, nor does it mark the ability of our Baptist people to give. But we are growing from year to year in the grace of giving. We cannot speak too highly of the fine work being done by our associational missionary, brother H. M. Hocutt. He is in constant touch with the remotest corners of our territory and never lets an opportuinty pass for expanding and vitalizing our work.

Cordially yours,
J. R. Owen, Historian

50. C. M. Perry of Ridgecrest suggested that a resolution should be passed by the Association requesting the President and Representatives in Congress not to send another representative to the Vatican, and by a vote of the group Brother Perry was requested to prepare and send such a resolution in the name of the Association.

51. W. H. Fitzgerald read the long list of those who had departed this life during the last year. This information had been taken from the letters to the Association, and it was received as information to be printed in an appropriate way in the minutes. After the names were read, the congregation stood for prayer led by J. B. Grice. Following this prayer, the Association stood adjourned.

Nane Starnes, Moderator
H. M. Hocutt, Clerk.

Note: In this digest of letters we have tried to get the amount of the gifts from each church for local expenses and for missions. The letters for reports from the churches tabulate the financial reports on the basis of expenditures instead of gifts. That has made it necessary for us to study carefully each letter in an effort to figure the gifts instead of the expenditures. In most cases the figures above were arrived at by subtracting the expenditures for mission causes from the total amount given for all objects. We have tried to be as accurate as possible.

Long Shoals	46	4	Totals	6,974	177

We have had a total of 75 Vacation Bible Schools during the summer of 1951. In these schools we have enroled 6,974, and the average attendance has been 5,526. There have been 177 professions of faith. Of these 75 schools, 71 have been regular church schools, and 4 have been held in missions points as indicated above. The growth in Bible School work during the last seven years is shown in the figures below.

Year	Schools	Enroled	Conversions
1945	21	1,945	?
1946	37	3,377	84
1947	47	4,055	174
1948	36	3,968	135
1949	60	5,590	256
1950	68	6,478	265
1951	75	6,974	177

We attribute the drop in professions of faith in the Bible Schools to the fact that most of the churches had unusually good revival meetings during the period of simultaneous revivals in the early part of this year. This successful program of Bible School work during the summer is due to the fact that most of the churches carried on their schools with no help from the Association. In the growing program of work through the years, many of the churches have developed capable workers. During the summer we have had the able assistance of Dale Hooper of the Calvary Church and Jeanne Mason of the West Asheville Church. They have been very faithful summer felpers, and they have endeared themselves to the people in the churches and mission points where they have worked.

Willard K. Weeks, Manager
Ridgecrest, North Carolina

The Ridgecrest Baptist Assembly is located at Ridgecrest in the Swannanoa District of the Buncombe Baptist Association. The Assembly is for the entire Southern Baptist Convention and is under the control of the Sunday School Board of the Convention. The Assembly has an attendance of about 30,000 people each summer. They come from all over the territory of the Southern Baptist Convention, from many of the northern states, and from a few foreign countries. The program for each summer is varied in such a way as to give emphasis to the different phases of our denominational work.

No committee member may succeed himself until at least one year has elapsed after his official term has expired. Article 13. This Constitution shall take effect immediately upon its adoption and shall supersede any and all constitutions previously adopted.

Revision

Article 14. This Constitution may be immediately revised at any session of the Association by a vote of two-thirds of the messengers present or by a simple majority provided notice of such revision shall have been given at a previous annual session.

DUTIES OF STANDING COMMITTEES

1. The Committee on Committees:

The duty of this committee is to bring to the annual meeting of the Association a nomination of the personnel of the standing committees, to name the committees on Resolutions and Time, Place, and Preacher, and to nominate any other committee authorized unless otherwise provided for; however, it shall be the privilege of any qualified messenger to make substitute or additional nominations for members of any committee.

2. The Committee on The Cooperative Program.

This committee should explain the working of the Cooperative Program where it is not understood, encourage all the churches to be liberal in their gifts through this plan, and keep before the churches all the objects included in the program. A report of the committee's activities should be brought regularly to the Promotional Committee.

3. The Committee on Evangelism.

This committee should seek to keep alive the fires of evangelism in all the meetings of all the organizations of the Association, encourage and help arrange, if necessary, evangelistic services in churches not reporting baptisms, and help provide evangelistic services in unchurched sections within the bounds of the Association. Reports of work done should be made quarterly to the Promotional Committee.

4. The Committee on Location of New Churches.

This committee should keep alert to any developments that may make a new church a necessity, advise with groups considering a new church about the necessity of such organization, and seek to encourage the best location possible of buildings when new churches are formed or when places of worship are moved. This committee should report its work to the Promotional Committee and be prepared to bring recommendations to the Association about the reception of new churches.

5. The Committee on Ordinations.

This committee serves in an advisory capacity only. The committee should examine such candidates for the ministry as come before it as to their call and fitness for the Gospel Ministry and make recommendations as they feel led to the church of which one is a member about his being ordained and help plan and arrange for proper services of ordination when such assistance is needed. The Promotional Committee should be informed regularly of the work of this committee.

6. The Orphanage Committee.

The work of this committee is to encourage and to assist our churches in their support of our North Carolina Baptist Orphanages. An effort should be made to encourage all the churches to have a systematic plan either by the once-a-month offering in the Sunday Schools or an amount in the budget for the purpose. The Thanksgiving offering of cash or in produce should have the careful planning of this committee. Reports should be made to the Promotional Committee regularly.

7. The Hospital Committee.

The work of this committee is to co-operate with the Baptist or Protestant chaplains or both in the Oteen and Moore General Hospitals and in the Western North Carolina Sanatorium to the end that the patients in these hospitals who are Baptist or Baptist inclined or others who may not be ministered to may have a ministry of sympathy and helpfulness in keeping with the teachings of Jesus concerning the sick and the needy.

8. Committee on Pastorless Churches.

The work of this committee is and can be advisory only. This committee should encourage pastorless, part-time churches to form fields with pastors located as near the center as possible, assist churches when called upon or when there is an evident need, when such help is welcomed, to find most suitable pastors, and to serve as contact man for worthy men desiring to become pastors. A report of all work done should be made to the Promotional Committee.

9. The Committee on Training.

This committee should encourage the churches to provide the best training possible for their present or prospective Sunday School officers and teachers, for members of the Training Union, and for members of other organizations to the end that our churches will be filled with trained and informed leaders and members. As it seems wise, plans should be made for simultaneous training schools in churches or for central trainings schools, and when needed, help should be given in providing teachers for training schools. The Promotional Committee should be kept informed about the work done by this committee.

10. The Committee on American Bible Society.

This committee should do what it can to encourage our churches and individuals to contribute to the work of the American Bible Society. The churches should be informed about the services of the Bible Society so they will want to share in this worthy work. The committee should keep that information before the churches. Regular reports should be made to the Promotional Committee.

11. The Committee on Fellowship.

The work of this committee is advisory only, but it should stand ready to go to any church where the fellowship is endangered or disrupted and seek to apply healing oil to spiritual wounds to the end that our churches shall be united in Christian fellowship, and it should seek to prevent some church or group from being led away by an unscriptural hireling. Reports should be made regularly to the Promotional Committee.

12. The Program Committee.

The duty of the Program Committee is to plan the program for the annual meeting of the Association and bring it to the Promotional Committee meeting in July for discussion and approval. The committee should begin its work well in advance of the meeting of the Association and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Association.

13. The Committee on Ministers Retirement Plan.

This committee should seek to inform pastors and churches about the Ministers Retirement Plan and encourage both pastors and churches to cooperate in the plan. The committee can go before deacons in their meetings or to church conferences when invited and encourage participation in the plan; and when it seems wise or necessary, the committee may offer to explain the plan to pastors or churches where or when invitations for such services have not been received. In all cases the work of the committee is to offer helpful service in promoting this much-needed plan. Regular reports should be made to the Promotional Committee.

14. The Budget Committee.

This committee should keep a close watch on the needs of the Association for an adequate budget for a well-balanced program of work and should be prepared to bring to the Association in annual session a proposed budget for the new year based upon the needs of the associational program of work and upon the ability and willingness of the churches to support the proposed budget. This committee should also be prepared to advise with the treasurer of the Association during the year concerning the items in the budget to the end that the Association may be kept in a healthy financial condition. It shall be the duty of the Budget Committee to see that the treasurer is properly bonded and that an audit of the treasurer's book be made following the close of the associational year and presented to each annual meeting of the Association.

15. The Committee on the Reception of New Churches.

It should be the work of this committee to make proper investigation of the churches that express a desire to affiliate with the Buncombe Association concerning their being orthodox in faith and co-operative in spirit and to report to the Association in annual session their findings and recommendations concerning the reception or rejection of such churches.

16. The Committee on Calendar of Activities.

This committee should work with the associational missionary in studying carefully the program of work by the Association at large, including the work of all the associational organizations and committees, and the needs of all the churches, and in the light of this study, work out an annual calendar of activities for the Association to be presented to the Promotional Committee for approval not later than the January meeting of the Promotional Committee.

RECORD OF PROCEEDINGS

TUESDAY, AUGUST 14, 1951

MORNING SESSION

1. The seventieth annual session of the Buncombe Association was called to order at 9:45 on Tuesday morning, August 14, 1951, at the Hominy Baptist Church by Moderator Nane Starnes. Music was under the direction of Charles Jollay with Mrs. Thelma Morgan of Hominy at the Organ. The group stood and sang "Come Thou Fount," and J. N. Shuford, pastor of Big Ivy Church, read Matthew 28:16-20 and led in prayer.

2. The roll of the churches was called, and messengers from 59 o fthe 79 churches stood in answer to the call. Upon a motion by R. W. Abrams and a second by J. H. Lackey, the group voted that those present who knew themselves to be messengers and others who might come would constitute the Association.

3. Chairman W. G. Russell of the Program Committee presented a mimeographed copy of the order of business as planned by the committee and called attention to a few changes that had become necessary since the copy had been made, and upon his motion and a second from the floor the program as presented was adopted. The main shift in the program was made to give Dr. M. A. Huggins some time at 11:10 on Wednesday morning instead of Tuesday morning. This change was made possible by putting the discussions of The Ministers Retirement Plan, The American Bible Society, and the Christian Home in the place assigned to Mr. Huggins on Tuesday morning.

The Treasurer has tried to hold the books open long enough for all the Churches to get in their final contribution for the year and in doing so may have credited receipts intended for the year 1951-52 to the year ending June 30. There have been checks coming in all during the month of July and up to August 10 requesting that the Church be given credit for the year ending June 30. If your Church happens to be one that came in too late it is hoped that you will understand the problem the Treasurer has in getting the books closed and the report completed in time for the Association meeting and that if your contribution did not get counted in this report it will show in the new year. The Treasurer wishes to express his thanks to all the Churches for the fine cooperation received during the past year, and the splendid work you have done through the Association throughout the year.

Respectfully submitted,
Frank R. Bishop, Treasurer

REPORT OF ASSOCIATIONAL MISSIONARY

We come to give an account of our stewardship in our seventh annual report. As we come, we feel surely that we have had the privilege of working in pleasant places among some of the finest and best people to be found in any place. This has been a happy year for us. The Lord has been good to us and blessed us far beyond what we have deserved, and the good people of the Association have not ceased in their love, loyalty, and co-operation. In many ways we feel that it has been the best year yet. The work seems to move along faster than one might have expected. As we look back over the year, we rejoice and take new courage. Some indication of what we have tried to do as your servant may be seen in the summary given below.

We call attention to some of the major events of the year.

1. The Youth Revivals August 20-26. During the week of August 20-26, 1950, eleven of the churches had youth revivals sponsored mainly by members of the Staff of the Ridgecrest Assembly. The week began with an evangelistic rally at Ridgecrest with Jack Robinson of Texas as the speaker. Some results of these services are 126 conversions, eight additions by letter, 54 decisions for full-time service, and 503 rededications. No one can tell the ultimate good of such services.

2. The Ministers' Revival. The week of January 22-26, 1951, we had our annual Ministers' Revival with Dr. Leo Green from Gainesville, Florida, as the speaker. He led the group in a study of the life and ministry of Jeremiah. We had an average of about 40 present each morning. Each evening he led in a Bible-study period at the West Asheville Church. We had a large attendance from a number of churches in the evening services. Surely this was a most profitable week.

3. The Simultaneous Revivals. Surely most of us would agree that the greatest event of the year was the Simultaneous Revivals coming the two weeks of March 25 through April 8 when certainly the major part of our Baptist Churches east of the Mississippi River were engaged in a great evangelistic effort at the same time. We had 70 of our churches in the Buncombe Association engaged in the crusade. Some of the results of these services were 879 professions of faith, 725 additions for baptism, 313 additions by letter, and a total of 1,038 additions to the churches. Along with these we had a large num-

ber of rededications, and many who surrendered for full-time Christian service. This was a time when the spiritual fervor ran high. We had each morning a Fellowship Breakfast at the S and W Cafeteria with about 30 to 40 ministers present. These meetings were high hours for fellowship, testimony, reports, and prayer. No one who lived in the midst of this great revival season will soon forget it. We had a well-planned program of publicity that kept the crusade before the people constantly. People in every walk of life were influenced by the effort. When we have done our best to describe it, much that was done and accomplished will have to go unsaid.

4. Mission Points. We have been very much gratified with the progress at our Anderson Cove Mission near Barnardsville. We would like to say here that Miss Sudie Fair of the Big Ivy Church has rendered a most faithful and efficient service there as superintendent of the Sunday School and in general charge of the work. We have had the assistance of a fine group from a number of different churches in the work there during the year, and this has been profitable to the mission and to the churches. Early in June we began work at the Liberty Park Mission near Biltmore with Dale Hooper in charge. This work shows some progress.

5. Miscellaneous Items. The summer program has been largely Vacation Bible School work and is discussed elsewhere. Space is not adequate to discuss many other items which have appeared in the monthly bulletins.

Respectfully submitted,
H. M. Hocutt, Missionary

9. Chairman Doyle Woody made the report for the Budget Committee. Along with the suggested budget, the committee, after consultation with the Missions Committee and Treasurer Bishop, brought four recommendations, namely: (1) that the missionary's office remain at his home for this current year, (2) that the item in the budget for Secretarial Help be increased to $1200.00 to provide secretarial and general help in the field to meet such needs along these lines as faced by the missionary, (3) that the first six items in the budget be preferred items to meet the needs as they come monthly and that the rest be prorated according to receipts, and (4) that the churches be requested to contribute to the Associational Missionary Fund on the basis of 6% of the pastor's salary. The report was adopted in full.

10. The report on the Co-operative Program was read by Bryce Wright after which it was adopted.

THE CO-OPERATIVE PROGRAM

Last year marked the 25th anniversary of the Co-operative Program. This plan for handling the financial part of our great program has proven a great success in these twenty-six years; therefore each and every one of us should put forth every effort possible to build and strengthen our Co-operative Program. Why? I. Because the Co-operative Program is scriptural. Co-operation is taught throughout the Old and New Testaments. II. The Co-operative Program is comprehensive. It includes preaching, teaching, and healing; state, home, and foreign missions. It tries to reach all our churches and all our people in the support of all our work. III. The Co-operative Program is unifying. It enables every church and every member to have a part in all our work. IV. The Co-operative Program is continuous. It contemplates weekly contributions from all contributors to all causes. V. The Co-operative Program is equitable. There is a goal to reach. If the goal is reached, every agency receives ample funds for its work. If the goal is not reached, then all agencies suffer in the same proportion. VI. The Co-operative Program is educational. It should be fully explained so no one will be ignorant of any work his denomination is doing. VII. The Co-operative Program is economical. When funds are sent to the state secretary, he takes out what is needed to take care of the expenses of his office. The rest is divided and distributed to its respective places. All funds going to one office to be distributed to different places is economy. The Co-operative Program is merely the distributing plan of Southern Baptists. We give through and not to the program.

The Co-operative Program is spreading out. In January of 1950, our silver anniversary of the Co-operative Program, the Baptists of the country of Chile adopted the Co-operative Program. They say the purpose of the move is to promote all the work on an equal basis according to the need of the particular field.

The Co-operative Program is growing. Do you want it to continue to grow? The center and core of the program is co-operation. Are you giving your co-operation to help the program to grow?

Respectfully submitted,
Bryce H. Wright

11. Neils H. Larsen brought the report on Christian Education. In connection with this report, the Moderator recognized Romie Pearce of Wingate College, Miss Mabel Starnes of Gardner-Webb College, and M. H. Kendall of Mars Hill College who brought greetings and spoke briefly of the work in these colleges. The report was then adopted.

REPORT ON CHRISTIAN EDUCATION

Jesus grew in "wisdom and in favor with God and man." It is this growth in wisdom under the guidance of God and under Christian teachers that we call Christian Education. The aim of our Baptist colleges and institutions is something more than the mere implantation of knowledge. The word Christian in connection with education implies that we seek to both know and do God's will as we acquire the necessary implementation so urgently needed by our young people today.

North Carolina Baptists now own and help to support eight educational institutions. They are as follows: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate Colleges and the School of Nursing of the North Carolina Baptist Hospital. During the last year these institutions had a total enrollment of 5,000. Wake Forest granted a total of 492 degrees, and Meredith 162 degrees. The five Junior colleges had about 800 who completed the two-year courses.

You may be interested to know that about 400 of these students are training for the Baptist ministry and another 300 are "student volunteers" who will serve in some phase of our church work. We are also proud to know that there are many other professions represented in these colleges such as those training for public school teaching, law, medicine, business, and others. We should do our best to encourage our young people, no matter what they feel is their mission in life, to take their training in our Baptist colleges where they will be able to mature and flourish in a warm friendly Christian atmosphere.

How comforting it would be to know that the generation of leaders of tomorrow are now being trained in our Christian schools, however it is becoming increasingly difficult for our Baptist schools to offer training to all who apply. In 1950 the Baptists of North Carolina through the Cooperative Program gave $350,000 to the seven Baptist colleges or an average of $70.00 per student. During this same time the state gave more than $400.00 per student enrolled in its colleges and universities. These figures show us that if we would provide the kind of education that we want our own young people to have we must find ways and means of increasing our gifts to these institutions. Let us keep Christian Education before our people.

Neils H. Lersen

12. A report on the Enlargement Program at Wake Forest College was brought by Ralph R. Hensley. Following a brief discussion on this subject by Eugene Olive from Wake Forest, the report was adopted.

THE WAKE FOREST ENLARGEMENT PROGRAM

The Trustees of Wake Forest College began in 1943 the Wake Forest Enlargement Program designed to construct sorely needed new buildings on the Wake Forest Campus and to add five million dollars to the endowment. More than $1,000,000 was secured and construction started on two large dormitories before the Reynolds offer was made.

One of the new dormitories was completed out of funds already contributed. In 1946, the Zachary Smith Reynolds Foundation offered Wake Forest College income of the Reynolds Indenture of $11,000,000 on condition that the college move to Winston-Salem and build a new campus plant there to provide facilities for a student body of 2,000. Then followed a period of merging the old Enlargement Program with the greater effort to build on the new campus in Winston-Salem. Estimates at the time indicated that this could be done for approximately $6,500,000. As time passed, preliminary drawings of the architect revealed that the cost would be very much greater.

Acceptance of the Reynolds gift and the removal to Winston-Salem were approved in 1946 by unanimous vote of the Wake Forest College Board of Trustees, the Council on Christian Education, and the General Board of the Baptist State Convention. Final official approval of the offer was voted at a special session of the Baptist State Convention held July 30, 1946.

Baptists of North Carolina agreed to undertake to raise through the churches $1,500,000 for the building program. A similar amount was undertaken by the citizens of Winston-Salem and Forsyth County. Both campaigns were successful. Throughout this period some efforts were made to secure additional gifts from alumni and other individuals and groups.

Let us remember that Wake Forest is now fully committed to the move to Winston-Salem. There is no doubt or debate about this. We have sold the Wake Forest Campus plant and must give full possession not later than 1956. Naturally, a movement of such magnitude invoked discuession and difference of opinion earlier. But not now. The sale of the property for the new Southeastern Seminary has settled the only real difference of opinion.

Our chief architect has moved his office and staff to Reynolda where work is being done carefully to prepare for the beginning of construction on new buildings in the very near future.

The financial assets of the move are:

(1) A gift in perpetuity of the income from a trust fund now yielding over $350,000 annually—and growing constantly.
(2) A gift of a magnificent campus site of 400 acres well located, beautifully wooded and landscaped, two miles from downtown Winston-Salem and just outside the city limits.
(3) While the Reynolds gift of trust fund income is to be used for operating expenses only, yet the trustees have agreed to give Wake Forest income of $2,000,000 accumulated since 1946 to be applied to costs of building.
(4) A total of $7,560,787 on hand, pledged to the building fund and to that only.
(5) Saving of millions of dollars urgently needed to enlarge and remodel our old campus plant if we stayed at Wake Forest.
(6) A period of excellent promise for raising the needed balance of $8,000,000.
(7) The incalculable value of the backing and friendship of the largest church denomination in this state and region.

Funds on hand and funds needed for removal and enlargement program, including all gifts made through March 1, 1951 are as follows in both cash and commitments:

The Convention's program	$1,700,000.00
Earnings of the Reynolds Foundation	2,000,000.00
Proceeds from sale of Wake Forest property	1,500,000.00
The campaign in Winston-Salem (1948)	1,700,000.00
The Enlargement Program	660,787.48
Total	$7,560,787.48

We therefore need at least $8,000,000 more. The architect's conservative estimate of new building and equipment costs totals $15,500,000. May we pledge ourselves with renewed efforts to reach this worthwhile goal for the youth of our land.

Respectfully submitted,
Ralph R. Hensley

13. James H. Smith brought a recommendation from the committee on the Reception of New Churches that the Midway, New Liberty, and Sand Hill Churches be received into the Association on the conditions as outlined in the constitution. This recommendation had the unanimous approval of the members of the committee, and it was approved in like manner by the Association.

14. The report on the Minister's Retirement Plan was given by J. L. Underwood and was adopted by the Association.

THE MINISTER'S RETIREMENT PLAN

The Ministers Retirement Plan has been in operation for a decade. It has been a period of great opportunity for the active pastor, and compared with the opportunities of the preceding generation, it is no less than remarkable.

Now it is possible through the Ministers Retirement Plan and the supplemental plan providing for the widow of the man who dies in active service, for the preacher who wills to do it, to purchase for himself and his loved ones, "a considerable measure of peace of mind and sense of security," whatever the changing conditions of life may bring. But the percentage of active pastors in Southern Baptist territory, who are participating in the plan, is much too small. In the great state of North Carolina, less than half the number of active pastors have any connection with the plan. In the Buncombe Association that percentage would hold true. These conditions ought not to be.

There are at present more than a thousand retired preachers drawing annuities from the Relief and Annuity Board. Many more than that number of other denominational workers who have retired under the terms of the plan are rejoicing because of the great opportunity of having been a part of it, and are finding that these annuities are the difference between comfort and want.

Why should the preacher and the church which supports him continue to hesitate, failing to provide the security and assurance that should bring comfort and a measure of contentment in the days ahead?

Respectfuly submitted,
J. L. Underwood.

15. The report on the American Bible Society was adopted as given by H. B. Fisher.

REPORT ON AMERICAN BIBLE SOCIETY

Missionary advance must continue —The American Bible Society, working with Southern Baptist mission agencies in their Advance Program for worldwide missions, joins in reporting that advance has begun.

The Society also joins in urging that this missionary advance must continue and increase. Experience on mission fields around the world shows that in every missionary advance, the Bible goes forward first.

The Bible is a must in mission work.—If the people of the world are to know Christ, they must have the Bible. It is the one primary source of knowledge of Him. The Bible is the missionary's chief tool. The Bible itself is a missionary. It can go where the human missionary cannot go, stay when he must leave, and keep on working in a man's heart.

Every man must have the Bible in his own native tongue if the Word of God is to speak to his heart. Someone must translate it into his language, publish it and send it to him, wherever he may live.

In most countries of the world, the income of the people is so low that they cannot even afford the bare cost of the printed Scriptures. Someone must help those who can pay only a part of the cost and the many who cannot pay at all.

The American Bible Society, a missionary non-profit organization, supported by gifts, serves as that "Someone." It aides in Bible translation, publishes the Scripture without note or comment, and distributes them, without profit and usually below cost, for use in mission work around the world.

During 1950 the American Bible Society—distributed through its own work, at home and abroad, more than 11 million volumes of Scripture. Another 3 million volumes were produced through gifts of materials and money to Bible Societies of other countries, especially Germany and Japan, bringing the grand total to more than 14 million volumes for the year;
—supplied Testaments in 9 different languages for the United Nations forces in Korea;
—started printing 2 million service Testaments for our own expanding armed forces;
—in Japan, distributed 3 million volumes, which was the goal for 1950, making the total distribution in Japan since World War II, more than 6 million volumes.

1951 opportunities call for even greater Advance in Scripture distribution.

Japan is the major challenge for greater Advance. It is not just an "open door"; "the whole side of the house has fallen out" and we are free to walk right in. Other fields also present needs which, though not so dramatic, are just as real.

In 1950 Southern Baptist churches gave $78,643 to the American Bible Society; gifts from churches of all denominations amounted to $646,756. In view of Southern Baptist strength and readiness to respond to missionary needs, it is expected that Southern Baptist churches will soon be giving to the American Bible Society at least $150,000 each year.

H. B. Fisher

16. An able discussion on the Christian Home was brought by W. Perry Crouch. This was in the form of an address, and no report was made or adopted. His message was received with much interest.

17. The group stood and sang "Faith of Our Fathers," and Miss Mirian West of the Hominy Church sang "Must I Go, and Empty-Handed?" Charles W. Smith of Swannanoa preached the Introductory Sermon on the subject "The Light of the Word in a Dark World." His message was based on selections from John 17. It was an able and timely message and was well received. James H. Smith led the closing prayer and offered thanks for the noon meal which was enjoyed by all present.

TUESDAY AFTERNOON SESSION

18. With Miss Mildred Thomas at the organ, Charles Jollay led the congregation in singing "Footsteps of Jesus." Paul Lovingood read selection 535 in the Hymnal on "Faithfulness" and led in prayer.

19. John L. Lawrence read and discussed the Sunday School Report, and it was then adopted.

ASSOCIATIONAL SUNDAY SCHOOL REPORT

The year 1950-1951 has shown much progress and furnished most encouraging reports for our Sunday schools of the Buncombe Association. We have more Sunday schools, a large enrollment and an increased attendance. Surely this has meant more Bible study, more conversions and more baptisms.

The General Superintendent is indeed grateful to the Associational Officers and Associational Missionary for their loyalty, cooperation and work in promoting the program of our Sunday school association. He would also like to express his appreciation to the Pastors, Sunday school Superintendents, Teachers and officers for their attendance at our monthly meetings and cooperation in carrying on the work.

We have held twelve (12) meetings during the past year, having met at the following churches: Zion Hill, New Morgan Hill, New Bridge, French Broad Avenue, Oteen, Oakley, Emmanuel, Beaverdam, Swannanoa and Edgewood. Our June meeting was held in the auditorium of our Southern Baptist Assembly at Ridgecrest and Mr. Willard Weeks had charge of the program. About 25% of our churches were represented at each of these meetings with Grassy Branch and Biltmore churches leading in attendance. However Biltmore had the largest number present during the year with over 100 at several meetings.

Following our Associational Planning meeting Sept. 28th, 1850 at the French Broad Avenue church, about fifteen teams visited thirty five of our churches and held church planning meetings. We are indebted to the teams for their time, effort and expense in promoting these church planning meetings which have been beneficial and helpful. There is no substitute for a well planned and promoted church planning meeting when pastor, teachers and workers can meet together and plan their work for the coming year. This is a must if we are to plan our work well. Again this year, following our State Planning meeting, Sept. 11th at First Baptist church, Morganton we will hold our Associational Planning meeting, Tuesday, September 18th at 8 P. M. (Place to be announced later). Plans will be made and workers selected to again visit the churches of our Association. We ask your prayers and cooperation in promoting this work this fall. We would like to see each church in our association have a church planning meeting during October or November.

The religious census promoted in connection with our simultaneous revivals certainly furnished our Sunday schools with lists of prospects and many were enrolled in our follow-up enlargement campaign. An annual religious census should be planned by every church in the community in which it is located. This is the best way to locate prospective members to visit and win for your Christ and His church.

Our slogan has been again this past year "Take Your Family to Sunday School" and because we have followed this slogan for 3 years, we feel that more complete families have been reached and enlisted not only for the Sunday school but for the church and Christ.

Our reports will show the success of our simultaneous revivals but statistics show that the great per cen of those won for Christ, come into the church thru the Sunday school. This is another reason and a good one too, why we should constantly increase our enrollment and attendance in our Sunday schools. One out of three enrolled in our Sunday schools are won for Christ while only one out of two hundred and forty not enrolled in Sunday school are won for Christ. This certainly speaks fr itself as to the importance of the Sunday school to any church.

We are indeed indebted to our Associational Missionary and his Associational Bulletin in keeping us informed as to the continuous progress of our Sunday school work in the association. Additions and new buildings have been mentioned thru out the year and this with our local and district training schools in providing better leaders will continue to mean progress in our work. Trained workers are most necessary but class rooms, departments and new buildings must be provided too. It is indeed encouraging to see the number of churches in our association holding or promoting Daily Vacation Bible Schools. A finer program of work could not be provided for our boys and girls than a Vacation Bible school during the summer. It is indeed a loss for the boys and girls and also to the church that omits this great training program.

We are glad to note from our reports the additional Cradle Roll and Extension Departments organized during the past year. Every church should have these two departments so that we might enlist every member of every family.

A complete roster of Associational S. S. officers, including Departmental and Group Superintendents were elected at our last meeting and plans are being made to have departmental planning meetings every three months during the coming year. We would urge your cooperation and attendance at these meetings.

May we Plan well, Prepare thoroughly, Promote enthusiastically and Persevere to the end that during the coming year that each church will secure at least 11% increase in enrollment as well as an increased interest in Bible Study and evangelism.

Respectfully submitted,
J. L. Lawrence,
Associational S. S. Supt.

20. The report on the Baptist Training Union was given by Miss Mildred Thomas. In the place of a discussion on this subject, Mrs. Paunee Byrd, with the assistance of a group of Training Union members, gave a fitting pageant which brought out in a good way the value of the training program in the churches. The report was adopted.

ASSOCIATIONAL TRAINING UNION REPORT

A backward look over the past Associational year reveals progress in the Training Union organization. Its officers have discharged faithfully their duties in promoting the activities as outlned in the calendar of activities for the year.

589 letters and cards have gone into the churches advertising the 3 executive committee meetings, the 3 mass meetings, 1 officers' and leaders' council, and meetings held in the districts one quarter. These meetings were well attended, and the interest expressed was gratifying.

The Training Union participated in the Central and District training schools held in the fall. In addition to these other training courses were held in individual local churches.

Our Association participated in the Regional tournaments held at Hendersonville. We were proud to claim the winner of the Adult Scripture reading tournament.

New Training Union work was begun this year in the Buckeye, Emma, Jupiter, and Long Shoals churches. Work was also begun in the two missions of Asheville First Church. New units were begun in several churches where Training Unions are already in progress. This brings the total number of churches with Training Unions to 57. We rejoice in this number, but welcome the opportunity to assist the other 22 churches of our Association in organizing for the important task of training.

Respectfully submitted,
Mildred Thomas, Associational
Training Union Director

21. The report on the Woman's Missionary Union was read and discussed by Mrs. Wesley B. Sprinkle with the usual and fitting emphasis given to such a report by Mrs. Sprinkle. The report was adopted.

WOMAN'S MISSIONARY UNION

"God is faithful, by whom ye were called unto the fellowship of His Son Jesus Christ our Lord". I Cor. 1:9. The faithfulness of Baptist women of the Buncombe Association was reviewed at the annual meeting of Woman's Missionary Union when approximately 300 gathered at the Hominy Baptist Church on April 19th with 35 churches represented. No comparison could be made with His faithfulness but evidence on the part of 3800 enrolled in 190 organizations is found in total gifts amounting to $10,528.76 for missions abroad and $313.63 spent for local work. This total was an average of $4.76 per member, besides Burney gifts totaling $30.10. The total enrollment in mission study was 2,317 with 93 classes and 1734 books read. There were 67 organizations faithful in community missions with 1173 members participating. Tithers number 1199, and 1938 giving regularly to the cooperative program. Faithfulness is proven in gains briefly stated thus: Enrollment—395; observing seasons of prayer—29; mission study classes36; participating in community missions—386; tithers—323; gifts—$2,195.99, and new organizations—28.

We are quite aware of o ur unfaithfulness in observance of stewardship night, no missionary organization in 25 churches, lack of young people's work, and 63 organizations failing to report.

Activities that deserve mention include regular district meetings, organization of a Business Women's Federation last November, annual leadership conference in January with 143 present representing 30 churches, scholarship fund for worthy pastor's expense to Fruitland established at annual meeting and two colored women were sent to the Interracial Institute in Raleigh from our association. Worthy praise is due Mrs. C. D. Bessinger who directed the G. A. Camp at Mars Hill with 126 enrolled and Rev. M. D. Smith, the R. A. Camp, with 58 enrolled. These with all other officers in the association, districts, and members of each society have been faithful to the task. Churches having one or more A-1 organizations were Grace, West Asheville, French Broad and Newbridge. Greatly to be praised is the faithfulness of Craven Street that gave $6.91 more PER MEMBER than any other society in the association. With deep gratitude for all that has been done we would be challenged anew when He says, "Be thou faithful unto death, and I will give thee a crown of life." (Rev. 2:10b)

22. In the absence of C. C. Parker who was to give the report on Religious Literature, C. W. Bazemore from the office of the BIBLICAL RECORDER brought an appropriate message on the place and importance of the right kind of literature. The report was given to the clerk later, and it is given below.

RELIGIOUS LITERATURE

To think of religious literature, first we think of the Bible, the book of books. The meaning of literature is the written or printed productions in the eminent sense, such as are marked by elevation, vigor, and catholicity of thoughts, purity and grace of style. All this we find in the Bible. Mr. Moody once said, "this book will keep you from sin or sin will keep you from reading this book". The Bible contains the mind of God, the state of man, the way of salvation, the doom of sinners, and the happiness of believers. Its doctrines are holy, its precepts are binding, its histories are true, and its decisions are emmutable. Read it to be wise, believe it to be safe, and practice it to be holy.

We read in the Bible that as a man thinketh in his heart, so is he; so we think as we read. If we read religious literature, we think religiously and become more religious. So it is the task of every preacher and teacher to get our folk to read good sound literature. We have, as Baptists, the best periodicals such as the Biblical Recorder, the Commission, Home Mission Magazine, Home Life Magazine. These will keep our people informed about what our denomination is doing, at home and around the world. An informed Baptist is usually a cooperative Baptist. When we read right, we think right and will do right. We pastors should seek to put the Biblical Recorder in every home, because every Baptist has a right to know where his money goes, and how much good it is doing. I have asked only two churches that I have served to put our Baptist paper in every church home, and without a single objection they did it. The shepherd is to lead and to feed his flock. How can we do it better than to get our people to read the right kind of literature?

Respectfully submitted,
C. C. Parker

23. A. L. Smiley read and discussed the Brotherhood Report. After his fitting discussion on the work of the men in the churches, the report was adopted.

BAPTIST BROTHERHOOD

Our Baptist people wil lrejoice to know that the report for 1950 shows that there are now 5,076 functioning brotherhoods in the Southern Baptist Convention with an enrollment of 167,744 men. This is an increase of 23% in brotherhood organizations and 18% in membership over the year 1949.

The spiritual power of this number of consecrated men organized to carry on the work of Christ in the whole world cannot be charted by graphs or any statistical report. It is highly significant when we understand that the sole purpose of the brotherhood movement is to promote the whole program of the Church locally, district-wide, statewide, south-wide and world-wide.

There is no doubt that there is developing among our Baptist laymen a rich and growing evangelistic spirit unprecedented recently, which aided by the Holy Spirit and the power of the living Christ, is destined to sweep onward and outward until the gospel of Christ and his power to save every individual of every race, color or condition, is proclaimed to the uttermost part of the earth.

It is the hope of this committee that every church in the Buncombe ssociation will prayerfully and thoughtfully consider the value and importance of a brotherhood in your Church and will set yourselves at once to the organizing of your men into one of the great departments of our Church work.

Respectfully submitted,
A. L. Smiley

24. Romie Pearce of Wingate College sang "The Light of the World" accompanied by Mrs. Thelma Morgan. The closing feature on the afternoon program was a missionary address by Miss Martha Franks of China. It was truly an informing and a challenging message as she pictured the present conditions and future outlook for the work in the Orient with some reflections upon conditions in America. W. M. Hensley of the Edgewood Church led the closing prayer.

TUESDAY NIGHT SESSION

25. The meeting began at 8:00 o'clock with Carl G. Mauney leading the music and Mrs. Thelma Morgan at the organ. The choir was composed of members from the Hominy and West sAheville Churches. The group sang "My Hope is Built" and "The Lily of the Valley." A. H. Parham of New Found read Psalm 121 and led in prayer.

26. W. Brady Archer of French Broad Avenue gave a thorough and informative review of the proceedings of the day and a preview of the program for the next day.

27. The group sang "Oh, How I Love Jesus". The song was followed by an offering that was received to defray expenses of Miss Martha Franks and Dr. Ramsey Pollard who came to speak on the program at the invitation of the committee. The offering amounted to $50.00.

28. The Ladies' Quartet from the French Broad Avenue Church sang "Speak, Lord, We Hear." They were accompanied by Mrs. Archer.

29. Moderator Starnes read a report on Evangelism which appears below.

EVANGELISM

Winning people to Christ is the very heart of our work. Not only is it the way by which we become larger and stronger in members, but the fires of soulwinning passion is the blaze that builds every part of our work. People who are cold in evangelism will be cold to missions anywhere, they will not support the right kind of Christian education, they will not long want to build orphanages and hospitals, and in time the pews will be empty, the treasury empty, and the building will be taken over by the rats and bats.

On the other hand, with the right kind of evangelism that reaches far and wide after people who are lost with the one purpose to turn them to Christ is the proper foundation for all the work that our churches are to do. If a person is interested in winning people in his own community he will be interested in winning them in Japan if you inform him and put it on his heart. If he wants people to belong to Christ, he will help you build a school that young people may know the facts of life and the universe where Christ is put in the center. If our people are kept warm hearted they will not long let the orphan child or the sick go neglected. We dare not allow the evangelistic fires to burn low in our churches.

The last year has been the greatest in this respect among Southern Baptist. Nearly all of our 18,000 Baptist churches East of the Mississippi participated in our evangelistic crusade this spring. More than seventy of our Baptist churches in the Buncombe Association took part. It was a great experience. We had more people gathering in our churches at the same time than we had ever had before. We had more people won to our Lord by profession of faith than ever before. We baptized into our churches 1287 people during the year which was 321 more than the year before, which itself was a high year. In addition to this 481 people joined our churches by letter. Many of these had gotten so far from the Lord until you could hardly tell to whom they belonged. While we were at **this** we did more to make our country-side conscious of the Baptist churches that were in them than anything we have ever done in our history.

However, we must not fool ourselves people are not always evangelized when they have made a profession of faith and been baptized. That is only the beginning, they are babes in Christ. Sometimes our greatest task is getting a person to live like and act like the child of God that he is. Careful attention must be given to these new born Christians whether they are young or old. At least one of our churches set up a New Member Committee that keeps a close record on these new members to see that they are in Sunday School, Training Union, W.M.U. and the Brotherhood. This Committee uses every organization to get these people at work and to see that they are not forgotten.

While there is no plan for a simultaneous effort this coming year it is expected that every church will not only be busy at the business of evangelism in her own walls, but that we will reach out and establish missions and preaching places. Let everyone of us take it on ourselves without appointment from anybody to use every method at hand to turn people to our Lord.

30. The message of the evening was brought by Dr. Ramsey Pollard, pastor of the Broadway Baptist Church, Knoxville, Tenn. He spoke with force and conviction on evangelism as the heart of Christianity. The larger part of his message was devoted to the importance of doing something about the unaffiliated church members.

31. At the close of the message, the group sang "Take Up Thy Cross and Follow Me." The closing prayer was offered by Reid Lunsford of Ridgeway.

WEDNESDAY MORNING SESSION

32. The meeting opened at 9:45 on Wednesday morning, August 15, at the Hominy Church with Moderator Starnes presiding. Carl G. Mauney of Enka led the music during the day, and Mrs. Thelma Morgan of the Hominy Church played the organ. The meeting began with the group singing "Wonderful Words of Life" and "When We All Get to Heaven." W. T. Cockman of the Jupiter Church read Luke 15:1-10 and led in prayer.

33. M. D. Smith of Hominy made a motion that was seconded by Reid Lunsford of Ridgeway calling for the election of the officers of the Sunday School, Training Union, Brotherhood, and Woman's Missionary associational organizations at the Association in annual session. After some discussion on this matter from different angles, the motion was carried. It was understod when the vote was taken that this move would constitute an amendment to the constitution. In this connection a motion was made and passed that the present officers of these organizations be approved.

34. The Moderator announced that the time had come for the election of officers and called for nominations for moderator. W. G. Russell nominated M. D. Smith of the Hominy Church, and a motion was made and passed that the nominations cease and that the clerk be instructed to cast the ballot of the group for Brother Smith. This was done with joy. Other officers as elected were as follows: Vice-Moderator, W. G. Russell; Clerk, H. M. Hocutt; Treasurer, Frank R. Bishop; and Historian, Frank B. Hopkins.

35. At this point the Moderator asked W. G. Russell to take the chair, and A. J. Buckner of Chunn's Cove brought the report on the Baptist Hospital. This report was discussed by Richard K. Young, chaplain at the Hospital, and it was then adopted.

HOSPITL REPORT

Our Baptist hospital and Medical School located in Winston-Salem, has released statistics showing heartening increases in services rendered in all departments for the year 1950.

Approximately 10,000 persons were admitted as bed patients, and 91,299 days of patient care was rendered.

A fifty per cent increase in bed capacity is expected upon completion of the new wing now under construction.

The out patient department reported 47,889 visits during the year. Good progress was also reported by the private Diagnostic Clinic operated by the Medical School for people able to pay for examinations.

Laboratory research has been carried on with outstanding results in various fields. The fully approved nursing school has graduated 447 students since the opening of the hospital. The normal enrollment is about 150.

The school for professional education in other specialized fields such as X-Ray Technology, Laboratory Technology and Nurse Anesthesists are highly approved by the American Associations of each field.

The department of religion is doing a noble job under the leadership of a director, two chaplains and a student secretary, in ministering to the spiritual need of the patients, personnel and their families.

The Mother's Day offering amounted to $140,639.81, for the year. This amount plus private contributions, welfare agencies and the Duke Endowment Fund enabled the hospital to render free service in the amount of $337,000.00. This provided more free service than any other denominationally controlled hospital in the south.

Your committee makes the following recommendations:

1. That we back this great institution with our earnest prayers.
2. That we make every effort to reach our part of the goal of $150,000.00, for free service for the year.
3. That we faithfully endeavor to reach our goal for the erection of the new wing to the hospital.

Respectfully submitted,
A. J. Buckner

36. The report on the Orphanages was read by Walter Zvoda of Buena Vista after which it was discussed by W. C. Reed from the Orphanage. After his discussion, Moderator Starnes requested some time for further discussion concerning the Orphanage, and by a motion of the body ten minutes were given. Brother Starnes used this time in giving the viewpoint of the special "Committee of 19" from the Baptist State Convention in recommending that the Orphanage be brought into the Co-operative Program to share proportinately with the other objects supported by the State Convention. Brother Starnes is a member of the "Committee of 19" and favors bringing the Orphanage into the Co-operative Program. Superintendent Reed does not favor the report of the committee at this point. After the discussion, the report as presented by Brother Zvoda was adopted.

ORPHANAGE REPORT TO DISTRICT ASSOCIATIONS

Again the time has come for your Orphanage to submit its annual report to the District Associations. We are happy to do this because you are the ones who support this host of homeless children with your love, your prayers, and your money.

In your child care program you make available three channels through which dependent children are aided. At Mills Home and Kennedy Home we care for 606 last year. Then through Mother's Aid we helped support 100. In addition to this we supported 58 children in Boarding Homes. This makes a grand total of 764 children who were given support through your Orphanage Program.

There are two major sources of support for your program of child care. The greatest of these is the ONCE-A-MONTH offering by the Sunday Schools and churches. The other is the Thanksgiving Offering. All this money is used exclusively for the support of the children. By strict economy it has always been sufficient to meet their needs. Hence, your Orphanage has never sponsored a special campaign for funds. All buildings have been erected by special gifts from interested friends. Since the members of our churches have given DIRECTLY AND REGULARLY to the Orphanage it has kept these children close to their hearts, and we believe has stimulated their religious zeal and caused them to give more to the total Denominational Program.

The financial condition of your Orphanage is good. However, it DOES NOT HAVE a large surplus of funds as some have thought. Like most of your own families, we have to be extremely careful with our expenses in order to get through the year without a deficit.

Through the generous bequest of the late Mr. Robert M. Idol of Winston-Salem, we received last year the greatest single gift that has ever come to the Orphanage. This gift, together with a similar one from his sister, the late Miss Lelia M. Idol, totaled a little more than seven hundred thousand dollars. NOT ONE PENNY OF THIS CAN EVER BE USED FOR CURRENT EXPENSES. The donors designated in their will that it should be used to build a Church, and Infirmary, and a Print Shop. These buildings and one cottage for children are now under contract. When they are finished and furnished we will have less than $30,000 of this fund left which could be used to help erect another building. Actually, when our present building program is finished we will have NO SURPLUS FUNDS LEFT.

Although we have never sponsored a special campaign for money, we have tried to keep you informed as to what we were doing and as to our needs. Each week we send **Charity and Children** to more than forty thousand families. We endeavor to meet with every District Association. Also, we go into as many of your local churches as possible during the year. Our Baptist people have always responded in the spirit of the Master who said, "Whosoever receiveth one such children in my name, receiveth not only Me, but Him that sent Me."

We solicit your continued prayers and support, and we pledge you that we will CONTINUE TO GIVE THESE HOMELESS CHILDREN THE BEST TRAINING POSSIBLE.

We hope as Baptists we are fulfilling our duty and the test of our religion is complying with this scripture. James 1:27 "Pure religion and undefiled before God and the Father is this, To visit the fatherless and widows in their affliction, and to keep himself unspotted from the world."

I was reading some time ago where the Empire State building now is controlled by Catholics and the profits will go for charities. The aim of Catholics has always been to get the children. As they say give me a child from one to six years of age then we are not afraid to turn them loose. The Catholics are out to get control of W.N.C. and we must take care of our children especially the fatherless. Just to give you an idea what they are doing in Waynesville Grade and High school they have 279 students and 236 or 82% are non Catholics. In St. Genevieve of the Pines—Asheville Jr. High 433 students and two thirds are non Catholics, they are hauling our children on buses to their schools. Therefore if our orphans are not taken care of we will lose more children in our denominational life.

Respectfully submitted,
Walter Zvoda

37. The report for the Baptist Home for the Aged was brought by A. D. Smith of Berea and was discussed by Superintendent James Hayes of the Home after which it was adopted.

STATEMENT FOR REPORT ON NORTH CAROLINA BAPTIST HOMES FOR AGING

The North Carolina Baptist State Convention in its November, 1950, session authorized the committee on the Home for the Aging to make plans for the opening and operation of our Home for the Aging as soon as the committee might find a way to meet the cost of equipping and o perating. Because of the drive to raise money for the construction of the new wing to the Baptist Hospital, the Convention instructed the committee for the Home not to expect direct help from the Baptist State Convention during the year 1951.

On January 9, the committee on the Home elected Rev. James M. Hayes, pastor of North Winston Baptist Church, Winston-Salem, superintendent of the Home, and Miss Edna Heinzerling, director of Nurses of the Baptist Hospital, to serve as supervisor of our Home. The committee decided to open the Home for residents when sufficient funds became available to begin.

There are many evidences of the Lord's favor upon the Home thus far. In the first place, He led in making a home immediately available. Ten years ago the trustees of the Bowman Gray School of Medicine of Wake Forest College leased a three-story, brick-constructed, fireproof building, with an elevator, for a period of 25 years for $1.00 a year. The committee on the Home was able to secure this building for 15 years at the same rental price. The building accommodates 20 residents at present. The top floor, if completed, would give space for 16 additional residents. The completion of this floor would cost approximately $23,000. With more than 100 applications for admission already received, and inquiries coming almost daily, one can easily see the pressing need of more space.

The Home has been greatly helped by the gifts received—furniture, office equipment, heating system, blankets, linens, towels, and many other items, as well as discounts on supplies necessary to be purchased. Although the Home has been operating only since March 16, yet it now has assets approximately $50,000, and is not operating in the red.

Our residents range in age from 67 to 91 years, and come from widely scattered sections of North Carolina—from Franklin to Elizabeth City—the mountains to the sea. Regardless of the sections from which they come, they are a happy, congenial family, all rejoicing in the opportunity to live in the Home. The attitude of all the residents is well expressed in the brief statements of Miss Bertha Callaway, former matron of Mills Home Orphanage: "I like this good Christian home"; and of Mrs. Carroll: "I wouldn't exchange it for any other."

The Home offers four things to those who come to live there: security, comfort, congeniality, and a Christian ministry. With this sort of program, North Carolina Baptists can add years to life, and life to years for those who reside in our Baptist Home for the Aging.

One donor said when he sent his check to the Home: "I believe in this practical kind of Christianity. North Carolina Baptists have waited too long to begin it." Surely it is practical, for Jesus said: "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

The committee on the Hame has challenged North Carolina Baptists to build a home adequate to meet the need of the increasing number of old people from 65 years up. Their program calls for a million dollar plant, which would accommodate 270 residents. With the Lord leading and North Carolina Baptists cooperating, such a plant should be built and in operation within a few years.

"Now also when I am old and grayheaded, O God, forsake me not" (Psalm 71:18).

Respectfully submitted,
A. D. Smith

38. Dr. M. A. Huggins, Secretary of the Baptist State Convention of North Carolina, was present and spoke to the Association. He brought an able discussion of the present situation and future outlook of our work. He spoke highly of the work going on in the Buncombe Association. He emphasized the need for a larger amount of our contributions going for mission causes. He stated that proportionately we had made a larger increase in gifts for home expenses than we had for missions.

39. "Every Baptist A Tither" was the subject of an able address on Christian Stewardship by C. D. Bessinger of the Grace Church. His message was well planned and was brought in a very fine way.

40. A mixed trio from the Hominy Church sang "How Long Shall We Wait?" R. W. Abrams of Deaver View read Exodus 14:15, Jonah 1:2, Matthew 28:16-20, and Acts 16:6-10, and then he brought an excellent Missionary Sermon on "Our Marching Orders." Just before speaking he asked W. L. Hatcher to lead in prayer. His message presented a challenge to break with the past, to go forward, and to look to God to lead to victory. Dr. W. R. Cullom, teacher of Bible at Wake Forest for many years, led the closing prayer and returned thanks for the noon meal.

WEDNESDAY AFTERNOON SESSION

41. The Wednesday afternoon session began at 1:50 with the group singing "Blessed Be the Name" and "Leaning on the Everlasting Arms." Francis Lunsford of Grassy Branch read Isaiah 53:1-6 and led in prayer.

42. W. Brady Archer of French Broad Avenue introduced a motion requesting the Moderator to appoint a committee of five to study and state the duties and authority of the Missions Committee, to provide for the enlargement and rotation of the Executive Committee, to amend the Constitution and By-Laws of the Association to provide for the election or inclusion of the officers of the association of W.M.U., Training Union, Sunday School, and Brotherhood. This committee is to report at the next annual session of the Association. The motion was seconded and approved. The Moderator appointed W. Brady Archer, M. D. Smith, J. H. Lackey, Charles W. Smith, and Mrs. Neils H. Larsen on this committee.

43. In the absence of C. M. Perry who was to make the report on Temperance, James Hayes of Winston-Salem spoke of a mass meeting being planned this fall with Billy Graham as the speaker and urged the people to attend. He stated that the meeting would be held in the central part of the state and that adequate publicity would be given to it.

44. A discussion of the digest of the letters from the churches was given by the clerk. This digest was mimeographed and given to the messengers on Tuesday morning.

45. The report of the Committee on Time, Place, and Preacher was given by W. Brady Archer. The report as adopted may be found in the front of the minutes under the heading of "Next Session."

46. Chairman M. D. Smith gave the report for the Committee on Committees. The report was adopted and may be found under the heading of "Standing Committees."

47. The clerk made a motion that the group by standing express the sincere appreciation of all messengers to Pastor Smith and the good people of the Hominy Church for the two good meals provided for the messengers and for their hospitality and the many things they had done to provide for the messengers and visitors at the Association. The group voted their appreciation unanimously.

48. The report of the Historian as given by J. B. Grice was adopted.

HISTORIAN'S REPORT

As we come to seventieth annual session of the Buncombe Baptist Association it is with thanksgiving to our Heavenly Father for his favor during the past twelve months. In many ways it has been the greatest year in the history of our Association. However, since our Missionary will give a detailed and a more complete report on the accomplishments of the year, your Historian will call attention to only a few outstanding activities.

Our Association joined almost one hundred per cent with the 18,000 Southern Baptist Churches east of the Mississippi River on March 25th in a two weeks evangelistic crusade. It produced a revival in all of our churches with hundreds of rededications and additions. All phases of our work have gone forward in a most encouraging way. The First Church of Asheville liquidated the indebtedness on their building and have enlarged their space by converting the pastorium into class rooms in order to take care of their fast-growing Sunday School. They have also purchased a building on Charlotte Street for the pastor's home.

Emmanuel Church has purchased a building at 119 Cumberland Ave., Asheville, in a fine residential section with the purpose of erecting a church house in the near future and at the same time change the name of their church to the Cumberland Avenue Baptist Church. The Merrimon Avenue church has recently completed and entered their new educational building which was designed by the Sunday School Board of the Southern Baptist Convention. The Avery's Creek Church has changed its name to the Long Shoals Baptist Church.

Bethel, one of our oldest churches has been made new with all modern conveniences, including new furnishings. The Beuna Vista, which is one of our younger churches, has greatly improved their property, including the pastor's home. This seems to be the trend with all of the churches of our Association.

Three of our churches, Macedonia, Mount Pisgah, and Oakley suffered the loss of their buildings by fire during the year, but with faith and courage these buildings are being replaced by their respective congregations.

Several fine young men have been ordained to the full work of the ministry by various churches during the year.

The annual Ministers' Revival was held in January this year and proved to be a great inspiration to all who were privileged to attend.

All quarterly meetings of the Executive and Promotional Committees were held at their appointed time during the year. We wish to commend our Missions Committee on their fine work during the year, and especially their methods of advertising in the local papers and over the radio during the summer months. We feel sure that our denomination is better and more favorably known in this section as a result of this publicity.

We observe that our Missionary, Rev. H. M. Hocutt, has had a busy and a successful year, and the Association has never had a better return on their investment of time and money than in our Missionary.

We conclude this report with the immortal words of the Apostle Paul: "B ye steadfast, unmovable, always abounding in work of the Lord, forasmuch as ye know that your labor is not in vain in the Lord."

Respectfully submitted,
J. B. Grice, Historian

49. Perry Sprinkle of the Craven Street Church read the long list of those who had departed this life during the past year. This information was taken from the letters of the churches to the Association. After the names were read, Brother Sprinkle asked the group to stand, and he led in prayer. The group sang one stanza of "In the Sweet By and By." Moderator Starnes called M. D. Smith, the newly-elected Moderator, to the pulpit and turned the place of leadership over to him. After some fitting remarks by Moderator Smith, the meeting stood adjourned.

We have tried in the financial part of this digest to give a report of the gifts for local expenses and for missions. The form letters are based on expenditures rather than gifts. For that reason, we have had to study each letter carefully to determine just what would be the amount of the local contributions. In most cases the churches have spent just what was given, but in the cases of churches with building programs the churches have spent more or less than they gave depending upon whether they were building or raising money to build. We have tried to do the best we could. If there is any question about any figure given from any church, we can take the letter and explain just how the figure in question was arrived at.

THE ORIGIN OF THE BUNCOMBE BAPTIST ASSOCIATION

For the purpose of keeping before us information about the organization of the Buncombe Baptist Association, we are printing here a few paragraphs taken from the report of the historian of the Buncombe Association for the year 1907. The report for that year was prepared by W. T. Bradley of Morgan Hill. We are indebted to Brother Don C. Young for his copy of the minutes for the year 1907 from which we get the following information:

"The oldest Association in Western North Carolina is the French Broad. It was organized in 1807 at French Broad Church, in Henderson County, and was named from the French Broad River. It was principally situated at that time in the County of Buncombe, the boundaries of which were very large.

"At the time of its formation it was composed of six churches: Little Ivy, Locust Old Field, Cane River, New Found, French Broad, and Cane Creek. Little Ivy, Locust Old Field and New Found having been dismissed from the Holston Association in Tennessee, and the other three were dismissed from the Broad River Association in South Carolina.

"The ministers which it contained at that time were Thomas Snelson, Thomas Justice, Scion Blythe, Benj. King, Humphrey Posey, Stephen Morgan.

"From this old Association a number of the neighboring ones have sprung. Big Ivy Association was an offspring of French Broad. About the year 1828 an unhappy split took place in the French Broad Association on principles of doctrine. One branch inclined to Calvinists, the other to the Armenian side of the controversy. (Note: This division continued until 1855 when the two groups were united again at Flat Rock.)

"Tuckaseegee Association was organized in 1829, and was also a branch of the Old French Broad . . .

"Salem Association bears date of 1838. It came from the same old mother Association . . .

"In the winter of 1882 some of the brethren, the writer being one, met at Old Bethel Church, in Buncombe County, to consider the propriety of organizing a county Association. As a result the organization was effected in the following September at Flat Creek Church. Elder J. W. Hooker preached the introductory sermon. L. W. Sams was elected moderator, W. W. Wells, clerk, and John W. Starnes, historian; next year the Association met at Berea church, and the same officers were again chosen. Antioch, a new church, was received into the Association.

"The next meeting place was at Hominy Church, the same officers being again chosen and a glorious meeting followed. The next meeting was at Cane Creek Church, where Dr. Carroll preached the introductory sermon, after which he was elected moderator.

"The next year Big Ivy entertained the body, and in the year following the various churches in their turn.

"We have had for our moderators, L. W. Sams, A. E. Brown, A. I. Justice, Judson Morgan, Dr. Carroll, W. T. Bradley and J. P. Morgan.

"Brother John M. Stoner has rendered excellent service as treasurer of our Association for many years.

"When our Association met with Fern Hill church, Biltmore, in 1894, we agreed to pay the salary of Miss Lottie Price as missionary to China and soon thereafter she sailed to her field of labor. She was faithful in her work until failing health brought about her return to America some three years ago.

"Thos. Stradley came here from England and was one of the pioneer Baptist ministers of this country. He organized the First Baptist Church of Asheville in 1829 and was its pastor for about forty-five years, during which time he built a splendid house of worship."

			TOTAL	7409	199

We have had a total of 71 Vacation Bible Schools during the summer of 1952 with an enrolment of 7,409 and an average attendance of 6,018. There were 199 professions of Faith. The growth in Bible School work during the last eight years is shown in the figures below.

Year	Schools	Enroled	Conversions
1945	21	1,945	?
1946	37	3,377	84
1947	47	4,055	174
1948	36	3,968	135
1949	60	5,590	256
1950	68	6,478	265
1951	75	6,974	177
1952	71	7,409	199

We have had four fewer schools this summer than we had last summer, but we believe that we have had a better program of Bible Schools than we had in any previous summer. More of the Churches carried on their own schools with no help from the Association. In the early part of the summer we had an extensive program of training that helped to prepare many people in the Churches for this work. We have had as our summer helper Miss Frances Haynes of the Pine Grove Church in West Asheville. She has rendered a very faithful and efficient service.

The Assembly is for the entire Southern Baptist Convention and is under the control of the Sunday School Board of the Convention. The Assembly has an attendance of about 30,000 people each summer. They come from all over the territory of the Southern Baptist Convention, from many of the northern states, and from a few foreign countries. (Sec. d.) Any church may withdraw from the Association at its pleasure.

Section b.) All officers and all members of all committees shall be members of churches affiliated with the Association.

Section c.) The term of office for the general officers of the Association shall not exceed two years in succession, with the exception of the Clerk and the Treasurer of the Association, who may be reelected to succeed themselves in office at the pleasure of the Association. The term of office for all members of committees of the Association shall be for one year, except members of those committees having a rotating membership covering a term of years of service. No committee member may succeed himself until at least one year has elapsed after his official term has expired. No member of the Association may be permitted to hold membership in more than one committee during one year, except in the case of the members of the Executive Committee.

Rules of Order

Article 7. The Moderator, or in his absence the Vice-Moderator, shall preside at all regular meetings. All officers shall faithfully discharge the duties usually pertaining to the office to which they have been elected. The following rules shall govern deliberations.

(B) The method of voting shall be by the will of the body.

(C) A simple majority shall prevail in all cases except as otherwise provided by this Constitution, provided; that any member may at any time call for a secret ballot or a roll call on a doubtful issue.

(D) A ruling by the presiding officer shall be final unless appeal be had from such ruling to the entire body present.

Article 8 (Section a.) The Association shall meet annually on the Tuesday and Wednesday immediately following the second Sunday in August; however in the case of some unavoidable circumstance that makes a change in the date of the annual meeting necessary, either the Executive Committee or preferably the Promotional Committee shall have the authority to change said date, provided a notice of such change shall be mailed to each church at least two weeks if possible before the stated time for the annual meeting and at least two weeks in advance of the new date set for the annual meeting.

(Section b.) In the event of some emergency that makes a call meeting of the Association necessary, either the Executive Committee or preferably the Promotional Committee shall have the authority to call a special meeting of the Association, provided that a notice of the time, place, and purpose of such a call meeting shall be mailed to the pastors and clerks of the churches of the Association at least two weeks in advance of the time set for the call meeting.

The Associational Year

Article 9. The associational year shall begin with the first of July of each year and close with the last of the following June.

The Promotional Committee

Article 10. A Promotional Committee shall be appointed at each annual meeting of the Association composed of the active pastors and two members (preferably a man and a woman) from each church who shall act for the Association in the interim between the annual sessions. The duties of this committtee shall be to carry out the policies

and will of the Association as so expressed, nor shall it take any action contravening the will lof the Association, nor shall it initiate any new policy or practice binding upon the Association unless specifically so directed; provided: that in an adequate emergency it may take such action as may deem necessary, but such action so taken shall in every case be submitted to the next meeting of the Association for appropriate consideration. It shall make a full and complete report of its activities at the next Association. It shall meet on the first Monday in each quarter at the time and place appointed for the meeting of the Buncombe Baptist Ministers Conference. The officers of this committee shall be the officers (ex-officio) of the Association. The same ratio of churches represented as at the regular meetings of the Association shall be required to constitute a quorum for the transaction of business.

The Executive Committee

Article 11. The Association shall have an Executive Committee composed of the Moderator, Vice-Moderator, chairman of the Budget Committee, chairman of the committee on Calendar of Activities, chairman of the committee on the Location of New Churches, Associational Sunday School Superintendent, Associational Training Union Director, Associational W. M. U. President, Associational Brotherhood President, and fifteen members at large. The fifteen members at large shall be elected on a three-year rotating plan with three members coming from each of the five districts of the Association. The clerk and missionary shall be ex-officio members of the committee. The members of the committee, with the exception of the Moderator and Vice-Moderator, shall be nominated by the Committee on Committees unless otherwise determined by the Association. It shall be the duty of this committee to study, plan, and promote the work of the Association in keeping with the policies outlined by the Association; and this committee shall have power to act for the Promotional Committee and the Association between the regular meetings of the Promotional Committee and when the annual meeting of the Association is not in session. Work heretofore under the supervision of the Missions Committee shall become a part of the work of this committee. Any action taken by the Executive Committee shall be reported by the clerk to the next meeting of the Promotional Committee or to the Association, whichever comes first, and shall be subject to the approval of the larger body to whom the report is made.

Standing Committees

Article 12. The Association shall have such standing committees as may be considered necessary to promote efficiently the work of the Master in our midst, the members of these committees to be nominated annually by the Committee on Committees unless otherwise determined by the Association. These committees shall make reports of their work to the Promotional Committee or to the Association in annual session.

Adoption

Article 13. This Constitution shall take effect immediately upon its adoption and shall supersede any and all constitutions previously adopted.

Revision

Article 14. This Constitution may be immediately revised at any session of the Association by a vote of two-thirds of the messengers present or by a simple majority provided notice of such revision shall have been given at a previous annual session.

DUTIES OF STANDING COMMITTEES

1. The Committee on Committees:

The duty of this committee is to bring to the annual meeting of the Association a nomination of the personnel of the standing committees, to name the committees on Resolution and Time, Place, and Preacher, and to nominate any other committee authorized unless otherwise provided for; however, it shall be the privilege of any qualified messenger to make substitute or additional nominations for members of any committee.

2. The Committee on The Cooperative Program.

This committee should explain the working of the Cooperative Program where it is not understood, encourage all the churches to be liberal in their gifts through this plan, and keep before the churches all the objects included in the program. A report of the committee's activities should be brought regularly to the Promotional Committee.

3. The Committee on Evangelism.

This committee should seek to keep alive the fires of evangelism in all the meetings of all the organizations of the Association, encourage and help arrange, if necessary, evangelistic services in churches not reporting baptisms, and help provide evangelistic services in unchurched sections within the bounds of the Association. Reports of work done should be made quarterly to the Promotional Committee.

4. The Committee on Location of New Churches.

This committee should keep alert to any developments that may make a new church a necessity, advise with groups considering a new church about the necessity of such organization and seek to encourage the best location possible of buildings when new churches are formed or when places of worship are moved. This committee should report its work to the Promotional Committee and be prepared to bring recommendations to the Association about the reception of new churches.

5. The Committee on Ordinations.

This committee serves in an advisory capacity only. The committee should examine such candidates for the ministry as come before it as to their call and fitness for the Gospel Ministry and make recommendations as they feel led to the church of which one is a member about his being ordained and help plan and arrange for proper services of ordination when such assistance is needed. The Promotional Committee should be informed regularly of the work of this committee.

6 The Orphanage Committee.

The work of this committee is to encourage and to assist our churches in their support of our North Carolina Baptist Orphanages. An effort should be made to encourage all the churches to have a systematic plan either by the once-a-month offering in the Sunday Schools or an amount in the budget for this purpose. The Thanksgiving offering of cash or in produce should have the careful planning of this committee. Reports should be made to the Promotional Committee regularly.

7. The Hospital Committee.

The work of this committee is to co-operate with the Baptist or Protestant chaplains or both in the Oteen and Moore General Hospitals and in the Western North Carolina Sanatorium to the end that the patients in these hospitals who are Baptist or Baptist inclined or others who may not be ministered to may have a ministry of sympathy and helpfulness in keeping with the teachings of Jesus concerning the sick and the needy.

8. Committee on Pastorless Churches.

The work of this committee is and can be advisory only. This committee should encourage pastorless, part-time churches to form fields with pastors located as near the center as possible, assist churches when called upon or when there is an evident need, when such help is welcomed, to find most suitable pastors, and to serve as contact man for worthy men desiring to become pastors. A report of all work done should be made to the Promotional Committee.

9. The Committee on Training.

This committee should encourage the churches to provide the best training possible for their present or prospective Sunday School officers and teachers, for members of the Training Union, and for members of other organizations to the end that our churches will be filled with trained and informed leaders and members. As it seems wise, plans should be made for simultaneous training schools in churches or for central training schools, and when needed, help should be given in providing teachers for training schools. The Promotional Committee should be kept informed about the work done by this committee.

10. The Committee on American Bible Society.

This committee should do what it can to encourage our churches and individuals to contribute to the work of the American Bible Society. The churches should be informed about the services of the Bible Society so they will want to share in this worthy work. The committee should keep that information before the churches. Regular reports should be made to the Promotional Committee.

11. The Committee on Fellowship.

The work of this committee is advisory only, but it should stand ready to go to any church where the fellowship is endangered or disrupted and seek to apply healing oil to spiritual wounds to the end that our churches shall be united in Christian fellowship, and it should seek to prevent some church or group from being led away by an unscriptural hireling. Reports should be made regularly to the Promotional Committee.

12. The Program Committee.

The duty of the Program Committee is to plan the program for the annual meeting of the Association and bring it to the Promotional Committee meeting in July for discussion and approval. The committee should begin its work well in advance of the meeting of the Association and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Association.

13. The Committee on Ministers Retirement Plan.

This committee should seek to inform pastors and churches about the Ministers Retirement Plan and encourage both pastors and churches to cooperate in the plan. The committee can go before deacons in their meetings or to church conferences when invited and encourage participation in the plan; and when it seems wise or necessary, the committee may offer to explain the plan to pastors or churches where or when invitations for such services have not been received. In all cases the work of the committee is to offer helpful service in promoting this much needed plan. Regular reports should be made to the Promotional Committee.

14. The Budget Committee.

This committee should keep a close watch on the needs of the Association for an adequate budget for a well-balanced program of work and should be prepared to bring to the Association in annual session a proposed budget for the new year based upon the needs of the associational program of work and upon the ability and willingness of the churches to support the proposed budget. This committee should also be prepared to advise with the treasurer of the Association during the year concerning the items in the budget to the end that the Association may be kept in a healthy financial condition. It shall be the duty of the Budget Committee to see that the treasurer is properly bonded and that an audit of the treasurer's book be made following the close of the associational year and presented to each annual meeting of the Association.

15. The Committee on the Reception of New Churches.

It should be the work of this committee to make proper investigation of the churches that express a desire to affiliate with the Buncombe Association concerning their being orthodox in faith and co-operative in spirit and to report to the Association in annual session their findings and recommendations concerning the reception or rejection of such churches.

16. The Committee on Calendar of Activities.

This committee should work with the associational missionary in studying carefully the program of work by the Association at large, including the work of all the associational organizations and committees, and the needs of all the churches, and in the light of this study, work out an annual calendar of activities for the Association to be presented to the Promotional Committee for approval not later than the January meeting of the Promotional Committee.

For the eighth time we come to render an account of our stewardship as your associational missionary, and we come with humility and with sincere gratitude to the Lord for his blessings upon us and to you for your beautiful spirit of co-operation and patient understanding concerning the many-sided work we have tried to do. In part a picture of our work may be seen in the figures given below.

Bible Study weeks	4

We call attention below to some of the major events of the year.

1. We have had two major training or study projects. The week of October 8-12, 1951, we had a Central Training School held in the First Baptist Church of Asheville, and this was followed the week of November 5-9 with five District Training Schools. In these schools we enrolled 1520 from 50 churches in 70 different classes. The average attendance was 1206, and those attending the classes received 1134 awards. The week of April 28-May 2, 1952, we had another Central Training School in which we enrolled 711 from 33 churches in 38 classes. The average attendance was 576, and 516 awards were received.

2. We have done more in the way of preparation for Vacation Bible Schools this summer than ever before, and this has been done with a view of encouraging and helping the churches to put on their own schools. In the Central Training School the week of April 28-May 2, we had six classes dealing with Bible School work in which we enrolled 113 from 21 churches. We had a Central Clinic for Bible School work on Tuesday, May 6, with 113 present from 31 churches. The Sunday School meeting on Sunday afternoon, June 1, was turned into a special clinic with 148 present from 20 churches. Then the week of June 9-13 we had five afternoon or night clinics in different parts of the Association in which we had 112 present from 25 churches. This adds up to a total of 486 present in all the meetings from 45 different churches with 30 people teaching classes or leading conferences. We believe this kind of a program will result in a trained and capable leadership for Vacation Bible School work. We add at this point that Miss Frances Haynes is doing a very fine job this summer as our Vacation Bible School Worker.

3. In January of this year we had two things of special interest. One was an emphasis upon a week of Bible Study. We do not have information concerning the exact number pf churches having this week of study. A second thing was the Ministers' Revival with Dr. Edward A. McDowell of the Southern Seminary as the speaker. These two weeks have come to be rather fixed items in our program of work, and this has come to be true because of the contribution they have made in the lives of so many people.

4. There have been many other things too numerous to mention or to discuss. We are happy to report that the Anderson Cove Mission is making the best progress it has made thus far. From our visits to the churches and contacts with the people, we believe the condition of our churches is the best it has been. The task among us is far from complete, but the accomplishments of the past give us encouragement. We would move onward with our faith in a Living Lord.

Respectfully submitted,
H. M. Hocutt, Missionary

8. W. Perry Crouch read a report from a recently-appointed Survey Committee that had to do with a change in the constitution in order to make the Executive Committee a strong committee to carry out the normal functions of such a committee. Upon a motion made by W. Brady Archer, which was duly seconded, the report of the Survey

Committee was amended to include the Vice-Moderator on the committee and to increase the number of members at large from nine to fifteen with three of this fifteen coming from each of the five districts of the Association. The report as amended was adopted, and that part of it which had to do only with the membership and functions of the committee may be found in the constitution under the heading of "Executive Committee." That part of the report that had to do with a constitutional change at another point relating to the Executive Committee is as follows:

In order to make possible a close tie between the Executive Committee and all phases of the work, the Survey Committee recommends that in Article 6, Section c, the part of the last sentence reading "except in the case of the officers of the Association, who by reason of their office are designated as members of specific committees" be removed and in the place thereof the following statement be inserted, "except in the case of the members of the Executive Committee," thus making the last sentence to read "No member of the Association may be permitted to hold membership in more than one standing committee during the year except in the case of the members of the Executive Committee."

9. Upon the request of the Survey Committee, the clerk read a part of the report of the committee dealing with a possible City Mission program in Asheville. After some discussion by several of the brethren, a motion made by W. Brady Archer was passed requesting the newly-appointed Executive Committee to secure definite information about the possibility of adequate financial support of such a program and to report to a special meeting of the Promotional Committee in September with the Promotional Committee to have power to act on the proposal. With the changes as recorded above, the report was adopted.

CONCERNING A CITY MISSION PROGRAM

Within the last two or three years, an increasing number of people have shown an interest in and expressed a feeling of a need for a mission program within the City of Asheville that would minister to the people in different sections who remain unreached by the established churches. The feeling at present is that we should consider establishing in such communities some mission points that most likely would remain mission points helping to touch unreached people and to get them lined up with the churches.

Some year or so ago, the First Baptist Church, with some assistance from the Revell Estate, started a mission on Liberty Street that has come to be known as the Revell Memorial Mission. There is a building suitable for present needs now in use on the property, and it is debt-free. The First Baptist Church and the trustees of the Revell Estate are willing to turn the use of this building over to the Association as a starting point for a City Mission Program. The trustees of the Revell Estate have allocated $1,500.00 for use during the next year, and the deacons of the First Baptist Church favor a donation of $1,000.00 from this church. There is at least a possibility that the Home Mission Board might share in such a program of missions. If this work is started by the Association, it is thought and hoped that some of the churches might contribute the balance needed without any interference with or demands upon our present associational missionary program.

In view of the above facts, your Survey Committee recommends that this matter be referred to the Executive Committee of the Association for further study with power to act, if in their opinion such a program of missions should be started, and if and when adequate financial support can be secured apart from our present associational missionary program.

10. Chairman Alden Angline brought the report of the Budget Committee which was adopted.

Contingencies	69.00
Total amount of Budget	$8,000.00
Amount expected from State Board	960.00
Amount to be paid by Churches	$7,040.00

RECOMMENDATIONS

Recommendations are brought by the budget committee after consultation with the Treasurer and chairmen of various committees:

(1) That the policy adopted last year be coninued, namely, that the first six items of the budget be preferred items to meet the needs as they come monthly, and that the rest be prorated according to receipts.

(2) That the cash on hand, or balance of $585.00, be carried over as a Reserve Fund from which the expenditures of the first month or two of the new year may be made. The beginning of the new year is always a difficult time to secure funds to meet immediate needs.

(3) That the churches of the Association be urged to continue the plan of contributing to the Associational budget on the basis of 6% of the salary of the local pastor. Many of the churches are following this plan which is quite fair to both the large and small church.

It is hoped that all the churches will join in this plan.

12. The report on the Co-operative Program was adopted after it was presented and discussed by C. D. Bessinger.

THE CO-OPERATIVE PROGRAM

"Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world" (Matt. 28:19f).

The mission of Southern Baptists is to carry out the Commission of our Lord Jesus Christ to his churches. It is a world-wide mission which every local church should endeavor to fulfil in cooperation with every other local church. Such a mission calls for a plan of financial support whereby each local church, and every member thereof, may share in the task of giving the gospel to the whole world.

The Co-operative Program, as all of us should know by now, is the best plan yet devised for providing support for all of the missionary, educational, and benevolent causes of our denomination, on an equitable and systematic basis. It has much to commend it; and Southern Baptists generally, and Buncombe Baptists in particular, are constantly growing in their appreciation and support of it. It is gratifying to note that 79 churches of this Association gave $147,170.00 to Convention objects during the past associational year, which is an increase of $38,105.00 over the previous associational year.

The Nine-Year Program, which our State Convention adopted last November, contemplates a large annual increase in Cooperative Program receipts over the next nine years. It is, therefore, more important than ever that our local churches shall give adequate support to the Co-operative Program. Each church is urged to adopt an annual budget which will include from 20 to 50 per cent of the total for denominational causes, and to promote a program of enlistment whereby every member will support the budget with weekly offerings, based on the scriptural plan of giving, which is the tithe as a minimum given through the local church. We would here call attention to the recommendation in the 1951 Annual of the North Carolina Baptist State Convention that, "in keeping with the program of the Southern Baptist Convention, the period October 18-25, 1952 inclusive, be designated as Christian Stewardship Week, and shall include (1) budget Sunday, October 18, (2) a week of stewardship study, and (3) pledge Sunday, and that all organizations of the church be urged to cooperate."

Respectfully submitted,
Colonel D. Bessinger

13. Pastor Z. W. Rotan of Enka brought an interesting and helpful message on Stewardship. He had no written report.

14. In the absence of W. G. Russell due to illness, C. W. Smith of Swannanoa read the report on Temperance, which was adopted without discussion.

TEMPERANCE

The word of God admonishes us to add to our Christian Character temperance as one of the Christian graces—Surely the writer is advising that we stay in the middle of the road on the ordinary issues and experiences of life. In our zeal for righteousness and sobriety we find it difficult to stay in the middle of the road on the question of intoxicating liquors as we behold so many people going off the deep end in support of its manufacture, sale and consumption. We therefore plead for total abstainance, and for an all-out effort on the part of all of our people that this arch enemy of mankind may be destroyed.

"Since 1941 North Carolina has spent the sum of $341,151,972.81 for liquor. This amount of money would have built 34,100 homes costing $10,000.00 each, or it would have placed three hospitals costing $1 million dollars apiece in each of the State's 100 counties, with $41 million left over to buy equipment." (Quote from To-morrow) As we look at this tremendous amount of money we realize that this is only a small part of this terrible waste. We have no way of knowing about the thousands of lives blasted and blighted ,of little children starved, and deprived of fathers and mothers through broken homes as the direct result of drinking.

May we therefore as the Baptists of Buncombe County resolve in our hearts, and in our homes and in our churches, that we will never let up, shut up, or give up until every liquor store and beer hall in our county is closed up.

Respectfully submitted,
W. G. Russell

15. The group stood and sang "He Leadeth Me" with Carl Perry leading and Miss Wilda Bell playing the piano.

16. Moderator Smith recognized and introduced Jesse Rymer from Mount Carmel Church. Brother Rymer is nearing 95 year of age, and he has attended the Association regularly for many years.

17. Mrs. B. T. Wright of the Fairview Church sang "Be Still, Thou My Soul." She was accompanied by Miss Bell. J. Lloyd Mauney of Weaverville read Collossians 1:19-29, and Paul Lovingood of the Fairview Church preached the Introductory Sermon on "Faith in God, the Great Need of this Hour." It was an able and timely message and was well received. The closing prayer was led by Brother Lovingood. Following this message, the group enjoyed the lunch prepared by the ladies of the First Church.

Tuesday Afternoon Session

18. The afternoon session began at 1:40 with the group singing "Saviour, Like A Shepherd Lead Us." Pastor Warren Burleson read Colossians 2:6-15 and led in prayer.

19. Brother E. L. Howington of Kentucky was recognized as a visitor. He brought greetings from his association in Kentucky.

20. W. Brady Archer of the French Broad Avenue Church made a motion that the first clause of Article 6 (Section a.) of the constitution be amended to read "The officers of the Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Associational Sunday School Superintendent, Associational Director of Training Union, President of Woman's Missionary Union of the Association, and President of the Associational Brotherhood." The motion received a second, and it was approved by the body.

21. Chairman W. Perry Crouch brought the report for the committee on Calendar of Activities. The report was adopted as read.

CALENDAR OF ACTIVITIES

Since part of this associational year has already passed, and since it will be perhaps six weeks before the minutes are available, we begin our suggested Calendar of Activities with October. In this report, we bring only the major associational projects that are not already fixed items. We do this in order to save space since all items will be kept before us regularly in the association bulletin. In some items in our reports, it is impossible at this time to fix definite dates. We make our report anticipating that the new committee on Calendar of Activities, as appointed at this meeting, will give further study at an early date to the items suggested herein that are still incomplete. Our report is as follows:

October 13-14—W. M. U., Deacons, and Brotherhood Emphasis.
October 26-November 9—Simultaneous Revivals.
November 9-16— Stewardship Emphasis in Church as follow-up of Revivals. This emphasis to be given through Sunday School, Training Union, Prayer Meeting, etc.
January 19-23—Ministers' Revival.
April, 1953—Central Training School.
April 26, 1953—Religious Literature Day in the Churches.
May 10-17—Participate in Billy Graham Revival.
May 17-24—Follow-up Week in Churches for Graham Revival.
October 1953—Schools of Missions in the Churches.
January 1954—Plan for Central Sunday School Teaching Clinic.

Respectfully submitted,
W. Perry Crouch
Chairman of Committee on
Calendar of Activities

22. The report on Sunday School work was read and discussed by John L. Lawrence. It was then adopted.

ASSOCIATIONAL SUNDAY SCHOOL REPORT

The records for another year (1951-1952) have been completed and a most encouraging report can be made for our work—new classes, new departments, new Sunday schools, added personnel, new buildings all mean larger enrollments with more people being reached with the teaching program of our churches.

Our State Planning Meeting held last September was followed by our Associational Planning meeting when our theme "Take Your Family to Sunday School" was again presented to our people. Church planning meetings followed in most of our churches at which time aims and goals for the year were discussed and plans made to attain them. Teams were provided as in former years and sent to all churches who requested them. These teams in visiting our churches have rendered a most excellent service and progress is still being made as a result of these church planning meetings. Planning precedes progress so every church is urged to meet and plan their work.

Our Associational meetings have been held monthly during the past year, meeting the afternoon of the first Sunday of each month. The place of the meeting has been changed from month to month in order to reach the most churches possible during the year.

The programs of the monthly meetings have varied as to the need and emphasis of our work. Departmental conferences were held twice during the year which were most helpful for our teachers and officers.

The spirit of cooperation among pastors, superintendents, teachers and workers have aided greatly in our work during the past year. Baptists are certainly proving to the world what can be accomplished by real cooperation in our great Cooperative Program.

Respectfully submitted,
John L. Lawrence
Associational Supt.

23. Bill B. Horton read and discussed the Training Union report, and after his discussion the report was adopted.

TRAINING UNION REPORT

Progress in Training Union work during the past year has been very gratifying.

Several of our churches successfully carried through modified enlargement efforts, resulting in increased membership and attendance and a new interest in the training program. In general, more of our people are participating in the work of existing Training Unions, and several churches have revived their organization, while three churches started the program for the first time.

The Associational enrollment has increased by almost 10 per cent, and there has been a corresponding upswing in average attendance over that of one year ago.

Perhaps the highlight and focal point of the year was the enthusiastic "M" Night meeting, held at the West Asheville Church, December 10, 1951, with our best attendance to date—813 present from 43 churches. Rev. C. D. Bessinger, pastor of Grace church, brought the inspirational message, and all those responsible for both planning and publicity, and those participating in the program are to be heartily commended for a job well done. The impetous and inspiration derived from that fine meeting has been evident in the Associational Training program ever since and contributed greatly to our subsequent progress and achievement.

All Executive Committee meetings, Officers' and Leaders' Councils, and District and Associational meetings held were well publicized and were for the most part very well attended, with much good apparent from each.

Great accomplishment was made in the program of study, with approximately fifteen local church, five District, and two Central School conducted, with an estimated 1,800 awards earned. According to latest information from the State Secretary's office, Buncombe stands at the top in this activity throughout the state.

Probably our greaest over-all success to date in tournament and rating performances was achieved this spring and summer. Mrs. H. W. Smith, of First church, and Miss Jeanne Pritchard, of Grace church, went to the state finals at Caswell in Adult Scripture Reading and Young People's Speaking, respectively. There was no Intermediate Sword Drill representative, and three Juniors—Shirley Wooten, Linda Hall, and Harold McCormick, Jr., all of West Asheville church—participated in the regional contest. In addition, the Youth Ensemble of Grace church went all the way through to receive an "A" Certificate—the highest possible rating—in the state finals of the Hymn Festival.

The fine progress and achievement of this year has been the result of co-ordinated effort and interest throughout the Association, and the splendid cooperation and endeavor of the Pastor-Advisor, Rev. R. W. Abrams, all Associational Training Union officers, and the Associational Missionary, Rev. H. M. Hocutt, were commendable, motivating factors in this success—for which a sincere expression of gratitude is due.

Respectfully submitted,
Bill B. Horton

24. The W. M. U. report was brought by Mrs. W. B. Sprinkle. The report as adopted is given below.

REPORT OF WOMAN'S MISSIONARY UNION

The annual meeting of Woman's Missionary Union of the Buncombe Association was held April 17 at the First Baptist Church using the theme: "The Power of Jesus' Name". This power has been the incentive in the hearts of 3,936 women and young people enrolled in 199 W. M. U. organizations in 1951-52 to bring about an overall increase in gifts of $3,128.51, the total of which amounted to $14,000.90. The increase per member amounted to $1.86. We can understand the increase in a measure with more organizations using Stewardship Education Plans, a gain of 19 Stewardship Classes, and more Stewardship Nights observed along with more weeks of Stewardship Emphasis. Our records prove a substantial gain in regular support of the Cooperative Program with a most generous response to supply linen for our Baptist Hospital and establishment of an annual scholarship to Fruitland. Along with the offerings taken marking an increase we note 2 less W. M. S. who felt the need of His power which comes through prayer but a gain of 19 young people's organizations observing seasons of prayer while 25 organizations manifested self sufficiency.

There were gains in ministering to those in our own Jerusalem of 18 more organizations doing Community Missions making a total gain of 519 individuals participating with a total of 1692 in 85 organizations. There were 114 of 199 groups who have not yielded to His power that would send them forth to minister; 26 of the sum total being new. Mission study classes totaled 227, a gain of 134 classes.

Regular meetings of the Business Women's Federation, and the Executive Committee have been held, also an annual leadership conference. The R. A. camp was held at Mars Hill College on June 25-27. Rev. M. D. Smith with Rev. and Mrs. Frank Hopkins are to be commended for their splendid work with the boys. February 24-29 was an outstanding week when Rev. and Mrs. Ewell Payne representing the Home Mission Board came from Cherokee to speak in each district of our association.

There were 6 A-1 organizations: Weaverville W. M. S., Biltmore and Riverside Sunbeams; Merrimon Avenue and Ridgecrest G. A.'s and Asheville First Y. W. A. Every woman of the Beaverdam society read a mission study book which is very commendable.

The potential power of His name waits to bring more life in 24 churches with no missionary organization and 46 with no young people's organization. "I am the first and the last"; "All power is given unto me in heaven and in earth" and "Greater works than these shall he do because I go to my Father". When our lives have become conducive to His power, then shall His name be honored among all nations.

25. The Brotherhood report was read by A. L. Smiley. He introduced Horace Easom, State Brotherhood Secretary, who spoke briefly on the work of the Brotherhood. The report was then adopted.

BAPTIST BROTHERHOOD

The aim of the Baptist Brotherhood is:

1. Loyalty to Christ, the church and to the pastor as the leader of all the work of the church.

2. Cooperation with every agency of the church and denomination by promoting and supporting all of their activities.

3 Greater emphasis upon Evangelism, both individual and group in an effort to reach the lost and enlist them for Christ.

4. Progressive advance in church budgets for local and denominational purposes brought regularly and systematically through tithes and offerings and distributed through the channel of the Cooperative Program outside of local church needs.

5. An aggressive effort to reach, win, enlist and develop boys through Christian Companionship, training and guidance.

The purpose of the Brotherhood is to provide a means of Christian fellowship and friendliness among the men of the church, discover their talents and abilities; quicken and challenge their interests in all the affairs of the church and denomination; deepen their spiritual life; enlist and utilize them in an effort to promote and support efficiently and effectively all projects and activities recommended and sponsored by the church and the denomination.

The Brotherhood movement is making great advancement throughout the territory of the Southern Baptist Convention, and here in our own state there are 502 brotherhood organizations and requests are coming in all along for others to be established.

In the entire Southern Baptist Convention the number of Brotherhood members has increased from 167,744 in 1950 to 187,000 in 1951. This, however is far short of the goal and slogan: "A million Men for Christ", but is a good start in that direction.

Any church which finds the talents and abilities of its men, challenges them to the church's activities and enlists and utilizes them in the work of the church and denomination will be fully manned, properly financed, adequately equipped and thoroughly evangelized.

We heartily commend the Brotherhood work to all our churches for their prayerful and thoughtful consideration in support of this work.

Respectfully submitted,
A. L. Smiley

26. Pastor W. A. Huneycutt of Black Mountain read the report on Christian Education. He then introduced C. E. Parker of New Bern, chairman of the Council on Christian Education. After speaking briefly on Christian Education in general, he introduced M. H. Kendall of Mars Hill, Frank Hasty of Wake Forest, Roger Crook of Meredith, and President S. L. Stealy of the Southeastern Seminary. Each of these men brought greetings from his institution and spoke briefly of the work being done by the school he represented. The time was extended five minutes to give Claude Gaddy, secretary of the Council on Christian Education, an opportunity to speak. He took only a minute to bring greetings and to say a few things about the work of the Council. The report read by Brother Huneycutt was then adopted.

REPORT ON CHRISTIAN EDUCATION

Jesus said, "Go ye therefore, and teach all nations . . . teaching them to observe all things whatsoever I have commanded you: and, Lo, I am with you alway, even unto the end of the world." This is the great commission of our Lord, and you will notice that he enjoins us to teach the things which he has commanded. This program of teaching is christian education. It isn't enough for us to win people to Jesus Christ as Saviour; they must be taught in order to carry forward the will and purpose of God as revealed in Jesus Christ.

North Carolina Baptists are supplementing the work of teaching in the home and the church by supporting seven colleges within the state. They are: Wake Forest, Mars Hill, Meredith, Campbell, Gardner-Webb, Wingate, and Chowan. These institutions are staffed with teachers and leaders whom we admire and respect. The denomination looks to these colleges to provide christian leaders for our denomination and local communities. As we look at our colleges today in the light of the educational program of our nations, it is apparent that we will have to support christian education in a larger way than we have in the past. Church-related institutions are faced with the problem of presenting a program equal to state colleges and universities. It is evident that the denominational institution cannot compete in numbers with state schools, but our institutions must major in the quality of work accomplished. This we believe is possible if our people will support these colleges in a larger way.

The Buncombe Association can look with pride upon the number of boys and girls attending Baptist Colleges in our state. Last year there were one hundred and twenty-three (123) in these colleges: Wake Forest, 38; Meredith, 8; Mars Hill, 73; Gardner-Webb, 3; and Wingate, 1. We would encourage every church in our association to continue sending her sons and daughters to Baptist Schools, and at the same time increase their giving to christian education by supporting the work of our denomination through the cooperative program.

Respectfully submitted,
Wilbur A. Huneycutt

27. The report on Religious Literature was presented by James H. Smith of the Reed Memorial Church, and it was discussed by C. W. Bazemore, circulation manager of the BIBLICAL RECORDER. It was then adopted.

RELIGIOUS LITERATURE

Christians who can, but do not, provide food, clothing and protection for their children and dependents "have denied the faith." If that is true are not Christians "worse than infidels" if they fail to keep the Word of God and plenty of good religious literature before their own eyes and if they deny the same for the minds and hearts of their loved ones? (I. Tim. 5:8).

Out of God's Word let us lift a commandment about reading which if obeyed would constantly light up spiritually our individual minds, homes and churches—"Give attendance to (keep on putting thy mind on) the reading." (I Tim. 4:13).

If we faithfully use the sound materials produced and printed by our denomination no doubt our people—all of us—would recognize the BAD RELIGIOUS literature that comes to our doors and surely there there would be no appetite among us for the secular reading entirely of the Wicked One.

Today may our Sunday School Superintendents, Training Union Directors, W. M. U. and Brotherhood presidents see to it that the literature available for these departments is placed before the people and used. (The Sunday School Board in Nashville, Tenn., will be glad to assist you in every way possible). It is our earnest desire to see the Commission (Foreign Missions magazine), the Home Mission Board magazine, the Charity and Children, the Home Life and the Biblical Recorder used in every Christian home in our association. And why should we let these good periodicals stop in our homes? Should we not send them to our neighbors who do not know the Saviour?

Let us keep good literature to read and digest. Let us improve our church libraries. If you do not have one, please get busy and start one.

In prison Paul faced a cold winter and requested Timothy (II Tim. 4:13) to bring his cloak. But with this request he pleaded for mental nourishment and heart warmth when he said "especially the parchments." It is significant to hear Paul say, "Give attendance to reading."

Respectfully submitted,
James H. Smith

28. The group stood and sang "'Tis So Sweet to Trust in Jesus." Following this song, the closing message of the afternoon session was brought by Brother W. Perry Crouch, pastor of the First Church in Asheville. He brought a well-prepared and a most helpful message on "Revitalizing Our Church Membership". The meeting closed with prayer led by Brother Crouch.

Tuesday Night Session

29. The Tuesday night session began at 8:00 with the singing of "Faith of our Fathers" and "O Jesus, I Have Promised." Pastor R. W. Abrams of Deaver View read Matthew 9:35-38 and Romans 5:1-11 and led the opening prayer.

30. Moderator Smith recognized J. C. Owens, former missionary to China, and Mrs. J. A. Howard of Columbia, South Carolina, as visitors. The group then sang "Jesus Paid It All" and "Leaning on the Everlasting Arms."

31. An offering was received while Billy Hambright played "The Beautiful Garden of Prayer." The offering amounted to $30.00, and it was used to pay the expenses of the speaker of the evening. Mrs. Margaret Norwood, acting music director of the West Asheville Church, rendered a beautiful violin solo. A Girl's Sextet from the First Church, Asheville, sang "Lift Thine Eyes."

32. The report on Evangelism was adopted as presented by Pastor A. P. Sprinkle of Craven Street.

REPORT ON EVANGELISM

Evangelism has been, is and must ever be the keynote in our churches. We must Evangelise or cease to be, one generation would shut the doors of all our churches if it failed to Evangelise.

The Son of Man came to seek and to save that which was lost, and Jesus said, As my Father hath sent me into the world, even so send I you into the world.

The great commission was to go into all the world and make disciples of all nations. Our teaching, our training, and our Missionary Enterprise could not survive were it not for the inflow of new converts. The Church that fails to win people to Christ is not a New Testament Church, and is deemed to die. Let us keep alive in all our churches the "Spirit of Evangelism", let us pray with the Psalmist: Restore unto us the joy of Thy Salvation, then shall we teach transgressors Thy law and sinners shall be converted unto Thee.

We feel like bowing our heads in shame when we review our record for 1952, from the minutes of 82 churches, totaling a membership of 23,111; we have reported only 910 baptisms, compared with last year's 1375: short of last year, 465. It might relieve our conscience a little by reminding ourselves that in the year ending 1951 we were in the "Simultaneous Revival" launched by the Home Mission Board, and it was a great year to our Baptist cause. We cannot get much comfort from that, for we had the same God to serve we had last year; and the same churches, and more churches, and larger churches, more unsaved to reach.

Lift up your eyes and look on the fields, Jesus said, for they are white already to harvest. And he that reapeth receiveth wages, and gathereth fruit unto life eternal.

Wherefore, Brethren, as we turn our eyes, and our interest to the years ahead; with our "Simultaneous Revival" in October; and looking forward to the coming of Billy Graham in the spring, let us **labor, pray,** and **sacrifice,** if needs be for the greatest year in all our history, "LET US WAKE UP, GET UP, STAND UP, STEP UP, PRAY UP, AND STAY UP.

Respectfully submitted,
A. P. Sprinkle

33. The speaker of the evening was Dr. J. A. Howard, secretary of Missions and Evangelism in South Carolina. He brought a heart-searching message on "Personal Evangelism." His message was based on the experience of Andrew in bringing Peter to Jesus. Following the message, the congregation sang "There Is a Fountain", and Pastor G. Carlton Cox of Merrimon Avenue led the closing prayer.

Wednesday Morning Session

34. The session Wednesday morning opened at 9:45 with the singing of "Onward, Christian Soldiers." Pastor J. Lloyd Wolfe of Pine Grove read Luke 24:13-36 and led the opening prayer.

35. The Moderator recognized Dr. P. L. Elliott of Gardner-Webb College and R. M. Hauss of Shelby as visitors.

36. R. W. Abrams read a resolution coming from a special committee appointed by the Moderator a few days before the Association opened to investigate the possibility of putting the Baptist Hour Programs on a local station during September when an emphasis will be given to the effort of Southern Baptists to enlist the non-resident church members. The resolution as appears below was adopted. The committee called for in the resolution was named by the Moderator as follows: Webb Ellis, Charles W. Smith, Nane Starnes, R. W. Abrams, and H. M. Hocutt.

RESOLUTION CONCERNING THE BAPTIST HOUR

Whereas THE BAPTIST HOUR has been discontinued on our local radio stations, and

Whereas desirable time may now be purchased from station WLOS for $20.50 per broadcast, and

Whereas THE BAPTIST HOUR would give emphasis to our support of the Southern Baptist Convention's program of the Transfer of Church Membership during September, and

Whereas it is not feasible to include this item in the Associational Budget, therefore

WE Recommend that the Moderator of the Association appoint a committee of five to investigate the possibility of support by individual churches for a period of three months, and that if such support is forthcoming the committee have power to contract for the broadcast of the Hour during September, October, and November.

Respectfully submitted,
R. W. Abrams
C. D. Bessinger
W. B. Archer

37. Chairman Harry R. Logan brought the report from the committee on the Reception of New Churches. The report of the committee was adopted, and the churches were received unanimously. A motion was made and passed that the representatives of these churches be recognized, but no one was present from these churches at the time the vote was taken.

RECEPTION OF NEW CHURCHES

The Committee on Reception of New Churches recommend that the following churches be received in accordance with the Constitution and By-Laws:

Paint Fork Missionary Baptist Church, Route 1, Barnardsville.

Bee Tree Missionary Baptist Church, Route 1, Swannanoa.

Committe on Reception of New Churches
H. R. Logan
(Miss) Sudie Fair
H. L. Burleson
J. L. Underwood

38. R. W. Abrams brought the report of a committee appointed to nominate officers for the Sunday School, Training Union, W. M. U., and Brotherhood organizations of the Association. The report was adopted as read, and the names of the officers elected may be found under the heading of "Officers of Associational Organizations."

39. The time for the election of officers had arrived, and the Clerk was asked to preside while a Moderator was elected. Brother M. D. Smith was nominated for re-election, and by a motion of the body he was elected by acclamation. Other officers were elected as follows: Vice-Moderator, Herbert A. McGlamery; Clerk, H. M. Hocutt; Treasurer, Frank R. Bishop; and Historian, Frank B. Hopkins.

40. Pastor Roy R. McCulloch brought the report on the Orphanages. The report was adopted following a discussion by J. Marse Grant, editor of "Charity and Children."

NORTH CAROLINA BAPTIST ORPHANAGE

Under the leadership of General Superintendent W. C. Reed and Superintendents W. A. Smith of Kennedy Home and C. A. Kearns of Mills Home North Carolina Baptist Orphanage from year to year cares for approximately 750 children. The Social Service staff of the Orphanage has also helped a great number of children who could not be admitted to find homes where they are cared for.

Substantial special gifts to the Orphanage have made possible both the improvement and addition of buildings and equipment. However, the main source of financial support for the Orphanage is of necessity our churches. Regular support comes through the once-a-month offerings in the Sunday Schools, or by such other methods as the individual churches may elect. This is and must be supplimented by the Thanksgiving offering in as nearly as possible all our churches The needs of the children for whom Baptists of our state are responsible and the constant rise in the cost of living demand that we give generously for the support of our North Carolina Baptist Orphanage.

Roy R. McCulloch

41. The Hospital report was read by Pastor W. Brady Archer of the French Broad Avenue Church, and it was adopted following a discussion by Dr. W. K. McGee, head of the Department of Religion at the Hospital.

HOSPITAL REPORT

We are proud of our Baptist Hospital, and of the great work that it is doing. The building program, which we have assumed obligation for, is worthy of North Carolina Baptists and we are all aware of the increased service that this building expansion makes possible. Our contributions to this project in our Association have been good, and we understand that we only lack about $2000.00 of meeting our quota. We recommend that we do not weary in well doing, until this quota is completed.

Letters from your Committee were mailed to all the churches in the Association before Mothers' Day this spring urging that an offering be taken for the charity work of the Hospital. The response was good. We believe that this is a real contribution to kingdom work in the State, and a great builder of Baptist good will for our Denomination. We urge all our churches to continue their support of the Baptist Hospital Program in our Convention.

Committee,
W. Brady Archer

Mrs. Bill Bumgarner
Mrs. J. C. Pipes

42. In the absence of Pastor J. Lester Lane of the Calvary Church, Harry R. Logan presented the report on North Carolina Home for the Aging. The report was received as information to be placed in the minutes without being read, and the time was given to Superintendent J. M. Hayes who brought a good report of the work of the home.

REPORT OF NORTH CAROLINA BAPTIST HOME FOR THE AGING

RESTHAVEN, Winston-Salem, N. C.

Operation of Resthaven was begun March 16, 1951. Soon after the opening, it was filled to capacity, twenty residents. When the news spread of the beginning, applications began to accumulate rapidly. To date, there have been close to 500 inquiries. Had there been rooms available, and all applicants could have made financial arrangement, our Home would have had 200 residents instead of only twenty at present.

There is encouraging prospect of getting the top floor of the present building completed, which will provide space for fifteen additional residents. The cost of this enlargement project has been underwritten by a business man of Winston-Salem who is not a Baptist. This same friend has already donated a television set, and has concreted the basement of the Home.

Our residents range in age from 64 to 92 years, and come from widely scattered sections of our State—Franklin to Elizabeth City. All rejoice in the opportunity to be in the Home. Here are two of their statements:

"I like this good Christian Home and all the family. I would not exchange it for any other in all the world."—Mrs. J. L. Smith, coming from Franklin.

"I never thought I would be so happy in my last years of life."—John Holt, age 92, coming from Wilson Mills.

In spite of the fact that Resthaven did not receive financial assistance last year from the Baptist State Convention (except a loan which was repaid), it was operated clear of a deficit. How did this happen? By the Lord laying our needs upon the hearts of friends and causing them to respond.

Beginning the year 1952, with the new Nine Year Program, our Home receives three-fourths of 1% of the funds to be divided. From this source has come less than $500.00 per month since January of this year. The Home is estimated to receive a total of approximately $500,000.00 in NINE YEARS. It is apparent, therefore, that slow provision for enlarged facilities will be made to accommodate the hundreds of aging people who want to come to our Home, unless funds come from other sources than our denominational program as it now operates.

Supplemented funds may come from individuals and corporations, and provision made in wills, and thus enable the Home to make reasonable progress, and enlarge facilities on the pay-as-you-go plan.

We are closing our report with a statement made by a prominent furniture manufacturer, Mr. B. C. Philpott, of Lexington, North Carolina.

"I consider this one of the most important forward steps the Baptists of North Carolina have taken in a long time, because it is indeed a great move and one that has been neglected all too long.

Mrs. Philpott and I want to have a part in this fine undertaking and herewith you will find my check for one thousand ($1,000.00) dollars, which we desire used as a memorial to our son, B. C. Philpott, Jr.

May the Lord continue to bless you in such a noble work."

"Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me". (Matthew 25:40)

J. Lester Lane

43. Brother C. A. Rhyne brought the report on the Minister's Retirement Plan. His report was adopted as brought. Brother Don C. Young brought a resolution requesting the General Board to give consideration to the causes for lack of participation in the plan by churches and pastors and to recommend such changes and steps necessary so that a majority of the churches and pastors of North Carolina will become members of the plan. The resolution was discussed by Brothers W. Perry Crouch, W. Brady Archer, Grady H. Hamby, C. D. Bessinger, and Don C. Young; and after some suggested changes, it was adopted in the form as given below.

THE MINISTER'S RETIREMENT PLAN

The Ministers Retirement Plan has been in operation a number of years. It offers a great opportunity for the active pastor and the co-operating churches.

First, it extends financial aid to aged preachers and their wives or preachers' widows.

Thus, every Baptist contributing to the Cooperative Program through the local church has some part in this blessed ministry to more than fourteen hundred aged servants of the Master, scores of whom would suffer want, were it not for this timely aid.

Why should the preacher and the church which supports him continue to hesitate, failing to provide the security and assurance that should bring comfort and a measure of contentment in the days ahead?

We would urge that our pastors and churches give this matter their prayerful and prompt consideration.

Respectfully submitted,
C. A. Rhyne

RESOLUTION

WHEREAS, the Ministerial Retirement Plan in North Carolina has not made the progress that we all hoped for in that an insufficient number of churches and pastors have not affiliated themselves with the plan and it is, therefore, obvious that there is either something wrong with the plan itself or its operation, or the proper information has not been given to the pastors and churches.

NOW, THEREFORE, BE IT RESOLVED BY THE BUNCOMBE BAPTIST ASSOCIATION in annual session that we request the General Board of the State Convention at its next meeting to make a study of the Retirement Plan and also make a study of how to present the plan to the pastors and churches and after this study is made make a report to the next State Convention concerning said plan, making such recommendations to the said Convention for the strengthening thereof, if needed, and for the presentation thereof to the pastors and churches of the State.

44. Chaplain Harry Hubbard read and discussed a report on the work of the American Bible Society. The report was then adopted.

REPORT OF AMERICAN BIBLE SOCIETY

Recognizing the essential world-wide service rendered by the American Bible Society in its missionary, non-profit work of translation, publication, distribution and encouragement of the use of the Scriptures, I take this opportunity of reminding you of your privilege of having a part in its program and strongly urge that every church in this association make some contribution towards the work of the American Bible Society.

In 1951, Southern Baptist contributed $90,909 toward the support of carrying the printed Word to all peoples of the world. Surely in 1952 we want to do more.

45. Dr. M. A. Huggins, secretary of the Baptist State Convention, was present, and he brought a helpful message concerning the Minister's Retirement Plan and concerning the Advance Program that was adopted at the last meeting of the Baptist State Convention. He gave encouraging reports about the progress being made this year in our gifts to mission causes.

46. The congregation stood and sang "Jesus Saves," and Brother Carl Perry sang "Here Am I, Send Me." Pastor J. H. Lackey of Flat Creek preached the Missionary Sermon using as his text "As My Father hath sent me, even so send I you" (John 20:21). At the close of his message, the speaker lead the closing prayer and gave thanks for the noon meal which was enjoyed by all present.

Wednesday Afternoon Session

47. The congregation stood and sang "Love Divine" as the final session began at 1:40 on Wednesday afternoon. Pastor Grady H. Hamby of the Oakley Church read Psalm 51 and led in prayer.

48. The Moderator recognized R. M. Hauss of Shelby who spoke for five minutes on the work of the Allied Church League. He gave encouraging reports about the possibility of a state-wide vote on the liquor question.

49. A discussion on the Digest of Church Letters was given by the clerk. The digest of letters had been given to the people in mimeograph form when the meeting began on Tuesday morning. This same information may be found under the heading "Digest of Church Letters" near the back of the minutes.

50. Brother Bert Starnes, layman from Grace Church, brought a brief discussion on the Personal Guidance Council located at 44 Oak Street in Asheville. This work was discussed further by Pastor Z. W. Rotan of the Enka Church. This is not a Baptist work as such, but it is a very worthy work and is being supported by a number of the churches.

51. Pastor A. H. Parham of the New Found Church brought the report of the Committee on Resolutions, and it was adopted as given below.

RESOLUTION

Whereas, Pastor W. Perry Crouch, and members of the Asheville First Baptist Church have so kindly and graciously entertained this the Seventy-First Session of the Buncombe Baptist Association, therefore be it resolved:

That we express to pastor and members of the First Baptist Church of Asheville by standing vote our heartfelt thanks and sincere appreciation for the many kindnesses and christian hospitality shown us in this meeting.

That we express our deepest gratitude to Missionary H. M. Hocutt, Moderator M. D. Smith, and Vice-moderator W. G. Russell, the different committees for their untiring services rendered during the past year to make the work in our association the success it has been.

J. Lloyd Mauney, Chairman
A. H. Parham
Mrs. Charles Robinson

52. The report of the Committee on Time, Place, and Preacher was made by Pastor A. J. Buckner of Chunn's Cove, and the report as adopted may be found near the front of the minutes under the heading of "Next Session."

53. Chairman A. D. Smith of Berea gave the report of the Committee on Committees. The report was adopted and may be found under the heading of "Standing Committees."

54. The group stood and sang "Blest Be the Tie."

55. Our Historian, Brother Frank B. Hopkins, brought an interesting record of achievements and events during the last year. This information was received to be recorded in the minutes.

HISTORIAN'S REPORT

In the light of a wonderful victory the Psalmist exclaims, "The Lord hath done great things for us, whereof we are glad", likewise at the close of another year of advance we join the song. This seventy-first session of the Buncombe Baptist Association brings our churches together in a mighty voice of thanksgiving to Almighty God for all His benefits toward us.

One of the most outstanding achievements of the year has been the increased interest in and awards for the training ministry of our Association. In these schools we had a total of 2231 enrolled in 108 classes with 1650 awards received. This along with the many schools for study and training held in the individual churches indicates that we are learning the importance of preparation for service.

Our Vacation Bible School work has again been noteworthy as we have seen an increased number of churches taking the responsibility of conducting their own school and taking advantage of the added emphasis on the leadership clinics.

A large number of our churches have made improvement on their church property ranging from adding extra rooms and heating plants to beautifying the building inside and out. At least three churches have dedicated new organs and in other ways we can see that our people are interested in making our places of worship beautiful and worshipful.

Buckeye, Long's Chapel, Mountain View and New Salem have erected new buildings. Beaverdam, Deaverview, Liberty and Patton Avenue are providing new homes for their pastors.

Two of our younger churches Pine Burr Park and Sand Hill have shown wonderful progress this year as they broke ground for new buildings, necessitated by healthy growth and vision.

Morgan Hill church has enjoyed the best year in its history with expanded building and increased finances. Jupiter took a step forward by going on a full-time program.

Craven Street and Merrimon Avenue paid tribute to long and faithful services by their pastors Brother A. P. Sprinkle and G. Carlton Cox respectively.

A number of fine young men have been ordained to the gospel ministry by various churches during the year.

So that we might check up on our progress I would like for us to look at a few figures taken from the minutes of the Fourth Annual Session of the Association held in 1885, the 1931 minutes and the digest of our letters for this year.

	Churches	Membership	Local Gifts	Per Capita
1885	26	2,195	$ 4,733.36	$ 2.11
1931	53	10,540	91,985.06	8.73
1952	83	23,211	612,057.00	26.32

	Mission Gifts	Per Capita	Baptisms	Ratio
1885	$ 696.82	$ .32	141	1-15
1931	11,470.53	1.09	552	1-19
1952	147,606.00	6.37	910	1-25

In reading Rev. H. M. Hocutt's book "STRUGGLING UPWARD" we came to appreciate even more the life and work of one who's family tells the story of faith and endeavor. We are grateful for the labors of our missionary.

As we note great accomplishments and progress may we take the exhortation of the great Apostle Paul, "He that glorieth let Him glory in the Lord".

Respectfully submitted,
Frank B. Hopkins, Historian

56. Our Beloved J. B. Grice read the list of the names of those who had died during the year. This information was taken from the letters from the churches to the Association. After reading these names, Brother Grice led the group in prayer, and the congregation then stood and sang "All Hail the Power."

57. The officers of the Association were called to the front and were introduced or recognized by Moderator Smith.

58. Upon a motion duly made and seconded, the group voted to adjourn the seventy-first annual session of the Buncombe Association. The closing prayer was led by Vice-Moderator Herbert A. McGlamery.

CONSTITUTION AND BY-LAWS

Article 1. This body shall be known as the Buncombe Baptist Association.

Membership

Article 2. (Sec. a.) It shall be composed of regularly constituted Baptist churches in Buncombe County and adjacent territory who shall be represented at its regular or special meetings by duly elected messengers in the following ratio:

(1) Two for the first hundred members or fraction thereof and one for each hundred additional.
(2) All ordained ministers who are members thereof or laboring in connection therewith.

(Sec. b.) The Association shall be sole-judge of its membership and may receive or reject churches applying for membership therein at its pleasure, provided: the churches so received shall agree and come under the watch-care of the Association for a period of one year. It is understood that during this period of probation such church or churches shall be entitled to all the rights and privileges of the Association except that of voting. At the conclusion of this period should no objection be had they then become members in regular standing without further action by the Association.

(Sec. c.) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice or that fails to represent itself either by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d.) Any church may withdraw from the Association at its pleasure.

(Sec. e.) Any church requesting membership in this Association shall be required to attach to their petition for membership a copy of the Articles of Faith and Church Covenant as adopted by the church at its organization or before filing of its petition of membership.

Objects

Article 3. The objects of the Association shall be to devise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, the State Baptist Convention and the Association itself.

Powers and Prerogatives

Article 4. The Association shall have no power whatever to infringe upon the rights of usefulness of the churches. All the churches constituting the Association remain sovereign and independent bodies and unite only that they may more effectively promote the cause of Christ throughout the world.

Duties of the Churches

Article 5. It shall be the duty of each church to appoint as far as practicable their most capable and efficient members as messengers—to insist upon their attendance and to send with them a contribution toward the expenses of the Association, the printing of the Minutes and such other items deemed necessary by the Association. It shall send annually a letter to the Association giving the following information—1. Location. 2. Name of pastor and clerk and their post office addresses. 3. The terms of regular services. 4. All church statistics for the current year. 5. Names and addresses of the responsible officers of all church organizations. 6. (Section b.) All officers and all members of all committees shall be members of churches affiliated with the Association.

(Section c.) The term of office for the general officers of the Association shall not exceed two years in succession, with the exception of the Clerk and the Treasurer of the Association, who may be reelected to succeed themselves in office at the pleasure of the Association. The term of office for all members of Committees of the Association shall be for one year, except members of those committees having a rotating membership covering a term of years of service. No committee member may succeed himself until at least one year has elapsed after his official term has expired. No member of the Association may be permitted to hold membership in more than one committee during one year, except in the case of the members of the Executive Committee.

Rules of Order

Article 7. The Moderator, or in his absence the Vice-Moderator, shall preside at all regular meetings. All officers shall faithfully discharge the duties usually pertaining to the office to which they have been elected. The following rules shall govern deliberations.

(A) All business shall be conducted and all discussions shall be carried on in the manner prescribed in Roberts Parliamentary practice.

(B) The method of voting shall be by the will of the body.

(C) A simple majority shall prevail in all cases except as otherwise provided by this Constitution, provided; that any member may at any time call for a secret ballot or a roll call on a doubtful issue.

(D) A ruling by the presiding officer shall be final unless appeal be had from such ruling to the entire body present.

(E) A question having been decided twice by vote in the same attitude at regular sessions of the Association shall not be reintroduced except by consent of the body, as expressed by a majority vote.

(F) The messengers of at least one fifth of the churches enrolled shall be necessary to constitute a forum.

Time of Annual Meeting

Article 8 (Section a.) The Association shall meet annually on the Tuesday and Wednesday immediately following the second Sunday in August; however in the case of some unavoidable circumstance that makes a change in the date of the annual meeting necessary, either the Executive Committee or preferably the Promotional Committee shall have the authority to change said date, provided a notice of such change shall be mailed to each church at least two weeks if possible before the stated time for the annual meeting and at least two weeks in advance of the new date set for the annual meeting.

(Section b.) In the event of some emergency that makes a call meeting of the Association necessary, either the Executive Committee or preferably the Promotional Committee shall have the authority to call a special meeting of the Association, provided that a notice of the time, place, and purpose of such a call meeting shall be mailed to the pastors and clerks of the churches of the Association at least two weeks in advance of the time set for the call meeting.

The Associational Year

Article 9. The associational year shall begin with the first of July of each year and close with the last of the following June.

The Promotional Committee

Article 10. A Promotional Committee shall be appointed at each annual meeting of the Association composed of the active pastors and two members (preferably a man and a woman) from each church who shall act for the Association in the interim between the annual sessions. The duties of this committee shall be to carry out the policies and will of the Association as so expressed, nor shall it take any action contravening the will of the Association, nor shall it initiate any new policy or practice binding upon the Association unless specifically so directed; provided: that in an adequate emergency it may take such action as may deem necessary, but such action so taken shall in every case be submitted to the next meeting of the Association for oppropriate consideration. It shall make a full and complete report of its activities at the next Association. It shall meet on the first Monday in each quarter at the time and place appointed for the meeting of the Buncombe Baptist Ministers Conference. The officers of this committee shall be the officers (ex-officio) of the Association. The same ratio of churches represented as at the regular meetings of the Association shall be required to constitute a quorum for the transaction of business.

Article 11. The Association shall have an executive Committee composed of the Moderator, Vice-Moderator, chairman of the Budget Committee, chairman of the committee on Calendar of Activities, chairman of the committee on the Location of New Churches, Associational Sunday School Superintendent, Associational Training Union Director, Associational W. M. U. President, Associational Brotherhood President, and fifteen members at large. The fifteen members at large shall be elected on a three-year rotating plan with three members coming from each of the five districts of the Association. The clerk and missionary shall be ex-officio members of the committee. The members of the committee, with the exception of the Moderator and Vice-Moderator, shall be nominated by the Committee on Committees unless otherwise determined by the Association. It shall be the duty of this committee to study, plan, and promote the work of the Asso-

ciation in keeping with the policies outlined by the Association; and this committee shall have power to act for the Promotional Committee and the Association between the regular meetings of the Promotional Committee and when the annual meeting of the Association is not in session. Work heretofore under the supervision of the Missions Committee shall become a part of the work of this committee. Any action taken by the Executive Committee shall be reported by the clerk to the next meeting of the Promotional Committee or to the Association, whichever comes first, and shall be subject to the approval of the larger body to whom the report is made.

Standing Committees

Article 12. The Association shall have such standing committees as may be considered necessary to promote efficiently the work of the Master in our midst, the members of these committees to be nominated annually by the Committee on Committees unless otherwise determined by the Association. These committees shall make reports of their work to the Promotional Committee or to the Association in annual session.

Adoption

Article 13. This Constitution shall take effect immediately upon its adoption and shall supersede any and all constitutions previously adopted.

Revision

Article 14. This Constitution may be immediately revised at any session of the Association by a vote of two-thirds of the messengers present or by a simple majority provided notice of such revision shall have been given at a previous annual session.

DUTIES OF STANDING COMMITTEES

1. The Committee on Committees.

The duty of this committee is to bring to the annual meeting of the Association a nomination of the personnel of the standing committees, to name the committees on Resolution and Time, Place, and Preacher, and to nominate any other committee authorized unless otherwise provided for; however, it shall be the privilege of any qualified messenger to make substitute or additional nominations for members of any committee.

2. The Committee on The Cooperative Program.

This committee should explain the working of the Cooperative Program where it is not understood, encourage all the churches to be liberal in their gifts through this plan, and keep before the churches all the objects included in the program. A report of the committee's activities should be brought regularly to the Promotional Committee.

3. The Committee on Evangelism.

This committee should seek to keep alive the fires of evangelism in all the meetings of all the organizations of the Association, encourage and help arrange, if necessary, evangelistic services in churches not reporting baptisms, and help provide evangelistic services in unchurcher sections within the bounds of the Association. Reports of work done should be made quarterly to the Promotional Committee.

4. The Committee on Location of New Churches.

This committee should keep alert to any developments that may make a new church a necessity, advise with groups considering a new church about the necessity of such organization and seek to encourage the best location possible of buildings when new churches are formed or when places of worship are moved. This committee should report its work to the Promotional Committee and be prepared to bring recommendations to the Association about the reception of new churches.

5. The Committee on Ordinations.

This committee serves in an advisory capacity only. The committee should examine such candidates for the ministry as come before it as to their call and fitness for the Gospel Ministry and make recommendations as they feel led to the church of which one is a member about his being ordained and help plan and arrange the proper services of ordination when such assistance is needed. The Promotional Committee should be informed regularly of the work of this committee.

6. The Orphanage Committee.

The work of this committee is to encourage and to assist our churches in their support of our North Carolina Baptist Orphanages. An effort should be made to encourage all the churches to have a systematic plan either by the once-a-month offering in the Sunday Schools or an amount in the budget for this purpose. The Thanksgiving offering of cash or in produce should have the careful planning of this committee. Reports should be made to the Promotional Committee regularly.

7. The Hospital Committee.

The work of this committee is to co-operate with the Baptist or Protestant chaplains or both in the Oteen and Moore General Hospitals and in the Western North Carolina Sanatorium to the end that the patients in these hospitals who are Baptists or Baptist inclined or others who may not be ministered to may have a ministry of sympathy and helpfulness in keeping with the teachings of Jesus concerning the sick and the needy.

8. Committee on Pastorless Churches.

The work of this committee is and can be advisory only. This committee should encourage pastorless, part-time churches to form fields with pastors located as near the center as possible, assist churches when called upon or when there is an evident need, when such help is welcomed, to find most suitable pastors, and to serve as contact man for worthy men desiring to become pastors. A report of all work done should be made to the Promotional Committee.

9. The Committee on Training.

This committee should encourage the churches to provide the best training possible for their present or prospective Sunday School officers and teachers, for members of the Training Union, and for members of other organizations to the end that our churches will be filled with trained and informed leaders and members. As it seems wise, plans should be made for simultaneous training schools in churches or for central training schools, and when needed, help should be given in providing teachers for training schools. The Promotional Committee should be kept informed about the work done by this committee.

10. The Committee on American Bible Society.

This committee should do what it can to encourage our churches and individuals to contribute to the work of the American Bible Society. The churches should be informed about the services of the Bible Society so they will want to share in the worthy work. The committee should keep that information before the churches. Regular reports should be made to the Promotional Committee.

11. The Committee on Fellowship.

The work of this committee is advisory only, but it should stand ready to go to any church where the fellowship is endangered or disrupted and seek to apply healing oil to spiritual wounds to the end that our churches shall be united in Christian fellowship, and it should seek to prevent some church or group from being led away by an unscriptural hireling. Reports should be made regularly to the Promotional Committee.

112. The Program Committee.

The duty of the Program Committee is to plan the program for the annual meeting of the Association and bring it to the Promotional Committee meeting in July for discussion and approval. The committee should begin its work well in advance of the meeting of the Association and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Association.

13. The Committee on Ministers Retirement Plan.

This committee should seek to inform pastors and churches about the Ministers Retirement Plan and encourage both pastors and churches to cooperate in the plan. The committee can go before deacons in their meetings or to church conferences when invited and encourage participation in the plan; and when it seems wise or necessary, the committee may offer to explain the plan to pastors or churches where or when invitations for such services have not been received. In all cases the work of the committee is to offer helpful service in promoting this much needed plan. Regular reports should be made to the Promotional Committee.

14. The Budget Committee.

This committee should keep a close watch on the needs of the Association for an adequate budget for a well-balanced program of work and should be prepared to bring to the Association in annual session a proposed budget for the new year based upon the needs of the associational program of work and upon the ability and willingness of the churches to support the proposed budget. This committee should also be prepared to advise with the treasurer of the Association during the year concerning the items in the budget to the end that the Association may be kept in a healthy financial condition. It shall be the duty of the Budget Committee to see that the treasurer is properly bonded and that an audit of the treasurer's book be made following the close of the associational year and presented to each annual meeting of the Association.

15. The Committee on the Reception of New Churches.

It should be the work of this committee to make proper investigation of the churches that express a desire to affiliate with the Buncombe Association concerning their being orthodox in faith and co-operative in spirit and to report to the Association in annual session their findings and recommendations concerning the reception or rejection of such churches.

16. The Committee on Calendar of Activities.

This committee should work with the associational missionary in studying carefully the program of work by the Association at large, including the work of all the associational organizations and committees, and the needs of all the churches, and in the light of this study, work out an annual calendar of activities for the Association to be presented to the Promotional Committee for approval not later than the January meeting of the Promotional Committee.

5. Chairman Charles W. Smith of the Committee on Committees stated that Brothers C. H. Henderson, Warren Burleson, and Walter Zvoda were named as members of the Resolution Committee and that Brothers W. G. Russell, Charles Jollay, and H. E. Benfield would constitute the committee on Place and Preacher.

Campbell of the Patton Avenue Church, Brother C. A. Rhyne of the Deaver View Church, Brother Mack Burgin of the Cumberland Avenue Church, and Brother James Allen of the Pine Grove Church. Brother Charles A. Leonard, retired foreign and associational missionary, was introduced along with the new pastors.

7. The following visitors were recognized: Mrs. Whitley from Florida, Brother Troy Lunsford of the Carolina Association, Dr. Millard Jenkins of Texas and formerly from the Calvary Church, Brother M. H. Kendall of Mars Hill College, and Brother Roger Crook from Meredith College.

REPORT OF ASSOCIATIONAL MISSIONARY

With a sense of humility and gratitude to God and deep appreciation to the good people of the churches of the Buncombe Association, your missionary comes for the ninth time to give some report of his work. The figures below will give some indication of what he has been doing.

Radio messages	8
Articles of publicity prepared	106

Schools of Missions assisted in	1
Stewardship Revivals	1

A brief summary of major events of the year may be seen as follows:

1. **Simultaneous Revivals.** We had a total of 28 churches sharing in the Simultaneous Revival effort that began on Sunday, October 26, 1952. In these revivals we had 198 professions of faith with 269 additions to the churches.

2. **Training Union "M" Night Meeting.** On Monday night, December 8, 1952, we had 911 people from 45 churches in our "M" Night meeting for the Training Union. We had Dr. Archie Ellis, president of our Baptist State Convention, to speak for us that night.

3. **Ministers' Revival.** The week of January 19-23, 1953, we had our annual Ministers' Revival with Dr. R. C. Campbell as our guest speaker. This was a great week of rich Christian fellowship.

4. **The Central Training School.** Our Central Training School was held at the First Church in Asheville the week of April 20-24, 1953, with a total enrolment of 650 from 33 churches. The average attendance was 574. For this week of training we had 487 who received Sunday School or Training Union awards. We had 40 classes or books taught in the school. This was a profitable week.

5. **First Place in Training Union Awards.** For the year ending September 30, 1952, the Buncombe Association took first place in North Carolina in number of Training Union awards received. We received 2464 Training Union awards and 1062 Sunday school awards. We need to give a greater emphasis to this kind of work.

6. **Vacation Bible School Clinics.** Our first Vacation Bible School Clinic this year was held at the Biltmore Church on May 12, 1953, with 55 present from 16 churches, and the second clinic was held at Calvary on May 19 with 175 present from 36 churches. On Sunday, June 7, we turned the Sunday school meeting into a Bible School Clinic with 109 present from 27 churches. In all the meetings we had 339 present from 43 different churches. We believe we have had our best Vacation Bible School season during this summer of 1953. Miss Frances Haynes of the Pine Grove Church has been our summer helper. She has done an excellent piece of work. Many of the churches had their own schools with no help from the Association. A summary of our schools will be given in the minutes.

7. **A Good Year.** We believe this has been our greatest year yet in the Buncombe Association. There is a good spirit among the people throughout the county. We see evidences of growth on every hand, and we get reports of progress continually. Our Anderson Cove Mission continues to push forward. Let us not slacken our pace. The task is far from complete. The Master bids us to push onward into the "fields white already unto harvest."

Respectfully submitted,
H. M. Hocutt, Missionary

10. Chairman W. G. Russell of the Budget Committee brought the report of his committee as it is given below. Brother W. A. Huneycutt of Black Mountain raised the question about our requesting help from the State Board after this calendar year. Brother Nane Starnes made a motion that we make not request for aid from the State Board for the new calendar year. This motion received a second and a unanimous standing vote. The report of the Budget Committee was then adopted.

16. Contingencies	65.00
Total needs	$8,600.00
Expected from State Missions	864.00
To be raised through the Churches	$7,736.00

Recommendations

1. That the first six items of the budget be preferred items to meet the needs as they come monthly, and that the rest be prorated according to the receipts.

2. That the cash on hand, or balance of $853.58 be carried over as a reserve fund from which the expenditures of the first month or two of the new year may be made, as the beginning of the new year is always a difficult time to secure funds to meet immediate needs.

3. That all the churches of the association be urged to put a reasonable amount in their budgets to be sent to the treasurer of the association monthly, and that if possible this amount be equivalent to 6% of the pastor's salary.

4. That the associational missionary be authorized to purchase a 16 milimeter movie projector and equipment at a price not to exceed $500.00 to be used in his work in the churches of the association.

11. The report on the Co-operative Program was brought by Brother Z. W. Rotan of Enka, and after some brief comments on his report, he introduced Dr. M. A. Huggins. After giving a few minutes to Brother J. C. Canipe for some brief comments about the program of Evangelism and the work at Fruitland, Dr. Huggins brought a good discussion of our Co-operative Program. After his discussion, the report was adopted.

REPORT ON THE CO-OPERATIVE PROGRAM

In 1952 the average per capita gift for all denominational objects for North Carolina as a whole was $6.06. In the Buncombe Association we had only eleven churches who came up to the average of the state's per capita gift. This means that about 72 churches fell below the average.

The digest of church letters will show that almost one third of our churches did not contribute anything designated to the Co-operative Program, while there was some designated gifts. We heartely recommend to all our churches to give to the Co-operative Program.

To the church that needs a deepening and awakening of the spiritual life of its members; that needs a larger budget and more given to missions, we would like to recommend a plan by which these objects may be achieved.

The plan is for a school of stewardship in every church in the Southern Baptist Convention in October, or a suitable date. The school should be church-wide with all organizations actively taking part in planning and promoting the school and in the effort to preregister 50% of its own enrolment in the classes.

Classes should be offered in the Adult, Young People, Intermediate, Junior, and primary departments. Credits will be offered in their respective fields. This would call for immediate action on the part of the church to set the date for the school and select committees from each department of our work, Sunday School, Training Union, W.M.U. and Brotherhood. Teachers will need to be secured and books ordered.

In these schools of stewardship the New Testament doctrine of stewardship will be studied, also its application in the life of the Christian and the church; how to have worthy budgets, effective enlistment programs, and more joyous giving. A real study of stewardship with emphasis on action will bring the needed and neglected revival in our churches.

Therefore, be it resolved:

1. That every church in this association have a school of stewardship this fall.

2. That we encourage every church to give to missions through the Co-operative Program.

Respectfully submitted,
Z. W. Rotan.

12. Pastor J. Lester Lane of the Calvary Church extended a cordial welcome to all messengers and visitors present and assured all who would remain that adequate lunch had been provided for them.

13. Dr. W. Perry Crouch of the First Church in Asheville gave the report on Christian Education after which he introduced Brothers M. H. Kendall of Mars Hill, Lawson Allen of Gardner-Webb, Roger Crook of Meredith, and Griffin of Wake Forest. These representatives of our colleges brought greetings from and brief comments on items of interest from their institutions. The report was adopted.

REPORT ON CHRISTIAN EDUCATION

A report on Christian education is a large order if we consider all of our institutions in the Southern Baptist Convention, including five seminaries for white ministerial students, one for negro ministers, the Carver School of Missionary training, fifty-two junior and senior colleges and ten academies and bible schools. All of these institutions have a total enrollment of 41,303 students, and an additional 10,357 students enrolled in extension work. The property value of these institutions is $97,000,000 and they have a total endowment of $47,000,000.

We should remember that only our seminaries receive financial support from the Southern Baptist Convention. The colleges and bible schools receive their support from local groups, student fees, and their respective state conventions.

We are happy to have one of our southwide institutions, the Southeastern Baptist Theological Seminary, in our own state. It will soon be beginning its third year of operation with about 320 students. This is all the students they can receive until Wake Forest moves to Winston-Salem. A strong faculty has been assembled and splendid work is being done with the students. Of course, the largest percent of the student body is from North Carolina. We commend the work of Dr. S. L. Stealey and his fine faculty.

With this general information on a Southwide basis, let us now consider our program of North Carolina Baptist in the field of Christian education. North Carolina Baptists have seven colleges, two senior: Wake Forest and Meredith; and five junior: Mars Hill, Gardner-Webb, Campbell, Wingate, and Chowan. As of October 15, 1952 the enrollments in these colleges were as follows: Wake Forest, including the schools of law and medicine, 1714; Meredith, 600; Mars Hill, 787; Gardner-Webb, 401; Campbell, 440, including 54 high school students; Wingate, 255, including 63 high school students; and Chowan, 192, making a total of 4,389. This enrollment, including summer schools, exceeded 5,000 for the year.

The 422 ministerial students enrolled in these seven colleges represent approximately 10% of the total student body. In addition to this number, there are some 300 student volunteers being trained for full-time Christian service.

These seven colleges have an annual operation budget of approximately $4,000,000. North Carolina Baptist, through the Cooperative Program, make available $400,000 to aid these colleges with their operating costs, which is exactly 10% of the total operating expenditures, or a little less than $100 per student for the year. In addition to this financial aid for operating costs, in its present Nine-Year Advance Program the Convention is providing another $200,000 to help the colleges with their capital outlav or building programs.

From a financial standpoint the most significant undertaking in 1953 is the effort to complete the raising of $1,500,000 in the churches for the removal program of Wake Forest College. This was authorized in 1946, and it is confidently hoped that this total of $1,500,000 will be raised by January 1, 1954; thereby completing the last authorized special campaign in the churches for any one of our institutions.

Several of our churches in Buncombe Association have reached their goal in this campaign, but there are many that have not done so. It is earnestly hoped that every church will have some part in this enlargement program by January 1, 1954. The overall enlargement campaign for Wake Forest is very encouraging and several buildings are now under construction. They hope to be able to move to their new campus by the summer of 1955.

In Western North Carolina, we are especially interested in the program of Mars Hill College. We rejoice with the administration of the college and the residents of the community in the new church building that is to be constructed this year. This has been much needed for a long time. We hope that a library and auditorium building can soon be erected. We continue to be grateful to the faculty and administration for the high type of Christian education at Mars Hill.

We are proud of all of our colleges, and believe they are doing a splendid job, with limited funds.

We would remind you, however, that these institutions and the funds for their support are but means to the end that we may train young men and young women to be able to take their places in our world not only as pastors and leaders in all departments of the work of our churches, but as Christian citizens in a society that is sorely lacking in spiritual qualities or tendencies. Let it be said to the credit of Baptist that although they have been pioneers in the support of public education for all the children of the state, at the same time they have been unwilling to look to the state for the training of their spiritual leadership. As the masses of the people become more intelligent and better trained through the improved educational opportunities provided by the state, Baptist have tried to make available a sufficient number of well educated men and women to permeate this enlightened society with Christian thought and a Christian philosophy of life.

The sincere question that should face the churches of Buncombe Baptist Association is "What part are we having in this Christian education program"? Have we informed our members about our institutions? Have we encouraged our own students to attend our Baptist schools? Have we supported them with our money, our prayers, and our personal interest?

Surely we must never lose our Christian colleges and seminaries. We must fortify them, endow them, and encourage them in every way possible.

Signed,
W. Perry Crouch

14. Brother W. A. Huneycutt announced that Dr. J. N. Barnette from the Sunday School Board would be present to bring the message on "A Million More in '54" at 3:15 in the afternoon and urged all who could to remain for his message.

15. Brother Carl Perry led the congregation in singing "I Love Thy Kingdom, Lord," and Mrs. E. V. Hawkins of Calvary sang "I Will Pilot Thee." Brother W. A. Huneycut read Matthew 28:16-20 and part of Ephesians 4 and led in prayer. Brother Roy R. McCulloch of the Mount Carmel Church preached the Introductory Sermon. He used as his subject "The Task of Making Disciples of All the People of the World." He brought a timely and challenging message after which he led the closing prayer and returned thanks for the noon meal. The group enjoyed the usual Christian fellowship and a lovely meal provided by the good women of the host church.

TUESDAY AFTERNOON SESSION

16. The Tuesday afternoon session began at 1:40 with the singing of "Love Divine." Pastor Reid Lunsford of the Ridgeway Church read part of the 6th chapter of Ephesians beginning with verse 10 and led in prayer.

17. Chairman A. D. Smith brought the report of the committee on the Reception of New Churches, and upon a motion made by Brother W. B. Archer and seconded by Brother W. S. Johnson, the report was adopted. After the vote was taken, Pastor Garrett Propest and messengers from the church were recognized.

REPORT OF COMMITTEE ON RECEPTION OF NEW CHURCHES

We, the committee on reception of new churches, recommend that The Maple Ridge Church of Candler, N. C., be received into Buncombe Baptist Association, according to the Constitution and By-Laws.

Respectfully submitted,
A. D. Smith, Chairman
W. B. Archer

18. In the absence of Brother Alden Angline, Brother Perry Morgan read the report and brought an inspiring message on Sunday Schools, and the report was adopted.

REPORT ON SUNDAY SCHOOLS

The Sunday school is being recognized more this year than ever before as the chief agency of the churches in evangelism, teaching and enlistment. The major emphasis for Baptist churches for 1953-54 is the effort to enroll a million more people in Sunday school in one year. Right of way has been granted for this, the greatest Sunday school enlargement program in the history of the world. As a result of this program, it is confidently expected that there will be substantial increases in baptisms, offerings and Christian homes.

Our State Sunday School Secretary, L. L. Morgan, reports gains this year in enrollment, and in training awards. It is expected that the number of Vacation Bible Schools will reach a new high. In the 3,055 churches in the states, we now have more than 620,000 enrolled in Sunday School.

We are reporting in our association this year 83 Sunday schools with an enrollment of 18,741. This represents a gain of 493 in membership.

Your committee makes the following recommendations: (1) That the association approve the effort of Baptists to enroll "A Million More in '54", and commend to the churches the practical plans for accomplishing this worthy objective. (2) That September 20-27 be observed as **Preparation Week in the churches.** It is recommended that the new book, "The Pull of the People," by Dr. J. N. Barnette, be taught in the churches. Some other date should be observed if this week is not convenient. (3) That the association seek to do its full share in enrolling "A Million More in '54", by trying to enroll at least twenty percent more people in their Sunday Schools in the year October 1953 - October 1954. (4) Encourage class Sunday schools to "move up" to department schools wherever possible. (5) That greater emphasis be placed upon attendance at the regular monthly associational meetings by the individual churches.

(Signed)
Alden Angline
Associational Sunday School Supt.

19. Mrs. Paunee Byrd brought the report on Training Union Work. After a brief discussion by Mrs. Byrd, she introduced Miss Barbara Knighten of the Calvary Church who gave an inspiring testimony of what it had meant to her to enter the Speaker's Tournament. Other good testimonies on Training Union work were given by Brothers Reid Lunsford and Charles Jollay, and the report was then adopted.

TRAINING UNION REPORT

The year 1952-1953 has passed and as we look back we see that we had more people attending meetings, more churches observing Youth Week, more churches having study courses and more members participating in the Tournaments.

The Associational Training Union held 4 mass meetings, one officers and leaders council and three executive meetings with an attendance of 1200. Approximately 2000 study course awards were given in Buncombe during the last year with 325 people winning awards at the Central Training School.

Our association was represented at the Regional meeting at Waynesville by Mrs. Bill Horton, from the Grace Church in the Adult Scripture Reading; Miss Barbara Knighten, from the Calvary Church in the Better Speakers Contest; Miss Mary Carolyn Hawkins, Calvary Church, in the Sword Drill, and Reed Starnes from the West Asheville Church in the Junior Memory Work. West Asheville and First Church had entries in the Hymn Festival.

First Baptist Church and Black Mountain Church had Enlargement Campaigns and they report several new departments and unions.

During 1953-1954, the Southern Baptist Convention is making an effort to reach 3000 churches that now have no training union. Of this number, thirty-one are in Buncombe county.

Since we are in the midst of our "Million More in '54", campaign, you and I have the responsibility of going into these churches, and helping them to organize training unions, taking as our responsibility the teaching of a study course and the continued fostering of the Training Union in that church.

We need to check carefully into our training program and see where we can improve our work, and be prepared for the great task ahead.

We acknowledge with a grateful heart the loyalty and the cooperation of the Associational officers, pastors and leaders in the local churches. May the time soon come when every Baptist Church in Buncombe county will have a real Training Union.

Respectfully submitted,
Mrs. Paunee Byrd

20. The report on the Woman's Missionary Union was adopted as read and discussed by Mrs. Wesley B. Sprinkle.

REPORT OF WOMAN'S MISSIONARY UNION

Read John 4:35b. As members of Woman's Missionary Union in 1952-53 have sung "'Come, Women, Wide Proclaim", it reflects a response challenged by looking on the fields white unto the harvest. Visions have been given in different ways. A gain of 81 mission study classes including 99 stewardship classes in the total stimulated envisioned givers to the extent of making a gain of $3,780.81 in gifts, the total being $17,781.71. There were 14 new organizations bringing the number to 208 with 3,939 enrolled. Eighteen societies did little or nothing but 18 plus did Community Missions.

Varied activities provided opportunities to look and prove that our eyes had been lifted. Regular Business Women's Federation meetings, 65 attending Y.W.A. banquet, over 100 R. A.'s at associational Conclave, splendid group at associational camp; 158 G. A.'s and counselors visited Cherokee and gave liberally to help purchase car for young minister; 189 gathered for rally during G. A. Focus Week and 56 with counselors registered for associational camp. W. M. S. members gathered in the districts, except one, on the same evening to present typical Stewardship Night programs with over 100 participating. Splendid success marked the first Mission Study Institute held in January.

Extras for the year include a tape recorder presented to the Home Mission field at Cherokee as a tribute to Dr. and Mrs. W. H. Fitzgerald, special Home Mission offering made as a tribute to our late Mrs. Frank Killian, associational W. M. U. treasurer, for over 30 years, and the annual scholarship to Fruitland. May the ultimate end of all effort be the gathering of fruit unto Eternal Life.

Mrs. Wesley B. Sprinkle
Superintendent

21. Brother B. L. Mullinax brought the Brotherhood report. He brought a brief discussion on the need of Brotherhoods in all the churches and introduced Brother Horace Easom, Brotherhood Secretary of North Carolina, who brought a good message on the subject. The adopted report is given below.

THE BAPTIST BROTHERHOOD

The Aim Of The BAPTIST BROTHERHOOD IS;

Loyalty to CHRIST, the Church and to the Pastor as the appointed leader of the Church and the work of the Masters Kingdom to the ends of the Earth.

In accomplishing the above objectives, the Brotherhood strives always to cooperate with its church in carrying out the full program of the local congregation toward the spreading of the full gospel as outlined by the Pastor and Deacons, giving great emphasis to evangelism thru individual contacts as well as thru organized effort.

The Brotherhod strives to become acquainted with the best methods of making up Church Budgets and trying at all times to encourage regular and systematic giving among all the members of the Church, and consequently giving publicity and encouraging all the members of the importance of giving thru the COOPERATIVE program.

The Brotherhood has taken the initiative in the past few years to sponsor the MAN and BOY movement which has been most helpful in evangelizing and saving to the KINGDOM many boys underprivileged as well as those neglected in wealthy homes.

The Baptist Brotherhood is doing a marvelous work among the men in Southern Baptist Churches in the matter of fine fellowship and friendship. In this connection many men are discovered and their talents and abilities are now being utilized in the local churches.

We feel that the work is growing in our Association. We have had four quarterly meetings during the year, with good Programs, very well attended. We have also had one Dinner meeting, held at the First Baptist Church, followed by a Clinic in which Horace Easom and several State Officers and other visitors were present. The total attendance at this meeting was eighty-five.

We have helped in the organization of THREE new Brotherhoods during the year, and this fall we plan to definitely go out and offer our services in the organization and revival of at least ten New Brotherhoods. Any Pastor or church wishing any assistance from our Associational Brotherhood, please call Bro. Ralph Fore, promotional man for the Associational Brotherhood.

22. The report on Religious Literature was prepared by Brother A. J. Buckner, but in his absence due to a funeral, Brother Z. W. Rotan read it. Dr. L. L. Carpenter, editor of the BIBLICAL RECORDER, brought greetings and a discussion of Religious Literature, and the report was adopted as presented.

RELIGIOUS LITERATURE

In days of old, the prophet Hosea said, "My people perish for lack of knowledge." Today the devil is exploiting as never before, the power of the printed word. The mails, the newsstands, and too many homes, are loaded with the ugly tide of bad books, periodicals, magazines cleverly designed to delude people, to promote cheap diversions, to glorify worldliness, to encourage Sabbath-breaking and liquor sales with all its attendant evils, and to undermine Christianity in general.

To meet this evil flood of bad literature we have a marvelous array of well printed, sound Baptist periodicals, Sunday School and other Christian publications for every age, spiritual interest and need. Perhaps no denomination in America has so fine a selection of Christian literature as Southern Baptists have today. The aim of it all is to inform, enlist, indoctrinate, unify and inspire our people for faithful service in our Lord's name. Our Christian literature must be magnified and promoted in all the churches if God's work is to go forward.

In our own state, the BIBLICAL RECORDER with a present circulation of approximately 55,000 is the one publication covering the entire field of our co-operative efforts as Baptists. Without our State Baptist paper a successful promotion of all our Baptist work would be well-nigh impossible. For 120 years the RECORDER has been going into the Baptist homes with its weekly message. Wise pastors, associational missionaries, Sunday School superintendents and many other leaders have over the years promoted its circulation, and they have rejoiced at the many visible fruits of good reading. People do more when they know more. As they read, they lead. As they are informed, they are inspired. In 1830 North Carolina Baptists were organized with the stated purpose of "promoting missions, education, social service, and the distribution of sound religious literature."

Christian literature is a tremendous force in the lives of our people today. In our own country virtually all persons read, and what they **read** is largely what they **believe.** Glorious opportunities are ours to crusade for Christian literature. If we fail to meet such opportunities, our Baptist people and Baptist work will suffer untold harm from little vision and lack of knowledge.

23. Special music was rendered by a group of ladies from the Grace Church. Under the direction of Mrs. Glenn Starnes, they sang "Till the Master Shines Through." The congregation then sang "The Kingdom Is Coming." The closing message of the afternoon session was brought by Dr. J. N. Barnette from the Sunday School Board who spoke in his own interesting and challenging way on "A Million More in '54". Dr. Barnette was a few minutes late in arriving due to a late train, but those present were well repaid for waiting. The closing prayer was led by Dr. Hight C. Moore.

WEDNESDAY MORNING SESSION

24. The session on Wednesday morning began at 9:45 with the music under the direction of Brother Raymond Gomes and with Miss Irene Logan of the Calvary Church at the organ. The group sang "The Light of the World Is Jesus" and "Send the Light". Brother Paul Lovingood of the Fairview Church read the 13th chapter of First Corinthians and led in prayer.

25. Brother Don C. Young presented a resolution that would give the approval of the Association to the action of the Promotional Committee in naming three trustees to hold property for the Association. The resolution was approved by a unanimous vote as read.

27. The time for the election of officers had arrived, and Brother J. H. Lackey placed the name of Brother W. G. Brother Russell was elected Moderator, and upon a motion made by Brother Nane Starnes, Brother McGlamery was elected as Vice-Moderator. Other officers elected were: Clerk, H. M. After other comments on the matter by Brothers C. D. Bessinger and Reed, Brother Huneycut made a motion that the last paragraph of the report be deleted, and the motion carried. The report was then adopted.

NORTH CAROLINA BAPTIST ORPHANAGE

We commend General Superintendent W. C. Reed and the Superintendents of Kennedy Home, W. A. Smith and Mills Home C. A. Kearns, for their faithful and efficient administration of the affairs of the above institutions. Our homes are now caring for nearly 800 children. The care and training they are receiving, is preparing them to be able to take their places in life as well as is possible in any institution.

Many excellent improvements in buildings and equipment have been added in the past year at the homes. These improvements have been made possible through the love and generosity of man and women of the State who have this great work on their hearts, and we wish to record our appreciation for their unselfish contributions, for our children.

29. The Hospital report was brought by Brother Warren Burleson of the White Rock Church, and it was adopted as read after a discussion of the work of the Baptist Hospital by Brother W. K. McGee from the Hospital.

REPORT OF THE NORTH CAROLINA BAPTIST HOSPITAL

"If Thou wilt, Thou canst make me clean", was the leper's plea that touched the heart of Jesus. A like plea from the sick multitudes who need help has touched the heart of North Carolina Baptists. Our ministry through our Baptist Hospital is our answer to this call.

More than ten thousand patients were cared for in our Hospital last year, while thousands of others were seen in the clinics. Almost half of these were service patients, unable to pay the full cost of the care they received. These included old people at the sunset of life and little children at the dawn of life, mothers, fathers and young people. They included persons who had to have help if they were to carry on as mothers and wives in their homes, if they were to work as fathers and husbands to support their families, if as young people they were to be set free from handicaps for life, if as old people they were to be spared for additional years and from much of the suffering which often attends old age. With all the advances of medical science, there is still much that it cannot do; but our Baptist Hospital is making a large contribution toward the saving of life, the relieving of suffering, and the bringing of good health for those who need it most.

From all over North Carolina there is a constant stream of afflicted people coming seeking our help. Our Hospital provides skilled specialists for them in the various fields of medical care. The demand is so great that it is never safe to go without an appointment in advance. The schedules of the clinics and doctors are almost always completely filled by appointments made days and weeks and often months ahead. If it is an emergency case the family doctor should call the Hospital and talk with a doctor there who will arrange for the patient to come as soon as possible.

One of the most important parts of the program of the Hospital is the spiritual ministry it provides. This is necessary if the full needs of a sick person are to be met. Our Hospital has trained chaplains who render an effective ministry for the sick, guidance for the nursing and medical students, and training for pastors and Christian workers.

Three floors of the new Hospital Wing are nearing completion and should be ready for use this year. This will provide urgently needed space and facilities. If any church in the Association has not contributed its part toward the building of the New Wing, we hope this will be done at once.

"If Thou wilt, Thou canst make me clean." Jesus replied "I Will". You and I answer, "I will", if we give as we should in our Mother's Day Offering. This determines how much help we provide for those who are sick and have little or no money. Let all of us answer with a generous, "I will", Next Mother's Day.

Respectfully submitted,
Warren Burleson
Hospital Representative.

30. Brother C. A. Rhyne of Deaver View presented the report of the Baptist Home for the Aging; and, following a brief discussion of the work of the home by Brother Rhyne and Brother Horace Smith of Canton, a trustee of the institution, the report was adopted.

NORTH CAROLINA BAPTIST HOMES FOR AGING

The youngest member of our Baptist family of institutions, the North Carolina Baptist Homes, Inc., has had the best year since it began operating, March 16, 1951.

Resthaven, with space for twenty residents, has been filled to capacity. The number of inquiries for rooms has increased into the hundreds.

The Home received its best financial support. The share received from the Nine Year Program (1952) was $14,062.80; our first Special Day offering, February 15, exceeded $52,000; and from individuals, churches, and auxiliary organizations we have received $12,380.33, as of August 1st.

The response to the first Special Day offering for the Home was most encouraging. More than half of our 3055 Baptist churches responded. About seventy-five per cent of the amount came from the smaller churches.

Considering the short time our Home has been operating (2 years), and the fact that this was the first opportunity to appeal to our churches for a special offering, all of us should be encouraged by the response. Our next Special Day offering, February 21, 1954, should amount to $100,000.

On June 18, this year, property was purchased for a Branch Home at Albemarle. This property, consisting of a vacated hospital building and a nurses' home building and nearly three acres of land, was purchased for $25,000. It will cost an equal amount to renovate the property. Even so, it is well worth twice the amount invested. Thus, we can care for 60 residents—20 at Resthaven, Winston-Salem; and 40 at the Albemarle Home.

At the time of purchase, it was hoped that the branch home would be ready for operation by October 1, this year.

The general health of the residents has been exceptionally good, considering the range of their ages, 66 to 93. There has been only one death this year. The spirit and the general attitude of the residents have been most satisfactory.

There are many evidences of increasing interest in our Homes. Pastors, conducting worship services, have brought delegations from their churches to share the inspiration of worship with our residents. Auxiliary and Sunday school groups have frequently visited us to conduct devotional services. Gifts of supplies and cash are often received from these various organizations.

Plans for the future enlargement are encouraging. With a general Special Day offering in February, 1954, and other special gifts from individuals and corporations, we should be ready to begin construction of our administration building, which would give us room for fifty additional residents, and making our total capacity 110 residents.

Since North Carolina Baptists now number more than 700,000 members, with thousands of our constituency now over 65 years of age, we should keep in mind the great number of our elderly brethren who need a home to provide security, comfort, congeniality, and a Christian ministry. Our North Carolina Baptists are able to meet the challenge to make adequate provision for the aging, and as "laborers together with God", we can meet it.

"Cast me not off in the time of old age; forsake me not when my strength faileth"—Psalms 71:9

Superintendent Hayes requests that a representative for the Baptist Homes be elected at each Association.

Respectfully submitted,
C. A. Rhyne

31. Brother Gomes led the congregation in singing "Praise Him! Praise Him!" Mrs. James H. Smith of the Reed Memorial Church sang "Memories of Galilee." She was accompanied by Miss Irene Logan.

32. Brother James H. Smith presented and discussed the work of the Ministers' Retirement Plan. Following other comments on the subject by Brothers Reid Lunsford, W. Brady Archer, and J. C. Pipes, the report was adopted.

NORTH CAROLINA BAPTIST MINISTERS' RETIREMENT PLAN

1. In our state how many ministers are eligible for this plan that began in 1940? Answer—About 2200.

2. How many are in the plan? Answer—729 at present. Since 1940 1220 certificates have been issued, but of that number some have died, some have retired and some have withdrawn.

3. How many in Buncombe County are in the plan? Answer—The Raleigh bookkeeper of the Retirement Fund answers this question as follows: "The pastors in the plan are of Asheville First, Beaverdam, Bent Creek, Black Mountain, Chunn's Cove, Enka, Mount Carmel, New Bridge, Reed Memorial, Ridgecrest, Riverside, Swannanoa, and Weaverville. As to pastors in the Buncombe Association, they change so fast we can hardly keep up with them."

4. Who handles all funds for this plan? Answer—The Relief and Annuity Board of the Southern Baptist Convention. Nobody makes a cent of profit out of the funds and all amounts earn interest.

5. How many in North Carolina, up to 1952, have received annuities under the plan? Answer—71.

6. What is the cost of the plan? Answer—The pastor pays 4% of his salary, not to exceed $4,000 a year, the church pays 4% and the convention pays 1%. This means that 9% of the pastor's salary is put into the fund for the benefit of the pastor in his old age. He may retire at 65 if he chooses.

7. Does the plan include full-time employees of the church? Answer—Yes.

8. What is the Widows' Supplemental Plan? Answer—It is to take care of, or help take care of, the wife of the minister who dies before he reaches the age of retirement. The ministr pays 1½% of his salary and the convention pays 1½%. The church is not involved. But the membership in the Retirement Plan is necessary if one enters the Widows' Supplemental Plan.

9. What drastic change has been announced regarding the 7,000 pastors in the Southland who have not entered the plan? Answer—The Relief and Annuity Board announced recently that **after December 31, 1953, pastors in active service who fail to enter the plan no longer are eligible for assistance from the Relief and Annuity Department.** Plainly, the pastor who has not cooperated with the plan cannot be placed on the Relief Roll.

10. What per cent of a man's salary will he receive at retirement after 1956? Answer—He will receive 50% of the average salary upon which he and his churches have made payments during the years of his participation.

We sincerely recommend to you these plans—the Ministers' Retirement and the Widows' Supplemental Plans.

33. The work of the American Bible Society was presented and discussed by Brother Walter Zvoda of the Buena Vista Church, and his report was adopted as read.

REPORT OF THE AMERICAN BIBLE SOCIETY

By Walter Zvoda

At this time we want to recognize the work of the American Bible Society in their tremendous effort to distribute the scriptures throughout the world. Some part of the Bible has been published in 1,059 languages and dialects as of Dec. 31, 1952. Languages in which the whole Bible has been published is 197. The American Bible Society alone during 1952 distributed at home and abroad a total of 1,336,930 copies of the scriptures in 149 languages. In other words the society has distributed Bibles in all languages but 48 of them. The distribution in the United States totalled 7,822,644 copies.

The Bible tells us that the Holy Scriptures are able to make us wise unto Salvation through faith which is in Jesus Christ. (2 Tim. 3:15). I am aware of this fact very much because when I was in the Catholic church they taught that Salvation was in the church and the priest also trusting in their teachings. But when I heard the Gospel of Christ I was saved outside of the Catholic church. Therefore the local Christian church with the American Bible Society can do a great work in distributing the Bible to those who need the Word of God. We need to support them financially to help them print more of the scriptures in all languages. The local church has a great responsibility as its mission to introduce the Scriptures to those persons outside of the church, thus we can do it through the American Bible Society.

About 4 years ago the Catholics settled approximately 100 refugee families in Western North Carolina. We did not have any foreign New Testaments in foreign languages or Bibles. So I made an appeal to our Baptist Ministers Conference, and a motion was made to take an offering to buy some of the foreign language scriptures. They took the offering and I sent a letter with the money to the Society for scriptures in German, Polish, Ukranian and other languages. Therefore through this effort I was able to go and talk to them and distribute the Word of God to them. Many have moved since but the scriptures went with them. Then I heard a family say they were reading the New Testament that was given them. Therefore if it had not been for the Society we could not have distributed the foreign language testaments, and we would have missed this great opportunity. Let us do our part in contributing towards this worthy cause of which the Society is trying to do.

Southern Baptists gave $102,872 in 1952, largest contributors next to Methodists who gave $125,552.

34. Brother W. G. Russell of Beaverdam brought a very helpful and challenging message on Stewardship.

35. The group stood and sang "Bringing In the Sheaves." Brother Z. W. Rotan of Enka read Matthew 28:18-20 and part of the fourth chapter of Acts and led in prayer. The Missionary Sermon was brought by Brother Horace Smith of Canton at the request of Brother J. Lloyd Mauney who had been chosen for that purpose. Brother Smith took as his text John 4:35-36. His subject was "The Harvest Time of the Ages." His message dealt with the needs in western states as he saw them on a recent trip to that section to assist in a revival meeting. The message was well received. The closing prayer was led by Brother Mauney, and the prayer including the thanks for the noon meal which was provided by the host church.

WEDNESDAY AFTERNOON SESSION

36. The Wednesday afternoon session began with the singing of "The Unclouded Day." It was led by Brother Raymond Gomes with Mrs. O. V. Himes of the Calvary Church at the organ. Brother A. D. Smith of the Berea Church read John 15:1-10 and led the prayer.

37. Brother W. Brady Archer made a motion that Article 2 of the Constitution be amended by adding section (e) as follows: "Any church requesting membership in this association shall be requested to attach to their petition for membership a copy of the Articles of Faith and Church Covenant as adopted by the Church at its organization or before filing of its petition of membership." After some discussion about the conditions on which the Constitution could be changed, the motion was adopted.

38. Brother R. M. Hauss of Shelby was present, and he was given five minutes to discuss the work of the Allied Church League. He spoke in a positive way about the need for the Christian people to rise up and help combat evil forces that are at work in our midst.

39. Brother J. Lester Lane presented and discussed the report on Evangelism, and it was adopted as read.

REPORT ON EVANGELISM

This report aims not at reciting our past accomplishments, but challenging the churches to the mightiest effort in all our history for winning the lost to Christ.

This is an opportune time for evangelism. There is a rising tide of turning back to God in our country, late though it may be. The inauguration of President Eisenhower, his pronouncements in favor of moral and spiritual values, the successful revivals of Billy Graham, and others sing of "the coming of the Kingdom," should inspire and encourage us to do our best. Every Christian can be evangelistic now—unashamed.

The effort of our denomination to enroll "A Million More in '54" in our Baptist Sunday Schools is far reaching and timely for evangelism. Every agency of the church should put everything it has into this crusade. In this way we shall locate the unreached, enlist them in Bible study, and thus win them to Christ. To fail to play our part in this great movement is to fail to evangelize.

To enroll a million more in '54 in our Sunday Schools is the finest possible preparation that we can make for a great nation-wide evangelistic crusade in 1955. This great crusade is already in the making to begin in March of 1955.

Churches of the Buncombe Association face the great challenge of Billy Graham's coming to us for a city-county wide revival from November 8 through November 22. All of our churches should cooperate whole-heartedly in this movement.

In addition to these forces working for revival, every church should have its own program beyond mere cooperation with these movements. No church should let the year pass without a revival, or in many churches two revivals should be held. We should have regular times of visitation evangelism when we seek to win the lost and lead non-resident members to line up with the local church.

That we may have genuine revival and win the lost to Christ, let us dedicate ourselves, and pray that the Holy Spirit will lead us and help us.

Respectfully submitted,
J. Lester Lane

40. Five minutes were given on the program for a discusssion of the Personal Guidance Council. This is a worthy work carried on in our midst among people who need help and counsel. Miss Ruby Johnson is giving her full time to this work, and it is supported by churches and individuals of different denominations. Brother J. H. Lackey of Flat Creek discussed this work at the request of Brother Bert Starnes.

41. The clerk gave a digest of the church letters. The information as received from the letters is given in brief form in the minutes on pages just before the statistical tables. Letters had been received from all the churches of the Association.

42. Chairman Charles W. Smith gave the report of the Committee on Committees. The report was adopted ,and it may be found near the front of the minutes under the heading of "Standing Committees." This report included a committee of five to represent the Home for the Aging. Upon a motion by Brother W. A. Huneycutt and seconded by Brother A. J. Buckner, this committee was added to the number of Standing Committees.

47. Brother Frank B. Hopkins of the Liberty Church brought the report of the Historian which was adopted as given.

HISTORIAN'S REPORT

This seventy-second session of the Buncombe Baptist Association affords us a real opportunity to thank God for His goodness. It is impossible to mark any one year as the greatest in our history, but there is in each some things that make them great.

Perhaps this year will be remembered, as none other, as a year of planning and preparation We had an "A" night on July 31, at which time we were challenged by Dr. Huggins with the possibilities of Advance in regard to the nine year program of Advance. On March 27 Dr. J. N. Barnette and others from our state office led us in considering the challenge of "A Million More in '54". The committee on the Billy Graham Campaign has been keeping this great undertaking before us. The goals for Wake Forest and the Baptist Hospital are within reach, so that we come to the close of the year with great expectancy.

The large number of church buildings (about 30) being remodeled, enlarged and improved are no doubt a direct result of the added emphasis on providing space for growth.

New church buildings have been erected or are in the process of erection at: Brown's Chapel, Zion Hill and Antioch. Mountain View has a beautiful new building erected by the City of Asheville.

New pastoriums have been provided at White Rock and Oak Grove. Cumberland Ave., purchased a new home for their pastor.

Asheville, First Church, launched a great program of enlargement. Calvary broke ground for a large educational plant. West Asheville purchased an adjacent home and built a nursery building for Sunday School expansion. Grace church sent their pastor to Hamilton, Washington to participate in the Simultaneous Crusade in the northwest. They took another significant step by establishing a "Library of Films". Enka installed a new organ in their sanctuary. At least two churches, White Rock and Pole Creek adopted budgets for the first time.

Berea church celebrated their One Hundredth Anniversary on May 17 with an appropriate program.

Asheville First, Oakley, Grace and Ridgeway were among the 23 churches in North Carolina that received as many as 150 Training Union awards from October 1951 to September 1952. These, along with the 45 other churches that received awards, gave us the distinction of being 25th among the 136 Associations in the Convention that received 1000 or more awards, and first place in the state.

A number of fine young men have been ordained to the gospel ministry by various churches during the year.

Our Missionary's report tells of the highlights of Associational Activity but I would add here, his service in showing Film Strips in a number of churches in connection with our special mission offerings has been a great benefit in exceeding our goals. The **Buncombe Baptist Bulletin** has stimulated interest in all phases of our work. Especially have the weekly record of Sunday School and Training Union attendance and the "Largest increase in attendance in Sunday School and Training Union contest" proven valuable.

There are some things in our reports that do not give us much opportunity to boast, but these points of decline should inspire us to more diligence so that we can see greater progress in the future. Samuel exclaimed, "Hitherto, hath the Lord helped us." May we in the same spirit look back and praise God and look forward in joyous anticipation to His gracious assistance in the tasks ahead.

Respectfully submitted,
Frank B. Hopkins, Historian

48. Our Beloved J. B. Grice read the list of the names of those who had died during the year. This information was taken from the letters from the churches to the Association. After reading these names Brother Grice led a prayer of thanks to God for the lives of those who had been called from among us.

49. Moderator Smith spoke words of appreciation for the co-operation and support given him while serving as Moderator. He then presented Brother W. G. Russell, the newly-elected Moderator, who expressed appreciation for the vote of confidence given him in choosing him for this place, and he expressed appreciation to Brother Smith for the good service he had rendered. The meeting adjourned with prayer led by Brother Russell.

CONSTITUTION AND BY-LAWS

Article 1. This body shall be known as the Buncombe Baptist Association.

Membership

Article 2. (Sec. a.) It shall be composed of regularly constituted Baptist churches in Buncombe County and adjacent territory who shall be represented at its regular or special meetings by duly elected messengers in the following ratio:

(1) Two for the first hundred members or fraction thereof and one for each hundred additional.
(2) All ordained ministers who are members thereof or laboring in connection therewith.

(Sec. b.) The Association shall be sole-judge of its membership and may receive or reject churches applying for membership therein at its pleasure, provided: the churches so received shall agree and come under the watch-care of the Association for a period of one year. It is understood that during this period of probation such church or churches shall be entitled to all the rights and privileges of the Association except that of voting. At the conclusion of this period should no objection be had they then become members in regular standing without further action by the Association.

(Sec. c.) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice or that fails to represent itself either by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d.) Any church may withdraw from the Association at its pleasure.

(Sec. e.) Any church requesting membership in this Association shall be required to attach to their petition for membership a copy of the Articles of Faith and Church Covenant as adopted by the church at its organization or before filing of its petition of membership.

(Section b.) All officers and all members of all committees shall be members of churches affiliated with the Association.

(Section c.) The term of office for the general officers of the Association shall not exceed two years in succession, with the exception of the Clerk and Treasurer of the Association, who may be reelected to succeed themselves in office at the pleasure of the Association. The term of office for all members of Committees of the Association shall be for one year, except members of those committees having a rotating membership covering a term of years of service. No committee member may succeed himself until at least one year has elapsed after his official term has expired. No member of the Association may be permitted to hold membership in more than one committee during one year, except in the case of the members of the Executive Committee.

Article 7. The Moderator, or in his absence the Vice-Moderator, shall preside at all regular meetings. All officers shall faithfully discharge the duties usually pertaining to the office to which they have been elected. The following rules shall govern deliberations.

(C) A simple majority shall prevail in all cases except as otherwise provided bythis Constitution, provided; that any member may at any time call for a secret ballot or a roll call on a doubtful issue.

(Section b.) In the event of some emergency that makes a call meeting of the Association necessary, either the Executive Committee or preferably the Promotional Committee shall have the authority to call a special meeting of the Association, provided that a notice of the time, place, and purpose of such a call meeting shall be mailed to the pastors and clerks of the churches of the Association at least two weeks in advance of the time set for the call meeting.

The Associational Year

Article 9. The associational year shall begin with the first of July of each year and close with the last of the following June.

The Promotional Committee

Article 10. A Promotional Committee shall be appointed at each annual meeting of the Association composed of the active pastors and two members (preferably a man and a woman) from each church who shall act for the Association in the interim between the annual sessions. The duties of this committee shall be to carry out the policies and will of the Association as so expressed, nor shall it take any action contravening the will of the Association, nor shall it initiate any new policy or practice binding upon the Association unless specifically so directed; provided: that in an adequate emergency it may take such action as may deem necessary, but such action so taken shall in every case be submitted to the next meeting of the Association for appropriate consideration. It shall make a full and complete report of its activities at the next Association. It shall meet on the first Monday in each quarter at the time and place appointed for the meeting of the Buncombe Baptist Ministers Conference. The officers of this committee shall be the officers (ex-officio) of the Association. The same ratio of churches represented as at the regular meetings of the Association shall be required to constitute a quorum for the transaction of business.

The fifteen members at large shall be elected on a three-year rotating plan with three members coming from each of the five districts of the Association. The clerk and missionary shall be ex-officio members of the committee. The members of the committee, with the exception of the Moderator and Vice-Moderator, shall be nominated by the Committee on Committees unless otherwise determined by the Association. It shall be the duty of this committee to study, plan, and promote the work of the Association in keeping with the policies outlined by the Association; and this committee shall have power to act for the Promotional Committee and the Association between the regular meetings of the Promotional Committee and when the annual meeting of the Association is not in session. Work heretofore under the supervision of the Missions Committee shall become a part of the work of this committee. Any action taken by the Executive Committee shall be reported by the clerk to the next meeting of the Promotional Committee or to the Association, whichever comes first, and shall be subject to the approval of the larger body to whom the report is made.

The Association shall have such standing committees as may be considered necessary to promote efficiently the work of the Master in our midst, the members of these committees to be nominated annually by the Committee on Committees unless otherwise determined by the Association. These committees shall make reports of their work to the Promotional Committee or to the Association in annual session.

Adoption

Article 13. This Constitution shall take effect immediately upon its adoption and shall supersede any and all constitutions previously adopted.

Revision

Article 14. This Constitution may be immediately revised at any session of the Association by a vote of two-thirds of the messengers present or by a simple majority provided notice of such revision shall have been given at a previous annual session.

DUTIES OF STANDING COMMITTEES

1. The Committee on Committees.

The duty of this committee is to bring to the annual meeting of the Association a nomination of the personnel of the standing committees, to name the committees on Resolution and Time, Place, and Preacher, and to nominate any other committee authorized unless otherwise provided for; however, it shall be the privilege of any qualified messenger to make substitute or additional nominations for members of any committee.

2. The Committee on The Cooperative Program.

This committee should explain the working of the Cooperative Program where it is not understood, encourage all the churches to be liberal in their gifts through this plan, and keep before the churches all the objects included in the program. A report of the committee's activities should be brought regularly to the Promotional Committee.

3. The Committee on Evangelism.

This committee should seek to keep alive the fires of evangelism in all the meetings of all the organizations of the Association, encourage and help arrange, if necessary, evangelistic services in churches not reporting baptisms, and help provide evangelistic services in unchurched sections within the bounds of the Association. Reports of work done should be made quarterly to the Promotional Committee.

4. The Committee on Location of New Churches.

This committee should keep alert to any developments that may make a new church a necessity, advise with groups considering a new church about the necessity of such organization and seek to encourage the best location possible of buildings when new churches are formed or when places of worship are moved. This committee should report its work to the Promotional Committee and be prepared to bring recommendations to the Association about the reception of new churches.

5. The Committee on Ordinations.

This committee serves in an advisory capacity only. The committee should examine such candidates for the ministry as come before it as to their call and fitness for the Gospel Ministry and make recommendations as they feel led to the church of which one is a member about his being ordained and help plan and arrange the proper services of ordination when such assistance is needed. The Promotional Committee should be informed regularly of the work of this committee.

6. The Orphanage Committee.

The work of this committee is to encourage and to assist our churches in their support of our North Carolina Baptist Orphanages. An effort should be made to encourage all the churches to have a

systematic plan either by the once-a-month offering in the Sunday Schools or an amount in the budget for this purpose. The Thanksgiving offering of cash or in produce should have the careful planning of this committee. Reports should be made to the Promotional Committee regularly.

7. The Hospital Committee.

The work of this committee is to co-operate with the Baptist or Protestant chaplains or both in the Oteen and Moore General Hospitals and in the Western North Carolina Sanatorium to the end that the patients in these hospitals who are Baptists or Baptist inclined or others who may not be ministered to may have a ministry of sympathy and helpfulness in keeping with the teachings of Jesus concerning the sick and the needy.

8. Committee on Pastorless Churches.

The work of this committee is and can be advisory only. This committee should encourage pastorless, part-time churches to form fields with pastors located as near the center as possible, assist churches when called upon or when there is an evident need, when such help is welcomed, to find most suitable pastors, and to serve as contact man for worthy men desiring to become pastors. A report of all work done should be made to the Promotional Committee.

9. The Committee on Training.

This committee should encourage the churches to provide the best training possible for their present or prospective Sunday School officers and teachers, for members of the Training Union, and for members of other organizations to the end that our churches will be filled with trained and informed leaders and members. As it seems wise, plans should be made for simultaneous training schools in churches or for central training schools, and when needed, help should be given in providing teachers for training schools. The Promotional Committee should be kept informed about the work done by this committee.

10. The Committee on American Bible Society.

This committee should do what it can to encourage our churches and individuals to contribute to the work of the American Bible Society. The churches should be informed about the services of the Bible Society so they will want to share in the worthy work. The committee should keep that information before the churches. Regular reports should be made to the Promotional Committee.

11. The Committee on Fellowship.

The work of this committee is advisory only, but it should stand ready to go to any church where the fellowship is endangered or disrupted and seek to apply healing oil to spiritual wounds to the end that our churches shall be united in Christian fellowship, and it should seek to prevent some church or group from being led away by an unscriptural hireling. Reports should be made regularly to the Promotional Committee.

12. The Program Committee.

The duty of the Program Committee is to plan the program for the annual meeting of the Association and bring it to the Promotional Committee meeting in July for discussion and approval. The committee should begin its work well in advance of the meeting of the Association and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Association.

13. The Committee on Ministers Retirement Plan.

This committee should seek to inform pastors and churches about the Ministers Retirement Plan and encourage both pastors and churches to cooperate in the plan. The committee can go before deacons in their meetings or to church conferences when invited and encourage participation in the plan; and when it seems wise or necessary, the committee may offer to explain the plan to pastors or churches where or when invitations for such services have not been received. In all cases the work of the committee is to offer helpful service in promoting this much needed plan. Regular reports should be made to the Promotional Committee.

14. The Budget Committee.

This committee should keep a close watch on the needs of the Association for an adequate budget for a well-balanced program of work and should be prepared to bring to the Association in annual session a proposed budget for the new year based upon the needs of the associational program of work and upon the ability and willingness of the churches to support the proposed budget. This committee should also be prepared to advise with the treasurer of the Association during the year concerning the items in the budget to the end that the Association may be kept in a healthy financial condition. It shall be the duty of the Budget Committee to see that the treasurer is properly bonded and that an audit of the treasurer's book be made following the close of the associational year and presented to each annual meeting of the Association.

15. The Committee on the Reception of New Churches.

It should be the work of this committee to make proper investigation of the churches that express a desire to affiliate with the Buncombe Association concerning their being orthodox in faith and cooperative in spirit and to report to the Association in annual session their findings and recommendations concerning the reception or rejection of such churches.

16. The Committee on Calendar of Activities.

This committee should work with the associational missionary in studying carefully the program of work by the Association at large, including the work of all the associational organizations and committees, and the needs of all the churches, and in the light of this study, work out an annual calendar of activities for the Association to be presented to the Promotional Committee for approval not later than the January meeting of the Promotional Committee.

MORNING SESSION

1. The seventy-third annual session of the Buncombe Baptist Association was called to order at 9:45 on Tuesday morning, August 10, at the Hominy Church at Candler by Moderator W. G. Russell. Music was under the direction of Miss Ann Banning, summer worker at the Hominy Church, with Mrs. Thelma G. Morgan of Hominy serving as organist. The group stood and sang "All Hail the Power of Jesus Name", and Pastor W. E. Pope of the Pole Creek Church read part of the seventeenth chapter of John and part of the third chapter of Philippians and led in prayer.

2. The clerk called the roll of the churches, and 56 churches were represented along with 48 ordained ministers. Upon a motion made by the clerk, the group voted for the ordained ministers and others who know themselves to be messengers, along with others who may come later, constitute the body.

3. Chairman A. J. Buckner of the Committee on Committees announced that Brothers W. Perry Crouch and G. G. Morgan and Mrs. J. O. Crenshaw would serve on the committee on Time, Place, and Preacher, and that Brothers Wayne W. Williams and C. A. Rhyne and Mrs. J. L. Lawrence would serve on the Resolutions Committee.

4. The following visitors were recognized: Brother and Mrs. R. H. Hutchison, Mount Zion Association; Dr. J. C. Owen, Charlotte; Brother M. H. Kendall, Mars Hill College; Brothers Harce Smith and Otto Parham of the Haywood Association; Brother Mack Ledbetter, student at Gardner-Webb College; and Brother J. C. Canipe, Hendersonville. The clerk introduced the new pastors in the Association as follows: Brother B. G. Bass, Merrimon Avenue; Brother W. E. Pope, Pole Creek; Brother Marlow Stroup, Fairview; Brother A. B. Allen, Emma's Grove; Brother C. L. Whitmore, Elk Mountain; Brother W. F. Wagoner, White Rock; Brother Rex Collins, Antioch; Brother Howard Ringer, Jupiter; Brother Joseph Reese, Starnes Cove; and Brother Lemuel Hall of the Oteen Hospital (Chaplain).

5. Upon a motion made by Brother Nane Starnes, the program in the hands of the people and prepared by the Program Committee was adopted as the order of business, with such changes as may be necessary to be made.

He stated that the report showed progress with all bills paid to date and that contributions were coming in from the churches to meet the needs, and the report was approved without being read.

The week of September 6-11, we had some unusually good Schools of Missions in 24 churches with 14,000 in attendance in all the services, which was an average attendance of 85 in each service in each church. We had with us a good group of missionaries, and they did some good work among us. Some of our people feel that it was one of the best, if not the best, week we have had yet in the Association.

During the week of January 18-22, we had our annual Ministers Revival with Dr. M. Ray McKay of our Southeastern Seminary with us. He spoke each night during the week in the West Asheville Church. This week each year is proving to be a great blessing to our ministers and to a large number of our members who attend the meetings.

We enrolled 661 and had an average attendance of 517 from 38 churches in our Central Training School the week of March 22-26. We had 40 different courses offered during the school, and 440 people received awards for the week of study. Many individual and group schools were held.

During May we had four Vacation Bible School Clinics with a total of 304 people present from 40 different churches. These clinics have been a great help in promoting our Bible School work. We have not used a summer helper during this season as we have before, but we have had a good program of Bible School work. Many churches have carried on with no help from the Association, and in some cases one church has helped another.

The South-wide Sunday School program to reach "A Million More in '54" has presented a great challenge to many of our churches, and many good things have come from this program. We have tried the best we could to keep this matter before our people and to lend every help possible to the churches where help along this line has been needed.

Stewardship Emphasis Week, October 18-25, meant much to our churches that made much of the week, and some of them did. We do not have definite figures about the number of churches participating. The missionary assisted in one church during that week and helped other churches in planning their Stewardship Schools. A few of the churches combined this emphasis with the Schools of Missions in September.

One thing that has brought happiness to all of us is the fact that during the year we have completed the raising of the full amount of $22,500.00 suggested as our part of the $700,000 for the New Wing of the Baptist Hospital, and we have gone close to $1,000 beyond the goal with every church of the Association having some part in raising this money.

Respectfully submitted,
H. M. Hocutt, Missionary

11. The report on the Cooperative Program was presented by Brother J. H. Lackey of the Flat Creek Church, and it was adopted after a discussion by Dr. M. A. Huggins, General Secretary of our Baptist State Convention. Dr. Huggins expressed a hope that during this current year the churches of the Buncombe Association would give $200,000 for all mission causes.

REPORT ON COOPERATIVE PROGRAM

We recommend a week of stewardship in every church in our Association as the best means of supporting all our work through the Cooperative Program.

Respectfully submitted,
J. H. Lackey

12. The group stood and sang "My Hope is Built on Nothing Less."

13. Brother Charles W. Smith of Swannanoa brought the report on Christian Education. The following brethren were introduced, and they spoke briefly: Brother Claude Gaddy of Raleigh; Brother M. H. Kendall, Mars Hill; Brother Roger Crook, Meredith; and Brother Mack Ledbetter, a student at Gardner-Webb, who sang "My Heavenly Father Watches Over Me." The report was then adopted.

CHRISTIAN EDUCATION REPORT

In a day when the lot of denominational colleges and seminaries in general is becoming more and more difficult, it is reason for thanksgiving that Southern Baptist educational institutions are going forward—in enrollment, in support, in academic growth, and in their relation to the denomination and to each other. Their progress is far from rapid enough, however, to prepare them for the demands which will be made upon them in the next decade. The total of ministerial students in Southern Baptist seminaries, colleges, academies, and Bible schools reached an all-time high of 10,007 with nearly 6,000 in the colleges alone. The total enrollment in North Carolina Baptist Schools was 4,771 and of these 433 are ministerial students.

All of our seven colleges are engaged in building and expansion programs. The Wake Forest removal is planned for 1955, and they are most grateful to all our churches which have contributed to the goal of $1,500,000. Many buildings have been constructed and others started. Mars Hill College is rejoicing over the new Baptist Church recently completed and a spirited program of expansion to erect a library building, a dormitory for young men, Robert Lee Moore Memorial auditorium, and other buildings. The others—Campbell, Chowan, Gardner-Webb, Meredith and Wingate—are also in programs of expansion.

How may Baptists provide for these seven colleges in the best financial aid? By increasing their financial contributions through the Cooperative Program in order that the goals of the Nine-Year Plan may be realized. Our Baptist colleges are not able to pay salaries equal to those paid in State colleges. The salaries in our two senior colleges, Wake Forest and Meredith, are comparable to the schedule in our public schools. In the five junior colleges the salaries paid in most instances are not equal to those paid teachers of comparable training in public schools. The total cost of operation for all seven is $4,000,000 of this amount the Cooperative Program provided $417,606.02, or an average of $87.53 per student enrolled. As we move toward the fulfillment of the Nine-Year Plan our schools should receive better support. The amount received thru the Cooperative Program for capital needs was $235,313.84 or an average of $49.32. However, the average received for seminary student was $508, nearly four times as much.

The time has come when pastors and leaders must encourage high school graduates to attend our Baptist schools. The observance of Christian Education emphasis in April is suggested. A state Baptist College Center has been established at Caswell Assembly for the purpose of arousing interest in our schools. A campus directory has been prepared for all our 51 colleges and 7 seminaries by the Education Commission of the Southern Baptist Convention.

Baptists can easily justify their educational task. Leadership is essential to intelligent progress. The dominant motive should be the development of character that will give a well-rounded account of its stewardship to Christ through service to men through channels of Christian ideals. Let Baptists steer clear of any educational program which omits Christ from its ambitions and controls, and thus fail to recognize those basic truths which alone make humanity worth saving.

Respectfully submitted,
Charles W. Smith

14. Pastor J. Lester Lane of the Calvary Church preached the Introductory Sermon using the story of the Rich Man in the twelfth chapter of Luke as the basis for his message. He brought a good message with an emphasis on the need of our turning afresh to God in this atomic age in which we live. At the close of his message, Mrs. James H. Smith of the Reed Memorial Church sang "The Love of God." The closing prayer with thanks for the noon meal was offered by Brother Horace Smith of Canton. At the close of the morning meeting, the group enjoyed a delicious lunch provided by the ladies of the Hominy Church.

TUESDAY AFTERNOON SESSION

15. The afternoon session began at 1:40 with the singing of "Love Divine" led by Miss Banning, with Mrs. Glenn Starnes of the Grace Church at the piano. Pastor C. D. Bessinger of Grace Church read the third chapter of Second Thessalonians and led in prayer.

16. The Sunday School report was read and discussed by Brother Alden Angline, Associational Sunday School Superintendent, with brief remarks by Brother Charles W. Smith, and then it was adopted.

SUNDAY SCHOOL REPORT

With an ever increasing emphasis upon the Sunday School as the chief agency of the churches in evangelism, Bible teaching, enlistment, and opportunity for service, the Baptist Sunday Schools of Buncombe County entered whole heartedly into the great denominational effort to enlist a million more people during 1954 into the Sunday schools of Southern Baptist. From the opening meeting at the beginning of the year, which was attended by a majority of the churches, until now there has been a determined effort on the part of each and every school to do its share of enlistment.

As a result of the effort inspired by our denomination, there has been a great many additional Sunday school units provided throughout the association. New educational buildings have been provided by a number of churches, and additional space has been secured or made available from unused areas in a number of other churches. Several organizations have gone from class to department schools, and a number of churches have more than exceeded the goal established as their proportion of enlistment. And as a natural consequence from this increased activity has come the addition of a large group of teachers and officers. It is confidently expected that there will be reported proportionate increases in baptisms, offerings, Christian homes, and in all other areas of Christian activity.

The spirit and achievements found here in our association are a reflection of similar gains on a larger scale to be found both in our state convention and throughout the territory of our Southern Baptist Convention. Reports from both organizations indicate possibly the greatest single step forward ever made by Southern Baptist Sunday schools. With the increased building facilities, equipment, leadership, and training emphasis provided during this year, the results of this special effort will make itself felt for many years to come, and is bound to far surpass the original goals established.

This year we are reporting in our association 87 Sunday schools with an enrollment of 20,576. This is a gain of 1,576 members over last year.

The following recommendations are made by your committee:

(1) That the association approve the denominational plan proposed as a follow-up measure to the great enlistment effort. This plan is entitled, "Let Us Go On", giving emphasis to the need of our continuing and increasing our efforts in a needy world.

(2) That the new book, "One to Eight", by Dr. J. N. Barnette be taught as a plan and guide for bringing even greater effort to bear upon our Christian opportunities and responsibilities as Bible teachers.

(3) That the spirit, methods and achievements of those churches which have made significent gains be commended to all the churches of the association and that each may fully realize its possibilities in this great task.

(4) That each individual church place greater emphasis upon the attendance of its leadership at the regular associational meetings.

Respectfully submitted,
Alden Angline
Associational Sunday School Supt.

17. The Baptist Training Union report was presented by Mrs. Paunee Byrd, Associational Training Union Director, and it was adopted following a brief talk by H. M. Hocutt.

TRAINING UNION REPORT

Training Union work in Buncombe County has made definite progress during the last year.

With the need for more and better trained teachers and leaders being felt in all the churches, the value of the Training Union has increased. More individual churches have sponsored study courses than ever before with more than 1500 awards being given from Oct. 1 to June 30th. Many churches are now sponsoring classes for new church members.

During the past year we have had 3 officers and leaders conferences; 2 executive meetings and 5 mass metings with an attendance of approximately 1400.

The outstanding meeting of the year was "M' night, Dec. 14, with 629 people attending the meeting at First Baptist Church and hearing Rev. Nane Starnes bring an inspirational message.

Perhaps the most interest has been shown in the increased participation in the Training Union Tournaments. More than 500 people attended the elimination contest on April 19 to see and hear 9 choirs from Calvary, West Asheville and First Baptist Church present the Hymn Festival. All the choirs were given ratings allowing them to enter the Regional meet at Spruce Pine. Others chosen to represent Buncombe Association were Ed Story, Grace Church, Adult Scripture Reading; Miss Beth Holland, Calvary Church, Better Speakers Tournament; Kathryn Rose Logan, Calvary, Intermediate Sword Drill, and Lois Roberts, Grace Church, and Sarah Margaret Boone, Juniory Memory Work. Miss Logan was Regional winner and went to Fruitland Assembly.

The following churches have organized Training Unions during the past year: Buena Vista, Cumberland Ave., Kerlee and Mt. View, giving us a membership of 5,255, an increase of 179 over last year. There are 53 Training Unions in our county.

The outstanding event of the Training Union program for the coming year will be the Enlargement Campaign to be conducted in our Association Oct. 2-8, 1955, by James Morgan, State Training Union Secretary, and a corps of workers from our own and neighboring states. We would urge each church to keep this date clear and plan now to participate in this great effort.

Let us make the next year count in our Training program for our Lord.

Respectfully submitted,
Mrs. Paunee Byrd
Associational Director

18. The report on the Woman's Missionary Union was presented and discussed by Mrs. W. B. Sprinkle, Associational W. M. U. Superintendent. The report was then adopted.

REPORT OF WOMAN'S MISSIONARY UNION

In the year 1953-54, members of Woman's Missionary Union in this association have "declared His glory among the nations, His marvelous works among all people" (Ps. 96.3) in a voice of retarded strength seemingly. A silence for which we are unable to account hovers over some 118 organizations out of 222. New organizations total 5 yet we read where "Phillip **findeth** Nathanael"; seemingly too many of us have not led our Christian neighbor into paths of joyous service and many who say they are "bought with a price" must have found it all too convenient to just be "bought" for 27 churches have no missionary organization and 55 have not felt the need of leading young people to "declare" the only alternative for communism.

One fact is very noticeable and commendable: 235 mission study books were taught with an enrollment of 2960. The totals showed that the quarter in which the mission study institute was held, one third more mission study was done. If time would only permit this to be done quarterly, for if we study, we know; if we know, we pray, and if we pray, we give.

Community missions was the medium for 77 organizations in their Jerusalem through which they could show love for their neighbor. We feel that 145 organizations did not fail to minister in His name completely, but where are the reports?

Our stewardship revealed that 43 groups sought facts of the abundant life by studying stewardship books, 11 observed Stewardship Night, new tithers total 272, and ⅔ of our membership were so self-sufficient they made no effort to observe Seasons of Prayer. Gifts stood the acid test by being larger—the amount of all special offerings was $19,283.21, and more than half of our members gave to the coop program. Many societies are fostering young people's organizations and emphasizing the use of literature while prices soar; this makes a greater need for all churches to give more financial support from the regular budget. Certainly we must mention our annual scholarship to Fruitland, regular meetings of our Business Women's Federation, district meetings, and our annual meeting, the best yet.

Grateful for all effort, we shall strive anew to enlist, inform, and truly endeavor for "even so **must** the Son of Man be lifted up". John 3:14.

19. The congregation stood and sang "Rescue the Perishing."

20. Brother Burgin L. Mullinax, Associational Brotherhood President, brought the Brotherhood report and then introduced Brother Horace Easom of Shelby, State Brotherhood Secretary, who spoke to the report before it was adopted.

BAPTIST BROTHERHOOD REPORT

Let me preface this report by the statement that there is a definite need for a Brotherhood in every Baptist Church in the Buncombe Association.

Since the primary objective of the Baptist Brotherhood Organization is to promote the full program of a Baptist church, it is logical to draw the conclusion that the need for a Brotherhood in all our churches is very necessary.

The Brotherhood is and should be a very vital part of every church. The officers are elected and approved by the church, and the officers should report their activities to the church.

Likewise the Associational Brotherhood is a very vital part of the work of the Association. The latter organization has promoted several objectives which we think are most helpful and constructive in promoting Christ's Kingdom during the past associational year.

First, we have assisted in the organization of six new Brotherhoods. We have visited and helped many that have needed our assistance. We have plans for helping in the organization of 8 other ones during the fall months of this year.

Again we have promoted in establishing 5 new Recorder Clubs in the churches and very definitely increased subscribers in other churches.

In the next place. we have sponsored evangelistic meetings. One of our Brotherhoods have regular Sunday afternoon meetings at the Craggy Prison Camp, with excellent results reported.

We now have available five evangelistic teams in some of our Brotherhoods. These teams are ready on invitation to assist or completely take charge of revival meetings, or assist in helping or conducting cottage prayer meetings. The services of these teams could always be adjusted to suit the needs of the churches.

As to our Associational activities, we have had 4 quarterly meetings, very well attended. The officers and others in the Association have participated in our District meeting as well as conferences at Fruitland and Ridgecrest.

We feel the men of Buncombe are on **The March,** as we face the **new challenge** of assuming responsibility of the boys—thru the Royal Ambassador organization, the future looks bright.

Respectfully submitted,

B. L. Mullinax, Pres.

21. The report on Religious Literature was present by Brother C. M. Perry of Ridgecrest, and it was discussed by him and by Brother C. W. Bazemore of the BIBLICAL RECORDER. The report is as follows.

REPORT ON RELIGIOUS LITERATURE

How many of you read the daily paper? Hold up your hands; I'll not pull a trick on you. How many read the Sunday papers? A big show of hands. How many read the Readers Digest? Not quite so many. How many have comic books in the home? Quite some embarrassment and few hands! Now, that represents about $25.00 a year for reading material. How many of you spend that much for RELIGIOUS LITERATURE?

By RELIGIOUS LITERATURE I mean the total volume of our denominational publications: State Paper, Commission, Home Missions, ALL B. T. U., Sunday School, W. M. U. and Brotherhood publications PLUS the constant flow of good books for each age group in our churches, that comes from the Sunday School Board. All that I eat as food is taken into my system and in process of time becomes a part of my body. All that I read goes into my mind and in time becomes a part of my own thinking, personality and character. To eat poison food destroys the body. To read poison literature destroys the soul, and it is no worse to poison the body than it is the soul. Are YOU as a parent guilty? Either by neglect to provide better, or by choice to provide none.

Our Church at Ridgecrest sends into every home in the Church The Biblical Recorder, Charity and Children, Home Life, Open Windows, and such leadership magazines as go with the office each individual holds. Then we offer a small but very select library service of good, well chosen books that appeal to every age from the nursery through the adult group. . . ." If you CAN read and do not, you are no better off than the person who CAN NOT READ".

22. Special music was rendered by Miss Ann Banning who sang "I Am Satisfied With Jesus". Mrs. Thelma Morgan was at the piano.

23. Brother W. B. Sprinkle of New Bridge brought the report on Evangelism which was followed by an address by Brother J. C. Canipe, State Secretary of Evangelism, who spoke on "The Evangelistic Crusade in '55." The closing prayer was by Brother E. F. Hardin of Ridgecrest.

REPORT OF EVANGELISM

To witness for Him, and make disciples of all nations, is the order Christ gave to his church, and it should be the ultimate aim of every organization in the church to reach that goal. This is the only hope for the survival of the church. The church could continue without its auxiliaries, but not without bringing souls into her fold.

The church is the salt of the earth, and the light of the world; which makes it responsible for leading the world out of darkness into light, so she has the orders from Christ to "Go out into the highways and hedges, and compel them to come." Therefore we have no right to sit idly by, and prav unto God to go and bring them in. It is our task to bring them in, and God's task to save them. "Ye have not chosen me," saith the Lord, "but I have chosen you, and ordained you, that ye should go and bring forth fruit." That is our responsibility, but we are not doing much about it.

According to the records of the associational year ending July 1953, we find that it took a little better than 25 of us to win one soul, but we read in the book that in one day, at Pentacost, one soul won 25, which would amount to 9125 per year. Suppose each one of our 23,211 had won souls at that rate last year. We would have won 211,800,375. So you see that we are not doing very much about it.

I do not have the figures for this session; for many churches are slow sending in their reports. I hope it is better than last year.

In 1955 we are planning a simultaneous revival, in which all churches are urged to participate, and make the strongest effort possible to win souls. We urge all to pray, and witness, and work to the end that it may be a great success.

Respectfully submitted,
W. B. Sprinkle

WEDNESDAY MORNING SESSION

24. The Wednesday morning session began at 9:45 with the singing of "Onward Christian Soldiers." Brother W. F. Wagoner of White Rock read Luke 1:5-19 and led in prayer.

25. Brother M. D. Smith of the Hominy Church presented a recommendation concerning the starting of a Department of Music in the Association with Brothers Charles W. Smith, Z. W. Rotan, and Frank Hopkins to bring nominations to the Promotional Committee about the officers and the plans for promoting the work. The recommendation was adopted.

26. Brother O. L. McGinnis of the Victory Church made a motion that the Association adopt the policy of having ushers to serve during the annual meetings, and the motion was adopted.

27. With nominations being made from the floor, the following officers were elected for the next year: Moderator, W. G. Russell; Vice Moderator, A. J. Buckner; Clerk, H. M. Hocutt; Treasurer, Frank R. Bishop; and Historian, Wayne W. Williams.

28. The Orphanage report was read by Brother C. A. Rhyne of the Deaver View Church, and it was adopted following a message by Brother W. C. Reed from the Orphanage.

ORPHANAGE REPORT — 1954

It is always a privilege to report to our people the facts concerning their Orphanage. We were able to care for about 700 children through your generosity. The physical plants both at Mills Home and Kennedy Home are now in good condition.

At Mills Home the Recreational Center and the beautiful new Church Building were completed during 1953, The Church stands in the very center of the campus with its tall spire pointing heavenward. We should also thank God that every effort is being made to see that their homeless children are privileged to grow up in a spiritual atmosphere.

Charity and Children, your Orphanage publication, has an all-time high in circulation. We send out more than 46,000 copies each week. The subscription price is 60c per year in clubs of 10 or more to be distributed in your Sunday Schools.

Our new plan of Orphanage support should not be very different from the present plan. The Convention makes the following recommendation: First, that Churches that now take the Once-a-Month offering continue this plan. Second, that Churches which have the Orphanage in the Budget for a certain amount be encouraged to continue this same method during the period of transition.

The Thanksgiving offering, of course, will be continued just as before. Each Church is urged to give the people a chance to make a Thanksgiving offering.

"We must not, We will not fail our children".

29. Chaplain Arnold Smith of the Baptist Hospital discussed the work of the Hospital following the reading of the report by Brother Charles H. Jollay of Ridgecrest. The report was adopted as follows.

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL — 1954

Our Baptist Hospital is caring for more people this year than at any other time in history. This is possible because of the use of the New South Wing, about half of which is now complete and in use. This new building provides many new and enlarged facilities which add a great deal to the service provided for our people. About 14,000 bed patients will receive treatment in the hospital in the course of the year, while many other thousands will be seen in the clinics.

The enlargement of the hospital has made possible the enlarging of our school of nursing, it being one of the largest in the State. Our hospital offers a superior type of training and its graduates have high rating wherever they go. This means that our nursing school can accept only students of the highest caliber. They especially want those high grade students of fine Christian character from our Baptist homes. A new class enters each September. Prospective students should write to the Director of Nurses in advance and make application early in the year since there are far more applications than can be accepted.

The Baptist Hospital with the various schools associated with it forms an important educational center in the field of medical care. It trains doctors, nurses, technicians, and pastors and other Christian workers. The center of the entire hospital program is always the sick person, however. Everything else is secondary to and must be in the interest of the patient.

For the past ten years our Federal and State Governments have assisted in a program of building hospitals in counties and areas where there had been no hospitals. This program increases the importance of our Baptist Medical Center in relation to the family physician and the local hospital. The majority of the patients who go to our Medical Center are sent by their own local doctors in order that the patient may have the benefit of such facilities and specialists.

Our Hospital provides this type of service for persons who cannot pay for it, as well as for those who can pay in full. This is where our churches share in this ministry of healing. There are multitudes in our State who cannot receive the care they need unless somebody else helps pay for it. Our Hospital has no money except what the patients pay and what we give. On Mother's Day we have the privilege of sharing with those who are sick and need our help. Unless we give generously some will seek in vain for help at our Hospital. Let this not be true because you and I have failed!

Respectfully submitted,
Charles Jollay
Hospital Representative

30. Brother A. D. Smith of the Berea Church read the report on the North Carolina Baptist Homes and then introduced Brother James M. Hayes from the Baptist Homes who spoke to the report before it was adopted.

NORTH CAROLINA BAPTIST HOMES FOR AGING

The fourth Associational year of the Baptist Homes for the Aging has been one of considerable expansion and encouraging progress. There are many evidences of the continued blessing of God upon this newest phase of our North Carolina Baptist program.

A step forward was taken when the Albemarle Home opened its doors on December 7, 1953. It afforded space for 35 additional residents, making the total capacity of the two Homes 54 residents — Resthaven, Winston-Salem (19), and the Albemarle Home (35). The purchase price of the property at Albemarle—Hospital and Nurses Home buildings and 3 acres of land—was $25,000. The cost of renovation was about $75,000, thus making the total cost of this plant $100,000. But, with the value of the equipment donated, the property there should now be worth at least $300,000. Good fortune was ours again in securing the splendid staff of helpers at Albemarle. Rev. Zeb A. Cauble, former pastor of the First Baptist Church of Aberdeen, was selected to serve as superintendent of the Albemarle Home. Both the residents of, and all who have visited the Home have been greatly pleased with the program of service.

Resthaven, at Winston-Salem, which began operating March 16, 1951, has been filled to capacity throughout the year. Although the ages in both Homes range from 67 to 94 years, there has been no deaths within the past year. The general health has been remarkably good, and the spirit of satisfaction on the part of the residents has been most encouraging. The greatest loss came from the retirement of Miss Edna L. Heinzerling, supervisor of Resthaven since its opening. She had rendered most acceptable service. Mrs. Ethel Fulghum, a resident of Resthaven, was selected to act as supervisor temporarily.

A tract of 34 acres of land, just outside of the city limits of Winston-Salem, was purchased in 1953, for a central site for new buildings. The cost was $25,000. A topographical map has been made and an architect engaged to prepare sketches of buildings to be erected on this central site, as money and circumstances will permit. It is the intention of the trustees, however, to proceed with one building at a time. The first unit will furnish space for additional residents and for offices, chapel, infirmary, laundry, refrigeration, etc. It is hoped that construction of the first unit can get under way within a year.

Inquiries have been received as to the possibility of a couple erecting a cottage on the central site, so that they might live in it until death, and then the cottage would be available to another couple. The cost of erecting and furnishing it would be paid by the couple, but it would become the property of the North Carolina Baptist Homes.

The second Special Day Offering, February 21, 1954, was encouraging. The total amount will probably be $65,000 to $70,000. In addition, the Homes received $21,000 as their share of the Nine-Year Program. Word has come, too, of wills, from which the Homes will receive gifts. At least one will was probated in 1954, from which estate the Homes will receive $2,000. But the most encouraging progress has been the response, on the part of our churches, to the program of the Homes. More and more of them are beginning to support the Homes through the Special Day Offering, or by specially designated gifts. These evidences indicate the future success of the Homes in providing more facilities and accommodating larger numbers of aging friends.

The residents and all who are serving in the Homes are deeply grateful for the help received thus far, and they covet the prayers and continued support of our Baptist constituency in the future.

Respectfully submitted,
A. D. Smith

31. Under the leadership of Miss Ann Banning, the congregation stood and sang "'Tis So Sweet to Trust in Jesus." Mrs. Robert Barnes of the Enka Church was at the piano.

32. The report on the Retirement Plan for Ministers was read and discussed by Brother W. Perry Crouch of the First Church in Asheville, and it was then adopted.

MINISTER'S RETIREMENT PLAN

The Minister's Retirement Plan began in North Carolina in 1940 and has been in operation now about 14 years. Our North Carolina plan is separate from the plans of the other states and was set up on a sound actuary basis. From the very beginning it has been a sound financial plan and there is every indication that it will continue to be so. The distressing part of the plan is the fact that many ministers and churches in North Carolina have not availed themselves of the plan for the preacher's old age. Our leadership hopes to strengthen the amount that would be paid in case of total disability during the next year. In the meantime, it is hoped that those ministers and churches who are not in the plan will seriously consider entering it as soon as possible. Out of our 3,064 churches in the state only 1,239 are now participating in the retirement plan for our ministers. Out of 2,684 pastors in the state only 1200 hold certificates in the regular retirement plan with 46 others holding certificates in the old annuity fund and 65 additional ministers aided through the relief department. There are a number of others that are covered with the plan for the employees of the various institutions in the state. However, it is noted that only a little over one-third of our pastors and churches are participating in the plan. For the sake of the future security of our ministers and because we believe our churches should be responsible for the economic welfare of our ministers instead of the state or federal government or the welfare organizations of our country, we urge every one of our churches to carefully consider and participate in the ministers retirement plan of Southern Baptist.

Respectfully submitted,
W. Perry Crouch

33. Brother Nane Starnes of the West Asheville Church brought a challenging message on "Christian Stewardship."

34. Miss Mariam West of the Hominy Church sang "Make Me a Blessing."

35. Brother R. M. Hauss of the Allied Church League was given a few minutes to discuss Temperance. He urged every church to name a Temperance Committee and to make plans for Temperance and Commitment Day on the first Sunday in December.

36. The Missionary Sermon was brought by Dr. Charles A. Leonard, former missionary to Manchuria, who spoke on "Why Foreign Missions?" The closing prayer with thanks for the noon meal was by Brother J. C. Owen of Charlotte.

WEDNESDAY AFTERNOON SESSION

37. The afternoon session began at 1:40 with the singing of "The Church's One Foundation." Brother C. L. Whitmore of Elk Mountain read a portion of Scripture and led in prayer.

38. Brother Ollie G. Matthews of the Beverly Hills Church read a report on the American Bible Society which was adopted as read.

REPORT OF THE AMERICAN BIBLE SOCIETY

The American Bible Society is a great missionary agency. It has for its purpose the distribution of the Bible without comment, in many languages in many parts of the earth. It is so organized that all evangelical bodies can take part, in its work. As a result it can reach people with the Word of God that no other agency can.

It has the endorsement of the Southern Baptist Convention, the Convention of the State of North Carolina and many people who are not members of any particular body. Many of the Churches of Buncombe Baptist Association make regular contribution.

Because of the type of work it is doing we wish to commend it to our churches as worthy of our prayers and gifts.

Mrs. Robert R. Barnes

39. The work of the Personal Guidance Counsel was discussed by Brother Bert Starnes of Grace Church, Brother James H. Black of Buckeye Church, and Brother W. S. Johnson of Calvary Church. The group then voted to include a written report of the work of the Counsel in the minutes. This work among prisoners and others in need of help is supported by churches and friends of different denominations.

PERSONAL GUIDANCE COUNCIL

The Personal Guidance Council is an interdenominational, nonprofit organization, established for the sole purpose of extending help and guidance to persons who need help morally, spiritually and socially. It has done, and is doing, much to rebuild and rehabilitate lives which have fallen under the impact of temptation, or the complex problems of life.

We feel that the Personal Guidance Council is deserving of the moral, spiritual, and financial support of the churches in its effort to carry on this work, much of which is beyond the scope of the work of the churches as such by its very nature.

Contributions may be sent to The Personal Guidance Council, 44 Oak Street, Asheville, N. C.

41. Chairman Z. W. Rotan of Enka brought a report of a Nominating Committee appointed by the Moderator before the meeting of the Association. His committee brought nominations for the officers of the different associational organizations. All officers were elected as nominated, and their names may be found under "Officers of Associational Organizations." This committee brought a recommendation that a standing committee be appointed to bring nominations of the regular officers of the Association and of the heads of the different organizations with the understanding that each associational organization would elect all the officers other than the president or superintendent. This recommendation was adopted with an amendment that it include only the heads of the different organizations, leaving the regular officers of the Association to be nominated from the floor as before. Upon a motion made by the clerk, the Association voted for the new Committee on Committees to bring nominations for the Nominating Committee to the next meeting of the Promotional Committee.

45. Chairman A. J. Buckner brought the report of the Committee on Committees, and it was adopted as read. The names of the committees as named may be found under the heading of "Standing Committees."

46. Brother Wayne W. Williams brought the Historian's report, and it was adopted as read.

HISTORIAN'S REPORT

As we look back along the trail of the friendly years and think of God's goodness to Buncombe Baptists, our hearts are filled with gratitude, and with the Psalmist we are made to exclaim,

"Bless the Lord, O my soul,
And all that is within me bless His holy name.
Bless the Lord, O my soul,
And forget not all His benefits."

The 73rd year of our Association's history has been a good one, a great one, perhaps our best one. While there remaineth yet much land to be possessed, and a few defeats have been mingled with our victories, it has been a year of growth and progress. We have made gains along the line. This is the word that describes and epitomizes it—progress. Led by the spirit of God and the hand of our beloved missionary, one Hilliard Manley Hocutt, our churches have moved forward in the glorious enterprise to which they have set their minds and hearts, namely, the spread of the kingdom among the children of men. Surely, we will want to thank our blessed Lord for the achievements of the past. Surely, our future is as bright as the promises of God.

Here are some of the highlights:

One new church, Beverly Hills, which has been sponsored by the First Church, has come into our fellowship.

New pastors have been called to Buncombe pulpits: Rex Collins, to Antioch; Marlow A. Stroup, to Fairview; H. W. Burleson to Long Shoals; Frank Robinson, to Oakley; W. J. Mills to Paint Fork; Ray Billings, to Patton Avenue; W. E. Pope, to Pole Creek; Adrian F. Vaughn, to Pine Burr Park; Boyce Wright, to Sunrise; B. G. Bass, to Merrimon Avenue; C. L. Whitmore, to Elk Mountain; W. F. Wagoner, to White Rock; H. B. Ringer, to Jupiter; Jos. J. Reese, to Starnes Cove; A. B. Allen, to Emma's Grove; Clifford Burnett, to Wilkey; Lemuel W. Hall, to Oteen VA Hospital.

A large number of promising young ministers have been ordained. Many other fine, young fellows are in training for the ministry. For example, the Asheville First Church has thirteen in school. This, we submit, is remarkable. We doubt if any other church in the land can equal it. Baptists, by the way, are never short on preachers, such as they are.

In the making of disciples we have had a good year, a steady increase. Baptists believe in evangelism. Refreshing revivals have been held all over our country. There is, as Billy Graham has pointed out, a resurgence of religion in America. In George Washington's day, for example, only 8 per cent of the population were church members; now it is 60 per cent. Church membership has increase twice as fast in the U. S. within the past fifteen years as the population. Missionary Baptists have trebled their numbers across the world within the last forty-five years. This is one of the brightest pages in church history. Our growth has been phenomenal. Baptists may not be much, as one critic has said, but they are certainly many.

In teaching disciples, too, we have been busy. Sunday School, B.T.U., W.M.U., Brotherhood, and deacons schools have been held by the score. This is a healthy sign. The kingdom of God advances on the feet of evangelism and education—making and training disciples. Any church program that neglects either of these, is one-legged, lopsided. What God has joined together, let not man put asunder. A poll of the various denominations, by the way, shows that the people called Baptists are the greatest Bible readers of any sect. It is a good omen. "Baptists," said the sainted Gambrell, the Socrates of Southern Baptists, "may not have more sense than other people, but they ought to have." A great spiritual democracy in the hands of ignorant or vicious constituents, is a tremendous danger.

This is perhaps the greatest church building age in the history of the church. Buncombe Baptists have not been idle in this field. New structures are being erected, and many plants are being remodeled and enlarged. Our friends at Brown's Chapel, in beautiful Reems Creek valley, have entered their new house of worship during the year. The First Church transformed its auditorium into a thing of beauty, and dedicated the old Mission Hospital nurses' home to their teaching program. Calvary church has entered its beautiful and commodius educational plant. Chapel Hill, Fairview, Gashe's Creek, Glady, Long Shoals, Midway, Mountain View, Mt. Carmel, Paint Fork, West Asheville, and other churches have made improvements in their facilities.

New parsonages, too, have made their appearance on Buncombe landscapes. Every church should have a home for its pastor and his family. Our brethren at Oak Grove, Pole Creek, Merrimon Avenue, and Starnes Cove have lovely buildings. Swannanoa moved its pastor's home to a new lot, in preparation for the erection of a new sanctuary.

While busy at home with these matters, Buncombe saints have not neglected their world mission, the great missionary, educational, and beneficient program of our beloved denomination. Every church in our Association except three has given something toward one or all of these objects. For this record we are humbly grateful. The Cooperative Program is the channel through which our offerings go out to redeem and enlighten and uplift the lost sons and daughters of Adam's dying race. Jesus died for all men. The field is the world. This planet, as M.A.H. has said, should be the limit of our horizon, nothing less. The gospel must be preached in community, state and nation, and carried to the ends of the earth and the aisles of the seas. A missionary Baptist church should be missionary. If it isn't, it has dishonored its name and denied the faith. A church that is not missionary, said Dr. Truett, cumbers the ground on which it stands. May God gird us for our world-wide task! Let us be busy till Jesus comes!

"The Son of God goes forth to war,
A kingly crown to gain;
His blood-red banner streams afar;
Who follows in His train?"

Wayne Williams

THE ORIGIN OF THE BUNCOMBE BAPTIST ASSOCIATION

For the purpose of keeping before us information about the organization of the Buncombe Baptist Association, we are printing here a few paragraphs taken from the report of the historian of the Buncombe Association for the year 1907. The report for that year was prepared by W. T. Bradley of Morgan Hill. We are indebted to Brother Don C. Young for his copy of the minutes for the year 1907 from which we get the following information:

"The oldest Association in Western North Carolina is the French Broad. It was organized in 1807 at French Broad Church, in Henderson County. and was named from the French Broad River. It was principally situated at that time in the County of Buncombe, the boundaries of which were very large.

"At the time of its formation it was composed of six churches: Little Ivy, Locust Old Field, Cane River, New Found, French Broad, and Cane Creek. Little Ivy, Locust Old Field and New Found having been dismissed from the Holston Association in Tennessee, and the other three were dismissed from the Broad River Association in South Carolina.

"The ministers which it contained at that time were Thomas Snelson, Thomas Justice, Scion Blythe, Benj. King, Humphrey Posey, Stephen Morgan.

"From this old Association a number of the neighboring ones have sprung. Big Ivy Association was an offspring of French Broad. About the year 1828 an unhappy split took place in the French Broad Association on principles of doctrine. One branch inclined to Calvinists, the other to the Armenian side of the controversy. (Note: This division continued until 1855 when the two groups were united again at Flat Rock.)

"Tuckaseegee Association was organized in 1829, and was also a branch of the Old French Broad . . .

"Salem Association bears date of 1838. It came from the same old mother Association . . .

"In the winter of 1882 some of the brethren, the writer being one, met at Old Bethel Church, in Buncombe County, to consider the propriety of organizing a county Association. As a result the organization was effected in the following September at Flat Creek Church. Elder J. W. Hooker preached the introductory sermon. L. W. Sams was elected moderator, W. W. Wells clerk, and John W. Starnes, historian; next year the Association met at Berea church, and the same officers were again chosen. Antioch, a new church, was received into the Association.

"The next meeting place was at Hominy Church, the same officers being again chosen and a glorious meeting followed. The next meeting was at Cane Creek Church, where Dr. Carroll preached the introductory sermon, after which he was elected moderator.

"The next year Big Ivy entertained the body, and in the year following the various churches in their turn.

"We have had for our moderators, L. W. Sams, A. E. Brown, A. I. Justice, Judson Morgan, Dr. Carroll, W. T. Bradley and J. P. Morgan.

"Brother John M. Stoner has rendered excellent service as treasurer of our Association for many years.

"When our Association met with Fern Hill church, Biltmore, in 1894, we agreed to pay the salary of Miss Lottie Price as missionary to China and soon thereafter she sailed to her field of labor. She was faithful in her work until failing health brought about her return to America some three years ago.

"Thos. Stradley came here from England and was one of the pioneer Baptist ministers of this country. He organized the First Baptist Church of Asheville in 1829 and was its pastor for about forty-five years, during which time he built a splendid house of worship.

A SUMMARY OF TEN YEARS—1944-1954

Since the month of November of this year will bring to a close ten years in which the associational missionary has worked in the Buncombe Association, perhaps it will be fitting and of interest to give some summary of the work for these last ten years. Let it be said, however, and said with emphasis, that the progress made as indicated by this summary is the result of the good work done by all the churches with their pastors and other leaders. Your missionary is simply one who labors among you as your servant. Certainly this progress would have been impossible without the good work of the faithful people in all the churches.

A study of the minutes for 1944 and 1954 reveals some very interesting facts. We have gone from 62 churches in 1944 to 84 churches and two strong missions at present, a gain of 22 churches. In the minutes for 1944, the clerk reported that five churches made no report to the Association that year, but during the last ten years every church has reported every year. A study of the digest of letters for 1944 and 1954 shows progress as follows: baptisms from 521 to 1,092; church membership from 15,984 to 24,083; Sunday School enrolment from 10,984 to 20,583; Training Union enrolment from 1,972 in 36 churches to 5,420 in 58 churches; W. M. U. enrolment from 1,889 in 36 churches to 3,942 in 55 churches; Brotherhood enrolment from 196 in six churches to 660 in 19 churches; gifts for local expenses from $176,855 to $744,698; and mission contributions from $43,206 to $149,674. Value of church property has gone from $951,110 to $4,016,366. In 1944 there were 19 Vacation Bible Schools reported with an enrolment of 1,709, but during the summer of 1954 there have been 75 schools with an enrolment of 8,074 and with 233 conversions reported.

During these ten years, many Training Schools have been held in individual churches, and in particular a number of large schools have been held in the Districts of the Association and in the First Church in Asheville for all the churches. We do not have space for reports of all these schools; therefore, we give the figures only for the Central School held at the First Church in Asheville the week of March 22-26, 1954, when we had 661 enroled from 38 churches with an average attendance of 517. There were 440 who received awards for their study in either Sunday School or Training Union work during that week. We had 40 different courses offered in this school. We have had several other schools during the last few years that compare favorably with the one reported here.

For the year of October, 1951, through September, 1952, the Buncombe Association won first place in the State in number of Training Union awards, with a total of 2,464 awards received.

During these ten years 28 churches have built or purchased homes for their pastors, and 58 churches have erected new buildings or made major additions or improvements to their buildings. Every church has made some improvement on the building.

There have been many changes in pastoral leadership within this time. We have six men who are pastors of the same churches they were in 1944. They are W. Perry Crouch, Asheville, First; W. D. Ruth, Bingham Heights; A. J. Buckner, Chunn's Cove; A. P. Sprinkle, Craven Street; Eugene Byrd, Mountain View; and Nane Starnes, West Asheville. Of these, A. P. Sprinkle has served the longest period, having recently completed 30 years at Craven Street.

REMARKS ON VACATION BIBLE SCHOOL WORK

The Vacation Bible School Report for 1955 is very good but we always have a feeling of regret that every boy and girl did not have the opportunity of attending a school.

This year's report shows 73 Church Schools, 3 Mission Schools, and 1 colored school—Making a **total of 77 Schools.** This is an increase of 2 schools over 1954. The **Total then being 75 Schools.** However, in 1953 there was a total of 77 Schools. Let's plan now to go over the 77 mark in 1956. **We can do it.**

You will note in the report that 5 churches had schools this year that did not in 1954. **This is good.** There were 4 churches that had schools in 1954 that did not have one this year. **This is not so good.** (Some of these seemed to have logical reasons). There were 12 churches that did not have schools this year. **We are sorry.** Totals show:

Enrollment 1954—8,104 Av. Attendence 1954—6,574 Converts 1954—226

Enrollment 1955—8,096 Av. Attendance 1955—6,696 Converts 1955—223

These totals did not include totals from two schools—New Salem and Swannanoa Colored school reports did not reach me in time to go in this report, but we know the schools were held.

Let me take this opportunity to express to you my appreciation for the privilege of working in the Buncombe Association this summer with Vacation Bible Schools. It has been a joy to work with each of you. Let me also thank each one who assisted in any way to make the work a success. There were many volunteer workers who helped not only in their own church but in others. This is a good mission project. Space will not permit me to mention the names of those who did this.

The duty of this committee is to bring to the annual meeting of the Association a nomination of the personnel of the standing committees, to name the committees on Resolution and Time, Place, and Preacher, and to nominate any other committee authorized unless otherwise provided for; however, it shall be the privilege of any qualified messenger to make substitute or additional nominations for members of any committee.

2. The Committee on The Cooperative Program.

This committee should explain the working of the Cooperative Program where it is not understood, encourage all the churches to be liberal in their gifts through this plan, and keep before the churches all the objects included in the program. A report of the committee's activities should be brought regularly to the Promotional Committee.

3. The Committee on Evangelism.

This committee should seek to keep alive the fires of evangelism in all the meetings of all the organizations of the Association, encourage and help arrange, if necessary, evangelistic services in churches not reporting baptisms, and help provide evangelistic services in unchurched sections within the bounds of the Association. Reports of work done should be made quarterly to the Promotional Committee.

4. The Committee on Location of New Churches.

This committee should keep alert to any developments that may make a new church a necessity, advise with groups considering a new church about the necessity of such organization and seek to encourage the best location possible of buildings when new churches are formed or when places of worship are moved. This committee should report its work to the Promotional Committee and be prepared to bring recommendations to the Association about the reception of new churches.

5. The Committee on Ordinations.

This committee serves in an advisory capacity only. The committee should examine such candidates for the ministry as come before it as to their call and fitness for the Gospel Ministry and make recommendations as they feel led to the church of which one is a member about his being ordained and help plan and arrange the proper services of ordination when such assistance is needed. The Promotional Committee should be informed regularly of the work of this committee.

6. The Orphanage Committee.

The work of this committee is to encourage and to assist our churches in their support of our North Carolina Baptist Orphanages. An effort should be made to encourage all the churches to have a systematic plan, either by the once-a-month offering in the Sunday Schools or an amount in the budget for this purpose. The Thanksgiving offering of cash or in produce should have the careful planning of this committee. Reports should be made to the Promotional Committee regularly.

7. The Hospital Committee.

The work of this committee is to co-operate with the Baptist or Protestant chaplains or both in the Oteen and Moore General Hospitals and in the Western North Carolina Sanatorium to the end that the patients in these hospitals who are Baptists or Baptist inclined or others who may not be ministered to may have a ministry of sympathy and helpfulness in keeping with the teachings of Jesus concerning the sick and needy.

8. Committee on Pastorless Churches.

The work of this committee is and can be advisory only. This committee should encourage pastorless, part-time churches to form fields with pastors located as near the center as possible, assist churches when called upon or when there is an evident need, when such help is welcomed, to find most suitable pastors, and to serve as contact man for worthy men desiring to become pastors. A report of all work done should be made to the Promotional Committee.

9. The Committee on Training.

This committee should encourage the churches to provide the best training possible for their present or prospective Sunday School officers and teachers, for members of the Training Union and for members of other organizations to the end that our churches will be filled with trained and informed leaders and members. As it seems wise, plans should be made for simultaneous training schools in churches or for central training schools, and when needed, help should be given in providing teachers for training schools. The Promotional Committee should be kept informed about the work done by this committee.

10. The Committee on American Bible Society.

This committee should do what it can to encourage our churches and individuals to contribute to the work of the American Bible Society. The churches should be informed about the services of the Bible Society so they will want to share in the worthy work. The committee should keep that information before the churches. Regular reports should be made to the Promotional Committee.

11. The Committee on Fellowship.

The work of this committee is advisory only, but it should stand ready to go to any church where the fellowship is endangered or disrupted and seek to apply healing oil to spiritual wounds to the end that our churches shall be united in Christian fellowship, and it should seek to prevent some church or group from being led away by an unscriptural hireling. Reports should be made regularly to the Promotional Committee.

12. The Program Committee.

The duty of the Program Committee is to plan the program for the annual meeting of the Association and bring it to the promotional Committee meeting in July for discussion and approval. The committee should begin its work well in advance of the meeting of the Association and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Association.

13. The Committee on Ministers Retirement Plan.

This committee should seek to inform pastors and churches about the Ministers Retirement Plan and encourage both pastors and churches to cooperate in the plan. The committee can go before deacons in their meetings or to church conferences when invited and encourage participation in the plan; and when it seems wise or necessary, the committee may offer to explain the plan to pastors or churches where or when invitations for such services have not been received. In all cases the work of the committee is to offer helpful service in promoting this much needed plan. Regular reports should be made to the Promotional Committee.

14. The Budget Committee.
This committee should keep a close watch on the needs of the Association for an adequate budget for a well-balanced program of work and should be prepared to bring to the Association in annual session a proposed budget for the new year based upon the needs of the associational program of work and upon the ability and willingness of the churches to support the proposed budget. This committee should also be prepared to advise with the treasurer of the Association during the year concerning the items in the budget to the end that the Association may be kept in a healthy financial condition. It shall be the duty of the Budget Committee to see that the treasurer is properly bonded and that an audit of the treasurer's book be made following the close of the associational year and presented to each annual meeting of the Association.

15. The Committee on the Reception of New Churches.
It should be the work of this committee to make proper investigation of the churches that express a desire to affiliate with the Buncombe Association concerning their being orthodox in faith and cooperative in spirit and to report to the Association in annual session their findings and recommendations concerning the reception or rejection of such churches.

16. The Committee on Calendar of Activities.
This committee should work with the associational missionary in studying carefully the program of work by the Association at large, including the work of all the associational organizations and committees, and the needs of all the churches, and in the light of this study, work out an annual calendar of activities for the Association to be presented to the Promotional Committee for approval not later than the January meeting of the Promotional Committee.

7. The report of Associational Missions, prepared by Mrs. Arnold Emory, was presented by Robert T. Hughes, Associational Missionary. The report was adopted as given. Missionary Hughes made a brief statement as to his aims for the coming year in the Association.

REPORT ON ASSOCIATIONAL MISSIONS

We call your attention to some major events of interest during the year.

The Simultaneous Revivals: We had a total of 47 Churches sharing in the Simultaneous Revival effort coming the two weeks of April 10 through the 24. We do not have a complete report but some of the results, as we have them, were 343 additions for baptism, 92 additions by letter and statement and a large number of rededications. A Fellowship breakfast was had at the S & W Cafeteria each morning, Tuesday through Friday of the first week, for our Pastors and the visiting ministers. A well planned program of publicity was had which kept the crusade before the people and much good was accomplished through the effort.

Minister's Revival: The week of February 28 through March 4 the annual Ministers Revival was had with Dr. C. C. Warren, Pastor of the First Baptist Church, Charlotte, as guest speaker. A good number of our Pastors were present each day. Dr. Warren spoke each evening at the First Church. These meetings proved to be a great blessing to all who attended.

January Bible Study Week: Of special interest during January was an emphasis upon a week of Bible Study. The book of Hebrews was used. We do not have the exact number of our churches having this week of study but a good number participated.

Bible School Clinics: During April and May we had two Vacation Bible School Clinics with a total of 263 people present from 51 Churches. These clinics are proving to be more and more helpful each year in the promotion of our Vacation Bible School work. Miss Pauline Snelson has been in charge of our Bible School work this summer and has rendered an excellent service. From all indications we will have had at least 73 schools and 4 mission schools when the summer closes.

Our Missions: The Anderson Cove Mission continues to do a good work. Miss Sudie Fair of the Big Ivy Church, has through the years, and continues, to render a faithful service at the mission.

The Arden Mission began services on Sunday, February 6. A building was purchased at a cost of $9,000.00. The First Church assumed responsibility for the mission and contributed $6,000.00 toward the purchase of the building, with the other churches and friends of the Association contributing to the remaining amount. James Greene, a member of the First Church and student at Southeastern Seminary, has been carrying on the work this summer.

The Emma Church was taken over as a mission by the West Asheville Church last year. A lot was purchased at a cost of $800.00 and a permanent structure was started. Good progress has been made this year.

New Church Organized: On Sunday afternoon, February 27, 1955, a new church was organized at Skyland with 28 charter members. They chose the name of Skyland Missionary Baptist Church. Several of the Pastors from churches in the Association were present to assist in the organization.

There are many other things of interest too numerous to discuss. Good progress has been made and our accomplishments give us encouragement but the task is not complete. We must push forward in the Master's work.

Respectfully submitted,
Mrs. Arnold Emory

8. Rev. J. L. Mauney of the Weaverville Church presented the report on the Cooperative Program, and the report was adopted after a discussion by Claude F. Gaddy, Executive Secretary Christian Education.

REPORT ON COOPERATIVE PROGRAM

(Buncombe Baptist Association, Aug. 16th, 1955)

Southern Baptist recently celebrated thirty years of the Cooperative Program in our churches. The Cooperative Program has been our major Southern Baptist channel of supporting all our missionary, educational, and benevolent work.

Through the Cooperative Program Southern Baptist have contributed in these thirty years two hundred sixty-six million dollars ($266,000,000).

With the dollars you give through the Cooperative Program you literally "Go into all the world." You preach, teach, minister to the needy, train church leaders and missionaries, and give the gospel to men of every race in our country, and around the world.

Suppose every dollar given to world missions through the Cooperative Program were laid end to end starting in Memphis, Tennessee. The strip of U. S. currency would reach across the nation, the Pacific, Asia, Africa, the Atlantic, and back to Memphis. It would reach an additional thousand miles to Glorieta, New Mexico, on its second journey around the world.

If Southern Baptist did their best, how long would be required to complete this second journey around the world?

Southern Baptist are growing in their support of the Cooperative Program. Although many churches still have no part in the support of the program of world missions through the Cooperative Program, the number of such churches is growing smaller each year. There is an increasing awareness of spiritual needs beyond one's own church community. There is an increasing concern about the proportion being expended on the local programs of the churches in comparison with what is given for the whole world beyond one's own church. There is an increasing gratitude for the scriptural methods, the insignificant cost and the remarkably efficient results of the Cooperative Program. Thirty years experience has proved that the Cooperative Program is by far the best way for Southern Baptists to support all the work in all the world. No other method has produced such results.

What can be done to increase our support of the local program of the local church and of world missions???

Some Suggestions:

1—Every church plan to observe Church and Denomination Night this Fall.
2—Every church plan a stewardship revival.
3—Every church have a definite budget.
4—That every church conduct an every member canvass.
5—That every church include gifts to missions through the Cooperative Program in its budget for a certain percentage of the total budget, rather than for a certain number of dollars.
6—That every church prayerfully consider increasing the percentage going to missions through the Cooperative Program each year.

In regard to the petition of the Chestnut Hill and Skyland Churches for membership in this Association, the Committee on the Reception of New Churches recommends that these two churches be received on their record for one year, and that, if at the end of the probation year, they have supported our Denominational program, they be received as members of our Association.

2. That from our cash balance of $1,388.79 the State Mission Board be refunded $142.05 paid on the Arden Mission and that the remaining balance of $1,246.74 be retained as an operating fund until such time as current receipts are sufficient for that purpose and then that this balance be transferred to the Missionary's Home Building Fund.
3. That each church in the Association be urged to put an amount in their church budget for Associational Missions equal to, or more than, what they gave last year. Further, that the new budget committee of the Association immediately send to all of the churches suggested goals for the 1955-56 Associational budget.
4. We also urge that each church instruct its Treasurer to send monthly contributions to the Treasurer of the Association that he might have the money to meet the bills as they come due.

11. Rev. Nane Starnes made remarks as to the percentages of giving to the Cooperative Program. He pointed out that only 15% last year was given to outside causes, and urged that the program for missions be enlarged. Rev. C. D. Bessinger told the group that in 1954 less than 3½% of total gifts for all causes went out beyond the territory of our Southern Baptist Convention.

12. Robert T. Hughes, Associational Missionary, called attention to the fact that 26 churches in our Association reported no gifts to the Cooperative Program last year. He then brought a motion that a series of Missionary Rallies be promoted in the Association. Motion was passed.

MOTION TO ESTABLISH PLAN OF MISSIONARY RALLIES

I move that the Associational Missionary and the Committee on the Cooperative Program, consulting with the Committee on Calendar of Activities, be instructed to plan and promote a series of Mission Rallies in various areas of our territory early in the fall, preferably in October, for the purpose of encouraging support of World Missions through the Cooperative Program.

Robert T. Hughes,
Missionary

13. Rev. H. M. Hocutt, former Missionary, made explanation concerning local expenditures as given in the Digest of Letters. Rev. Nane Starnes made a motion that next year the Digest of Letters give local expenditures on the basis of giving rather than expenses. Motion passed.

Rev. Hocut presented a book containing a copy of each bulletin bulletin sent out during the time he served as Missionary, to Moderator Russell for the Associational office. He also presented a book of bulletins to Mrs. Arnold Emory.

14. There was no report on Christian Education. Claude F. Gaddy of Raleigh was recognized and he introduced the following who spoke briefly: Ben Fisher, Wake Forest; Rev. M. H. Kendall of Mars Hill College; and Lawson Allen of Gardner-Webb College. Pastor W. A. Huneycutt, of the Black Mountain Church, spoke briefly on Fruitland Bible Institute. He introduced Rev. W. E. Pope, Pastor of the Pole Creek Baptist Church, who testified as to what Fruitland had meant to him. Marlow A. Stroup, Pastor of the Fairview Church, was introduced and he spoke concerning the Seminary Extension courses given at the First Church last year and what they had meant to him. M. D. Smith, Pastor of the Hominy Church and Director of the Seminary Extension Classes to start September 13, announced the courses to be taught and the teachers.

15. Moderator Russell appointed two Committees, announcing that W. E. Pope, Ray Billings and Mrs. F. C. Miller would serve on the committee on Time, Place, and Preacher, and that A. N. Hollis, Jr., J. N. Shuford and Boyce Moore would serve on the Resolutions Committee.

16. J. L. Mauney, Pastor of the host church, cordially welcomed those present and gave directions as to how to get to the cafeteria.

The congregation stood and sang "Blessed Assurance" led by Raymond Gomes. Special music, "Love Divine" was rendered by the Misses Doris Dockery and Kay Brown of the Weaverville Church, with Mrs. Stanley Buckner at the Piano.

17. Pastor C. L. Whitmore of the Elk Mountain Church brought the Introductory Sermon using as his message, "The Gospel We Preach". The Scripture reading was taken from the 16th Chapter of Mark. He brought an excellent message with emphasis on good news and our need to tell the good news to others. At the close of the message Mr. Whitmore offered the closing prayer with thanks for the noon day meal. At the close of the morning session, a delicious lunch, provided by the ladies of the Weaverville Church, was enjoyed by the group.

TUESDAY AFTERNOON SESSION

18. The Tuesday afternoon session began at 1:40 with the singing of "He Leadeth Me" led by Raymond Gomes with Miss Paula Dockery of Weaverville at the piano. Pastor A. N. Hollis, Jr., of the Ridgeway Church read from the 6th Chapter of Galations and the 15th Chapter of 1st Corinthians and led in prayer.

19. The Sunday School report was read by A. L. Smiley, Associational Sunday School Superintendent, and discussed by Rev. Jack Bagwell of the Sunday School Board, and then it was adopted.

SUNDAY SCHOOL REPORT

The Bible teaches "The entrance of thy word giveth light," Psalms 119:130, and that "The Word maketh wise unto Salvation," II Timothy 3:15, hence the importance of the Bible teaching ministry of the church through the Sunday School.

The Sunday School is a great teaching, enlisting, evangelistic and financial agency of the church. We rejoice in the service it is rendering in each of these activities.

This year our association reports 85 Sunday Schools with an enrollment of 20,641 which is an increase over last year. There have been 1,153 baptisms, 77 Vacation Bible Schools and an associational Sunday School organization meeting monthly.

There are today in North Carolina 3,160 Sunday Schools with an enrollment of 703,853 which is 89.9% of the church membership. Our state leading all the other states of the convention in this respect. The Sunday School department of our state in an over all program with the aim: "Every Family in Sunday School", and the theme: "Bible Study for every member of the Family," is seeking to have 40,000 training awards for teachers and officers. There were 32,464 awards last year.

We recommend the following for the coming year:

1. That we maintain a complete Associational Sunday School organization and urge that our Sunday School co-operate wholeheartedly with the organization in carrying out the program as suggested by the department.

2. That we set a goal of 20% increase in enrollment, a Vacation Bible School in every church and one or more training schools in addition to the week of Bible Study in January.

3. That our Sunday Schools observe all the special days as promoted by our North Carolina Convention.

4. That we put forth a special effort to enlist, to win to Christ and develop into Christian service every lost person in our respective Sunday School possibilities.

Respectfully submitted,
A. L. Smiley

20. Chairman Nane Starnes of West Asheville presented the head officers of the various organizations. Officers were elected as nominated and their names can be found under "Officers of Associational Organizations."

21. Mrs. F. C. Miller, Associational Training Union Director, was recognized for the Training Union report. Pastor M. D. Smith of the Hominy church made brief remarks concerning Training Union work and the report was adopted.

TRAINING UNION REPORT

Your officers feel that we have a good report, because we have worked hard and had co-operation from many churches. We feel that the future of our churches depends upon the way our young people are trained.

Each quarter we have held an executive committee meeting, an officers' and leaders' council, and a mass or district meeting. In addition we have held one meeting for study, one for Youth night, and one for elimination contests.

We have sent out approximately 1000 letters and cards, and made more than 350 telephone calls. We have attended 25 meetings and visited 18 churches. With full co-operation of our officers in every respect, we have attained a standard rating, being one of only four standard associations in the state.

Winners in the contests were: Miss Susan McDevitt of Weaverville, Intermediate Sword Drill; Miss Sylvia Peele of Calvary Young People's Speakers' Tournament; and Mrs. O. W. Glazener of West Asheville, Adult Scripture Reading. Mrs. Glazener also won the regional and the state contest. We had ten choirs who made A and B Ratings, and participated in the state hymn festival at Fruitland.

Churches which have organized Training Unions this year are: Bee Tree, Bethel, New Liberty, Sunrise, Sulphur Springs Park and Skyland. We now have unions in 57 churches. During the last year July 1, 1954 to June 30, 1955 our churches have received 2,783 T. U. awards.

Attendance goal for "M" night was 1000. 889 were present. Dr. H. H. Stembridge of Forest City brought the inspirational message.

Youth night was well attended on April 9 at West Asheville church. Miss Mildred Thomas planned an excellent program. It is expected that this will become an annual meeting.

The next important event on our calendar of activities is the ENLARGEMENT CAMPAIGN, to begin October 2nd. Mr. James P. Morgan, State Training Union Secretary, will be in charge. He will bring a corps of the best trained leaders in Southern Baptist Conventions. 27 of our churches have indicated that they will participate.

Our desire for the future is that all our churches would participate in all our program.

Respectfully submitted,
Mrs. F. C. Miller
Training Union Director

22. Mrs. Charles Jollay of Ridgecrest presented and discussed the report on the Woman's Missionary Union. Following the discussion special prayer was had by Mrs. W. B. Sprinkle, after which the report was adopted.

REPORT OF WOMAN'S MISSIONARY UNION

It is always hard to make an adequate report on Kingdom work. We know too well that some of the finest work can never be expressed in figures. Neither can all of our consecrated leaders be recognized. We do recognize that only as God has been allowed to work through the women of Buncombe Association, we have been able to keep our missionary endeavor advancing.

We have too many organizations that are satisfied with the present achievements, fail to move all out for Christ. We have 30 churches in Buncombe Association that are satisfied not to have any W. M. U. organizations and only 11 churches which have a full-graded W. M. U.

As yet a superintendent has not been secured for our associational work. May we all be in much prayer that the Lord will lay His hand on a capable person for this great responsibility.

Our gains have not been spectacular at all, but we are grateful for those who desire to move forward, who want to "Declare his glory among the nations, his marvelous works among all the peoples." Psalm 96:3.

Miss Fannie E. S. Heck wrote this significant word of counsel to our leaders, "Be well endued with the grace of continuance." When this grace permeates the work of a missionary organization steady growth results—the kind of growth that proves lasting. Women, having caught a vision, are no longer content with apathy and unconcern. O Lord, enlarge our vision!

Respectfully submitted,
Mrs. Charles Jollay
Asso. Supt.

23. The Brotherhood report was presented by B. C. Blankenship, Associational Brotherhood President, who then introduced L. T. Hamrick of Shelby who spoke to the report after which it was adopted.

BAPTIST BROTHERHOOD REPORT

The Brotherhood Movement is growing in interest. It is not just another organization in the church. But all the laymen, seventeen years and up, banded together to promote, encourage, and undergird all the other important agencies of the church. The Brotherhood invites every male member to join its ranks and line up for Christ.

Likewise the associational Brotherhood is a very vital part of the Association. The latter organization has promoted several objectives which we feel are most helpful and constructive in promoting Christ's Kingdom during the past associational year.

First objective we, with the help of our state leaders, assisted in organizing eight Brotherhoods. Our goal was ten Brotherhoods. Our associational Brotherhood was represented by 130 members at the "Second Annual Regional Brotherhood Convention" held in Canton, N. C., on January 28.

Next a most helpful associational clinic was held in Calvary Baptist Church on April 26. This was a supper-meeting, and a large attendance was present.

On June 3 Brother James Sapp of Memphis, Tennessee spoke to us at the First Baptist Church. He is the associate secretary of the Brotherhood Commission.

Some of our Brotherhoods have available evangelistic teams, Recorder-clubs, and leading in many worthwhile movements in our churches.

We held four quarterly meetings, all well attended. We visited and helped boost some of our Brotherhoods and have invitations to visit others. We invite those churches who do not have a brotherhood in their Church to plan for such an organization.

"For unto whomsoever much is given of him much shall be required."—Luke 12:48.

Respectfully submitted,
B. C. Blankenship, President

24. The report on Religious Literature was given by Rev. Joseph DuBose, Assistant Pastor of the First Baptist Church, who then presented C. W. Bazemore of the Biblical Recorder. The adopted report is given below.

THE REPORT ON RELIGIOUS LITERATURE

It is totally impossible to measure the importance of Christian literature in our church life since Christian literature performs such a unique variety of services. For instance, the Royal Service and Home Missions publications are indispensable for the enlargement of the missionary vision of our people. The masses of our folk cannot journey to the mission fields and seldom does a missionary come to them; hence, these publications have been instrumental in bringing the mission fields, with their particular needs and achievements to our people. Indirectly this literature backs up the Cooperative Program by evidencing the fruits of our stewardship.

The **Home Life** magazine and **Open Windows** have been helpful in developing and directing the spiritual life of our people in their homes. In a way Home Life has perhaps balanced the home reading; that is, less time is being spent reading secular publications. The frequent appearance of **Open Windows** at sickbeds would seem to indicate its spiritual helpfulness.

Then too, the **Biblical Recorder,** 61,200 in N. C., and **Charity and Children** have drawn us nearer to our brothers and sisters in Christ by informing us of their activities and needs. They have opened our eyes to further opportunities for Kingdom service and, not infrequently, reminded us of failure to accomplish our potential.

Finally, the Sunday School and Training Union quarterlies and magazines have been effective in training up our people in the Christian way of life. The Sunday School teacher's quarterly has been most helpful in the matter of teacher preparation. Experience seems to suggest that there can be no substitue for the circulation of religious literature throughout our church family.

25. R. M. Hauss of the Allied Church League was recognized and spoke briefly on temperance. He urged the church people to vote beer and wine out of Buncombe County.

26. Under the direction of Raymond Gomes, the group stood and sang, "Take the Name of Jesus With You." Mrs. Z. W. Rotan of the Enka Church was at the piano.

27. Rev. Wayne W. Williams made a motion that the group send a message of love and remembrance to Rev. A. J. Buckner, Vice-Moderator of the Association and Pastor of Chunn's Cove Church, and J. P. Walsh of the Deaver View Church, who were ill in the hospital. Rev. Nane Starnes made a motion that Rev. Williams prepare the message. Motion passed.

28. Mr. John H. Harris of North Carolina State College at Raleigh, was introduced by Rev. Wayne W. Williams. He discussed "Beautifying our Church Grounds" and showed slides pertaining to this subject.

The closing prayer was led by J. Lloyd Wolfe, Pastor of the New Found Church.

WEDNESDAY MORNING SESSION

29. The Wednesday morning session began at 9:30 with the singing of "Send The Light". Rev. Joel Ferguson of the Buena Vista Church read Mark 10:46 and led in prayer.

30. Moderator Russell recognized Rev. H. M. Hocutt who made explanation as to the digest of letters and changes that had been made in the report of six churches for local expenditures.

31. It was announced by Moderator Russell that he had found that no report was ready from the Committee on Committees and it would be necessary to appoint a special committee. The committee named was: J. Lloyd Mauney, Chairman, M. D. Smith and Perry Sprinkle. Rev. H. M. Hocutt was asked to meet with this committee. Rev. C. A. Rhyne made a motion that Missionary Robert T. Hughes also be appointed to meet with this committee.

32. With nominations being made from the floor, the following officers were elected for the next year: Moderator, J. Lester Lane; Vice-Moderator, O. L. McGinnis; Clerk, Mrs. Arnold Emory; Treasurer, Frank R. Bishop, and Historian, Wayne W. Williams.

33. The Orphanage report was presented by James H. Smith of the Reed Memorial Church and discussed by Marse Grant, Editor of Charity and Children. The report was then adopted.

ORPHANAGE REPORT

August 17, 1955

Out of your Christ-like sympathy for homeless children you have had a part during the past year in giving food, clothing, shelter and Christian guidance to 713 boys and girls at Kennedy and Mills Homes. Reverend W. C. Reed, our beloved general Superintendent, reports that "probably there has never been a year in the history of our orphanage when the children's needs were more adequately met."

We are happy that a new church building—one of the most beautiful in the state—at Kennedy Home is almost completed. And can you visualize what a blessing that new Broyhill Swimming Pool is at Mills Home? (The swimming pool is a gift from the Broyhills of Lenoir, N. C.)

The "Charity and Children" goes into more than 47 thousand homes each week. Truly this publication of our orphanage, so well edited by Brother Marse Grant, should be in and read by every Baptist home.

Approximately $60,000.00 will come to the Orphanage this year through the Cooperative Program. Surely through the unified budget, Cooperative Program, once a month offering and "One Day's Pay" at the Thanksgiving season we will gladly provide for these children hopeless apart from practical expressions of our Christian love.

Respectfully submitted,
James H. Smith

34. The congregation stood and sang "Throw out the Life Line" with Raymond Gomes leading and Mrs. C. C. Curtis at the piano.

35. Mr. Don Young, Chairman of the Hospital Committee, could not be present and motion was made that the report be adopted without being read. Dr. W. K. McGee of the Baptist Hospital was introduced by Moderator Russell and spoke, giving an overall picture of the work and ministry of the Baptist Hospital. After his discussion the report was adopted.

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

The operation of our Baptist Hospital in conjunction with the Medical School of Wake Forest College is a very happy arrangement. It provides the patients at the hospital the very best medical care available and it also is a splendid arrangement for the Medical School. The two organizations are so closely allied that it is hardly possible to tell when you are out of the hospital into the Medical School and vice versa. This is a very fortunate arrangement as the work of each organization supplements and adds to the work of the other. We, thus have a medical center which is equal to any in North Carolina. We should be proud of our Baptist Hospital and the work that it is doing.

Our hospital has all of the departments necessary and useful in carrying on the required hospital work of a modern hospital and in addition thereto we have what few hospitals have, to-wit, a department of religion. This department is headed by a competent departmental superintendent and an adequate staff of Chaplains and coworkers. This department furnishes religious devotions, and religious instructions to the hospital staff, and to the patients in the hospital. This department also furnishes the contact beween the hospital and the various Baptist Churches of North Carolina. This is in the form of an appearance by a representative of this department at the various associational meetings, churches, and other denominational meetings over North Carolina. This department also correlates the work of securing funds for the extension work of the hospital on Mother's Day.

This annual fund has been increased from year to year. All of which is used for the expenses of patients unable to pay any or all of their hospital expenses for treatment. It constitutes, and is, the combined fund of North Carolina Baptists in its great healing ministry through the Baptist Hospital. More people unable to pay their expenses for treatment will be received and cared for at our Baptist Hospital when more funds are received from the churches on Mother's Day each year. We urge every church in our association to keep this in mind and send a large offering to the hospital each year.

Respectfully submitted,
Don C. Young

36. Pastor C. A. Rhyne of the Deaver View Church moved that his report on North Carolina Baptist Homes for the Aging be adopted without being read. He then presented Rev. James M. Hayes from the Baptist Homes, who spoke to the report after which it was adopted.

REPORT OF NORTH CAROLINA BAPTIST HOMES FOR AGING

Associational Year 1955

The North Carolina Baptist Homes for the Aging began their fifth year of operation March 16, 1955. This has been a year of encouraging progress. Both Homes—Resthaven and Albemarle—have had a continuing waiting list of applicants. As soon as a vacancy occurs there are far more applicants for admission than can be accepted.

This year will be remembered as one of notable enlargement of facilities. Construction of the Administration and Residential Building, costing $300,000, will get under way, and it should be completed by this time next year. The new building will provide office facilities, dining room, kitchen, chapel, infirmary, recreational and handicraft space, and rooms for forty additional residents, thus raising the total capacity of the Homes to 95 residents.

Two-thirds of the cost of the new building is now in hand, counting the value of real estate turned over to the Homes. Personal and corporation gifts are being received which will further add to the amount on hand.

Memorial gifts may be made in the following ways: A gift of $300 will furnish a room; $1,000 will endow—furnish and maintain—a room; $3,000 will pay cost of building a room. In either case, a memorial plaque—bearing the name of the donor and the name of the person memorialized, or honored—will be placed on the door of a room.

Miss Nettie Pearl Willis gave her homeplace at Vale, N. C., as a memorial to her mother, Mrs. Laura Elliott Goode Willis. The property will be sold and proceeds be used to erect a cottage on the permanent site of our Homes. In addition, Miss Willis made her will in favor of the Homes.

Increasing support on the part of our churches and denominational program gives great encouragement. So far this year, our Special Day Offering has reached almost $75,000. Since many of the churches put the Homes in the budget instead of taking a special offering, and some of the churches wait until the end of the calendar year to send their gifts, a complete report for the year cannot be made at this time. But it is likely that our goal of $100,000 for the special offering will be nearly reached. In addition, the Homes will receive $39,850 as their share of the Nine Year Program, according to the estimated budget.

With increasing aid from denominational sources, the Homes are helping a larger number who do not have sufficient funds with which to pay the cost of keep as residents. In fact, about ninety per cent of all the residents are being helped by the Homes — some with about two-thirds of the cost of keep, and others with about one-third. Less than ten per cent of the residents in the Homes have turned over enough assets to pay their cost of keep on the life plan. Regardless of financial condition, an applicant is received into the Homes on the basis of need and room available.

All connected with the Homes—staff and residents—are most grateful for the prayers and support of our friends. "Hitherto hath the Lord helped." Surely all North Carolina Baptists should be grateful for the progress made thus far. Let us all rally to the challenge to render a greater ministry to the increasing number of aging friends who need the services of our Homes.

(The Association is requested to elect a representative for the Homes at this session).

By C. A. Rhyne

37. The group stood and sang, "Praise Him, Praise Him". Raymond Gomes led the singing and Mrs. C. C. Curtis of the First Church was at the piano.

Special Music, "Ivory Palaces" was presented by the Misses Judy Bergen and Jean Wall of the First Church accompanied by Carl Perry at the piano.

38. Rev. Z. W. Rotan of the Enka Church brought the report on the Minister's Retirement Plan and discussed it briefly before it was adopted.

REPORT ON THE MINISTER'S RETIREMENT PLAN

Perhaps we are all familiar with the Minister's Retirement Plan. The Pastor and the church each pay 4% of the salary, not exceeding $4,000.00. The Convention adds a sufficient amount to make the plan secure.

As to benefits, there is a disability benefit, with the maximum now $500.00 per year. It is hoped that this will be increased to $900.00 per year. This anticipation is in the making.

After 1956 annuity will be 50% of the average salary through the participating years, provided that one has participated on the 4% basis from the time he was eligible.

At 65 a man may retire if he desires. A widow of a participating pastor will get ½ of what her husband would have received.

There are still many calls to the Relief and Annuity Board for relief. In 1953 the State Convention had to make special appropriation of more than $5,000.00 to take care of this need in our own state.

We recommend this plan to our pastors and urge upon them to get into it at once, if not already in.

Respectfully submitted,
Z. W. Rotan

39. The discussion on Christian Education was given on Tuesday morning and due to this there was extra time on the Wednesday morning program. Moderator Russell recognized Claude F. Gaddy of Raleigh who presented Dr. C. S. Greene, Vice-President of Wake Forest College, who spoke.

40. The congregation stood and sang one verse of "Jesus Saves" after which Rev. C. D. Bessinger introduced Mrs. James Forester of the Grace Church who sang, "How Beautiful Upon the Mountains," accompanied at the piano by David Lowry, Organist of the Kenilworth Presbyterian Church.

41. Pastor Bessinger read from the 10th Chapter of Romans and asked Rev. Charles W. Smith of the Swannanoa Church to lead in prayer. He then brought the Missionary Sermon. His subject was "The Great World Wide Missionary Enterprise". It was a good message and well received. The closing prayer with thanks for the noon meal was led by Rev. E. F. Hardin of Ridgecrest.

WEDNESDAY AFTERNOON SESSION

42. The afternoon session opened with the singing of "Love Lifted Me." Rev. Ray Billings of the Patton Avenue Church read from II Timothy and led in prayer.

43. Pastor C. M. Perry of the Ridgecrest Church discussed the American Bible Society. The report was adopted without being read.

AMERICAN BIBLE SOCIETY

Travel to a desert area in northwest India. Stand with a group of men gathered around a young Christian layman working as a government surveyor. He is using an opportunity to tell the good news of Jesus Christ to men who never heard the Gospel before.

As the young man speaks of the Bible, one of his older listeners asks, "Is that book in my language?" When told that it is, he exclaims, "Young man, get me that book!" Holding the book in his hands and opening his heart to its message of the Saviour, he asks the searching question, "Why didn't someone bring us the book long ago?"

The old man's question stirs our hearts to take the Bible to the millions who still wait — and emphasize this missionary principle which is true around the world:

Every person must have the Bible in his own language
if the Word of God is to speak to his heart.

Giving the Bible to the people of the world in their languages is a missionary task. The American Bible Society aids in Bible translation, publishes the Scripture without note or comment and distributes them—without profit and usually below cost—for mission work around the world. For the Blind, it supplies Scriptures in raised-letter systems and on Talking Book records.

The American Bible Society is an active partner of Southern Baptists in their world-wide mission program; it serves every form of mission work at home and abroad.

During 1954 the American Bible Society —

—distributed throughout the world more than 15 million volumes of Scriptures.

—donated 1,360,604 Scripture volumes for the Armed Forces, providing a vital link between the home churches and the members of the Armed Forces.

—continued to supply Scriptures in many strategic areas, such as Germany and other countries along the "fringes" of the Iron Curtain, Africa, Latin America, Japan, Korea and India — and to millions of Chinese in the countries of East Asia snd Southeast Asia, outside the communist-controlled China mainland.

—received gifts which provided for the largest budget in its history and adopted for 1955 an even larger program to serve more of the millions who still wait for the Word of God — keenly conscious that missionary advance, through increased Scripture distribution, waits only for needed funds!

Southern Baptists' Part in the Work

In 1954 Southern Baptist churches set a new record by giving $112,064 to the American Bible Society and stood second only to Methodist gifts of $155,109. Gifts from churches of all denominations totaled $826,721.

Has your church given to the American Bible Society this year? The help of every Southern Baptist church is needed. Every church can give at least these amounts each year:

Country and village churches $10 to $25
Churches in small cities $25 to $100
Larger churches $100 to $200
Great city churches $200 to $500 or more

Please send gifts to your Baptist state office marked "for the American Bible Society."

44. Miss Ruby Johnson of the Personal Guidance Counsel expressed appreciation to the Buncombe Baptist Association for their help through the years and told some brief facts concerning the work of the Counsel. Mr. C. C. Parker, introduced by Miss Johnson, spoke briefly giving some of the needs of the organization. Pastor J. H. Lackey of the Flat Creek Church made some remarks about the work. Rev. C. L. Whitmore of the Elk Mountain Church made a motion that the report of the Personal Guidance Counsel be printed in the minutes as a matter of information. Motion was adopted.

45. Under the leadership of Raymond Gomes the group stood and sang, "To the Work". Miss Hannah England of Weaverville was at the piano.

46. Pastor M. D. Smith of the Hominy Church brought a report on Evangelism and discussed the report before it was adopted.

REPORT ON EVANGELISM

The Evangel of the Kingdom of God is still the same—"God is—God cares—God loves—God has provided redemption for all men"—"Awake—Look—Act".

The same glorious Gospel is being preached as the adequate remedy for sin, and the same Christ is being proclaimed as the one and all sufficient Saviour of all who believe.

We baptized into the fellowship of our churches last year 1,117 souls, of this number 382 came into our churches during the great Simultaneous Crusade in which 47 of our 84 churches participated.

In our county we have 109,126 white people, 15,229 negroes and 48 people of other races, making a total of 124,403 people living in our county, with approximately 60 per cent of this total population constituting Baptist responsibility. These are our possibilities and reaching them is our task.

We have enough unchurched white people living in Buncombe County, who are unsaved and unchurched, and people who would join our churches, if they joined any church, to add to our church rolls 482 new members per church, or organize 84 new churches with 482 members per church. The simple truth is that we have near 25,000 members and 40,000 possibilities.

God is saying to every Baptist, and to every Baptist Church in Buncombe County: "What are you going to do about this wonderful challenge and this glorious task in 1956?"

Respectfully submitted,
M. D. Smith

47. Robert T. Hughes, Associational Missionary, gave a digest of the church letters, calling attention to the general gains and losses during the year. The information as received from the letters is given in brief form in the minutes on pages just before the statistical tables.

48. A recommendation was then brought to the group by Rev. C. D. Bessinger, Chairman of the Committee on Reception of New Churches, concerning the churches who do not cooperate with the Association. The recommendation was as follows:

> "It shall be the responsibility of this committee to counsel with any church, or churches, which are already members of the Association but which fail to give any financial support to the work of our denomination, and to make recommendation to the Association when, in the judgment of the committee, a non-cooperating church should have its membership in the Association dissolved."

There was some discussion as to which Committee the responsibility of this recommendation be given. Rev. W. A. Huneycutt of the Black Mountain Church, made a motion that the responsibility of the recommendation be given to the Committee on Reception of New Churches. Motion was seconded and passed.

49. Chairman W. E. Pope of the Time, Place, and Preacher Committee brought a report of his committee, and the report as adopted can be found under the heading of "Next Session."

50. The following calendar of activities for the associational year beginning July 1, 1955 and ending June 30, 1956 is suggested. Only the major events of the year are given. Regular scheduled meetings will be included in the calendar of activities given the first of the calendar year.

53. Chairman J. L. Mauney brought the report of the Committee on Committees, and it was adopted as given. The names of the Committees as named are under the heading of "Standing Committees."

54. Rev. Wayne Williams presented the Historian's report and it was adopted as read.

HISTORIAN'S REPORT

Another chapter has been added to the Book of the Years, which the Supreme Ruler of the universe keeps in His great storehouse of time. For the people called Baptists, on the local, national, and international scenes, it has been a period of growth and progress.

On the international front, perhaps the most notable event was the meeting of the Baptist World Alliance in London during July. with some 8,000 messengers gathered from the ends of the earth and the isles of the seas—among them, believe it or not, eight Russians from the lands that lie behind the iron curtain.

Fifty years ago, our fathers organized this world-wide fellowship in that city, at a time when our denomination had only 6,000,000 communicants the earth over, but now, after half a century, we have over 20,000,000 souls on our rolls—surely, a mighty army which no man can number. One of the marvels of modern church history, let us record in all modesty, has been the phenomenal growth of our people. Humbly, gratefuly, let us thank God and take courage. We are, says NEWSWEEK magazine, "booming Baptists," whatever that means. Anyway, let us be thankful we are not called braying Baptists.

On the national scene, our ranks have swelled immensely, so much so that the Southern Baptist Convention can hardly find a city big enough to meet in. Next year, we go to Kansas City. Perhaps the stockyards can provide enough room for the saints to mill around in. Incidentally, Roman Catholics have increased in the U.S.A., from 1929 to 1952, fifty per cent, while we have grown 102 per cent. But, sad to say, British Baptists have declined every year for the past seven, until at long last they number only 350,000. Is it possible that there is something wrong with British water?

On the local front, Buncombe brethren have experienced an excellent year. Perhaps our keenest regret came in the resignation of our beloved associational missionary, H. M. Hocutt, to return to the pastorate down in Spencer. However, we have found a man to stand in the gap in the person of Rev. Robert T. Hughes, who comes to us from a pastorate in Gainesville, Florida. Thus the mantle of Hocutt falls on the shoulders of Hughes, but we decline to say which is Elijah and which Elisha.

We record here same detailed highlights of the year:

Two new churches have been organized and received into the fellowship of our body, the Skyland church, D. K. Brevard, pastor, and Chestnut Hill church, L. O. Vess, pastor, and mission churches have been maintained at Anderson Cove, Arden, and Emma.

New church buildings have been dedicated at Liberty, Flat Creek, and Victory, while Pole Creek has dedicated a beautiful parsonage.

Improved facilities have been provided at Glady, Long Shoals, New Salem, White Rock, French Broad Avenue, and other churches, and the saints at Grace dedicated a new educational plant costing $65,000. Macedonia has begun construction on a new church plant.

Brotherhoods have been organized at Black Mountain and Swannanoa, Oak Grove, Chunn's Cove, Grassy Branch, Craven Street, Beaverdam, and Deaver View.

Ridgecrest church has voted to send two missionaries to Thailand.

Ministers of music and education have come to Calvary and Hominy churches in the persons of Thomas O. Dekle and Mrs. Maurice Schrepel, respectively.

New pastors have been called as follows: H. E. Davis, Oteen; A. N. Hollis, Jr., Ridgeway; Zeb McDaris, Long's Chapel; Joel A. Ferguson, Buena Vista; J. B. Broughton, Emma's Grove, Carl Triplett, Oak Grove; Gilbert C. Jenkins, North Black Mountain; George Gordon, New Salem; Edward G. Altland, Riverside; W. T. O'Connor, Midway; Clyde Parham, Kerlee; Harold C. Cable, Cole's Cove; Martin Pitman, Grove Stone; Alvin Ballard, Brown's Chapel; R. M. Snyder, Antioch; Edward B. Shoff, French Broad Avenue; Rex Collins, Jupiter; J. G. Robinson, New Liberty; Frank Robinson, Oakley; Chaplain Deyo Williams, Swannanoa Division, Oteen VA Hospital.

In Christian evangelism, the making of disciples, a high note has been sounded. The association-wide simultaneous revival, in April, resulted in 323 baptisms, while over the year more than 1100 souls have followed their Lord in this beautiful ordinance.

Along with the making of disciples, Buncombe Baptists have been busy teaching. Study courses by the scores have been held in Sunday School, B. T. U., W. M. S., and other fields. It has been a great year for Daily Vacation Bible Schools, 77 being conducted, over 8,000 pupils enrolled, and 226 youngsters converted. Miss Pauline Snelson has capably led this movement.

We would mention particularly, the seminary extension courses taught by and for our ministers. This is magnificent work. Ours is a teaching religion. Missionary Baptists believe in an educationed ministry. If the blind lead the blind, both will fall into the ditch. The preacher, the priest, and the rabbi should be the best educated of all men.

And now, "Finally, brethren, be strong in the Lord and in the power of His might." Let us be up and doing, with a heart for any fate. Let us carry on until Jesus comes. With the church militant and victorious, let us sing:

"Lead on, O King Eternal,
The day of march has come;
Henceforth in fields of conquest
Thy tents shall be our home.
Thro' days of preparation
Thy grace has made us strong;
And now, O King Eternal,
We lift our battle song."

Wayne Williams

55. The congregation stood and sang "Lead On O King Eternal".

Rev. W. G. Russell, retiring Moderator, expressed appreciation to the newspapers for their coverage of the meeting. He also expressed appreciation for the cooperation of the Association during his term of office and then recognized the new Moderator, J. Lester Lane. Appropriate expressions were made by Moderator Lane.

56. In the absence of Rev. Roy R. McCulloch who was to give the report on obituaries, Rev. J. H. Lackey of the Flat Creek Church, read the names of Our Beloved Dead with Dr. W. H. Fitzgerald leading in prayer as the group reverently stood. With this prayer, the seventy-fourth annual session of the Association stood adjourned.

In Commemoration of 75th Anniversary Buncombe Baptist Association

HISTORIAN'S REPORT

Three score and fifteen years ago, my brethren, our fathers brought forth in the valley of the French Broad, here in these hills of God, here in the Land of the Sky, a new organization called the Buncombe Missionary Baptist District Association, conceived in Christian cooperation, and dedicated to the proposition that it is the duty of every follower of the Lamb to give the gospel to a lost world, and to extend the Redeemer's kingdom to the ends of the earth and the isles of the sea.

It is with more than passing notice, therefore, that we celebrate our seventy-fifth anniversary, and review briefly the beginning of three-quarters of a century's history.

With your permission, your humble servant would take the liberty of quoting a few excerpts from the pen of the late Elder W. T. Bradley, one of the founding fathers, as recorded in the 1907 minutes of this body.

"The oldest Baptist district association in Western North Carolina," says he, "is the French Broad. It was organized in 1807, at French Broad Church, in Henderson County, and was named from the French Broad River. It was principally situated at that time in the county of Buncombe, the boundaries of which were very large.

"At the time of its formation, it was composed of six churches: Little Ivy, Locust Old Field (now Canton), Cane River (in Yancey), New Found, French Broad, and Cane Creek. Three of these churches, namely, Little Ivy, Locust Old Field, and New Found, were dismissed from the Holston Association, in Tennessee, and the other three, namely, Cane River, Cane Creek, and French Broad, were dismissed from the Broad River Association, in South Carolina.

"The ministers which it contained at that time were Thomas Snelson, Thomas Justice, Scion Blythe, Benjamin King, Humphrey Posey, and Stephen Morgan.

"From this old association a number of neighboring associations have sprung. Big Ivy Association was formed in 1828, due to a division over Calvinism, but the breach was healed in 1855 by the brethren coming together again.

"Tuckaseigee Association (out in Jackson County) was organized in 1829, and was also a branch of the Old French Broad.

"Salem Association bears date of 1838. It, too, sprang from the same old mother association.

"In the Winter of 1882, some of the brethren, the writer (Elder W. T. Bradley) being one, met at Old Bethel Church, in Buncombe County, to consider the propriety of organizing a county association. As a result, the organization was effected in the following September, at the Flat Creek Church. Elder J. W. Hooker preached the introductory sermon. L. W. Sams was elected moderator, W. W. Wells, clerk, and John W. Starnes, historian. Next year, the association met at Berea Church, and the same officers were re-elected."

Thus as we recall our origin—as we look back to the rock whence we were hewn, to quote the great Truett—it is fitting that we bedew the memory of our spiritual forebears, and that we exclaim with Samuel, doughty judge and prophet of ancient Israel, "Ebenezer! Hitherto hath the Lord helped us."

Coming now to our own day and generation, the year of our Lord, 1956, we rejoice to say this has been a good year, a period marked by growth and progress.

Our associational missionary, Robert T. Hughes, who assumed on last year the reins from our first associational missionary, H. M. Hocutt, has been busy acquiring knowledge of his field and building upon the foundation laid by his predecessor. Brother Hocutt, now pastor at Spencer, we regret to state, has undergone a severe illness during the year, and our churches, in loving remembrance of the decade of untiring service which he gave us, after the manner of the Phillipian saints to the Apostle Paul, have sent hundreds of dollars—

over a thousand, in fact—to aid in the expense of his hospitalization in a Virginia sanitarium. Truly, this was a noble and beautiful Christian gesture on the part of our people.

Speaking of our associational missionary, we are pleased to note that our churches have purchased a home for him and his successors, a $12,500 structure in West Asheville, a down payment of $2,000 having been made, the remainder to be liquidated at $75 per month, like paying rent.

Pastoral changes have occurred during the year. Joe DuBose went from the associate pastorate of the Asheville First to the pastorate of Marion First; R. H. Bruhn has been called to the Revell Chapel, a mission maintained by the First Church. Rev. J. J. Buckner is the new shepherd at Pole Creek; Henry O. Hearn, at Reed Memorial; Wm. J. Corey, Chestnut Grove; James Frizsell, Grove Stone; L. D. Munn, Weaverville; J. Lloyd Wolfe, Deaver View; C. D. Sawyer, Starnes Cove; E. J. Hall, Macedonia; J. A. Green, Maple Ridge; Harry Deweese, Elk Mountain; Lyman Rich, Inanda; M. H. Parham, Bee Tree; Zenus Allen, Cole's Cove; Jack Johnson, North Black Mountain; W. T. Connor, Sand Hill; Claude Bradley, Brown's Chapel.

New missionaries have been sent out: Rev. and Mrs. J. G. Goodman, to Korea, by the West Asheville Church; Rev. and Mrs. Chas. Goode, by Edgewood Church.

We record with sadness the passing of two of our pastors, Rev. C. A. Rhyne, beloved leader at Deaver View, and the Rev. Wayne Peek, of Bent Creek.

Two of our churches have merged: French Broad Avenue and State Street Church, the new body being called Immanuel and located in West Asheville.

Church buildings have been erected, renovated, and improved, as follows: Deaver View has remodelled and improved its auditorium inside and out; Enka has added two class rooms; Emma's Grove has begun construction of a new house of worship; Mt. Pisgah has renovated its sanctuary and installed new pews and furniture; New Salem has installed new pews, and has erected a belfry; White Rock has purchased new pulpit furniture; Biltmore has transformed its sanctuary into a thing of beauty; Gashes Creek has dedicated a lovely educational annex; Zion Hill will soon dedicate its new building; Chunn's Cove has acquired five beautiful lots, preparatory to launching a new church plant; Hominy will soon dedicate its spacious educational building consisting of 35 rooms, 5 departments, and a social hall, housing 358 souls.

In the interest of truth, citing the evil with the good, here are a few items we regret to record: Four of our churches last year gave nothing toward denominational objects; twenty three gave nothing through the Cooperative Program, but designated all their gifts, twenty-eight, believe it or not, did not contribute to associational missions; fourteen reported no baptisms; seven held no Daily Vacation Bible School.

New brotherhoods have been organized at Biltmore, Ridgeway, Merrimon Avenue, and Kerlee. This is one of the fastest growing movements among Southern Baptists. At long last we are beginning to enlist our men in kingdom enterprises, and not leaving everything to the ladies' aid.

And now, my brothers, let us hear the conclusion of the whole matter: Fear God and keep His commandments—yes, and advance His kingdom in all the earth. This is the chief end of man. This is the business of the servants of the King.

"Dear dying Lamb, thy precious blood
Shall never lose its power
Till all the ransomed church of God
Be saved to sin no more!"

WAYNE WILLIAMS

REMARKS ON VACATION BIBLE SCHOOL WORK

The Vacation Bible School Report for 1956 is very good but we always have a feeling of regret that every boy and girl did not have the opportunity of attending a school.

This years report shows **74 church schools held** and **3 scheduled to be held.** Which will make a total of 77 church schools and **3 Mission schools, 80 Schools,** Total.

This is an **increase of 3 schools** over last year which was 77. The record this year exceeds that of any previous year. (Provided the 3 that are scheduled to be held in August follow through with their plans).

THE GOAL FOR THIS YEAR WAS REACHED (80 Schools). If every church will cooperate we can make the 100% goal in 1957. Can't we?

You will note that 2 churches had schools last year that did not this year. However, 7 churches had schools this year that did not last year, according to our report. We regret that 7 churches have not had

a school for at least two years. We trust these will plan now to have one next year.

Totals show enrollment 1955—8,096, Av. Att. 6,696, Conversions 223.

Totals show enrollment 1956—8,491, Av. Att. 7,046, Conversions 274.

(The totals for 1956 do not include 4 of the schools as one has not reported attendance and 3 are yet to be held).

It shall make a full and complete report of its activities at the next Association. It shall meet on the first Monday in each quarter at the time and place appointed for the meeting of the Buncombe Baptist Ministers Conference. The Clerk and Missionary shall be ex-officio members of the committee. The members of the Committee, with the exception of the Moderator and Vice-Moderator shall be nominated by the Committee on Committees unless otherwise determined by the Association. It shall be the duty of this committee to study, plan, and promote the work of the Association in keeping with the policies outlined by the Association; and this committee shall have power to act for the Promotional Committee and the Association between the regular meeting of the Promotional Committee and when the annual

meeting of the Association is not in session. Work heretofore under the supervision of the Missions Committee shall become a part of the work of this committee. Any action taken by the Executive Committee shall be reported by the Clerk to the next meeting of the Promotional Committee or to the Association, whichever comes first, and shall be subject to the approval of the larger body to whom the report is made.

Standing Committees

Article 12. The Association shall have such standing committees as may be considered necessary to promote efficiently the work of the Master in our midst, the members of these committees to be nominated annually by the Committee on Committees unless otherwise determined by the Association. These committees shall make reports of their work to the Promotional Committee or to the Association in annual session.

Adoption

Article 13. This Constitution shall take effect immediately upon its adoption and shall supersede any and all constitutions previously adopted.

Revision

Article 14. This Constitution may be immediately revised at any session of the Association by a vote of two-thirds of the messengers present or by a simple majority provided notice of such revision shall have been given at a previous annual session.

DUTIES OF STANDING COMMITTEES

1. The Committee on Committees.

The duty of this committee is to bring to the annual meeting of the Association a nomination of the personnel of the standing committees, to name the committees on Resolution and Time, Place, and Preacher, and to nominate any other committee authorized unless otherwise provided for; however, it shall be the privilege of any qualified messenger to make substitute or additional nominations for members of any committee.

2. The Committee on The Cooperative Program.

This committee should explain the working of the Cooperative Program where it is not understood, encourage all the churches to be liberal in their gifts through this plan, and keep before the churches all the objects included in the program. A report of the committee's activities should be brought regularly to the Promotional Committee.

3. The Committee on Evangelism.

This committee should seek to keep alive the fires of evangelism in all the meetings of all the organizations of the Association, encourage and help arrange, if necessary, evangelistic services in churches not reporting baptisms, and help provide evangelistic services in unchurched sections within the bounds of the Association. Reports of work done should be made quarterly to the Promotional Committee.

4. The Committee on Location of New Churches.

This committee should keep alert to any developments that may make a new church a necessity, advise with groups considering a new church about the necessity of such organization and seek to encourage the best location possible of buildings when new churches are formed or when places of worship are moved. This committee should report its work to the Promotional Committee and be prepared to bring recommendations to the Association about the reception of new churches.

5. The Committee on Ordinations.

This committee serves in an advisory capacity only. The committee should examine such candidates for the ministry as come before it as to their call and fitness for the Gospel Ministry and make recommendations as they feel led to the church of which one is a member

about his being ordained and help plan and arrange the proper services of ordination when such assistance is needed. The Promotional Committee should be informed regularly of the work of this committee.

6. The Orphanage Committee.

The work of this committee is to encourage and to assist our churches in their support of our North Carolina Baptist Orphanages. An effort should be made to encourage all the churches to have a systematic plan, either by the once-a-month offering in the Sunday Schools or an amount in the budget for this purpose. The Thanksgiving offering of cash or in produce should have the careful planning of this committee. Reports should be made to the Promotional Committee regularly.

7. The Hospital Committee.

The work of this committee is to co-operate with the Baptist or Protestant chaplains or both in the Oteen and Moore General Hospitals and in the Western North Carolina Sanatorium to the end that the patients in these hospitals who are Baptists or Baptist inclined or others who may not be ministered to may have a ministry of sympathy and helpfulness in keeping with the teachings of Jesus concerning the sick and needy.

8. Committee on Pastorless Churches.

The work of this committee is and can be advisory only. This committee should encourage pastorless, part-time churches to form fields with pastors located as near the center as possible, assist churches when called upon or when there is an evident need, when such help is welcomed, to find most suitable pastors, and to serve as contact man for worthy men desiring to become pastors. A report of all work done should be made to the Promotional Committee.

9. The Committee on Training.

This committee should encourage the churches to provide the best training possible for their present or prospective Sunday School officers and teachers, for members of the Training Union and for members of other organizations to the end that our churches will be filled with trained and informed leaders and members. As it seems wise plans should be made for simultaneous training schools in churches or for central training schools, and when needed, help should be given in providing teachers for training schools. The Promotional Committee should be kept informed about the work done by this committee.

10. The Committee on American Bible Society.

This committee should do what it can to encourage our churches and individuals to contribute to the work of the American Bible Society. The churches should be informed about the services of the Bible Society so they will want to share in the worthy work. The committee should keep that information before the churches. Regular reports should be made to the Promotional Committee.

11. The Committee on Fellowship.

The work of this committee is advisory only, but it should stand ready to go to any church where the fellowship is endangered or disrupted and seek to apply healing oil to spiritual wounds to the end that our churches shall be united in Christian fellowship, and it should seek to prevent some church or group from being led away by an unscriptural hireling. Reports should be made regularly to the Promotional Committee.

12. The Program Committee.

The duty of the Program Committee is to plan the program for the annual meeting of the Association and bring it to the Promotional Committee meeting in July for discussion and approval. The committee should begin its work well in advance of the meeting of the As-

sociation and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Association.

13. The Committee on Ministers Retirement Plan.
This committee should seek to inform pastors and churches about the Ministers Retirement Plan and encourage both pastors and churches to cooperate in the plan. The committee can go before deacons in their meetings or to church conferences when invited and encourage participation in the plan; and when it seems wise or necessary, the committee may offer to explain the plan to pastors or churches where or when invitations for such services have not been received. In all cases the work of the committee is to offer helpful service in promoting this much needed plan. Regular reports should be made to the Promotional Committee.

14. The Budget Committee. This Committee should keep a close watch on the needs of the Association for an adequate budget, for a well balanced program of work and should be prepared to bring to the Association in annual session a proposed budget for the new year based upon the needs of the Associational program of work and upon the ability and willingness of the churches to support the proposed budget.

15. The Committee on the Reception of New Churches.
It should be the work of this committee to make proper investigation of the churches that express a desire to affiliate with the Buncombe Association concerning their being orthodox in faith and cooperative in spirit and to report to the Association in annual session their findings and recommendations concerning the reception or rejection of such churches.

16. The Committee on Calendar of Activities.
This Committee should work with the associational missionary in studying carefully the program of work by the Association at large, including the work of all the associational organizations and committees, and the needs of all the churches, and in the light of this study, work out an annual calendar of activities for the Association to be presented to the Promotional Committee for approval not later than the January meeting of the Promotional Committee.

17. "Finance Committee"—This Committee shall have three members. They shall see that all expenditures are kept within the budget, and supervise all financial matters. This Committee shall counsel with the Financial Secretary during the year concerning the items in the budget to the end that the Association may be kept in a healthy financial condition. It shall be the duty of this committee to see that the Treasurer and Financial Secretary are properly bonded and that an audit of the books be made at least once each year.

18. "The Nominating Committee". This Committee shall recommend at each annual session of the Association all officers except the Moderator and Vice-Moderator.

19. "Home For The Aging" Committee: The work of this Committee is to encourage and to assist our churches in their support of our Home for the Aging.

20. "Seminary Extension Committee." This Committee shall promote and plan the holding of Seminary Extension Classes. This Committee shall also promote and encourage pastors who have no Seminary training to attend the Fruitland Baptist Bible Institute.

Music was under the direction of T. O. Dekle, Director of Music for Calvary Church, with Mrs. Z. W. Rotan of Enka at the piano. The group stood and sang, "Marching To Zion," and "Higher Ground". Rev. J. Lloyd Wolfe, Pastor of the Deaver View Church, read from the 2nd chapter of Philippians, the first eleven verses, and led in prayer.

2. The congregation sang, "Blessed Assurance," led by T. O. Dekle with Mrs. Rotan at the piano. Motion was made by Wayne W. Williams that the ordained ministers and others who know themselves to be messengers, with those who may come later, constitute the body.

Huneycutt, had been appointed to make some additional changes in other of the By-Laws. Frank B. Robinson brought the recommended changes as follows: "We recommend that Constitution and By-Laws Article 2, Section c; be amended to read as follows: The Association may at any time dissolve connections with any Church that becomes heterodox in doctrine or disorderly in any practice or that fails to represent itself either by messenger or letter for two consecutive sessions without sufficient reason or that ceases to be missionary in practice, or that fails to support any one of the causes fostered by our Denomination within one year.

Section E. Any church requesting membership in this Association shall be required to attach to their petition for membership a copy of the Articles of Faith and Church Covenant as adopted by the church at its organization or before filing petition of membership, and must have contributed to denominational objects during the year before being received." Recommendation was approved on motion, duly seconded and carried.

7. M. D. Smith brought a report and recommendations from this special committee as follows:

"The Buncombe Baptist Association

West Asheville Baptist Church

Asheville, North Carolina

We the special Committee, appointed by the Promotional Exeeutive Committee constituting the in-between regular sessions of the Buncombe Baptist Association bring the following report and recommendation relative to churches in our Association who as yet have not discovered the joy of cooperation.

It is our belief that the failure to cooperate in the work of the Association and the Convention is the result of improper leadership, either present or in the immediate past, rather than an antagonistic spirit on the part of many of our churches.

We realize that in some churches the opposition was crystalized before the present pastor arrived on the field. Where such conditions exist, we assure our brethren that we understand and sympathize.

In the light of our study we recommend —

First—That the churches of the Buncombe Baptist Association refrain from calling men not in sympathy with our work.

Second—To the churches not now functioning as regular Missionary Baptist churches, that they set their house in order.

Third—To the Buncombe Baptist Association that after one year from this date that such churches be placed on one year probation.

Fourth—That all churches calling themselves Missionary Baptist Churches live worthy of the name by which they are called.

Fifth—We further recommend to the Association that a strong Committee on Enlistment be appointed to assist any church in its efforts to work out problems relative to aligning itself with the program of Southern Baptists.

Sixth—That the pastors and churches in this Association offer their prayers and their services to any church seeking to implement the spirit of this resolution."

Respectfully submitted,
Ollie G. Matthews, Chairman
M. D. Smith
W. A. Huneycutt
Wayne W. Williams
Frank B. Robinson

Motion was made and seconded that this report be accepted and these resolutions be adopted.

8. Rev. J. B. Grice asked that the Committee on Reception of New Churches and Missionary Robert T. Hughes meet with the messengers from the Inanda and Lakewood Churches who had made application to enter the Buncombe Association.

9. Visitors were recognized as follows: Rev. Carl Mauney of Avondale, James Allen of Elizabethton, Tennessee, W. F. Hall, of Harrison Chilowhee Baptist Academy, Seymour, Tennessee, Ottis Hagler, Associate Secretary, Department of Promotion, Raleigh, and Dr. E. L. Spivey, State Secretary of Missions, Raleigh.

Moderator Lane requested that new pastors in the Association come to the front and be introduced by the Associational Missionary. New pastors were introduced as follows: LeRoy Thomas, Grassy Branch, L. D. Munn, Weaverville, Henry O. Hearn, Reed Memorial, C. D. Sawyer, Starnes Cove, E. J. Hall, Macedonia, J. A. Greene, Maple Ridge, Harry DeWeese, Elk Mountain, and Claude Bradley, Brown's Chapel.

A committee was appointed to bring proposals for revising the By-Laws to meet any need now apparent.

16. The report on the Cooperative Program was presented by Pastor C. D. Bessinger of the Grace Church. Pastor Bessinger and E. L. Spivey, State Secretary of Missions, spoke to the report after which it was adopted.

REPORT ON THE COOPERATIVE PROGRAM

The purpose of a report on the Cooperative Program is to emphasize the importance of the Cooperative Program and to encourage greater support of the denominational work through it.

We believe that the Cooperative Program is the best plan yet devised for channeling financial support to our various denominational cause, both state and southwide. We deplore the fact, however, that under the present set-up in this state, 65.4 per cent of the total funds which the churches contribute through the Cooperative Program in 1956 will be used right here in North Carolina, while only 34.6 per cent will go to all southwide causes, including Home and Foreign Missions. In our judgment, this is a disproportionate share of the total funds for southwide causes, and we believe that it definitely tends to decrease gifts for all objects through the Cooperative Program, and to increase designated gifts for specific objects.

We recognize the autonomy of the local church and would not presume to suggest how much any local church should give to the denominational work, but, at the same time, we deplore the fact that the rank and file of our churches continue to spend so much more on their local work than they give to the work of the denomination. Dr. E. N. Gardner, in an article in the June 30th issue of the Biblical Recorder, titled, AT THE HALF-WAY MARK OF THE NINE-YEAR PROGRAM, calls attention to the fact that "in 1955 North Carolina Baptists spent approximately $28 for local work to $5 (ratio: 5½ to 1) for others, including all state objects, and all southwide and world causes." Such disproportionate giving on the part of the local church to the cause of world evangelization can hardly be justified in the light of the Great Commission. It raises the question as to whether many of our churches are not losing their zeal for spreading the Gospel beyond their local communities.

We believe that the key to the entire problem as to how to provide more adequate support for the Lord's work, on the local church level and on the denominational level, is the enlistment of more of our people in the practice of tithing. We affirm our belief that "the tithe . . . is holy unto the Lord" and is the minimum that a Christian should give to the Lord's work. We regard the practice of tithing, however, as a matter of voluntary choice on the part of the individual church member, under the enlightenment and guidance of the Holy Spirit, and not as a matter of legal requirement.

We realize, of course, that the enlistment of our people in the practice of tithing is a problem in itself. We believe, though, that it would be much easier to persuade our people to tithe their income through their churches if, on both the local church level and the denominational level, adequate provision were made for spreading the Gospel "unto the uttermost part of the earth." We register our conviction that if our local churches would adopt a worthy financial program and give an equitable share of their income to the denominational work, and if the Cooperative Program set-up in this state were adjusted so as to provide a more adequate outlet for the Gospel beyond North Carolina, it would not only spark a much greater interest in, and support of, our total denominational work, but also furnish a powerful incentive to our people to tithe their income through their churches. As it is now, with so many of our churches using so much of the worship offerings in their local communities, and with so little of the Cooperative Program funds being allocated for State, Home, and Foreign Missions, we have a situation which is not calculated to encourage maximum interest in the denominational work, or to challenge our people to begin the practice of tithing or to give all of their tithe through their churches.

We would call to the attention of the pastors the imperative importance of doing everything in their power to implement the carrying out of the Great Commission, and we would urge that the churches provide a more equitable share of their income for that purpose. In addition to the Cooperative Program, the special offerings for State, Home, and Foreign Missions provide a direct channel through which to enlarge our support of the missionary enterprise.

And, in conclusion, we would urge all of our people to study carefully what the Bible teaches about tithing, and then to give it a fair trial. We believe that the practice of tithing from motives of love for Christ and of compassion for sinful and perishing humanity, will result in many blessings to the giver, and also make possible a much larger and more effective Christian witness throughout the world, for the salvation of the lost and the building up of the saved.

Officers were elected as nominated and their names can be found under "Officers of Associational Organizations."

27. The Sunday School report was read by C. H. Dean, Associational Sunday School Superintendent. Motion was made by Mr. Dean that the report be approved. He also gave the Bible School report for this year as prepared by Miss Pauline Snelson, Vacation Bible School worker. The report was adopted.

REPORT OF ASSOCIATIONAL SUNDAY SCHOOL

Unless an Associational Sunday School organization can help the churches of the Association to do better Bible Teaching in their Sunday Schools and to reach more people for Bible Study there is no reason for its existence. That the churches of our Association are reaching more people is evidenced by an increase of 590 in enrollment over the report a year ago.

To carry out the mission of our organization we began our work by planning and conducting a study of Dr. J. B. Barnett's book, "The Associational Sunday School." Eight of our Associational Sunday School officers completed this book and received their awards for the study.

Worker's Conferences for our Sunday School workers have been held every month beginning with October. We meet on Tuesday evening after the fourth Sunday of each month and invite all of the churches to send their officers and teachers to these conferences. Our department superintendents have been faithful in their work and loyal in their attendance at the monthly conferences. They are to be commended for their good work.

Churches have been encouraged to have study courses for their teachers and officers and to encourage teacher training. As reports of these activities go to Raleigh we cannot be accurate in our figures but we do know that at least 44 churches have taken part in the Teacher Training program and 894 awards have been earned by these churches.

Plans are now in progress to cooperate with the Training Committee of the Association in its Central Training School October 22-26, 1956.

We recommend:

1. The Associational organizations be maintained and the churches urged to participate in its activities.
2. The churches be urged to conduct planning meetings during "Preparation Week", September 23-29, and that they set goals of increase in enrollment and attendance for the new Sunday School year.
3. That the Sunday Schools be encouraged to observe all special days and special seasons promoted by our Sunday School Board and by the North Carolina Baptist Convention and that they be asked to report their observance to the Associational Sunday School Secretary.
4. We especially commend observance of January Bible Study Week and urge all of our churches to participate in this.

Respectfully submitted,
C. H. Dean

28. Mrs. F. C. Miller, Associational Training Union Director, presented the Training Union Report. Mrs. Miller spoke briefly to the report and then it was adopted.

TRAINING UNION REPORT

Your Training Union officers are delighted to bring you a good report of progress since last year. The standard has been maintained each quarter. More than 1000 letters and cards have been sent out in connection with the work, and approximately 500 telephone calls have been made. Meetings have been held in 11 churches.

Among the highlights this year is the fact that our Association held all of the contests and participated in the regional and State-wide

contest. Eight Juniors took part in the Associational Junior Memory Work contest, five of them were selected for the regional, three of those were state winners. There were five participants in the Intermediate Sword Drill. One was chosen to represent us in the regional. Three young people entered the speaking contest, with Miss Dorothy Mathison of the First Church chosen to represent us. We had four participants in the Adult Scripture reading, the winner being Mrs. Kay Schrepel of Hominy Church, who also won the regional contest and participated in the state-wide contest at Fruitland. Our Association had 12 choirs taking part in the regional and in the State Hymn Festival.

Last year we reported 57 churches with Training Unions. We now have unions in 61 churches, giving us a gain of 4 new unions. These were organized in the following churches: Jupiter, Emma's Grove, Chestnut Grove and Midway. Our goal was 67 churches with unions.

Our greatest achievement this year was the Enlargement Campaign, held last October in 26 of our churches. The study course awards during that week and during the rest of the year have totaled 3,523 in 45 churches. This is more than a thousand beyond our goal.

Another highlight was our "M" night attendance, which for the first time went beyond 1000. Mr. Versil S. Crenshaw, South-wide Intermediate leader brought the message.

Youth Night was well attended at Grace Church on April 7th. A fine program and fellowship were enjoyed, under the direction of Mr. James P. Clouse, Young People's Leader, and David Whisnant, Young People's President. We expect larger attendance in the future for this annual meeting.

The next important event on our calendar of activities is to be a Central Training School at First Baptist Church the third week in October, promoted by the Associational Training Committee, with Rev. Frank Robinson, Chairman. Nine training union award books will be offered. We trust that all of our churches will be represented in this effort.

We beg for your cooperation in our efforts to develop leaders for the future of our churches.

Respectfully submitted,
Mrs. F. C. Miller
Training Union Director

The report was duly seconded and adopted.

30. The report of B. C. Blankenship, Associational Brotherhood President, was received for the minutes without being read. Mr. Ernest Klutz, Jr., State Brotherhood President, of Gastonia, was introduced and brought a very inspiring message to the Brotherhood report. The report was then adopted.

BROTHERHOOD REPORT

Loyalty to Christ, the church and to the pastor as the leader of all the work of the church. Cooperation with every agency of the church and denomination by promoting and supporting all of their activities, and greater emphasis upon Evangelism to reach the lost and enlist them for Christ is definitely the aim of the Baptist Brotherhood.

We did not organize as many Brotherhoods this past year as we did the year before, but we did organize several, and helped strengthen several weak Brotherhoods. In addition to the organizational work of our Associational Brotherhood we entertained the State Brotherhood Convention on November 14 in the Asheville Auditorium. Around 1,200 were present to enjoy a barbecue-banquet and to hear an address by Howard Butt of Corpus Christi, Texas. Then again on May 24th our Association was host to the Regional meeting held in Calvary Baptist Church with around 800 present, which included over 500 boys of the R.A.'s, at this meeting. Julian Hopkins, State Secretary of Evangelism brought a fine spiritual message, and Fague Springman of the faculty of the University of Maryland led us in song.

When Jesus Christ came to earth He called laymen about Him to do a great task. Today He is still calling men to meet the ever growing challenge to go out and evangelize the world.

"God give us men!
A time like this demands
Strong minds, great hearts,
True faith and ready hands;
Men whom the lust of office
does not kill;
Men whom the spoils of office
cannot buy;
Men who possess opinions
and a will,
God give us men!"

B. C. Blankenship

31. The hymn, "Wonderful Words Of Life," was sung by the congregation led by T. O. Dekle. Mrs. Rotan of Enka was at the piano.

32. Pastor A. J. Buckner of the Chunn's Cove Church brought the report on Evangelism. Julian Hopkins, Secretary of Evangelism for North Carolina, was presented and spoke to the report. Motion was made, seconded and passed that the report be accepted.

REPORT ON EVANGELISM

The first fundamental essential in our Christian work is to make disciples. This being true, evangelism is the very heart and core of the great Christian program.

During the past year we did not have any simultaneous crusades but much fine work was done in many of our churches. According to reports 930 were baptized into our fellowship. For this number we are justly proud, but our hearts are solemnized when we find, according to statistics that there yet remains approximately forty thousand in the bounds of our Association to be reached. We regret to say that 17 of our Churches reported no baptisms during the year.

The challenge before us is truly great, the fields are white unto harvest, the great need is for laborers.

Your committee makes the following recommendations:

1. That each church endeavor to have at least one revival meeting during the year and secure a preacher strong on evangelism to do the preaching.
2. That a greater effort be made to organize and utilize the laymen in personal evangelism.
3. That much preparation be made during the year for the central meeting to be led by Howard Butts in the early autumn of 1957.
4. That time be given in the future on the Associational program for an address on evangelism.

Respectfully submitted,
A. J. Buckner

32. Special music, "Moment By Moment," was presented by James Gibbs of the West Asheville Church with Mrs. W. A. Jones at the piano.

33. Pastor W. A. Huneycutt of the Black Mountain Church introduced Dr. V. L. Seats, Secretary of Promotion of the Nigerian Baptist Convention, Nigeria, Africa, who brought the Missionary message. Scripture reading was taken from the 10th Chapter of Romans.

34. The closing prayer was led by Julian Hopkins.

WEDNESDAY MORNING SESSION

35. The Wednesday morning session began at 9:15 at the Oakley Baptist Church with O. L. McGinnis, Vice-Moderator, presiding. The congregation stood and sang "I Am Thine O Lord," led by Charles W. Smith of the Swannanoa Church with Mrs. Graham Fox, of the Oakley Church, at the organ.

36. Pastor Frank B. Robinson of the Oakley Church welcomed those present and announced that the noon day meal would be served in the cafeteria of the Oakley Grammer School. The hymn, "Rescue The Perishing," was sung by the group with Rev. Smith leading and Mrs. Fox at the organ. Rev. L. D. Munn, Pastor of the Weaverville church, brought the scripture reading from the Book of Acts and led in prayer.

37. Vice-Moderator McGinnis recognized the following visitors: Dr. W. K. McGee of the Baptist Hospital, Winston-Salem, W. C. Reed, General Superintendent of the Mills Home, Thomasville, C. W. Bazemore, Associate Editor of the Biblical Recorder, Raleigh, Zeb A. Caudle, Albemarle, and Dr. J. C. Canipe of Fruitland.

38. With nominations from the floor, Frank B. Hopkins was elected Moderator and Charles W. Smith, Vice-Moderator.

39. Pastor H. E. Benfield of the Gashe's Creek Church made a motion that the reading of the report for the Orphanage be omitted. He then introduced W. C. Reed who spoke to the report which was then adopted.

BAPTIST ORPHANAGE OF NORTH CAROLINA

Out of a Christ-like spirit for homeless children, you have a part during the year of 1955 and '56 a total of 824 applications for the care of needy children passed over the desk of the General Superintendent. A decision had to be made on each case. We were able to admit to some phase of our program 137 of these children. To the other 687 we had to say no. Of course, many of these were accepted for some sort of care by relatives or other agencies.

In 1955 and '56 there were 58% more applications sent to us than in 1950. Thus the need, based on the number of applications, grows greater each year. Last year we cared for a total of 736 children or 23 more than the year before. The increase was in foster home care and was made possible by an increase in the Thanksgiving Offering.

Last year for the first time the Orphanage received part of its support through the Cooperative Program. About ten per cent of the total income was given through this channel. Most of the Churches continue to place the Orphanage in their budgets or else take the Once-a-Month offering through their Sunday Schools. Each Church, of course, makes its own decision about this matter. Let us always bear in mind the fact that the income for the Orphanage from Church budgets, Once-a-Month offerings, and the Cooperative Program is fixed and will be the same amount each year. Therefore, **the only way for the Orphanage to get more money to meet the ever increasing needs for child care is through a greater Thanksgiving Offering.**

During the past year a new Church building and a new parsonage have been completed at Kennedy Home. These are buildings of which every Baptist can be proud. A contract will be let sometime this fall for a new Boys' Cottage and a swimming pool at Kennedy Home. Bear in mind that all of these buildings are erected with special gifts or bequests.

Today more than 51,000 copies of **Charity and Children** are mailed out each week.

Respectfully submitted,
Rev. H. E. Benfield

40. Harry R. Logan presented the report of the Baptist Hospital making a motion that the report not be read but that it be adopted. Dr. W. K. McGee, of the Baptist Hospital, Winston-Salem, was recognized and spoke to the report. The adopted report is given below.

BAPTIST HOSPITAL REPORT

The year 1955 was the best in service our Baptist Hospital has ever had. Our churches gave the largest Mother's Day Offering they have ever made, and the Hospital was able to serve more sick people than ever before. More than 115,000 days of bed-patient care were rendered to almost 15,000 sick people, and more than 100,000 visits were made to the clinics and offices of the medical staff.

Following the completion of the new south wing and the moving of a number of departments into new quarters, much of the original building which was constructed in 1923 had to be renovated. Most of this work has been completed, as is evidenced by the new waiting rooms for visitors and many other changes. Our Hospital is not only larger now, but it has the best facilities and staff to serve our people that it has ever had.

The new x-ray department is one example of improvement. Just recently, three new type x-ray machines have been installed at a cost

of over $30,000. A small concrete building is now under construction to house a cobalt machine, which is much more safe and much more effective in the treatment of certain types of cancer than any x-ray machines now being used. The cost of this will be $75,000. No other hospital in North Carolina has equipment equal to these new machines. We now have the best x-ray department in the South. The doctor who heads the department is one of the outstanding radiologists in America.

Most other departments have been improved and new departments added. Regular services are being held in the beautiful new Chapel which was opened in June. We now have a fine specialist for testing and advising those who have defective hearing. A highly skilled plastic surgeon is joining our staff this fall. Our Baptist Hospital is trying to stay in the forefront in providing for our people the best there is available in medical service.

The most urgently needed new facilities are a new nurses' home, in order that the nursing school may be enlarged, and additional parking facilities. Anyone who has visited the Hospital recently is probably aware of the serious parking problem, and the nursing school need is equally acute.

Costs in all hospitals have increased steadily and every indication is that they will continue to increase. Such medical service as is provided by our Baptist Hospital cannot be made available without great cost. All who can possibly do so should carry hospital insurance with a reliable company. Those of us who can pay for our medical care must do so. Then we need to give generously through our Mother's Day Offering to help care for those who cannot care for themselves.

Respectfully submitted,
Harry R. Logan

41. The report on the Homes For The Aging was brought by Don C. Young. He then presented Zeb V. Caudle, Superintendent of the Baptist Home at Albemarle, who discussed the report. After his discussion the report was adopted.

REPORT ON HOMES FOR THE AGING

One of the youngest children in the North Carolina Baptist family is the Home for the Aging. This work was begun a few years ago in a very modest way in Winston-Salem. A very advantageous rental of a building suitable for the beginning of this work was made available and later the property at Albemarle was obtained. The capacity then for residents was 56.

A new location for a permanent home was obtained in the outskirts of Winston-Salem, and a new modern building is being erected thereon. This building provides for an additional 44 residents. It also includes space for offices, dining room, kitchen, chapel, infirmary, library, recreational and handicraft space.

This building will be completed by the end of this year and ready for occupancy by February 1, 1957. If our Baptist churches will make a liberal response on the special day set aside as the 3rd Sunday of February 1957, sufficient funds will be available to pay all the costs of the construction of this new building.

The special day offering this year up to date is $88,400.03. This will be increased to some extent by churches reporting late. It is interesting to note that 38 churches in our Association have contributed to this cause. You will remember that the men of the Brotherhoods of the Association publicized the special day offering in the Buncombe churches. The men did a splendid job and not only got results this year, but laid the basis for continuing results in the future.

The trustees for the homes have arranged a splendid plan of memorial gifts. These range from $300.00 to $3,000.00, and are in the

form of the costs of furnishing a room, costs of endowing a room, or the costs of constructing a room. Also there are a limited number of memorials in the form of a cottage to be constructed on the Winston-Salem grounds. Any one interested in any form of memorials, please contact the general superintendent at the general offices in Winston-Salem. We commend this work to you as individuals and also to all of our churches. Let's try to make the special day offering next year unanimous. Please keep in mind in preparing the church budget for next year to place a suitable amount therein for this ministry for the aging people.

Respectfully submitted,
Don C. Young,
Chairmen of the Committee

42. Special music, "Love Of God," was presented by Mrs. Jackie Maxwell of the Oakley Church with Mrs. Graham Fox at the organ. Rev. E. F. Hardin of Ridgecrest led in prayer.

43. The report of the Retirement Plan for Ministers was read by E. B. Roberts. Motion for adoption of report was made. Mr. Roberts presented Ottis J. Hagler, Associate Secretary of the Department of Promotion, and he spoke to the report after which it was adopted.

REPORT ON THE MINISTER'S RETIREMENT PLAN

Your committee is convinced that the retirement plan is a concerted effort for the benefit of all pastors and all that would come under its category.

We urge and insist that all church officials should encourage their pastors and people to cooperate and avail themselves of this wonderful opportunity to be cared for in their declining years or from disability reasons. The State Convention is very liberal in offering to help make this plan secure by contributing to it, also.

We would recommend that all pastors avail themselves for the Social Security retirement. That they go to their local Social Security Office and they will find the personnel there always ready to help them have a better understanding of what Social Security would really mean to them. We feel that pastors are very fortunate that there is a program available for them to participate in for old age security.

Respectfully submitted,
E. B. Roberts, Chairman

44. Z. W. Rotan, Pastor of the Enka Church, gave the Report on Religious Literature, and then presented C. W. Bazemore of the Biblical Recorder who discussed the report. The report was adopted following the discussion.

RELIGIOUS LITERATURE

It has been said that a person is what he reads. It is impossible to overestimate the power of the printed page. The Apostle Paul exhorted Timothy to, "Give attention to reading." If we are to have a strong faith in God and the principles of the teachings of Jesus Christ, we must nourish our minds with good reading matter.

There is little excuse today for the average christian not to be informed. Our Baptist press is turning out all kinds of good reading material to meet our needs. In most every city in our land today, there is available a public library. There has never been a time in history when there was as much reading matter available as there is today. People are reading more.

What are people reading? This may be a $64,000 question. Baptist ought to be reading Baptist Literature. Baptist should be informed about our Baptist work. We have many well edited papers and magazines that give information and inspiration concerning our Baptist work and our denominational policies.

Christian literature is a must in promoting a good church program. Evangelism and stewardship (two sides of the same thing) find no more effective tool than the printed word. Printed words can get into many places where the spoken word cannot reach.

We believe that Baptist literature should be read in every Baptist family. We highly recommend the Biblical Recorder, The Commission, Charity & Children, Home Mission Journal, and many others. We believe these to be the best investment for Baptist homes that we could possibly have.

Respectfully submitted,
Z. W. Rotan

45. Dr. J. C. Canipe of Fruitland Baptist Bible Institute was given recognition and spoke to the group on the Education of our Ministers.

46. R. M. Hauss, of the Allied Church League, was recognized by Vice-Moderator O. L. McGinnis, and spoke to the group urging that the Association organize and secure signed petitions to be presented to the 1957 General Assembly of North Carolina to provide for a statewide referendum on the question of the manufacture and sale of alcoholic beverages in North Carolina.

47. Missionary Robert T. Hughes made a motion that the Committee on Committees name a committee from the Association to work in line with the program of the State Baptist Convention concerning this matter. Motion was seconded and passed.

48. Special music, "He's Got The Whole World In His Hand," was rendered by the youth choir of the Beaverdam church under the direction of Mrs. Robert T. Hughes with Miss Shirley Roberts at the piano.

49. Rev. Frank B. Hopkins, Pastor of the Liberty Church, brought the Missionary Message. Scripture reading was taken from the 4th Chapter of John, Verses 34-38. It was a good message, timely and challenging. Following the message Pastor Hopkins led in prayer offering thanks for the noon day meal. A lovely meal provided by the ladies of the host church was enjoyed by the group.

WEDNESDAY AFTERNOON SESSION

50. The singing of the hymn, "Let The Lower Lights Be Burning," opened the Wednesday afternoon session. Rev. Frank L. Gribble, Pastor of the Mount Pisgah Church, read from the First Chapter of II Peter and led in prayer.

51. The American Bible Society was discussed by Hall F. Sayles of the Oakley Church. Following his discussion motion was made that the report be adopted. Motion carried.

AMERICAN BIBLE SOCIETY

The American Bible Society through the gifts of more than 55 denominations is sending the Gospel around the world.

Last year—1955, almost 15 million volumes of Scriptures were distributed throughout the universe. To our Armed Forces alone, the Chaplains had a donation of 1,397,100 Scripture Volumes for distribution, thus providing a vital link between the home churches and the men in service.

Southern Baptists Support the Work.

Because the Bible Society serves mission work — and because Southern Baptist missionaries depend on the Society for Scriptures they need for distribution in their own work — Southern Baptist churches give to the American Bible Society.

In 1955, Southern Baptist churches again broke their own record by giving $115,637 to their Bible Society; as compared with 1954—gifts of $112,064—but again stood in second place, exceeded by Methodist gifts of $139,151. Gifts from all denominations totaled $804,998.

The help of every Southern Baptist church is needed, in order that this Gospel may be sent to all nations.

People must have the Bible because it presents Jesus Christ, the one hope of men and nations. — **Every person must have the Bible** in his own language if the Word of God is to speak to his heart.

Every Church in the Buncombe Association Should Give

We urge every church in the Buncombe Association to put into their budget, a liberal amount to help sponsor this very worthy cause —truly a great mission program.
